Pre-Paid Legal Announces 2005 Year End Results

13th Consecutive Year of Increased Membership Revenues

Fourth Quarter Membership Revenues Up 10%; Net Income Up 8% and EPS Up 11%

ADA, OK, February 20, 2006 - Pre-Paid Legal Services, Inc. (NYSE:PPD), announced results for the fourth quarter and year ended December 31, 2005. Net income for the fourth quarter of 2005 increased 8% to \$11.4 million from \$10.5 million for the prior year's fourth quarter. Diluted earnings per share increased 11% to 73 cents per share from 66 cents per share for the prior year's comparable quarter due to an increase in net income of 8% and a 1% decrease in the weighted average outstanding shares. Membership revenues in the fourth quarter of 2005 increased 10% to \$100.6 million from \$91.3 million for the same period last year.

Net income for the full year of 2005 decreased 12% to \$35.8 million from \$40.8 million for 2004. Diluted earnings per share for 2005 decreased 8% to \$2.29 per share from \$2.48 per share for the prior year due to decreased net income of 12%

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 8-K

partially offset by an approximate 5% decrease in the weighted average number of outstanding shares. Membership revenues for 2005 were up 10% to \$389.3 million from \$355.5 million for the prior year marking the thirteenth consecutive year of increased membership revenue.

During 2005 we had meaningful increases in new membership sales and "add-on" Identity Theft sales resulting in a 19% increase in new membership premiums written. Due to this growth, we paid \$142 million of commissions to our sales associates, a \$23 million dollar increase (19%) over 2004. We expense commission advances in the first month. Increased sales thus reduce current earnings but increase future earnings as the revenues are earned and recorded without the corresponding commissions. This reporting model typically results in our net cash provided by operating activities exceeding our net income, as it did in each of the periods reflected below.

Net cash provided from operating activities increased 6% to \$50.1 million for 2005 from \$47.3 million for 2004, although cash provided from operating activities before changes in assets and liabilities decreased 12% to \$45.4 million for 2005 from \$51.7 million for 2004. During 2005 we repurchased 336,100 shares of our stock for \$11.7 million at an average share price of \$34.73. From April 1999 to year-end 2005, we invested \$222.5 million in the repurchase of 9.4 million shares at an average price of \$23.64 per share, reducing the number of shares outstanding at year-end 2005 to 15.5 million. At December 31, 2005, we had \$38.5 million of debt outstanding and \$59.9 million in cash and cash equivalents and unpledged investments.

Fourth quarter 2005 membership fees and associate services revenues increased 2% and 1%, respectively vs. the third quarter of 2005. Associate services and direct marketing expenses decreased approximately 26%. Membership benefits were 36% and 35%, respectively of membership fees in both periods. Commissions, as a percent of membership fees, were 34% in the 2005 fourth quarter vs. 38% in the third quarter due to a 14% decline in new legal service membership sales and "add-on" Identity Theft sales partially offset by a 10% increase in "stand-alone" Identity Theft sales. General and administrative expenses were 13% vs. 12% of membership fees in the fourth and third quarters, respectively.

We will resume our open market repurchase program later this week as we have remaining authorization from the Board to purchase an additional 586,082 shares and \$20 million availability under existing bank covenant restrictions.

We will conduct a conference call to present the year end results on Wednesday, February 22, 2006 at 8:30 a.m. Eastern Time.
