Dear Fellow Stockholder:

I am pleased to invite you to attend our 2011 annual meeting of stockholders of HealthSouth Corporation, to be held on Thursday, May 5, 2011, at 11:00 a.m., central time, at our corporate headquarters at 3660 Grandview Parkway, Birmingham, Alabama.

We will review our 2010 performance and discuss our outlook for 2011 and respond to any questions you may have. We will also consider the items of business described in the Notice of Annual Meeting of Stockholders and Internet Availability of Proxy Materials and in the Proxy Statement accompanying this letter. The Proxy Statement contains important information about the matters to be voted on and the process for voting, along with information about HealthSouth, its management and its directors.

Every stockholder's vote is important to us. Even if you plan to attend the annual meeting in person, please promptly vote by submitting your proxy by phone, by internet or by mail. The "Commonly Asked Questions" section of the Proxy Statement and the enclosed proxy card contain detailed instructions for submitting your proxy. If you plan to attend the annual meeting in person, you must provide proof of share ownership, such as an account statement, and a form of personal identification in order to be admitted to the meeting.

On behalf of the directors, management and employees of HealthSouth, thank you for your continued support of and ownership in our Company.

Sincerely,

Jon F. Hanson
Chairman of the Board of Directors

HEALTHSOUTH CORPORATION
PROXY STATEMENT

INTRODUCTION

The annual meeting of stockholders of HealthSouth Corporation, a Delaware corporation (“HealthSouth,” or also “we,” “us,” “our,” or the “Company”), will be held on May 5, 2011, beginning at 11:00 a.m., central time, at our principal executive offices located at 3660 Grandview Parkway, Birmingham, Alabama 35243. We encourage all of our stockholders to vote at the annual meeting, and we hope the information contained in this document will help you decide how you wish to vote at the annual meeting.

COMMONLY ASKED QUESTIONS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the solicitation by our board of directors of proxies to be voted at our 2011 annual meeting and at any adjournment or postponement. At our annual meeting, stockholders will act upon the following proposals:

- To elect ten directors to the board of directors to serve until our 2012 annual meeting of stockholders;
- To ratify the appointment by the Audit Committee of our board of directors of PricewaterhouseCoopers LLP as our independent registered public accounting firm;
- To approve, on an advisory basis, the compensation of the named executive officers, as disclosed in this proxy statement for the 2011 Annual Meeting;
- To vote, on an advisory basis, as to whether the above “say-on-pay” advisory vote should occur every one, two, or three years;
 - To approve the Amended and Restated 2008 Equity Incentive Plan; and
- To transact such other business as may properly come before the 2011 annual meeting of stockholders and any adjournment or postponement.

These proxy solicitation materials are being sent to our stockholders on or about April 4, 2011.

What do I need to attend the meeting?

Attendance at the 2011 annual meeting of stockholders is limited to stockholders. Registration will begin at 10:00 a.m. central time and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Additional rules of conduct regarding the meeting will be provided at the meeting.

Who is entitled to vote at the meeting?

The board of directors has determined that those stockholders who are recorded in our record books as owning shares of our common stock or preferred stock as of the close of business on March 8, 2011, are entitled to receive notice of and to vote at the annual meeting of stockholders. As of the record date, there were 95,180,871 shares of our common stock issued and outstanding and 400,000 shares of our 6.50% Series A Convertible Perpetual Preferred Stock issued

and outstanding. Your shares may be (1) held directly in your name as the stockholder of record or (2) held for you as the beneficial owner through a stockbroker, bank or other nominee, or both. Our common stock and our preferred stock are our only classes of outstanding voting securities. Each share of common stock

1

Table of Contents

and preferred stock is entitled to one vote on each matter properly brought before the annual meeting. Our common stock and preferred stock vote together as a class.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank, or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank, or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares will constitute broker non-votes. The effect of broker non-votes is more specifically described in “What vote is required to approve each item?” below.

How can I vote my shares in person at the meeting?

Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. Submitting your proxy by telephone, by internet or by mail will in no way limit your right to vote at the annual meeting if you later decide to attend in person.

Shares held beneficially in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares. Owners of shares held in street name that expect to attend and vote at the meeting should contact their broker, bank or nominee as soon as possible to obtain the necessary proxy.

Even if you currently plan to attend the annual meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the meeting.

How can I vote my shares without attending the meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank, or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank, or nominee. The internet and telephone voting procedures established for our stockholders of record are designed to authenticate your identity, to allow you to give your voting instructions, and to confirm those instructions have been properly recorded. Internet and telephone voting for stockholders of record will be available 24 hours a day, and will close at 11:59 p.m. eastern time on May 4, 2011. The availability of internet and telephone voting for beneficial owners will depend on the voting processes of your

broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

Table of Contents

- **BY INTERNET** – If you have internet access, you may submit your proxy from any location in the world by following the “internet” instructions on the proxy card. Please have your proxy card in hand when accessing the web site.
- **BY TELEPHONE** – If you live in the United States, Puerto Rico, or Canada, you may submit your proxy by following the “telephone” instructions on the proxy card. Please have your proxy card in hand when you call.
- **BY MAIL** – You may do this by marking, signing, and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank, or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If you do not have the pre-addressed envelope available, please mail your completed proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If you cast your vote in any of the ways set forth above, your shares will be voted in accordance with your voting instructions unless you validly revoke your proxy. We do not currently anticipate that any other matters will be presented for action at the annual meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

Can I access the proxy statement and annual report on the internet?

Yes. This proxy statement, the form of proxy card and our Annual Report on Form 10-K for the year ended December 31, 2010 (the “2010 Form 10-K”) are available at <http://www.proxyvote.com>. If you are a stockholder of record and would like to access future Company proxy statements and annual reports electronically instead of receiving paper copies in the mail, there are several ways to do this. You can mark the appropriate box on your proxy card or follow the instructions if you vote by telephone or the internet. If you choose to access future proxy statements and annual reports on the Internet, you will receive a proxy card in the mail next year with instructions containing the internet address for those materials. Your choice will remain in effect until you advise us otherwise. If you have internet access, we hope you make this choice. Receiving future annual reports and proxy statements via the internet will be simpler for you, will save the Company money and is friendlier to the environment.

A copy of our 2010 Form 10-K and the proxy materials are also available without charge from the “Investors” section of our website at <http://investor.healthsouth.com>. The 2010 Form 10-K and the proxy materials are also available in print to stockholders without charge and upon request, addressed to HealthSouth Corporation, 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243, Attention: Corporate Secretary.

Rules adopted by the Securities and Exchange Commission permit the Company to provide stockholders with proxy materials electronically instead of in paper form, even if they have not made an election to receive the material electronically. If we decide to take advantage of this electronic delivery alternative in the future, stockholders will receive a Notice of Internet Availability of Proxy Materials with instructions on how to access the material on the internet.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the annual meeting by:

- filing with our Corporate Secretary at 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243 a signed, original written notice of revocation dated later than the proxy you submitted,

- submitting a duly executed proxy bearing a later date,

Table of Contents

- voting by telephone or internet on a later date, or
- attending the annual meeting and voting in person.

In order to revoke your proxy, we must receive an original notice of revocation of your proxy at the address in the first bullet above sent by U.S. mail or overnight courier. You may not revoke your proxy by any other means. If you grant a proxy, you are not prevented from attending the annual meeting and voting in person. However, your attendance at the annual meeting will not by itself revoke a proxy you have previously granted; you must vote in person at the annual meeting to revoke your proxy.

If your shares are held by a broker, bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank, or nominee.

All shares that have been properly voted and not revoked will be voted at the annual meeting.

What is “householding” and how does it affect me?

In accordance with notices previously sent to stockholders, we are delivering one annual report that includes a proxy statement in a single envelope addressed to all stockholders who share a single address unless they have notified us they wish to “opt out” of the program known as “householding.” Under this procedure, stockholders of record who have the same address and last name receive only one copy of proxy materials. Householding is intended to reduce our printing and postage costs and material waste. **WE WILL DELIVER A SEPARATE COPY OF THE ANNUAL REPORT OR PROXY STATEMENT PROMPTLY UPON WRITTEN OR ORAL REQUEST.** You may request a separate copy by contacting the office of investor relations at 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243, or by calling (205) 968-6400.

If you are a beneficial stockholder and you choose not to have the aforementioned disclosure documents sent to a single household address as described above, you must “opt-out” by writing to Broadridge Financial Solutions, Inc., Householding Department, 51 Mercedes Way, Edgewood, New York 11717 or by calling 1-800-542-1061, and we will cease householding all such disclosure documents within 30 days. If we do not receive instructions to remove your account(s) from this service, your account(s) will continue to be householded until we notify you otherwise. If you own shares in nominee name (such as through a broker), information regarding householding of disclosure documents should have been forwarded to you by your broker.

Is there a list of stockholders entitled to vote at the meeting?

A complete list of stockholders entitled to vote at the meeting will be open for examination by our stockholders for any purpose germane to the meeting, during regular business hours, for ten days prior to the meeting, at the meeting place.

What constitutes a quorum to transact business at the meeting?

Before any business may be transacted at the annual meeting, a quorum must be present. The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of all of our capital stock outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 95,180,871 shares of our common stock and 400,000 shares of our preferred stock were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the annual meeting for purposes of a quorum.

What is the recommendation of the board of directors?

Our board of directors unanimously recommends a vote:

- “FOR” the election of each of our ten nominees to the board of directors; and

4

Table of Contents

- “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as HealthSouth’s independent registered public accounting firm.
- “FOR” the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.
- “ONE YEAR” for the frequency with which stockholders are provided an advisory vote on executive compensation, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission.
 - “FOR” the approval of the Amended and Restated 2008 Equity Incentive Plan.

With respect to any other matter that properly comes before the annual meeting, the proxy holders will vote in accordance with their judgment on such matter.

What vote is required to approve each item?

The vote requirements for the proposals are as follows:

- Each nominee for director named in Proposal One will be elected if the votes for the nominee exceed 50% of the number of votes cast with respect to such nominee. Votes cast with respect to a nominee will include votes to withhold authority but will exclude abstentions and broker non-votes.
- The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm will be approved if the votes cast for the proposal exceed those cast against the proposal. Broker non-votes will not be counted as votes cast for or against the proposal.
- The Amended and Restated 2008 Equity Incentive Plan will be approved if the votes cast for the proposal exceed those cast against the proposal. Broker non-votes will not be counted as votes cast for or against the proposal.

Please note that “say-on-pay,” Proposal Three, and “say-when-on-pay,” Proposal Four, votes are only advisory in nature and have no binding effect on the Company or our board of directors. Our board of directors will consider Proposal Three approved if the votes cast in favor of each such proposal to exceed the votes cast against such proposal. Broker non-votes will not be counted as votes cast for or against the proposal.

A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the ratification of the independent registered public accounting firm even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any “non-discretionary” matter including a director election, an equity compensation plan, a matter relating to executive compensation, or any stockholder proposal. In that case, without your voting instructions, a broker non-vote will occur. An “abstention” will occur at the annual meeting if your shares are deemed to be present at the annual meeting, either because you attend the annual meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the annual meeting. You should consult your broker if you have questions about this.

The affirmative vote of at least a majority of our issued and outstanding shares present, in person or by proxy, and entitled to vote at the annual meeting will be required to approve any stockholder proposal validly presented at a meeting of stockholders. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same

Table of Contents

effect as a vote against any stockholder proposal, but broker non-votes will be ignored. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the annual meeting.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares of common stock and preferred stock are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the meeting?

We will announce preliminary voting results at the meeting. We will publish the voting results in a Current Report on Form 8-K to be filed with the SEC no later than four business days following the end of the annual meeting. If preliminary results are reported initially, we will update the filing when final, certified results are available.

Who will count the votes?

A representative of Broadridge Financial Solutions, Inc. will tabulate the votes and act as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing, and distributing these proxy materials. If you choose to access the proxy materials or vote over the internet, however, you are responsible for internet access charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone, or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees, custodians, and other fiduciaries who hold shares of our stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

Who should I contact if I have questions?

If you have any questions, need additional copies of the proxy materials, or need assistance in voting your shares, please call the firm assisting us with the tabulation of proxies:

Broadridge Financial Solutions, Inc.
Telephone: 1-866-450-8471

Table of Contents

ITEMS OF BUSINESS REQUIRING YOUR VOTE

Proposal 1 – Election of Directors

Director Nominees

Our board of directors currently consists of ten members. Based on the recommendation of the Nominating/Corporate Governance Committee, our board of directors proposes that each of the ten nominees listed below be elected at the annual meeting as members of our board of directors, to serve until our 2012 annual meeting of stockholders. Each director nominee named in Proposal One will be elected if the votes for that nominee exceed 50% of the number of votes cast with respect to that nominee. Votes cast with respect to a nominee will include votes to withhold authority but will exclude abstentions and broker non-votes. If a nominee becomes unable or unwilling to accept the nomination or election, the persons designated as proxies will be entitled to vote for any other person designated as a substitute nominee by our board of directors. We have no reason to believe that any of the following nominees will be unable to serve. Below we have provided information relating to each of the director nominees proposed for election by our board of directors, including a brief description of why he or she was nominated.

Name	Age	Current Roles	Date Became Director
Edward A. Blechschmidt *	58	Director; Member of Audit Committee (Chairman)	1/31/2004
John W. Chidsey *	48	Director; Member of Audit Committee	10/2/2007
Donald L. Correll *	60	Director; Member of Audit Committee and of Finance Committee (Chairman)	6/29/2005
Yvonne M. Curl *	56	Director; Member of Compensation Committee and of Compliance/Quality of Care Committee (Chairman)	11/18/2004
Charles M. Elson *	51	Director; Member of Finance Committee and Nominating/Corporate Governance Committee (Chairman)	9/9/2004
Jay Grinney	60	Director; President and Chief Executive Officer	5/10/2004
Jon F. Hanson *	74	Director; Chairman of the Board of Directors; Member of Finance Committee and of Nominating/Corporate Governance Committee	9/17/2002
Leo I. Higdon, Jr. *	64	Director; Member of Compensation Committee and of Compliance/Quality of Care Committee	8/17/2004
John E. Maupin, Jr. *	64	Director; Member of Nominating/Corporate Governance Committee and of Compliance/Quality of Care Committee	8/17/2004
L. Edward Shaw, Jr. *	66	Director; Member of Compensation Committee (Chairman)	6/29/2005

*Denotes independent director.

There are no arrangements or understandings known to us between any of the nominees listed above and any other person pursuant to which that person was or is to be selected as a director or nominee, other than any arrangements or understandings with directors or officers of HealthSouth acting solely in their capacities as such.

