Item 8.01 Other Events.

On August 31, 2016, USG Corporation (the “Company”) announced that James S. Metcalf, Chairman, President and Chief Executive Officer, and Matthew F. Hilzinger, Executive Vice President and Chief Financial Officer, each adopted stock trading plans related to the sale of shares of common stock of the Company and the exercise of stock options and the sale of the underlying Company common stock. Subject to the trading plan provisions, a brokerage firm may periodically sell the issued shares at predetermined minimum prices from September 2016 to September 2017 and March 2018 for Messrs. Hilzinger and Metcalf, respectively.

Messrs. Metcalf and Hilzinger entered into the plans for investment diversification. Upon adoption of the trading plans, as well as after the sales contemplated by the trading plans, Messrs. Metcalf and Hilzinger will hold Company securities in an amount well in excess of the requirements in the Company’s stock ownership guidelines.

Each plan is intended to satisfy the requirements of Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and was adopted in accordance with the Company’s policies regarding securities transactions. Rule 10b5-1 permits individuals who are not in possession of material, non-public information at the time the plan is adopted to establish pre-arranged plans to buy or sell company stock.

Transactions under these plans will be disclosed publicly through Form 4 filings with the Securities and Exchange Commission, to the extent required by law.
