FOR IMMEDIATE RELEASE
April 17, 2009

WESTAMERICA BANCORPORATION REPORTS

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

FIRST QUARTER 2009 RESULTS

San Rafael, CA: Westamerica Bancorporation (NASDAQ: WABC), parent company of Westamerica Bank, today reported net income applicable to common shareholders for the first quarter of 2009 of \$52.2 million and diluted earnings per common share ("EPS") of \$1.80. First quarter 2009 results include Westamerica Bank's acquisition of County Bank from the Federal Deposit Insurance Corporation (FDIC) on February 6, 2009. First quarter 2009 earnings include the results of operations of the former County Bank following the acquisition. Further, the estimated fair value of assets purchased exceeded the estimated fair value of liabilities assumed, resulting in gain recognition under Financial Accounting Standard 141R. First quarter 2009 results also include a refund of federal income taxes related to 2004. The FAS 141R gain and tax refund combined to increase EPS by \$1.00.

"The integration of County Bank is proceeding consistent with our historical merger timelines. We would expect to complete the integration during the third quarter this year," said Chairman, President and CEO David Payne. "County Bank loans and foreclosed loan collateral are covered by a loss-sharing agreement with the FDIC. Annualized net losses on legacy Westamerica Bank loans represented 0.42 percent of such loans. We are pleased to have delivered an annualized return on our common shareholders' equity, excluding the FAS 141R gain and tax refund, of 21 percent this quarter," added Payne.

Total assets grew \$1.4 billion from \$4.0 billion at December 31, 2008 to \$5.4 billion at March 31, 2009 due to the County Bank acquisition. As a result, earnings in prior periods were generated from a lower asset base. Net income in the fourth quarter of 2008 totaled \$20.8 million and EPS of \$0.71, including securities losses equivalent to \$0.07 EPS. Net income in the first quarter of 2008 totaled \$26.8 million and EPS of \$0.92, including benefits from Visa's initial public offering which increased EPS by \$0.16.

Net interest income on a fully taxable equivalent (FTE) basis was \$59.4 million for the first quarter of 2009, compared to \$49.9 million for the fourth quarter of 2008 and to \$48.0 million for the first quarter of 2008. The increase in net interest income in the first quarter 2009 is due to the acquisition of County Bank on February 6, 2009. The first quarter 2009 net interest margin on a fully taxable equivalent basis was 5.35 percent, compared to 5.44 percent and 4.79 percent for the fourth and first quarters of 2008, respectively.

The provision for loan losses was \$1.8 million for the first quarter of 2009, compared to \$900 thousand for the fourth quarter of 2008, and \$600 thousand for the first quarter of 2008. First quarter 2009 net loan losses totaled \$2.5 million or 0.42 percent (annualized) of average loans not covered by the FDIC loss sharing agreement, compared to 1.08 percent and 0.14 percent, respectively, for the fourth and first quarters of 2008.

Noninterest income for the first quarter of 2009 totaled \$15.1 million, excluding the FAS 141R gain. Noninterest income for the fourth quarter 2008 totaled \$13.2 million, excluding \$3.3 million in securities losses. Noninterest income in the first quarter 2008 totaled \$13.7 million, excluding \$5.7 million in securities gains. The increase in noninterest income in the first quarter 2009 compared to the fourth and first quarters of 2008 is primarily due to an increase in deposit service charges from the larger deposit base following the County Bank acquisition.

Page 6

Noninterest expense for the first quarter of 2009 totaled \$34.1 million, including approximately \$400 thousand in incremental expenses related to the

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

County Bank acquisition. These incremental expenses consisted of legal and professional fees, travel expenses, temporary signage and other expenses. Noninterest expense for the fourth quarter of 2008 totaled \$26.2 million. Noninterest expense for the first quarter 2008 totaled \$25.4 million, excluding the reversal of a \$2.3 million accrual for Visa related litigation. The increased noninterest expense in the first quarter 2009 compared to the fourth and first quarters of 2008 reflects increased operating costs from the acquisition of County Bank. Personnel costs are higher by approximately \$3.5 million, and occupancy and equipment costs are higher by approximately \$2.3 million. Westamerica recognized an identifiable intangible asset related to the County Bank customer deposit base totaling \$28.1 million. As a result, amortization of identifiable intangible assets increased by approximately \$860 thousand in the first quarter 2009 compared to the fourth and first quarters of 2008. Excluding the FAS 141R gain, the efficiency ratio was 45.8 percent in the first quarter 2009.

At March 31, 2009, Westamerica Bancorporation's tangible common equity-to-asset ratio was 5.5 percent, Westamerica Bancorporation's total regulatory capital ratio was 11.4 percent, and Westamerica Bank's total regulatory capital ratio was 10.9 percent.

At March 31, 2009, the Company's assets totaled \$5.4 billion and loans outstanding totaled \$3.4 billion.

Westamerica Bancorporation, through its wholly owned subsidiary Westamerica Bank, operates commercial banking and trust offices throughout Northern and Central California.

FORWARD-LOOKING INFORMATION:

This press release contains forward-looking statements about Westamerica Bancorporation for which it claims the protection of the safe harbor provisions contained in the Private Securities Litigation Reform Act of 1995. Examples of forward-looking statements include, but are not limited to: (i) projections of revenues, expenses, income or loss, earnings or loss per share, the payment or nonpayment of dividends, capital structure and other financial items; (ii) statements of plans, objectives and expectations of the Company or its management or board of directors, including those relating to products or services; (iii) statements of future economic performance; and (iv) statements of assumptions underlying such statements. Words such as "believes", "anticipates", "expects", "intends", "targeted", "projected", "continue", "remain", "will", "should", "may" and other similar expressions are intended to identify forward-looking statements but are not the exclusive means of identifying such statements.

These forward-looking statements are based on Management's current knowledge and belief and include information concerning the Company's possible or assumed future financial condition and results of operations. A number of factors, some of which are beyond the Company's ability to predict or control, could cause future results to differ materially from those contemplated. The Company's most recent annual report for the year ended December 31, 2008 filed with the Securities and Exchange Commission describes some of these factors. These

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

factors include but are not limited to (1) the length and severity of current difficulties in the national and California economies and the effects of federal government efforts to address those difficulties; (2) continued low liquidity levels in capital markets; (3) fluctuations in asset prices including, but not limited to, stocks, bonds, real estate, and commodities; (4) the effect of acquisitions and integration of acquired businesses including the recently acquired County Bank; (5) economic uncertainty created by terrorist threats and attacks on the United States, the actions taken in response, and the uncertain effect of these events on the national and regional economies; (6) changes in the interest rate environment; (7) changes in the regulatory environment; (8) significantly increasing competitive pressure in the banking industry; (9) operational risks including data processing system failures or fraud; (10) volatility of rate sensitive loans, deposits and investments; (11) asset/liability management risks and liquidity risks; and (12) changes in the securities markets. The Company undertakes no obligation to update any forward-looking statements to reflect circumstances or events that occur after the date forward-looking statements are made.

Forward-looking statements speak only as of the date they are made.