Edward A. Blechschmidt

Mr. Blechschmidt served as chief executive officer for Novelis, Inc., an aluminum rolling and recycling company, from December 2006 to May 2007. He was chairman, chief executive officer and president of Gentiva Health Services, Inc., a leading provider of specialty pharmaceutical and home health care services, from March 2000 to June

2002. From March 1999 to March 2000, Mr. Blechschmidt served as chief executive officer and a director of Olsten Corporation. He served as president of Olsten Corporation from October 1998 to March 1999. He

7

Table of Contents

also served as president and chief executive officer of Siemens Nixdorf Americas and Siemens' Pyramid Technology from July 1996 to October 1998. Prior to Siemens, he spent more than 20 years with Unisys Corp., including serving as its chief financial officer. Mr. Blechschmidt currently serves as a director of Lionbridge Technologies, Inc., Columbia Laboratories, Inc., Diamond Foods, Inc., and VWR Funding, Inc. In the past five years, he has also served as a director of Option Care, Inc., Neoforma, Inc., and Novelis, Inc. He is a member of the audit committee at Lionbridge, Diamond Foods and VWR Funding, Inc. (privately held).

Mr. Blechschmidt has extensive experience in matters of accounting, finance, corporate strategy and senior leadership relevant to large public companies, including in the healthcare field as noted above. He qualifies as an "audit committee financial expert" within the meaning of SEC regulations.

John W. Chidsey

Mr. Chidsey is the co-chairman of the board of Burger King Holdings, Inc. Prior to the sale of Burger King Holdings, Inc. to 3G Capital in October 2010, Mr. Chidsey served as chairman of the board and also served as chief executive officer and a member of its board of directors from April 2006. From September 2005 until April 2006, he served as president and chief financial officer. He served as president, North America, from June 2004 to September 2005, and as executive vice president, chief administrative and financial officer from March 2004 until June 2004. Prior to joining Burger King, Mr. Chidsey served as chairman and chief executive officer for two corporate divisions of Cendant Corporation: the Vehicle Services Division that included Avis Rent A Car, Budget Rent A Car Systems, PHH and Wright Express and the Financial Services Division that included Jackson Hewitt and various membership and insurance companies. Prior to joining Cendant, Mr. Chidsey served as the director of finance of Pepsi-Cola Eastern Europe and the chief financial officer of PepsiCo World Trading Co., Inc. Mr. Chidsey currently serves as a director of Optical Crime Prevention, Inc. (privately held). He also serves on the Board of Trustees for Davidson College in Davidson, North Carolina.

Mr. Chidsey has extensive experience in matters of finance, corporate strategy and senior leadership relevant to large public companies. Mr. Chidsey is a certified public accountant and a member of the Georgia Bar Association. He qualifies as an "audit committee financial expert" within the meaning of SEC regulations.

Donald L. Correll

Mr. Correll served as the president and chief executive officer and a director of American Water Works Company, Inc., the largest and most geographically diversified provider of water services in North America, from April 2006 to August 2010. Between August 2003 and April 2006, Mr. Correll served as president and chief executive officer of Pennichuck Corporation, a publicly traded holding company which, through its subsidiaries, provides public water supply services, certain water related services, and certain real estate activities, including property development and management. From 2001 to 2003, Mr. Correll served as an independent advisor to water service and investment firms on issues relating to marketing, acquisitions, and investments in the water services sector. From 1991 to 2001, Mr. Correll served as chairman, president and chief executive officer of United Water Resources, Inc., a water and wastewater utility company. Prior to 1991, Mr. Correll spent nearly 15 years with United Water, including serving as its chief financial officer. Mr. Correll served as a director of Interchange Financial Services Corporation from 1994 to 2007 and Pennichuck Corporation from 2003 to 2006. He currently serves as a director and audit committee member of New Jersey Resources Corporation. He also serves on the boards of the U.S. Chamber of Commerce and the Environmental Financial Advisory Board of the Environmental Protection Agency.

Mr. Correll has extensive experience in matters of accounting, finance, corporate strategy and senior leadership relevant to large public companies. He is a certified public accountant and has experience with a major public accounting firm. Mr. Correll qualifies as an "audit committee financial expert" within the meaning of SEC regulations.

Table of Contents

Yvonne M. Curl

Ms. Curl is a former vice president and chief marketing officer of Avaya, Inc., which position she held from October 2000 through April 2004. Before joining Avaya, Ms. Curl was employed by Xerox Corporation beginning in 1976, where she held a number of middle and senior management positions in sales, marketing and field operations, culminating with her appointment to corporate vice president. Ms. Curl currently serves as a director of Nationwide Mutual Insurance Company and Welch Allyn, Inc. In the past five years, she has also served as director of Charming Shoppes, Inc.

Ms. Curl has proven senior executive experience with broad operational experience in sales, marketing, and general management through her previous roles with large public companies as described above. Having served on several compensation committees on the board of directors of public companies, she has experience in the development and oversight of compensation programs and policies.

Charles M. Elson

Mr. Elson holds the Edgar S. Woolard, Jr. Chair in Corporate Governance and has served as the director of the John L. Weinberg Center for Corporate Governance at the University of Delaware since 2000. Mr. Elson has served on the National Association of Corporate Directors' Commissions on Director Compensation, Executive Compensation and the Role of the Compensation Committee, Director Professionalism, CEO Succession, Audit Committees, Governance Committee, Strategic Planning, Director Evaluation, and Risk Governance. He was a member of the National Association of Corporate Directors' Best Practices Council on Coping with Fraud and Other Illegal Activity, and he presently serves on that organization's Advisory Council. In addition, Mr. Elson serves as vice chairman of the American Bar Association's Committee on Corporate Governance and was a member of the American Bar Association's Committee on Corporate Laws. Mr. Elson has been Of Counsel to the law firm of Holland & Knight LLP from 1995 to the present. In the past five years, he has also served as a director of Alderwoods Group, Inc. and AutoZone, Inc.

Mr. Elson has extensive knowledge of and experience in matters of corporate governance through his leadership roles with professional organizations dedicated to the topic as described above. Through his other professional roles, Mr. Elson is in a unique position to monitor and counsel on developments in corporate governance.

Jay Grinney

Mr. Grinney was named our president and chief executive officer on May 10, 2004. From June 1990 to May 2004, Mr. Grinney served in a number of senior management positions with HCA, Inc., or its predecessor companies, in particular, serving as president of HCA's Eastern Group from May 1996 to May 2004, president of the Greater Houston Division from October 1993 to April 1996 and as chief operating officer of the Houston Region from November 1992 to September 1993. Before joining HCA, Mr. Grinney held several executive positions during a nine year career at the Methodist Hospital System in Houston, Texas.

Mr. Grinney, as president and chief executive officer of the Company, directs the strategic, financial and operational management of the Company and, in this capacity, provides unique insights into the detailed operations of HealthSouth. He also has the benefit of more than 25 years of experience in the operation and management of large, sophisticated, multi-site, publicly traded healthcare companies.

Jon F. Hanson

Mr. Hanson is the chairman and founder of The Hampshire Companies and has over 50 years of experience in the real estate industry. Mr. Hanson was named non-executive Chairman of the Board of HealthSouth, effective October 1,

2005. From 1994 through 2005, Mr. Hanson served as chairman of the National Football Foundation and College Hall of Fame, Inc. He now serves as chairman emeritus. Since 1991, Mr. Hanson has served as a director, and now serves as the lead director, of Prudential Financial, Inc. He also served for 21 years as a director, and now serves as an honorary director, of the Hackensack University Medical Center. Mr. Hanson currently serves as

Table of Contents

chairman of the board of Pascack Community Bank and as a director of Yankee Global Enterprises. In the past five years, he has also served as a director of CD&L, Inc., a full-service printing, fulfillment and packaging company.

Mr. Hanson has extensive experience in corporate strategy and senior leadership of large organizations, including healthcare and financial organizations as described above.

Leo I. Higdon, Jr.

Mr. Higdon has served as president of Connecticut College since July 1, 2006. He served as the president of the College of Charleston from October 2001 to June 2006. Between 1997 and 2001, Mr. Higdon served as president of Babson College in Wellesley, Massachusetts. He also served as dean of the Darden Graduate School of Business Administration at the University of Virginia. His financial experience includes a 20-year tenure at Salomon Brothers, where he became vice chairman and member of the executive committee, managing the Global Investment Banking Division. Mr. Higdon also serves as a director of Eaton Vance Corp. In the past five years, he has also served as a director of Chemtura Corporation, a global manufacturer and marketer of specialty chemicals, crop protection products, and pool, spa and home care products, and Newmont Mining Corporation, the world's largest gold producer.

As a result of his 20 years of experience in the financial services industry combined with his strategic management skills gained through various senior executive positions, including in academia, and service on numerous boards of directors, Mr. Higdon has extensive experience with strategic and financial planning and the operations of large public companies.

John E. Maupin, Jr.

Dr. Maupin is president and chief executive officer of the Morehouse School of Medicine located in Atlanta, Georgia, a position he has held since July 2006. Prior to joining Morehouse, Dr. Maupin held several other senior administrative positions including president and chief executive officer of Meharry Medical College from 1994 to 2006, executive vice president and chief operating officer of the Morehouse School of Medicine from 1989 to 1994, chief executive officer of Southside Healthcare, Inc. from 1987 to 1989, and Deputy Commissioner of Health of the Baltimore City Health Department from 1984 to 1987. Dr. Maupin currently serves as a director of LifePoint Hospitals, Inc., VALIC Companies I & II, a group retirement investment fund complex, and Regions Financial Corp. In the past five years, he has also served as a director of Pinnacle Financial Partners, Inc., a financial services provider with operations in Tennessee.

Dr. Maupin has extensive management and administrative experience with healthcare organizations as described above. He has diverse executive leadership experience in public health, ambulatory care, government relations, and academic medicine. He also has a distinguished record as a health policy expert and advisor, having served on numerous national advisory boards and panels. Additionally, he has demonstrated his leadership and character through involvement, including board roles, in community, healthcare, and scientific advisory organizations as well as through his service as an officer in the U.S. Army Reserve for more than 28 years.

L. Edward Shaw, Jr.

From March 2006 to July 2010, Mr. Shaw served as a senior managing director of Richard C. Breeden & Co., or affiliated companies engaged in investment management, strategic consulting, and governance matters. From September 2004 to January 2006, Mr. Shaw was Of Counsel with the international law firm of Gibson Dunn & Crutcher LLP. He has served as General Counsel of both Aetna, Inc. (1999 to 2003) and The Chase Manhattan Bank (1983 to 1996), where, in addition to his legal role, his responsibilities included a wide range of strategic planning, risk management, compliance and public policy issues. In 2004, Mr. Shaw was appointed Independent Counsel to the Board of Directors of the New York Stock Exchange dealing with regulatory matters. Mr. Shaw also currently serves

as a director of H & R Block, Inc., Mine Safety Appliances Co., and Covenant House, the nation's largest privately funded provider of crisis care to children.

Table of Contents

Mr. Shaw has a wide ranging legal and business background, including senior leadership roles, in the context of large public companies as described above with particular experience in corporate governance, risk management and compliance matters.

Board Recommendation

The board of directors unanimously recommends that you vote “FOR” the election of all ten director nominees.

Table of Contents

Proposal 2 – Ratification of Appointment of Independent Registered Public Accounting Firm

Appointment of PricewaterhouseCoopers LLP

In accordance with its charter, the Audit Committee selected the firm of PricewaterhouseCoopers LLP to be our independent registered public accounting firm for 2011, and with the endorsement of the board of directors, recommends to our stockholders that they ratify that appointment. The Audit Committee will reconsider the appointment of PricewaterhouseCoopers LLP for next year if such appointment is not ratified. Representatives of PricewaterhouseCoopers LLP are expected to attend the annual meeting and will have the opportunity to make a statement if they desire, and are expected to be available to respond to appropriate questions.

The Audit Committee recognizes the importance of maintaining the independence of our independent registered public accounting firm, both in fact and appearance. Consistent with its charter, the Audit Committee has evaluated PricewaterhouseCoopers LLP's qualifications, performance, and independence, including that of the lead audit partner. The Audit Committee reviews and approves, in advance, the audit scope, the types of non-audit services, if any, and the estimated fees for each category for the coming year. For each category of proposed service, PricewaterhouseCoopers LLP is required to confirm that the provision of such services does not impair their independence. Before selecting PricewaterhouseCoopers LLP, the Audit Committee carefully considered that firm's qualifications as an independent registered public accounting firm for the Company. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee has expressed its satisfaction with PricewaterhouseCoopers LLP in all of these respects. The Audit Committee's review included inquiry concerning any litigation involving PricewaterhouseCoopers LLP and any proceedings by the SEC against the firm. In this respect, the Audit Committee has concluded that the ability of PricewaterhouseCoopers LLP to perform services for HealthSouth is in no way adversely affected by any such investigation or litigation.

Pre-Approval of Principal Accountant Services

The Audit Committee of our board of directors is responsible for the appointment, oversight, and evaluation of our independent registered public accounting firm. In accordance with our Audit Committee's charter, our Audit Committee must approve, in advance of the service, all audit and permissible non-audit services provided by our independent registered public accounting firm. Our independent registered public accounting firm may not be retained to perform the non-audit services specified in Section 10A(g) of the Securities Exchange Act of 1934, as amended. The Audit Committee has concluded that provision of the non-audit services described in that section is not compatible with maintaining the independence of PricewaterhouseCoopers LLP.

The Audit Committee has established a policy regarding pre-approval of audit and permissible non-audit services provided by our independent registered public accounting firm, as well as all engagement fees and terms for our independent registered public accounting firm. Under the policy, the Audit Committee must approve the services to be rendered and fees to be charged by our independent registered public accounting firm. Typically, the Audit Committee approves services up to a specific amount of fees. The policy also provides for pre-approval of fees not greater than \$50,000 in the aggregate in a given year for de minimis services. The Audit Committee must approve, in advance, any services or fees exceeding pre-approved levels. The Audit Committee may delegate general pre-approval authority to a subcommittee of which the chairman of the Audit Committee is a member. All requests or applications for services to be provided by our independent registered public accounting firm must be submitted to specified officers who may determine whether such services are included within the list of pre-approved services. All requests for services that have not been pre-approved must be accompanied by a statement that the request is consistent with the independent registered public accounting firm's independence from HealthSouth.

Principal Accountant Fees and Services

With respect to the audits for the years ended December 31, 2010 and 2009, the Audit Committee approved the audit services to be performed by PricewaterhouseCoopers LLP, as well as certain categories and types of audit-related, tax, and permitted non-audit services. In 2010 and 2009, all audit-related fees, tax fees, and all other fees were approved in accordance with SEC pre-approval rules. The following table shows the aggregate fees paid or

12

Table of Contents

accrued for professional services rendered by PricewaterhouseCoopers LLP for the years ended December 31, 2010 and 2009, with respect to various services provided to us and our subsidiaries.

	For the Year Ended December 31,	
	2010	2009
	(In Millions)	
Audit fees (1)	\$3.9	\$3.9
Audit-related fees (2)	0.1	0.1
Total audit and audit-related fees	4.0	4.0
Tax fees (3)	–	0.2
All other fees (4)	0.4	0.3
Total fees	\$4.4	\$4.5

- (1) Audit Fees – Represents aggregate fees paid or accrued for professional services rendered for the audit of our consolidated financial statements and internal control over financial reporting for the years ended December 31, 2010 and 2009; fees for professional services rendered for the review of financial statements included in our 2010 and 2009 Form 10-Qs; and fees that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory engagements required by various partnership agreements or state and local laws in the jurisdictions in which we operate or manage hospitals.
- (2) Audit-Related Fees – The amount for 2010 represents aggregate fees paid or accrued for professional services rendered in connection with our 2010 senior notes offering. The amount for 2009 represents aggregate fees paid or accrued for professional services rendered in connection with our 2009 senior notes offering.
- (3) Tax Fees – Represents fees for services rendered primarily in connection with preparing state tax returns and amended tax returns for prior years and related claims for refunds.
- (4) All Other Fees – Represents fees for all other products and services provided by our independent registered public accounting firm that do not fall within the previous categories. More specifically, these fees primarily include amounts paid or due to PricewaterhouseCoopers LLP for services as our Independent Review Organization, as stipulated in the December 2004 Corporate Integrity Agreement. For the year ended December 31, 2010, these fees also include amounts paid or due to PricewaterhouseCoopers LLP for services in connection with our assessment of the impact of proposed joint convergence accounting standards and international financial reporting standards on the Company.

Board Recommendation

The board of directors and the Audit Committee recommend that you vote “FOR” ratifying the appointment of PricewaterhouseCoopers LLP as HealthSouth’s independent registered public accounting firm for 2011.

Table of Contents

Proposal 3 – Advisory Vote on Executive Compensation

We seek your advisory vote on our executive compensation programs. The Company asks that you support the compensation of our named executive officers as disclosed under the heading “Executive Compensation,” including the “Executive Summary” section, beginning on page 39 and the accompanying tables and related narrative disclosure. This proposal, commonly referred to as a “say-on-pay” proposal, gives stockholders the opportunity to express their views on the named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this proxy statement.

As described under the heading “Compensation Discussion and Analysis” on page 39, the Company provides annual and long-term compensation programs as well as the other benefit plans, to attract, motivate, and retain the named executive officers, each of whom is critical to the Company’s success, and to create a remuneration and incentive program that aligns the interests of the named executive officers with those of stockholders. The board of directors believes the program strikes the appropriate balance between utilizing responsible, measured pay practices and effectively incentivizing the named executive officers to dedicate themselves fully to value creation for our stockholders.

You are encouraged to read the information detailed under the heading “Executive Compensation” beginning on page 39 for additional details about the Company’s executive compensation programs.

The board of directors strongly endorses the Company’s executive compensation program and recommends that the stockholders vote in favor of the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the HealthSouth Corporation Definitive Proxy Statement for the 2011 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2010 Summary Compensation Table and the other related tables and disclosure.”

This say-on-pay vote is advisory, and therefore not binding on the Company, the compensation committee or the board of directors. The board of directors and its compensation committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider stockholders’ concerns and the compensation committee will evaluate whether any actions are necessary to address those concerns.

Board Recommendation

The board of directors unanimously recommends a vote “FOR” the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Table of Contents

Proposal 4 – Advisory Vote on the Frequency of an Advisory Vote on Executive Compensation

We would like to seek your input with regard to the frequency of future stockholder advisory votes on our executive compensation programs. In particular, we are asking whether the say-on-pay advisory vote should occur every three years, every two years or every year.

After careful consideration of this Proposal, the board of directors has determined that a non-binding, advisory vote on executive compensation that occurs annually is the most appropriate alternative for the Company, and therefore, the board of directors recommends that you vote for a one-year interval for the advisory vote on executive compensation. We understand that stockholders may have different views as to what is the best approach for the Company, and we look forward to hearing from stockholders on this Proposal.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when you vote in response to the resolution set forth below.

“RESOLVED, that the option of once every one year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder advisory vote to approve the compensation of the named executive officers, as disclosed pursuant to the Securities and Exchange Commission’s compensation disclosure rules (which disclosure shall include the Compensation Discussion and Analysis, the Summary Compensation Table, and the other related tables and disclosure).”

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be deemed the frequency for the advisory vote on executive compensation that has been approved by stockholders. While the board of directors will take into account the outcome of this non-binding, advisory vote when making future decisions regarding the frequency of the say-on-pay advisory vote, the board of directors may decide that it is in the best interests of stockholders and the Company to hold such an advisory vote more or less frequently than the option selected by a plurality of stockholders at the annual meeting. As a reminder, you are NOT voting for or against the board’s recommendation itself. Instead, your vote is a selection of one of the three frequency options if you do not abstain.

Board Recommendation

The board of directors unanimously recommends a vote for the option of “1 YEAR” as the frequency with which stockholders are provided an advisory vote on executive compensation, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Table of Contents

Proposal 5 – Approval of Amended and Restated 2008 Equity Incentive Plan

Under the existing HealthSouth Corporation 2008 Equity Incentive Plan, or 2008 Plan, previously approved by our stockholders on May 8, 2008, we reserved a number of shares of common stock for issuance to key employees in the form of various equity awards of which only stock options, restricted stock shares and performance shares have been issued.

The 2008 Plan serves a critical role in our compensation program that emphasizes performance-based, “at risk” compensation. Our compensation philosophy calls for a competitive program of compensation for the Company’s senior management that aligns management’s interests with those of long-term stockholders. Equity awards are the simplest, most direct way to align management and employee interests with those of stockholders. Because the shares available for equity awards are limited, in order to balance compensation principles with stockholder interests in limiting dilution, we generally limit equity awards to management positions (as opposed to broad-based awards). As a general rule, the more senior or highly compensated the position, the larger the portion of the total incentive opportunity that is provided in equity. See “Executive Summary” and “Compensation Philosophy” on beginning on page 40 for additional discussion.

In order to provide a sufficient pool of equity for us to operate our compensation program, our board of directors has adopted, subject to stockholder approval at the Annual Meeting, the HealthSouth Corporation Amended and Restated 2008 Equity Incentive Plan, or the Amended and Restated Equity Plan, to provide for issuance of up to nine million shares of our common stock related to awards beginning in 2011. No shares currently available for issuance under the previously approved 2008 Plan or any other currently effective equity plan will be issued after stockholder approval of the Amended and Restated Equity Plan.

Highlights and a summary of the Amended and Restated Equity Plan are set forth below. The highlights and summary are qualified in their entirety by reference to the full text of the Amended and Restated Equity Plan, a copy of which is attached as Appendix A to this proxy statement.

Highlights of the Plan

The Amended and Restated Equity Plan includes a number of provisions that our board of directors believes are consistent with the interest of stockholders and sound corporate governance, including:

• **Supports pay and performance linkage and encourages stock ownership:** Our long-term incentive program is 100% performance-based, and the Compensation Committee’s intent is to continue this design for annual grants. The intent is to provide an incentive for our senior management to enhance stockholder value. In addition, equity-based awards further align the interest of participants with our stockholders and provide a vehicle to assist executives in achieving our stock ownership guidelines. See “Equity Ownership Guidelines for Management” on page 49 for additional discussion.

• **No repricings:** The Amended and Restated Equity Plan prohibits the repricing of stock options or stock appreciation rights, or SARs, without the approval of stockholders. This prohibition applies to lowering the exercise price of stock options or SARs, cancelling and granting replacement stock options or SARs with a lower exercise price and the repurchase of underwater stock options or SARs for cash.

• **No discount stock option or SARs:** The exercise price of all stock options or SARs must be equal to or greater than the fair market value of our stock on date of grant.

• **Minimum vesting periods:** Generally, time-vested restricted stock or restricted stock units granted to employees must vest over no less than three years and performance-based restricted stock and restricted stock units must have a

minimum one-year performance period.

•**No liberal share counting:** The Amended and Restated Equity Plan prohibits the reuse of stock options tendered as full or partial payment upon exercise of a stock option or the reuse of shares purchased in the open market using proceeds from stock option exercises. In addition, shares withheld to satisfy tax withholding upon the lapse of restrictions on exercise of stock options or SARs may not be reused.

Table of Contents

• Awards are subject to clawback: Awards granted are subject to our compensation recoupment policy. See “Compensation Recoupment Policy” on page 49 for additional discussion.

• No award transferability for value: The Amended and Restated Equity Plan prohibits the transfer of awards to a third party for cash or other value.

Summary of Amended and Restated Equity Plan

Purpose. The purpose of the Amended and Restated Equity Plan is to promote the Company’s success and enhance the value of the Company by linking the personal interests of its employees, officers, and directors to those of its stockholders, and by providing participants with an incentive for outstanding performance.

Eligibility. The Amended and Restated Equity Plan permits the grant of incentive awards to employees, officers, and directors of the Company and its affiliates as selected by the Compensation Committee. As of February 24, 2011, 220 people participated in the long-term incentive program.

Permissible Awards. The Amended and Restated Equity Plan authorizes the granting of awards in any of the following forms:

- options to purchase shares of common stock,
 - stock appreciation rights,
- restricted stock and restricted stock units,
- performance awards payable in stock or cash,
 - dividend equivalents, and
 - other stock-based awards.

Aggregate Shares. Subject to adjustment as provided in the Amended and Restated Equity Plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted under the Amended and Restated Equity Plan is 9,000,000. Each share of stock subject to an award, other than a stock option or SAR, shall reduce the number of shares of stock available for awards by two shares. The number of shares of stock available for awards shall be reduced by one share for each stock option or SAR award. In no event shall shares not issued upon the settlement of a SAR that settles in shares of Stock again become available for other Awards under the Plan. Awards that can be settled only in cash shall not reduce the number of shares of stock available for issuance. Except in the case of stock options and SARs, the Amended and Restated Equity Plan allows the Company to add back to the number of shares available for issuance the same number of shares that were previously reserved for issuance in connection with a related award but never issued to the recipient. The closing price of our common stock on March 8, 2011 was \$24.94.

Minimum Vesting Requirements. Except with respect to awards accounting for not greater than 5% of the aggregate number of shares of common stock reserved and available for awards, any award of stock (other than an option) granted under the Amended and Restated Equity Plan to an employee will either (1) be subject to a minimum vesting period of three years (which may include graduated vesting within such three-year period) or one year if the vesting is based on performance criteria other than continued service, or (2) be granted solely in exchange for foregone cash compensation.

Oversight and Administration. The Compensation Committee provides oversight to the administration of the Amended and Restated Equity Plan. The Compensation Committee has the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the Amended and Restated Equity Plan; and make all other decisions and determinations that may be required under the Amended and

Table of Contents

Restated Equity Plan. The board of directors may at any time administer the Amended and Restated Equity Plan. If it does so, it will have all the powers of the Compensation Committee. The Compensation Committee has adopted an equity award program for the administration of the Amended and Restated Equity Plan. See “Compensation Discussion and Analysis” beginning on page 39 for more information.

Stock Options. The Compensation Committee is authorized to grant incentive stock options or non-qualified stock options under the Amended and Restated Equity Plan. The terms of an incentive stock option must meet the requirements of Section 422 of the Internal Revenue Code of 1986, as amended. The exercise price of an option may not be less than the fair market value (as defined in the Amended and Restated Equity Plan) of the underlying stock on the date of grant and no option may have a term of more than 10 years.

Stock Appreciation Rights. The Compensation Committee may also grant stock appreciation rights or SARs. These provide the holder the right to receive the excess, if any, of the fair market value of one share of common stock on the date of exercise, over the base price of the stock appreciation right as determined by the Compensation Committee, which will not be less than the fair market value of one share of common stock on the grant date. SARs may be payable in cash or shares of common stock or a combination thereof. No SAR may be exercised more than 10 years from the grant date.

Restricted Stock Awards. The Compensation Committee may make awards of restricted stock to participants, which will be subject to such restrictions on transferability and other restrictions as the Compensation Committee may impose (including, without limitation, limitations on the right to vote restricted stock or the right to receive dividends, if any, on the restricted stock).

Restricted Stock Units. The Compensation Committee may make awards of restricted stock units to non-employee directors, which will be subject to such restrictions on transferability and other restrictions as the Compensation Committee may impose. Upon lapse of such restrictions, shares of common stock or cash may be issued to the participant in settlement of the restricted stock units.

Performance Awards. The Compensation Committee may grant performance awards that are designated in cash (e.g. performance units), shares of common stock (e.g., performance shares), restricted stock, or restricted stock units. The Compensation Committee will have the complete discretion to determine the number of performance awards granted to any participant and to set performance goals and other terms or conditions to payment of the performance awards in its discretion which, depending on the extent to which they are met, will determine the number and value of performance awards that will be paid to the participant.

Dividend Equivalents. The Compensation Committee is authorized to grant dividend equivalents to participants subject to such terms and conditions as may be selected by the Compensation Committee. Dividend equivalents entitle the participant to receive payments equal to dividends with respect to all or a portion of the shares of common stock subject to an award, as determined by the Compensation Committee.

Other Stock-Based Awards. The Compensation Committee may, subject to limitations under applicable law and the provisions of the Amended and Restated Equity Plan, grant to participants such other awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of common stock as deemed by the Compensation Committee to be consistent with the purposes of the Amended and Restated Equity Plan, including, without limitation, shares of common stock awarded purely as a bonus and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into shares of common stock, and awards valued by reference to book value of shares of common stock or the value of securities of or the performance of specified parents or subsidiaries. The Compensation Committee will determine the terms and conditions of any such awards, subject to the minimum vesting requirements discussed above.

Performance Goals. Options and SARs granted under the Amended and Restated Equity Plan will automatically qualify as performance-based awards that are fully deductible by HealthSouth without regard to the \$1 million deduction limit imposed by §162(m) of the Code. The Compensation Committee may designate any other award under the Amended and Restated Equity Plan (such as, for example, a cash incentive bonus or restricted stock award) as a qualified performance-based award in order to make the award fully deductible under Code §162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals

Table of Contents

for the award based on one or more performance criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of a division, affiliate, region, department or function within HealthSouth or an affiliate. Performance criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured relative to an established or specially created index of our competitors or peers. Performance criteria for qualified performance-based awards will be limited to specified levels or changes in the following metrics which may or may not be calculated in accordance with GAAP:

- earnings per share or other corporate measure;
- profit (net profit, gross profit, operating profit, economic profit or other profit measures);
 - net income;
 - revenue;
- stock price or performance;
- total stockholder return;
- return measures (return on assets, capital, invested capital, equity or revenue);
- EBITDA (earnings before interest, taxes, depreciation and amortization) measures;
 - market share;
 - expenses;
- business expansions or consolidation;
 - internal rate of return;
 - planning accuracy;
- year-over-year patient volume growth;
 - cash flow measures; and
 - quality of care metrics.

For a qualified performance-based award, the Compensation Committee must establish such goals prior to the beginning of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Compensation Committee may not increase any award or, except in the case of certain qualified terminations of employment, waive the achievement of any specified goal. Any payment of an award granted with performance goals will be conditioned on the written certification of the Compensation Committee in each case that the performance goals and any other material conditions were satisfied.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution or, except in the case of an incentive stock option, pursuant to a qualified domestic relations order; provided, however, that the Compensation Committee may (but need not) permit other

transfers where the Compensation Committee concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable. No award may be transferred for value. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Acceleration upon Certain Events. Unless otherwise provided in an award agreement, if a participant is terminated without cause (as such terms are defined in the Amended and Restated Equity Plan) within 24 months after a change in control of HealthSouth (as defined in the Amended and Restated Equity Plan), all of such participant's outstanding options and SARs will become fully vested and exercisable and all restrictions on his or her outstanding restricted stock awards will lapse. In each of the above cases except retirement, the Compensation

Table of Contents

Committee also may (but need not) waive the achievement of performance goals under the participant's Code §162(m) performance-based awards. The Compensation Committee may accelerate the vesting provisions and/or waive the forfeiture provisions applicable to any awards for any other reason; provided, however, its discretion shall be limited to the death, disability or retirement of a participant, although the Compensation Committee may exercise discretion for any reason with respect to awards of up to 5% of the shares available for awards. The Compensation Committee may discriminate among participants or among awards in exercising such discretion.

Adjustments. In the event of a stock-split, a stock dividend, or a combination or consolidation of the outstanding common stock into a lesser number of shares, the authorization limits under the Amended and Restated Equity Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price. In the event the common stock will be changed into or exchanged for a different number or class of shares of stock or securities of HealthSouth or of another corporation, the authorization limits under the Amended and Restated Equity Plan will automatically be adjusted proportionately, and there will be substituted for each such share of common stock, the number or class of shares into which each outstanding share of common stock will be so exchanged, all without any change in the aggregate purchase price.

Amendment, Modification and Termination. The Compensation Committee shall have the power to amend, suspend or terminate the Amended and Restated Equity Plan at any time, provided that any such termination shall not affect outstanding awards under the Amended and Restated Equity Plan at the time of termination. However, an amendment shall be contingent on approval of the Company's stockholders to the extent required by law or by the rules of any stock exchange or automated quotation system on which the company's securities are traded. The Compensation Committee may also amend any outstanding award in whole or in part from time to time. Any such amendment that the Compensation Committee determines, in its sole discretion, to be necessary or appropriate to conform the award to, or otherwise satisfy, any legal requirement, may be made retroactively or prospectively and without the approval or consent of the participant, make adjustments in the terms and conditions of an award in recognition of an unusual or non-recurring events affecting the company or the financial statements of the company in order to prevent the dilution or enlargement of the benefits intended to be made available pursuant to the award. All other amendments or adjustments to awards may be made by the Compensation Committee with the consent of the affected participant(s).

Certain Federal Tax Effects.

Nonqualified Stock Options. There will be no federal income tax consequences to the optionee or to HealthSouth upon the grant of a nonqualified stock option under the Amended and Restated Equity Plan. When the optionee exercises a nonqualified option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and HealthSouth will be allowed a corresponding deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There typically will be no federal income tax consequences to the optionee or to HealthSouth upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required holding period of at least two years after the date the option was granted or one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and HealthSouth will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and HealthSouth will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for

purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights. A participant receiving a SAR will not recognize income, and HealthSouth will not be allowed a tax deduction, at the time the award is granted. When the participant exercises the SAR, the amount

Table of Contents

of cash and the fair market value of any shares of common stock received will be ordinary income to the participant and HealthSouth will be allowed as a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m).

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, the participant will not recognize income, and HealthSouth will not be allowed a tax deduction, at the time a restricted stock award is granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and HealthSouth will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m). If the participant files an election under Code §83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and HealthSouth will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code §83(b) election.

Restricted Stock Units. The recipient will not recognize income, and HealthSouth will not be allowed a tax deduction, at the time a restricted stock unit award is granted. Upon issuance of shares of common stock in settlement of a restricted stock unit award, the recipient will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and HealthSouth will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m).

Performance Awards. A participant generally will not recognize income, and HealthSouth will not be allowed a tax deduction, at the time performance awards are granted, so long as the awards are subject to a substantial risk of forfeiture. When the participant receives or has the right to receive payment of cash or shares under the performance award, the cash amount of the fair market value of the shares of stock will be ordinary income to the participant, and HealthSouth will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code §162(m).

New Plan Benefits Table

The value, number of units and type of equity to be awarded under future long-term incentive programs depend on a number of factors, including, but not limited to, the Company's performance, the Company's goals and objectives, individual performance and the discretion of the Compensation Committee. Accordingly, it is not possible to determine at this time the grants that will be awarded to any participant under the Amended and Restated Equity Plan. However, it is possible to indicate future intent of the Compensation Committee based on the recent equity grants.

In February 2010, the Compensation Committee approved certain equity grants under the 2010 long-term incentive program. See "Long-term Equity Incentives" beginning on page 46 for further discussion of the program. Although the annual grants described in the following table were made under the existing 2008 Equity Incentive Plan, except as noted for Mr. Coltharp, the Compensation Committee anticipates granting similar values and types of awards annually under the proposed Amended and Restated Equity Plan.

Table of Contents

Name and Position	Dollar Value (\$)	Number of Units ¹	
Jay Grinney, President and Chief Executive Officer	4,000,024	296,745	2
Douglas E. Coltharp, EVP and Chief Financial Officer	787,508	58,422	3
John P. Whittington, EVP, General Counsel and Secretary	717,493	53,228	4
Mark J. Tarr, EVP and Chief Operating Officer	888,927	65,946	5
Edmund M. Fay, Treasurer and Senior Vice President	305,020	16,787	6
Dexanne B. Clohan, M.D., Chief Medical Officer	271,987	14,969	7
Executive Group	7,530,140	536,872	8
Non-Executive Director Group	810,107	46,827	9
Non-Executive Officer Employee Group	10,789,673	593,818	10

1 Except as noted below for the Non-Executive Director Group, number of units granted was based on an assumed option value of \$8.89 (Black-Scholes method) and on assumed stock value of \$18.17 (20-day average closing price preceding the February 18, 2010 board meeting). The number of performance share units included in this column assume target performance for the two-year objectives described beginning on page 47.

2 Represents 149,982 options and 146,763 performance share units.

3 Mr. Coltharp did not receive awards under the 2010 long-term incentive program because he joined the Company in May 2010. The amounts set for him represent awards he would have been eligible for if hired at the beginning of 2010, 29,528 options and 28,894 performance share units. Amounts do not include the signing bonus of restricted stock that is reported in the Summary Compensation Table on page 53.

4 Represents 26,903 options and 26,325 performance share units.

5 Represents 33,331 options and 32,615 performance share units.

6 Represents performance share units only.

7 Represents performance share units only.

8 Represents 239,744 options and 297,128 performance share units, which amounts include 29,528 options and 28,894 performance share units for Mr. Coltharp that are provided for illustrative purposes and were not actually issued.

9 Represents restricted stock units granted based on February 26, 2010 close price of \$17.30.

10 Represents 593,818 performance share units.

Outstanding Awards under Prior Equity Incentive Plans

As of December 31, 2010, the following awards were outstanding under the existing 2008 Plan and other prior equity incentive plans or programs:

	Outstanding as of 12/31/2010 (thousands)	Weighted Average Exercise Price or Grant Date Fair Value	Remaining Life (years)
Non-qualified Stock Options	2,493	\$ 22.36	5.7
Non-vested Restricted Stock	668	\$ 13.84	n/a
Unearned PSUs	3,673 *	\$ 13.07	n/a
RSUs (Non-employee Directors)	262	\$ 15.09	n/a

* Includes the granted and outstanding but unearned performance-based awards. Performance assumed at maximum.

Board Recommendation

The board of directors unanimously recommends that you vote “FOR” the approval of the Amended and Restated 2008 Equity Incentive Plan.

Table of Contents

CORPORATE GOVERNANCE AND BOARD STRUCTURE

Corporate Governance

Corporate Governance Guidelines

The board of directors has adopted Corporate Governance Guidelines, which provide, among other things, that each member of our board of directors will:

- dedicate sufficient time, energy, and attention to ensure the diligent performance of his or her duties;
- comply with the duties and responsibilities set forth in the Corporate Governance Guidelines and in our Bylaws;
- comply with all duties of care, loyalty, and confidentiality applicable to directors of publicly traded Delaware corporations; and
 - adhere to our Standards of Business Conduct, including the policies on conflicts of interest.

Our Nominating/Corporate Governance Committee oversees and periodically reviews the Guidelines, and recommends any proposed changes to the board of directors for approval.

Code of Ethics

We have adopted Standards of Business Conduct, our “code of ethics,” that applies to all employees, directors and officers, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The purpose of the code of ethics is to:

- promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by us; to promote compliance with all applicable rules and regulations that apply to us and our officers and directors;
- promote the prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
 - promote accountability for adherence to the code.

We will disclose any future amendments to, or waivers from, certain provisions of these ethical policies and standards for officers and directors on our website promptly following the date of such amendment or waiver.

Corporate Website

We maintain a “Corporate Governance” section on our website where you can find copies of our principal governance documents, including our code of ethics. Our “Corporate Governance” section is located at <http://investor.healthsouth.com> and includes the following documents, among others:

- Charter of the Company
- Bylaws of the Company

- Charter of the Audit Committee

Table of Contents

- Charter of the Compensation Committee
- Charter of the Compliance/Quality of Care Committee
 - Charter of the Finance Committee
- Charter of the Nominating/Corporate Governance Committee
 - Standards of Business Conduct
 - Corporate Governance Guidelines

Board Policy on Majority Voting for Directors

A director nominee will be elected if the votes “for” that person exceed 50% of the votes cast, including “withhold authority” votes but excluding “abstention” votes and broker non-votes, in the election with respect to that person. In addition, we have adopted a policy whereby any incumbent director nominee who receives a greater number of votes “against” his or her election than votes “for” such election will tender his or her resignation for consideration by the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee will recommend to the board of directors whether to accept or reject the offer of resignation.

Role of the Board in Oversight of the Company’s Risks

In 2008, we implemented a comprehensive enterprise risk management program designed to identify potential events and conditions that may affect the Company and to manage risks to avoid materially adverse effects on the Company. Our management, including an executive risk committee, is responsible for the design and implementation of the enterprise risk management program. The Audit Committee of the board of directors, pursuant to its charter, is responsible for reviewing and evaluating our policies and procedures relating to risk assessment and management. The full board of directors monitors the enterprise risk management program by way of regular reports from our senior executives on management’s risk assessments and risk status as well as our risk response and mitigation activities. The full board of directors also monitors the Company’s strategic risks by way of regular reports. Individual committees monitor, by way of regular reports, the risks that relate to the responsibilities of that committee.

The Compensation Committee reviews and considers our compensation policies and programs in light of the board of directors’ risk assessment and management responsibilities on an annual basis. In 2010, our human resources department in consultation with management’s compensation consultant, Towers Watson & Co., prepared and presented to the Compensation Committee a risk assessment report that addressed the incentive compensation structure, plans, and processes at all levels of the company. The assessment included a review of pay mix (fixed v. variable and short v. long-term), performance metrics, target setting, pay determination, and overall governance and administration of pay programs. After reviewing this report and making inquiries of management, the Compensation Committee determined we have no compensation policies and programs that give rise to risks reasonably likely to have a material adverse effect on us.

Communications to Directors

Stockholders and other parties interested in communicating directly to the board of directors, any committee, or any non-management director may do so by writing to the address listed below:

HEALTHSOUTH CORPORATION
BOARD OF DIRECTORS

P.O. BOX 380546
BIRMINGHAM, ALABAMA 35238
ATTENTION: [Addressee*]

*Including the name of the specific addressee(s) will allow us to direct the communication to the intended recipient.

Table of Contents

All communications received as set forth in this paragraph will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the board of directors or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

Table of Contents

Board Structure and Director Nominations

Board Structure and Meetings

Our business, property, and affairs are managed under the direction of our board of directors. Our Corporate Governance Guidelines provide for a non-executive chairman of the board to set the agenda for, and preside over, board meetings, coordinate the work of the committees of our board of directors and perform other duties delegated to the chairman by our board of directors. The non-executive chairman also presides over independent sessions generally held at each board meeting. The board of directors adopted this structure to promote decision-making and governance independent of that of our management and to better perform the board of director's monitoring and evaluation functions. Members of our board of directors are kept informed of our business through discussions with our chief executive officer and other officers, by reviewing materials provided to them, by visiting our offices, and by participating in meetings of the board of directors and its committees.

The board of directors met eight times during 2010. Each incumbent member of the board of directors attended 75% or more of the aggregate of the meetings of the board of directors and of the committees on which he or she served that were held during the period for which he or she was a director or committee member, respectively. In addition, it is our policy that directors are expected to attend the annual meeting of stockholders. The members of the board of directors generally hold a meeting immediately following the annual meeting of stockholders. Thus, the annual meeting of stockholders and the board of directors meeting are held at the same location to further facilitate and encourage the directors to attend the annual meeting of stockholders. All members of our board of directors attended the annual meeting in 2010.

Criteria for Board Members

In evaluating the suitability of individual candidates and nominees, the Nominating/Corporate Governance Committee and the board of directors considers relevant factors, including, but not limited to: a general understanding of marketing, finance, corporate strategy and other elements relevant to the operation of a large publicly-traded company in today's business environment, senior leadership experience, an understanding of our business, educational and professional background, and character. The Nominating/Corporate Governance Committee also considers the following attributes or qualities in evaluating the suitability of candidates and nominees to our board of directors:

- Integrity: Candidates should demonstrate high ethical standards and integrity in their personal and professional dealings.
 - Accountability: Candidates should be willing to be accountable for their decisions as directors.
- Judgment: Candidates should possess the ability to provide wise and thoughtful counsel on a broad range of issues.
- Responsibility: Candidates should interact with each other in a manner which encourages responsible, open, challenging and inspired discussion. Directors must be able to comply with all duties of care, loyalty, and confidentiality applicable to directors of publicly traded Delaware corporations.
- High Performance Standards: Candidates should have a history of achievements which reflects high standards for themselves and others.
- Commitment and Enthusiasm: Candidates should be committed to, and enthusiastic about, their performance for the Company as directors, both in absolute terms and relative to their peers. Directors should be free from conflicts of interest and be able to devote sufficient time to satisfy their board responsibilities.

- **Financial Literacy:** Candidates should be able to read and understand fundamental financial statements and understand the use of financial ratios and information in evaluating the financial performance of the Company.

Table of Contents

- Courage: Candidates should possess the courage to express views openly, even in the face of opposition.

Although there is no formal policy on diversity of nominees, both the board of directors and the Nominating/Corporate Governance Committee believe that diversity of skills, perspectives and experiences as represented on the board as a whole, in addition to the primary factors, attributes or qualities discussed above, promotes improved monitoring and evaluation of management on behalf of the stockholders and produces more creative thinking and solutions. The Nominating/Corporate Governance Committee considers, but does not choose solely based on, the distinctive skills, perspectives and experiences that candidates diverse in gender, ethnic background, geographic origin and professional experience offer.

Director Nomination Process

The Nominating/Corporate Governance Committee of the board of directors developed a policy regarding director nominations. The policy describes the process by which candidates for possible inclusion in HealthSouth's slate of director nominees are selected.

Internal Process for Identifying Candidates

The Nominating/Corporate Governance Committee has two primary methods for identifying director nominees (other than those proposed by stockholders, as discussed below). First, on a periodic basis, the committee solicits ideas for possible candidates from members of the board of directors, senior level executives, and individuals personally known to the members of the board. Second, the committee may from time to time use its authority under its charter to retain, at HealthSouth's expense, one or more search firms to identify candidates (and to approve such firms' fees and other retention terms).

Proposals for Director Nominees by Stockholders

The Nominating/Corporate Governance Committee will consider written proposals from stockholders for director nominees. In considering candidates submitted by stockholders, the Nominating/Corporate Governance Committee will take into consideration the needs of the board of directors and the qualifications of the candidate. In accordance with our Bylaws, any such nominations must be received by the Nominating/Corporate Governance Committee, c/o the corporate secretary, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event the annual meeting is called for a date that is not within 30 days before or after such anniversary date, a nomination, in order to be timely, must be received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs. The Nominating/Corporate Governance Committee received no nominee recommendations from stockholders for the 2011 annual meeting. Stockholder nominations for our 2012 annual meeting of stockholders must be received at our principal executive offices on or after January 6, 2012 and not later than February 5, 2012.

Stockholder nominations must include the information set forth in Section 3.4 of our Bylaws. This information must include, among other things, the following:

- (1) the name, age, business address and residence address of each nominee;
- (2) the principal occupation or employment of each nominee;
- (3) the class or series and number of shares of our capital stock owned beneficially or of record by each nominee or his or her affiliates or associates and information regarding derivative and other forms of direct and indirect ownership in our securities;

(4) a statement that each nominee, if elected, intends to tender, promptly following election or re-election, an irrevocable resignation effective upon failure to receive the required vote for re-election at the next meeting in accordance with the Corporate Governance Guidelines;

(5) any other information relating to each nominee and the stockholder giving the notice that would be required to be disclosed in a proxy statement;

Table of Contents

- (6) the name and record address of the stockholder giving the notice;
- (7) the class or series and number of shares of our capital stock owned beneficially or of record by the stockholder giving the notice;
- (8) a description of all arrangements or understandings between the stockholder giving the notice and each nominee and any other person or persons (including their names) pursuant to which the nomination(s) are being made; and
- (9) a representation that the stockholder giving the notice intends to appear in person or by proxy at the meeting to nominate the persons named in its notice.

Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected. A stockholder providing notice of a nomination must update and supplement the notice so that the information in the notice is true and correct as of the record date(s) for determining the stockholders entitled to receive notice of and to vote at the annual meeting. Any stockholder that intends to submit a nomination for the board of directors should read the entirety of the requirements in Section 3.4 of our Bylaws which can be found in the “Corporate Governance” section of our website at <http://investor.healthsouth.com>.

Effective as of October 30, 2009, our board of directors adopted a new Bylaw provision to provide for reimbursement of certain reasonable expenses incurred by a stockholder or a group of stockholders in connection with a proxy solicitation campaign for the election of one nominee to the board of directors. This reimbursement right is subject to certain conditions including the board of director’s determination that reimbursement is consistent with its fiduciary duties. Following the annual meeting, we will reimburse certain expenses that a nominating stockholder, or group of nominating stockholders, has incurred in connection with nominating a candidate for election to our board of directors if certain conditions set out in Section 3.4(c) of our Bylaws are met. If those conditions are met and the proponent’s nominee is elected, we will reimburse the actual costs of printing and mailing the proxy materials and the fees and expenses of one law firm for reviewing the proxy materials and one proxy solicitor for conducting the related proxy solicitation. If those conditions are met and the proponent’s nominee is not elected but receives 40% or more of all votes cast, we will reimburse the proportion of those qualified expenses equal to the proportion of votes that the nominee received in favor of his election to the total votes cast. In all cases, reimbursement will only be made if the nominating stockholders are liable for such expenses regardless of the outcome of the election of directors or receipt of reimbursement from us and no party to which such amounts are payable is an affiliate or associate of any of the nominating stockholders. In no event may the amount paid to a nominating stockholder exceed the amount of corresponding expenses incurred by us in soliciting proxies in connection with the election of directors. Further, we will not reimburse expenses in the event that our board of directors determines that any such reimbursement is not in our best interests, would result in a breach of our board’s fiduciary duties, would render us insolvent or cause us to breach a material obligation. For additional detail, please read Section 3.4(c) of our Bylaws which can be found in the “Corporate Governance” section of our website at <http://investor.healthsouth.com>.

Evaluation of Candidates

The Nominating/Corporate Governance Committee will consider all candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria. If, after the committee’s initial evaluation, a candidate meets the criteria for membership, the chair of the Nominating/Corporate Governance Committee will interview the candidate and communicate the chair’s evaluation to the other members of the committee, the chairman of the board and the chief executive officer. Later reviews will be conducted by other members of the committee and senior management. Ultimately, background and reference checks will be conducted and the committee will meet to finalize its list of recommended candidates for the board’s consideration. The candidates recommended for the board’s consideration will be those individuals that will create a board of directors that is, as a whole, strong in its collective knowledge of, and diverse in skills and experience with respect to,

accounting and finance, management and leadership, vision and strategy, business operations, business judgment, crisis management, risk assessment, industry knowledge, corporate governance and global markets.

Table of Contents

Director Independence

Review of Director Independence

On February 24, 2011, the board of directors undertook its review of the independence of the nominees as independent directors based on our Corporate Governance Guidelines. During its review, the board of directors assessed whether any transactions or relationships exist currently or during the past three years existed between any director or any member of his or her immediate family and HealthSouth and its subsidiaries, affiliates, or our independent registered public accounting firm. The board of directors also examined whether there were any transactions or relationships between any director or any member of his or her immediate family and members of the senior management of HealthSouth or their affiliates. In connection with this determination, on an annual basis, each director and executive officer is required to complete a Director and Officer Questionnaire which requires disclosure of any transactions with HealthSouth in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. The board of directors considered that in the ordinary course of business, transactions may occur between HealthSouth and its subsidiaries and companies at which some of our directors are or have been officers. In each case, the amount of transactions from these companies in each of the last three years did not approach the levels set forth in the Corporate Governance Guidelines or that would otherwise potentially indicate a lack of independence. The board of directors also considered charitable contributions to not-for-profit organizations of which our directors or immediate family members are executive officers, none of which approached the levels set forth in our Corporate Governance Guidelines or that would otherwise indicate a potential lack of independence.

Determination of Director Independence

Based on its review, the board of directors affirmatively determined that each of Edward A. Blechschmidt, John W. Chidsey, Donald L. Correll, Yvonne M. Curl, Charles M. Elson, Jon F. Hanson, Leo I. Higdon, Jr., John E. Maupin, Jr. and L. Edward Shaw, Jr. is an independent director in accordance with our Corporate Governance Guidelines. Mr. Grinney, who is our chief executive officer, was not deemed to be independent. Each of our directors other than Mr. Grinney also satisfies the definition of independence contained in Rule 303A.02 of the listing standards for the New York Stock Exchange. The board of directors also determined that:

- each member of the Audit Committee, the Compensation Committee, and the Nominating/Corporate Governance Committee was an independent director under our Corporate Governance Guidelines and otherwise meets the qualifications for membership on such committee imposed by the NYSE and other applicable laws and regulations;
- each member of the Audit Committee had accounting or related financial management expertise and was financially literate, and otherwise meets the audit committee membership requirements imposed by the NYSE, our Corporate Governance Guidelines, and other applicable laws and regulations; and that each of Mr. Blechschmidt, Mr. Chidsey and Mr. Correll qualify as an “audit committee financial expert” within the meaning of SEC regulations; and
- each member of the Compliance/Quality of Care Committee and the Finance Committee was an independent director under our Corporate Governance Guidelines.

In addition, there are no arrangements or understandings known to us between any of the directors nominated for election to the board of directors and any other person pursuant to which a director was or is to be elected as a director or nominee, other than any arrangements or understandings with directors or officers of HealthSouth acting solely in their capacities as such. None of our directors, nominees or executive officers is a party to any material proceedings adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

Table of Contents

Standards of Director Independence

Under the listing standards adopted by the NYSE, a director will be considered “independent” and found to have no material relationship with the Company if during the prior three years:

- The director has not been an employee of the Company or any of its subsidiaries, and no immediate family member of the director has been an executive officer of the Company;
- Neither the director nor an immediate family member of the director has received more than \$120,000 per year in direct compensation from the Company other than director and committee fees and pension or other forms of direct compensation for prior service (provided such compensation is not contingent in any way on future service);
- Neither the director nor an immediate family member of the director has been affiliated with or employed by a present or former internal or external auditor of the Company;
- Neither the director nor an immediate family member of the director has been employed as an executive officer of another company where any of the Company’s present executives serve on that company’s compensation committee; and
- The director has not been an executive officer or employee, and no immediate family member of the director has been an executive officer, of a company that makes payments to or receives payments from the company for property or services in an amount which, in any single fiscal year, exceeded the greater of \$1 million or 2% of such other company’s consolidated gross revenues.

Committees of the Board of Directors

Committee Memberships and Meetings

Our board of directors has the following five standing committees, each of which is governed by a charter and reports its actions and recommendations to the board of directors: Audit Committee, Compensation Committee, Compliance/Quality of Care Committee, Finance Committee, and Nominating/Corporate Governance Committee. The following table shows the number of meetings and the membership of each board committee as of December 31, 2010.

	Audit Committee	Compensation Committee	Compliance/ Quality of Care Committee	Finance Committee	Nominating/ Corporate Governance Committee

Audit Committee

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee's purpose, per the terms of its charter, is to assist the board of directors in fulfilling its responsibilities to the Company and its stockholders, particularly with respect to the oversight of the accounting, auditing, financial reporting, internal control, and compliance practices of the Company. The specific responsibilities of the Audit Committee are, among others, to:

- assist the board of directors in the oversight of the integrity of our financial statements and compliance with legal and regulatory requirements, the qualifications and independence of our independent auditor, and the performance of our internal audit function and our independent auditor;
 - appoint, compensate, replace, retain, and oversee the work of our independent auditor;
- at least annually, review a report by our independent auditor regarding its internal quality control procedures, material issues raised by certain reviews, inquiries or investigations relating to independent audits within the last five years, and relationships between the independent auditor and the Company;
- discuss our quarterly financial statements and annual audited financial statements with management and our independent auditor, including management's assessment of and the independent auditor's opinion regarding the effectiveness of the Company's internal control over financial reporting, and make recommendations to the board of directors regarding the filing of the audited financial statements with the SEC;
- discuss earnings press releases with management and discuss financial information and earnings guidance provided to analysts and rating agencies;
 - discuss processes with respect to risk assessment and risk management;
- set clear hiring policies for employees or former employees of our independent auditor; and
- appoint and oversee the activities of our Inspector General who has the responsibility to identify violations of Company policy and law relating to accounting or public financial reporting, to review the Inspector General's periodic reports and to set compensation for the Inspector General and its staff.

In connection with its duties, the committee reviews and evaluates, at least annually, the performance of the committee and its members, may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and performs all acts reasonably necessary to fulfill its responsibilities and achieve its objectives. The Audit Committee concluded that, during 2010, it satisfied its duties and responsibilities under its charter.

Compensation Committee

The Compensation Committee's purpose and objectives are to oversee our compensation and employee benefit objectives, plans and policies and to review and recommend to the independent members of the board of directors the individual compensation of our executive officers in order to attract and retain high-quality personnel to better ensure our long-term success and the creation of long-term stockholder value. The specific responsibilities of the Compensation Committee are, among others, to:

- review and approve our compensation programs and policies, including our benefit plans, incentive compensation plans and equity-based plans; amend, or recommend that the board of directors amend, such programs, policies,

goals or objectives; and act as (or designate) an administrator for such plans as may be required;

Table of Contents

- review and recommend to the board of directors corporate goals and objectives relevant to the compensation of the chief executive officer and evaluate the performance of the chief executive officer in light of those goals and objectives;
- review and approve corporate goals and objectives relevant to the compensation of the other executive officers and evaluate the performance of those executive officers in light of those goals and objectives;
- determine and approve, together with the other independent directors, the base compensation level and incentive compensation level for the chief executive officer;
- determine and approve the base compensation levels and incentive compensation levels for the other executive officers;
- review and discuss with management the Company's Compensation Discussion and Analysis, and recommend inclusion thereof in our annual report or proxy statement;
- review and approve (or recommend to the board of directors in the case of the chief executive officer) employment arrangements, severance arrangements and termination arrangements and change in control arrangements to be made with any executive officer of the Company; and
- review and recommend to the board of directors fees and retainers for non-employee members of the board and non-employee members and chairpersons of committees of the board.

In connection with its duties, the committee reviews and evaluates, at least annually, the performance of the committee and its members, may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and perform all acts reasonably necessary to fulfill its responsibilities and achieve its objectives. As discussed in further detail under "Role of Compensation Consultant" beginning on page 37, the Compensation Committee engaged the independent compensation consultant, Frederic W. Cook & Co., Inc. ("Frederic W. Cook & Co."), to assist it in its review and evaluation of executive compensation levels.

Compliance/Quality of Care Committee

The Compliance/Quality of Care Committee's function is to assist our board of directors in fulfilling its fiduciary responsibilities relating to our regulatory compliance activities and to ensure we deliver quality care to our patients. The committee is primarily responsible for overseeing, monitoring, and evaluating HealthSouth's compliance with all of its regulatory obligations other than tax and securities law-related obligations and reviewing the quality of services provided to patients at our facilities. The primary objectives and responsibilities of the Compliance/Quality of Care Committee are to:

- ensure the establishment and maintenance of a regulatory compliance program and the development of a comprehensive quality of care program designed to measure and improve the quality of care and safety furnished to patients;
- appoint and oversee the activities of a chief compliance officer with responsibility for developing and implementing our regulatory compliance program, which is subject to our annual review, and approve, and perform, or have performed, an annual evaluation of the performance of the chief compliance officer and the compliance office;
- review and approve annually the quality program description and the performance of the chief medical officer and the quality of care program;

- monitor the Company's compliance with any corporate integrity agreement or similar undertaking, with the U.S. Department of Health and Human Services Office of Inspector General, or any other government agency;

Table of Contents

- review periodic reports from the compliance officer, including an annual regulatory compliance report summarizing compliance-related activities undertaken by us during the year, and the results of all regulatory compliance audits conducted during the year; and
- review periodic reports from the chief medical officer regarding the Company's efforts to advance patient safety and the quality of our medical and rehabilitative care.

In connection with its duties, the committee reviews and evaluates, at least annually, the performance of the committee and its members, may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and perform all acts reasonably necessary to fulfill its responsibilities and achieve its objectives.

Finance Committee

The purpose and objectives of the Finance Committee are to assist our board of directors in the oversight of the use and development of our financial resources, including our financial structure, investment policies and objectives, and other matters of a financial and investment nature. The specific responsibilities of the Finance Committee are to review, evaluate, and make recommendations to the board of directors regarding HealthSouth's:

- capital structure and proposed changes thereto, including significant new issuances, purchases, or redemptions of our securities;
 - plans for allocation and disbursement of capital expenditures;
- credit rating, activities with credit rating agencies, and key financial ratios;
 - long-term financial strategy and financial needs;
- unusual or significant commitments or contingent liabilities; and
 - plans to manage insurance and asset risk.

In addition to its other responsibilities, the committee oversees our major activities with respect to mergers, acquisitions and divestitures. The committee also reviews and evaluates, at least annually, the performance of the committee and its members. In connection with its duties, the committee may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and perform all acts reasonably necessary to fulfill its responsibilities and achieve its objectives.

Nominating/Corporate Governance Committee

The purposes and objectives of the Nominating/Corporate Governance Committee are to assist our board of directors in fulfilling its duties and responsibilities to us and our stockholders, and its specific responsibilities include, among others, to:

- assist the board of directors in determining the appropriate characteristics, skills and experience for the individual members of the board of directors and the board of directors as a whole and create a process to allow the committee to identify and evaluate individuals qualified to become board members;
- make recommendations to the board regarding the composition of each standing committee of the board, to monitor the functioning of the committees of the board and make recommendations for any changes, review annually

committee assignments and the policy with respect to rotation of committee memberships and/or chairpersonships, and report any recommendations to the board;

Table of Contents

- review the suitability for each board member's continued service as a director when his or her term expires, and recommend whether or not the director should be re-nominated;
- assist the board in considering whether a transaction between a board member and the Company presents an inappropriate conflict of interest and/or impairs the independence of any board member;
- recommend nominees for board membership to be submitted for stockholder vote at each annual meeting of stockholders, and to recommend to the board candidates to fill vacancies on the board and newly-created positions on the board; and
- develop and recommend to the board Corporate Governance Guidelines applicable to the Company that are consistent with applicable laws and listing standards and to periodically review those guidelines and to recommend to the board such changes as the committee deems necessary or advisable.

In connection with its duties, the committee reviews and evaluates, at least annually, the performance of the committee and its members, may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and perform all acts reasonably necessary to fulfill its responsibilities and achieve its objectives. In connection with its duties, the committee may obtain the advice and assistance of outside advisors, including consultants and legal and accounting advisors, and perform all acts reasonably necessary to fulfill its responsibilities and achieve its objectives.

Table of Contents

Compensation of Directors

In 2010, we provided the following annual compensation to directors who are not employees:

Name	Fees				Total (\$)
	Earned or Paid in Cash (\$)(1)	Stock Awards (\$)(2)	Option Awards (\$)(3)	All Other Compensation (\$)	
Edward A. Blechschmidt	120,000	90,000	–	–	210,000
John W. Chidsey	95,000	90,000	–	–	185,000
Donald L. Correll	105,000	90,000	–	–	195,000
Yvonne M. Curl	100,000	90,000	–	–	190,000
Charles M. Elson	105,000	90,000	–	–	195,000
Jon F. Hanson	195,000	90,000	–	–	285,000
Leo I. Higdon, Jr.	102,500	90,000	–	–	192,500
John E. Maupin, Jr.	100,000	90,000	–	–	190,000
L. Edward Shaw, Jr.	102,500	90,000	–	–	192,500

(1) The amounts reflected in this column are the retainer and chairperson fees earned for service as a director for 2010, regardless of when such fees are paid. Retainer fees for the first quarter of 2011 are paid in December of 2010.

Messrs. Hanson and Chidsey elected to defer, 50% and 100%, respectively, of their fees earned in 2010 under the Directors' Deferred Stock Investment Plan.

(2) Each non-employee director received an award of restricted stock units with a grant date fair value, computed in accordance with FASB ASC 718, Compensation – Stock Compensation, of \$90,000 (5,203 units). These awards are fully vested in that they are not subject to forfeiture; however, no shares underlying a particular award will be issued until six months following the date the director ends his or her service on the board. As of December 31, 2010, each director held the following aggregate restricted stock and RSU awards: Mr. Hanson – 36,897 units, Mr. Blechschmidt – 37,199 units, Mr. Chidsey – 30,828 units, Mr. Correll – 34,912 units, Ms. Curl – 35,211 units, Mr. Elson – 36,154 units, Mr. Higdon – 36,154 units, Dr. Maupin – 36,154 units, and Mr. Shaw – 34,912 units.

(3) The aggregate number of option awards outstanding at year end was as follows: Mr. Hanson (10,000). Other than Mr. Grinney, whose option awards are disclosed under the table entitled “Outstanding Equity Awards at December 31, 2010,” no other directors had option awards outstanding at year end.

Our non-employee directors receive an annual cash retainer of \$95,000. In addition to the cash retainer, the chairman of the board of directors and the chairperson of each committee receive additional compensation for his or her service as a chairperson. In 2010, the chairman of the board received an additional \$100,000 per year to compensate for the enhanced responsibilities and time commitment associated with that position. The chairperson of the Audit Committee received an additional \$25,000 per year, the chairperson of the Compensation Committee received an additional \$15,000 per year, and the chairpersons of the Compliance/Quality of Care Committee, the Finance Committee, and the Nominating/Corporate Governance Committee each received an additional \$10,000 per year.

Our non-employee directors may elect to defer all or part of their cash retainer fees under our Directors' Deferred Stock Investment Plan. Elections are made prior to the beginning of the applicable year, and directors can only withdraw their participation effective at the beginning of the next year. Under the plan, amounts deferred by non-employee directors are promptly invested in our common stock by the plan trustee at the market price at the time of the payment of the fees. Any dividends paid on our common stock are deemed to be invested in our common stock.

Fees deferred under the plan are held in a “rabbi trust” by the plan trustee, and accordingly, the plan is treated as unfunded for federal tax purposes. Accounts in the plan are distributed in the form of our common stock upon termination from board service for any reason. In all cases, distributions generally will commence at least six months after the event triggering the distribution. As of December 31, 2010, the account balances for those participating under the plan were: Mr. Hanson’s 18,701 shares, Mr. Blechschmidt’s 2,454 shares, Mr. Chidsey’s 18,256 shares, and Mr. Shaw’s 13,263 shares.

In addition, under our 2008 Equity Incentive Plan, each non-employee member of the board of directors received a grant of restricted stock units valued at approximately \$90,000, which units were granted at the time annual equity awards were granted to our executives and which units will be settled in shares of our common stock

Table of Contents

six months following the date such director ceases serving on our board of directors. At its February 2011 meeting, our board of directors voted to increase its annual equity grant value to \$100,000 and decrease the annual Audit Committee chairperson to \$20,000 based on a competitive market analysis provided by F.W. Cook & Co., Inc., the independent consultant for the Compensation Committee. In the future, we expect similar equity grants to be made annually.

In furtherance of the goal to align the interests of our management with those of our stockholders, our senior management recommended, and our board of directors adopted equity ownership guidelines for senior management and members of the board of directors in May 2008. Each non-employee director should own equity equal in value to at least \$300,000. As of March 1, 2011, all of our non-employee directors have satisfied the guidelines.

Mr. Grinney, who is the only director that is also an employee, receives no additional compensation for serving on the board.

Indemnification and Exculpation

We indemnify our directors and officers to the fullest extent permitted by Delaware law. Our certificate of incorporation also includes provisions that eliminate the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability:

- for any breach of the director's duty of loyalty to us or our stockholders;
- for acts or omissions not in good faith or that involved intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware law (regarding unlawful payment of dividends); or
- for any transaction from which the director derives an improper personal benefit.

We believe these provisions are necessary to attract and retain qualified people who will be free from undue concern about personal liability in connection with their service to us.

AUDIT COMMITTEE REPORT

The board of directors has the ultimate authority for effective corporate governance, including the role of oversight of the management of HealthSouth. The Audit Committee's purpose is to assist the board of directors in fulfilling its responsibilities to the Company and its stockholders by overseeing the accounting and financial reporting processes of HealthSouth, the qualifications and selection of the independent registered public accounting firm engaged by HealthSouth, and the performance of HealthSouth's Inspector General, internal auditors and independent registered public accounting firm. The Audit Committee members' functions are not intended to duplicate or to certify the activities of management or the Company's independent registered public accounting firm.

In its oversight role, the Audit Committee relies on the expertise, knowledge and assurances of management, the internal auditors, and the independent registered public accounting firm. Management has the primary responsibility for establishing and maintaining effective systems of internal and disclosure controls (including internal control over financial reporting), for preparing financial statements, and for the public reporting process. PricewaterhouseCoopers LLP, HealthSouth's independent registered public accounting firm, is responsible for performing an independent audit of HealthSouth's consolidated financial statements, for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, and for expressing its own opinion on the effectiveness of the Company's internal control over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002. In this context, the Audit Committee:

- reviewed and discussed with management and PricewaterhouseCoopers LLP the fair and complete presentation of the Company's consolidated financial statements and related periodic reports filed with the SEC (including the audited consolidated financial statements for the year ended December 31, 2010, and PricewaterhouseCoopers LLP's audit of the Company's internal control over financial reporting);

Table of Contents

- discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board (the “PCAOB”) in Rule 3200T; and
- received the written disclosures and the letter from PricewaterhouseCoopers LLP required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence) and discussed with PricewaterhouseCoopers LLP its independence from HealthSouth and its management.

The Audit Committee also discussed with the Company’s internal auditors and PricewaterhouseCoopers LLP the overall scope and plans for their respective audits; reviewed and discussed with management, the internal auditors, and PricewaterhouseCoopers LLP the significant accounting policies applied by the Company in its financial statements, as well as alternative treatments and risk assessment; and met periodically in executive sessions with each of management, the internal auditors, and PricewaterhouseCoopers LLP.

The Audit Committee was kept apprised of the progress of management’s assessment of the Company’s internal control over financial reporting and provided oversight to management during the process.

Based on the reviews and discussions described above, the Audit Committee recommended to the board of directors, and the board of directors approved, that the audited consolidated financial statements for the year ended December 31, 2010, and management’s assessment of the effectiveness of the Company’s internal control over financial reporting as of December 31, 2010, be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 for filing with the SEC. The Audit Committee has selected PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for 2011.

Audit Committee
Edward A Blechschmidt (Chairman)
John W. Chidsey
Donald L. Correll

COMPENSATION COMMITTEE MATTERS

Scope of Authority

The Compensation Committee acts on behalf of the board of directors to establish the compensation of executive officers of the Company and provides oversight of the Company’s compensation philosophy for senior management. The committee also acts as the oversight committee with respect to the Company’s equity compensation, bonus and other compensation plans covering executive officers and other senior management. In overseeing those plans, the committee may delegate authority for day-to-day administration and interpretation of the plans, including selection of participants, determination of award levels within plan parameters, and approval of award documents, to officers of the Company. However, the committee may not delegate any authority under those plans for matters affecting the compensation and benefits of the executive officers. The Committee may also delegate other responsibilities to a subcommittee comprised of no fewer than two members of the Committee, provided that it may not delegate any power or authority required by any applicable law or listing standard to be exercised by the Committee as a whole.

Role of Compensation Consultant

To assist the Compensation Committee in its review and determination of executive compensation levels, the Compensation Committee engaged Frederic W. Cook & Co. The relationship between Frederic W. Cook & Co. and

HealthSouth relates entirely to executive compensation work performed at the request of the Compensation

Table of Contents

Committee. Any other use of the Compensation Committee's consultant requires the prior approval of the Compensation Committee. Frederic W. Cook & Co. provided services only to our Compensation Committee and did not provide assistance to HealthSouth in any other capacity. The Compensation Committee has the sole authority over the engagement, or the release of the engagement, of its compensation consultant. The Compensation Committee has instructed Frederic W. Cook & Co. to:

- assist in evaluating executive compensation programs and executive officers' compensation;
- advise the Compensation Committee on compensation trends and best practices;
- provide third party input on plan design, selection of performance measures for annual and long-term incentives and the reasonableness of individual compensation awards; and
- review the content of the Compensation Discussion and Analysis in this proxy statement.

Management has separately engaged Towers Watson & Co. as its compensation consultant. The scope of that engagement includes providing data and analysis on competitive executive and non-executive compensation practices and review of the Compensation Discussion and Analysis. Towers Watson data related to executive compensation practices may be provided to the Compensation Committee, subject to review by and input from Frederic W. Cook & Co. Towers Watson also provides a diagnostic tool and support to our human resources department in its assessment of risk related to our compensation practices.

Role of Executive Officers and Management

The chief executive officer and the chief human resources officer formulate recommendations on matters of compensation philosophy, plan design, appropriate peer companies, and the specific compensation recommendations for executive officers (other than the chief executive officer). The chief executive officer gives the Compensation Committee a self-assessment of his performance and a performance assessment and compensation recommendation for each of the other named executive officers. Those recommendations are then considered by the committee. Typically, the chief executive officer and the chief human resources officer attend the Compensation Committee meetings but are not present for the independent sessions or for any discussion of their own compensation. The Compensation Committee, together with the other independent directors and without input from the chief executive officer in the deliberations, determines the chief executive officer's base compensation and incentive compensation.

Compensation Committee Interlocks and Insider Participation

None of the current members of our Compensation Committee is an officer or employee of HealthSouth. None of our current executive officers serves or has served as a member of the board of directors or compensation committee of any other Company that had one or more executive officers serving as a member of our board of directors or Compensation Committee.

Compensation Committee Report

The Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, and, based upon such review and discussions, the Compensation Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K for the year ended December 31, 2010.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Throughout this proxy statement, the individuals who served as our principal executive officer and principal financial officer during the fiscal year ended December 31, 2010, as well as the other individuals included in the Summary Compensation Table on page 53, are referred to as the “named executive officers,” or “NEOs.” In 2010, Edmund M. Fay, our treasurer, acted as our interim principal financial officer until the appointment of Douglas E. Coltharp as our chief financial officer on May 6, 2010. For purposes of this section only, we refer to the Compensation Committee of our board of directors as the “Committee.”

Executive Summary

Our executive compensation program is designed to provide a strong correlation between pay and performance. Pay refers to the value of an executive’s total direct compensation, or “TDC,” which consists of: (1) a base salary; (2) an annual cash incentive payment; and (3) a long-term equity incentive grant. Both the cash incentive payment and the equity grants are entirely dependent on performance; there are no components that are “time-based,” i.e., based simply on an executive maintaining his or her employment with the Company. Performance is measured against certain pre-determined, board-approved objectives. For our annual cash incentive payments, these objectives include both quantitative and individual objectives. The former consists of achieving earnings per share and free cash flow targets. The latter consists of performance metrics that are unique to the individual executive. For equity grants, the objectives are earnings per share growth and total stockholder return. All performance measures are described in more detail below.

As an executive’s responsibility increases, his or her total direct compensation includes a greater percentage of performance-based compensation that is at risk of not being earned if the performance objectives are not achieved. At the same time, a greater percentage of his or her TDC will be derived from equity grants, the value of which are realized over a longer time period in line with changes in our stock price.

The graphs below reflect: (i) the timeframe for our NEOs to realize the value of the various TDC components (excluding “Other Compensation” as disclosed in the Summary Compensation Table on page 53); and (ii) the extent to which our NEOs’ 2010 TDC is performance-based. The graph for executive vice presidents does not include data for Mr. Coltharp who joined us in May 2010.

Following the completion of the year-end close of our financial statements, the Committee evaluates each executive’s performance against the pre-determined performance metrics. Based on each NEO’s relative performance, the Committee approves his or her annual cash incentive and equity grant awards and recommends the equity grant approval to the board of directors as more fully described below.

Table of Contents

Following the assessment of the Company's 2010 performance, the Committee and our board of directors determined the annual cash incentive payments and equity grants approved under our 2010 executive compensation program were appropriate and consistent with our compensation philosophy set forth below and that each named executive officer's target TDC reflected his or her individual performance and contributions to the Company's success.

To further ensure the Company is protecting the interest of our stockholders, our board of directors also has adopted the following corporate governance measures related to executive compensation:

- a compensation recoupment, or "claw-back," policy discussed under "Compensation Recoupment Policy" beginning on page 49;
 - equity ownership guidelines for our senior executives and board of directors;
- a policy of not providing supplemental executive benefits or perquisites, other than a non-qualified 401(k) plan and, in one instance, supplemental long-term disability coverage;
- change-of-control compensation arrangements, discussed under "Severance Arrangements" beginning on page 50, that do not include the problematic pay practices of a "single trigger" or tax gross ups as; and
- independent sessions at every regular meeting of the board of directors and the Committee (no members of management are present at these independent sessions).

Compensation Philosophy

The Committee, which is comprised solely of independent directors, acts on behalf of the board of directors to establish and oversee implementation of our executive compensation philosophy. The compensation philosophy of the Committee is to create a competitive program of compensation for the Company's senior management that aligns management's interests with those of stockholders and rewards above-median performance with above-median compensation. Additionally, it is the philosophy of the Committee to place 100% of annual bonus and equity grants at risk by directly linking bonus payments and equity grants to the Company's performance. Furthermore, it is the Committee's philosophy not to provide special executive benefits or perquisites to members of senior management, other than a non-qualified 401(k) plan and, in one instance, supplemental long-term disability coverage. We believe that this philosophy will enable us to attract, motivate and retain talented executives who will enhance long-term stockholder value.

Determining Compensation

Overall Program Architecture

The Committee initially establishes the target total direct compensation for each of our named executive officers. The Committee then reviews each individual element of target TDC and allocates between elements based on the factors described below and the overriding principles that the majority of compensation should be performance-based and that as responsibility increases so does the percentage of equity-based compensation. In determining the aggregate value of each executive's target TDC and the individual elements, the Committee assesses the Company's performance, the executive's level of responsibility, the executive's contributions to the Company, competitive practices, internal pay equities, and certain other factors relating to equity awards, such as the amount of awards generally available for grant under Company plans, and the potential dilution relating to such grants. The Committee does not rely solely on formulas or a limited set of criteria when it sets the target TDC for our NEOs. Rather, the Committee exercises its business judgment in applying quantitative and qualitative approaches, as described below in this Compensation Discussion and Analysis, to the facts and circumstances associated with each executive. In performing its duties, the

Committee regularly seeks input and advice from its independent consultant, Frederic W. Cook & Co.

Table of Contents

The Committee has authority to make decisions on base salary, annual cash incentives and long-term equity incentives for all of our NEOs except for the chief executive officer. For our chief executive officer, the Committee makes recommendations on those compensation elements to the independent directors of our board of directors, who then determine and approve the final terms of the chief executive officer's compensation. Both the Committee and the board of directors review and discuss the chief executive officer's compensation package during independent sessions. In determining the compensation for our chief executive officer, the Committee and the independent directors of the board of directors assess our financial and operating performance for which the chief executive officer is ultimately responsible, as well as the chief executive officer's achievement of certain individual objectives set forth by the board, as described under "Individual Objectives" beginning on page 44.

At the end of the year, our chief executive officer provides the Committee performance evaluations for all executive officers. Based on those evaluations and competitive compensation practices, he makes recommendations to the Committee concerning the TDC for each. For further discussion of the involvement of management in the compensation process, see the discussion under "Role of Executive Officers and Management" on page 38. The Committee, pursuant to its charter, approves the base salaries, annual cash incentives, and long-term equity incentives for each executive officer other than the chief executive officer, and the board of directors then affirms its approval of the incentive awards as well.

Assessment of Competitive Compensation Practices

To assess our named executive officers' target total direct compensation, the Committee reviews data from compensation surveys, including those produced by the current management consultant, Towers Watson, and from the publicly available disclosures of a smaller group of healthcare provider peers (the "Healthcare Provider Peer Group").¹ The Committee's independent consultant, Frederic W. Cook & Co., at the direction of the Committee and with input from management, assembles the Healthcare Provider Peer Group data. The Towers Watson survey data is also reviewed by Frederic W. Cook & Co. Towers Watson does not directly advise the Compensation Committee on executive compensation matters. The Towers Watson survey group consists of companies in healthcare and certain other industries. Three market perspectives are examined (healthcare broadly, for-profit healthcare and general industry) to ensure that the Committee has a thorough understanding of both industry-specific practices and broader market trends. For 2010, the market data used for benchmarking purposes were from various proprietary surveys.² We believe the Towers Watson survey group is appropriate because it provides a significant sample size, includes data for management positions below senior executives, and includes companies from other industries from which we might potentially recruit certain executive positions. We believe the Healthcare Provider Peer Group is appropriate because it provides data for companies similar to us with specific positions more likely to entail the unique skill set needed in our business. We also believe the companies in this peer group are appropriate for comparison to us in terms of industry segment, revenue size and market capitalization. The Committee believes that, together, these data sources provide a comprehensive perspective on competitive pay practices.

These sources provide data on levels of base salary, annual cash incentives and long-term equity incentives. The Towers Watson surveys are supplemented by publicly available information and input from Frederic W. Cook & Co. on other matters such as recent market trends and other compensation practices, including the prevalence of types of compensation plans and the proportions of the components of the TDC package. See "Role of Compensation Consultant" beginning on page 37 regarding our use of compensation consultants.

The Committee considers the benchmark data as one of several factors discussed above when reviewing and approving TDC each year. Generally, the Committee targets TDC for our named executive officers between the 50th and 65th percentiles of the competitive market that is derived from averaging the various benchmark data

1 For 2010, this peer group consists of the following companies: Amedisys, Inc., Chemed Corporation, Community Health Systems, Inc., Gentiva Health Services, Inc., Health Management Association, Inc., Kindred Healthcare, Inc., LifePoint Hospitals, Inc., Lincare Holdings Inc., Odyssey HealthCare, Inc., Psychiatric Solutions, Inc., Skilled Healthcare Group, Inc., Sun Healthcare Group, Inc., Tenet Healthcare Corporation, and Universal Healthcare Services, Inc.

2 The surveys and the number of companies therein were, for the healthcare industry, the Sullivan Cotter Survey of Manager and Executive Compensation in Hospital and Health Systems (257), Integrated Healthcare Strategies National Healthcare Leadership Compensation Survey (772) and Mercer IHN Integrated Health Networks Compensation Survey (1,395) and, for the broader market, the Towers Perrin Executive Compensation Database (761), WatsonWyatt Top Management Compensation Report (1,531) and the Mercer Executive Compensation Survey (2,201).

41

Table of Contents

discussed above. It is important to note that the Committee recognizes that the benchmark data changes from year to year, so the comparison against those benchmarks places emphasis, with input from F.W. Cook & Co., on sustained compensation trends to avoid short-term anomalies. Furthermore, with the target compensation in that range and relying heavily on incentives, the Committee believes that our NEOs will likely only achieve actual compensation above the peer median if there is strong performance by the Company. The Committee believes this is the appropriate competitive target range to attract and retain the kind of executive talent necessary to successfully achieve our strategic objectives. Executives may achieve higher levels of compensation for exceptional performance and below-median levels for disappointing performance. Pursuant to the terms of his letter of understanding, Mr. Grinney's TDC is targeted at the 65th percentile of the competitive market. For further discussion of his agreement, see "Letter of Understanding with Jay Grinney" beginning on page 56. For purposes of competitive analysis of our chief executive officer compensation, the Committee places emphasis on the Healthcare Provider Peer Group data as the requirements for this most senior role are best approximated at other provider companies.

Mr. Grinney's 2010 target TDC was at approximately the 65th percentile of the Healthcare Provider Peer Group's 2009 target data. The Committee believes the 2010 target TDC for each of our other NEOs, except Mr. Fay, fell below the 65th percentile of the competitive market based on the approximate average of the benchmark data. We believe Mr. Fay's unique role as interim principal financial officer produced outlier results against the comparables, which were primarily not NEOs in the respective filings. The target compensation package of our new chief financial officer, Mr. Coltharp, does fall below the 65th percentile. As another test of overall reasonableness, the Committee compared the aggregate target TDC of our five highest compensated individuals to the aggregate amounts from the companies in the Healthcare Provider Peer Group, and our target TDC amount was between the 50th and 65th percentiles.

Elements of Executive Compensation

The elements of our executive compensation program include:

- base salary;
- annual cash incentives; and
- long-term equity incentives.

Additionally, in 2010, our named executive officers were eligible for the same benefits offered to other employees, including medical and dental coverage. NEOs are also eligible to participate in our qualified 401(k) plan, subject to the limits on contributions imposed by the Internal Revenue Service. In order to allow deferrals above the amounts provided by the IRS, executives and certain other officers are eligible to participate in a non-qualified deferred 401(k) plan that mirrors the current qualified 401(k) plan. In addition to the standard benefits offered to all employees, we provide Mr. Grinney with supplemental long-term disability coverage pursuant to the terms of his letter of understanding. Other than the plans referenced here, we did not provide our executives with compensation in the form of a pension plan, non-qualified deferred compensation plan or a retirement plan.

Base Salary

We provide executives and other employees with base salary to compensate them for services rendered during the fiscal year and to provide a certain amount of predictable income. A number of factors are considered in determining executive base salaries, including the demands of the position, the executive's scope of responsibilities, an assessment of the executive's performance, the executive's experience, and internal equity. Base salaries are reviewed once per year and may be adjusted in February after considering the factors above.

At the request, and with the agreement, of management, none of our named executive officers received an increase in base salary in excess of 1% in 2010, except Mr. Tarr. The Committee agreed to increase Mr. Tarr's salary by \$50,000 in each of 2010 and 2011 to reflect increased responsibilities that he has recently assumed.

Table of Contents

Annual Cash Incentives

The 2010 Senior Management Bonus Plan, approved by our board of directors to incentivize and reward our named executive officers and others for annual performance, measures performance against two sets of pre-determined objectives intended to improve the Company's performance and promote stockholder value: (1) corporate quantitative objectives and (2) individual objectives. As noted below in the "Relative Weightings for Objectives" section, the Committee places significant emphasis on the achievement of the pre-determined quantitative objectives. The 2010 corporate quantitative objectives, like those in 2009, focused specifically on normalized earnings per share³ and free cash flow.⁴ Normalized earnings per share and free cash flow are annual, internal metrics that the Committee believes are important in measuring progress toward our strategic objectives and furthering long-term value for our stockholders.

Establishing the Target Cash Incentive Opportunity

Under the Senior Management Bonus Plan, the Committee first approves a target cash incentive opportunity for each named executive officer, based upon a specific percentage of his or her base salary, as listed in the "Target Cash Incentive as a % of Salary" column in the table below. The Committee then assigns relative weightings (as a percentage of total cash incentive opportunity) to the objectives. The relative weightings of the corporate quantitative objectives and individual objectives take into account the executive's position, with the targets for executives with strategic responsibilities consisting of a higher corporate quantitative objectives weighting. The table below summarizes the target cash incentive and relative weightings of quantitative and individual objectives for each NEO.

Named Executive Officer	Target Cash Incentive Opportunity as a % of Salary	Relative Weighting as a % of Target	
		Corporate Quantitative Objectives	Individual Objectives
Jay Grinney	100%	80%	20%
Douglas E. Coltharp	60%	80%	20%
John P. Whittington	60%	80%	20%
Mark J. Tarr	60%	80%	20%
Edmund M. Fay	50%	70%	30%
Dexanne B. Clohan, M.D.	50%	70%	30%

Corporate Quantitative Objectives

The 2010 Senior Management Bonus Plan's quantitative objectives, relative weightings, and completion status as of December 31, 2010 are summarized in the following table.

³ For Senior Management Bonus Plan purposes, normalized earnings per share is calculated on a weighted-average diluted shares outstanding basis by adjusting net income attributable to HealthSouth for certain non-recurring or unusual items. In 2010, those items included: income from discontinued operations; mark-to-market adjustments on our interest rate swaps that are not designated as hedges; cash payments related to our interest rate swaps; the projected impact from unbudgeted debt refinancing and acquisitions consummated in 2010; and an adjustment to normalize income tax expense. The diluted share count is calculated on the same basis as the diluted shares outstanding in our 2010 Form 10-K and includes shares related to the potential conversion of the Company's

convertible perpetual preferred stock, unvested restricted stock, restricted stock units, and stock options. The calculation of normalized earnings per share differs from that of adjusted earnings per share used in our earnings releases and publicly available financial guidance. We believe that the calculation for compensation purposes more accurately represents those matters within the control of management than does the calculation used in communications with the market.

4 For Senior Management Bonus Plan purposes, free cash flow is calculated by subtracting capital expenditures for maintenance, net settlements related to our interest rate swaps, dividends paid on convertible perpetual preferred stock, distributions paid to noncontrolling interest of consolidated affiliates, payments for professional fees-accounting, tax and legal and income tax refunds related to prior periods from net cash provided by operating activities of continuing operations. This calculation is consistent with that of adjusted free cash flow used in communications with the market. However, we also adjusted the free cash flow results for the projected impact from unbudgeted debt refinancing and acquisitions consummated in 2010. We believe that the calculation for compensation purposes more accurately represents those matters within the control of management compared to the calculation used in communications with the market.

Table of Contents

Corporate Quantitative Goal	Relative Weighting within Corporate Quantitative Bonus	Completion Status
1. Meet or exceed normalized earnings per share target of \$1.23.	50%	1. Actual result was \$1.26 per share.
2. Meet or exceed free cash flow target of \$142.4 million.	50%	2. Actual result was \$195.9 million.

To reward exceptional performance, the Committee created an opportunity for the NEOs to receive a maximum payout level in the event actual results meet or exceed a predetermined maximum objective for normalized earnings per share and free cash flow. Our maximum payout opportunity is consistent with the maximum payout opportunity that is prevalent in the industry based on research conducted by the Committee's independent consultant. Conversely, if results attained are less than threshold for a component of the corporate quantitative objectives, then no payout for that component of corporate quantitative objectives occurs. Additionally, if we fail to attain at least a weighted average achievement of 80% of the target levels for the corporate quantitative objectives, then no payout for the individual objectives occurs. Therefore, all annual cash incentive payments depend on the Company's performance. Outlined in the table below are the performance levels and corresponding payout multipliers for the corporate quantitative objectives in 2010.

Incentive Payout Level	Normalized EPS Results	Free Cash Flow Results	2010 Payout Multiple (% of Target Cash Incentive)
Maximum	≥\$1.54	≥ \$178.0 million	200%
Target	\$1.23	\$142.4 million	100%
Threshold	\$0.92	\$106.8 million	50%
Not eligible	<\$0.92	< \$106.8 million	0%

It is important to note the following:

- the performance measures can be achieved independent of each other; and
- as results increase above the threshold, a corresponding percentage of the target cash incentive will be awarded. In other words, levels listed are on a continuum, and straight-line interpolation is used to determine the payout multiple between two payout levels set forth in the table above.

Individual Objectives

For each named executive officer, with the exception of Mr. Grinney, we also specify two to four individual, measurable objectives, weighted according to importance. The independent members of the board of directors establish Mr. Grinney's individual objectives. Mr. Grinney establishes the individual objectives for the other NEOs, subject to review by the Committee. The individual objectives reflect both objectives specific to each NEO's position and also corporate objectives. A formal assessment of each NEO's performance against his or her individual objectives is made and approved by the Committee.

The following table describes each of Mr. Grinney's individual objectives and completion status for 2010.

Individual Objectives	Completion Status
1. Begin construction on 3 de novo hospitals.	1. Partially achieved. One hospital begun in 2010 with several certificate of need applications pending.

2. Complete acquisitions or joint ventures involving 3 facilities.	2. Achieved. Completed 2 hospital acquisitions and 1 joint venture.
3. Complete all bed expansion projects on time and on budget.	3. Achieved. All bed expansion projects were completed. The associated aggregate expenditures were below budget by 7.5%.
4. Recruit and hire new chief financial officer.	4. Achieved. Mr. Coltharp was hired effective May 6, 2010.
5. Establish a chief operating officer development component as part of the Company's succession planning.	5. Achieved. Development component established and implemented.
6. Further the diversity strategy by ensuring diversity candidates are actively pursued for senior management positions.	6. Achieved. Increased the number of minorities in senior management positions at the corporate office and in hospitals.
7. Work with general counsel to resolve the Ernst & Young LLP arbitration.	7. Not achieved. The arbitration hearings convened on July 12, 2010 but the hearings before the AAA panel have not concluded.

Table of Contents

The individual objectives for each other named executive officer were consistent with, and supportive of, Mr. Grinney's individual objectives and the corporate quantitative objectives described in this "Annual Cash Incentives" section and publicly disclosed financial guidance but specifically tailored to the functional responsibilities of that NEO. Accordingly, the ability of each NEO to achieve his or her individual objectives and the targeted results closely mirrored our ability to achieve the corporate quantitative, targeted results and publicly disclosed financial guidance. Mr. Grinney attempted to set the individual objectives and target performance levels such that, if an NEO's performance in each of his or her personal objectives met or exceeded the range of reasonable expectations, no less than 75% of the full award for his or her individual objectives would be earned. Each year, the Committee reviews and comments on the appropriateness of the individual objectives, their relative weighting and their likelihood of achievement.

Assessing Achievement of Corporate Quantitative and Individual Objectives

After the close of the year, the Committee assesses performance against the corporate quantitative and individual objectives for each named executive officer to determine a weighted average result, or the percentage of each NEO's target incentive that has been achieved, for each of those objectives. For the 2010 corporate quantitative objectives, normalized earnings per share of \$1.26 exceeded the target performance level and free cash flow of \$195.9 million exceeded the maximum performance level, so the related payout multiples were 110% and 200%, respectively. Since these objectives were weighted equally, each NEO's bonus payout under these objectives was a weighted average of 155% of his or her target cash incentive opportunity for these objectives. For reference, the 2009 normalized earnings per share of \$0.91 and free cash flow of \$135.1 million exceeded the maximum level for those objectives, so the related payout multiples were 200%.

The cash incentive attributable to individual objectives is determined by multiplying the relative weighting of each NEO's individual objectives by the target cash incentive amount by the percentage of the individual objectives achieved by that NEO. The Committee and the independent members of the board of directors determined that Mr. Grinney achieved 98% of his individual objectives in 2010, so the related payout was \$196,000. For 2010, the Committee concurred with Mr. Grinney as follows: Mr. Coltharp achieved 100% of his individual objectives based on an assessment of his overall performance; Mr. Whittington achieved 100% of his individual objectives based on an assessment of his overall performance; Mr. Tarr achieved 95% of his individual objectives based on an assessment of his overall performance; Mr. Fay achieved 100% of his individual objectives based on an assessment of his overall performance; Dr. Clohan achieved 100% of her individual objectives based on an assessment of her overall performance. For reference, the respective achievement levels for 2008 and 2009, respectively, were: Mr. Grinney 90% and 95%; Mr. Whittington 95% and 98%; Mr. Tarr 95% and 100%; Mr. Fay 93% and 97%; Dr. Clohan 96% and 100%.

The Committee and the board of directors believe it is possible that quantitative objectives and financial results alone will not always provide a complete picture of overall performance. Therefore, once the payout level for quantitative objectives and individual objectives is determined, the Committee has the authority to exercise discretion to increase or decrease overall annual incentive payouts as the Committee deems appropriate. However, since the restructuring and relisting of the Company in 2006, the Committee has made no discretionary adjustments to the annual cash incentive payments.

Total Cash Incentive Payments for 2010 Performance

The Committee believes the degree of achievement of the quantitative and individual objectives described above strengthened our position in our industry and promoted the long-term interests of our stockholders, and thus warranted the cash incentive payments listed in the following table. The Committee also considered that we significantly

exceeded all of the original financial guidance for 2010 provided to the stockholders and we were successful in our strategic objectives set out at the beginning of the year. The Committee, and the independent members of the board of directors with respect to Mr. Grinney, made the incentive determinations at the February 2011 meetings in order to be in a position to evaluate fully our final results for 2010. These amounts were paid in February 2011 and are listed in the following table and the Summary Compensation Table on page 53. Mr. Coltharp's annual incentive payment for 2010 was prorated based on his hire date of May 6, 2010.

Table of Contents

2010 Senior Management Bonus Plan Payouts

Named Executive Officer	Title	Corporate Quantitative Objective Portion (\$)	Individual Objective Portion (\$)	Total Payout (\$)
Jay Grinney	President and Chief Executive Officer	1,240,800	196,000	1,436,800
Douglas E. Coltharp	Executive Vice President and Chief Financial Officer	260,568	42,000	304,081
John P. Whittington	Executive Vice President, General Counsel and Secretary	392,341	63,240	455,581
Mark J. Tarr	Executive Vice President and Chief Operating Officer	356,843	54,642	411,485
Edmund M. Fay	Treasurer and Senior Vice President (acting principal financial officer)	139,784	38,625	178,409
Dexanne B. Clohan, M.D.	Chief Medical Officer	173,897	48,051	221,948

Long-term Equity Incentives

To further align management's interests with those of stockholders, the Committee has structured a significant component of each named executive officer's total direct compensation in the form of long-term equity awards. The Committee believes that such grants help retain executives and promote strategic and operational decisions that align the long-term interests of management and the stockholders.

Our Equity Incentive Plan provides participants at all officer levels with the opportunity to earn performance-based restricted stock and, for the chief executive officer and the executive vice presidents, stock options, thereby aligning all levels of management with stockholders and placing a significant portion of their total direct compensation at risk. Beginning in 2009, all restricted stock for our NEOs has been performance-based. During the two-year performance measurement period, these restricted stock grants are deemed to be performance share units, or "PSUs." The recipients of PSU awards will not have voting rights or rights to receive dividends unless and until restricted stock is earned after measurement period as described below. We believe PSUs are the appropriate primary form of equity incentive because they can be tailored to promote specific performance objectives while providing significant retention value and ownership levels (for our executives subject to ownership guidelines) during periods of flat to negative stock price performance. However, we believe that stock options, to a lesser degree, remain an appropriate means to align the interests of our most senior executives directly with our stockholders' interests since they provide leveraged incentive to grow stock price. However, the use of stock options is limited to one-third of the annual equity grant value to discourage taking on excessive business risk.

The table below sets out the 2010 equity award opportunity assuming target performance levels and the form of that equity compensation for each of our current NEOs. Mr. Coltharp did not participate in the 2010 long-term incentive program. In connection with his hiring, he received a signing bonus consisting of a grant of time-based restricted stock with a fair value of \$100,000 vesting one-third per year over three years.

2010 Target Equity Award Opportunity and Equity Compensation Mix (by value)

Named Executive Officer	Total Target		
	Equity Award Opportunity	Options as a % of the Award	PSUs as a % of the Award
Jay Grinney	\$4,000,000	33%	67%
Douglas E. Coltharp	n/a	n/a	n/a
John P. Whittington	\$ 717,484	33%	67%
Mark J. Tarr	\$ 888,927	33%	67%
Edmund M. Fay	\$ 305,020	-	100%
Dexanne B. Clohan, M.D.	\$ 271,987	-	100%

Table of Contents

Performance Share Unit Awards and Restricted Stock

The Committee has previously determined that, for named executive officers, performance-based vesting conditions for restricted stock awards are appropriate because such awards further align executives' goals with the interests of stockholders and help ensure that compensation reflects performance. Under our Equity Incentive Plan, NEOs may be granted PSUs, which entitle the grantee to receive a pre-determined range of restricted shares upon achievement of specified performance objectives. The number of restricted shares earned is determined at the end of a two-year performance period based on the level of achievement of normalized earnings per share⁵ and total stockholder return⁶ objectives. The Committee chose these metrics as objectives because they are directly aligned with our stockholders' interests. Our maximum award opportunity is consistent with the maximum payout opportunity that is prevalent in the industry based on research conducted by the Committee's independent consultant. Conversely, if results attained are less than threshold for one of the metrics, then no payout for that metric occurs. These objectives are weighted equally, each accounting for 50% of the total equity award potential. If restricted shares are earned at the end of the two-year performance period, the participant must remain employed until the end of the following year at which time the shares fully vest.

The total stockholder return objective is a relative measure of our stock performance compared to a healthcare industry benchmark. In 2009, the Committee began using the S&P Health Care Services Select Industry Index, or "S&P HCSI Index," as the benchmark for making total stockholder return performance comparisons. The Committee believes that the use of the S&P HCSI Index provides a consistent and reliable data sample and that the companies comprising the S&P HCSI Index⁷ represent a comprehensive list of healthcare providers that is a good standard against which performance can be measured.

Outlined in the table below are the performance objectives, achievement levels, and corresponding payout multipliers for PSU awards in 2010.

Restricted Stock Achievement Level	Actual 2-Year EPS Performance	Actual 2-Year TSR	
		Performance v. S&P HCSI Index	Payout Multiple (% of Target)
Maximum	\$3.80 or greater	80th percentile or greater	200%
Target	\$3.04	50th percentile	100%
Threshold	\$2.28	30th percentile	50%
Not eligible	Less than \$2.28	Less than 30th percentile	0%

It is important to note the following:

- The performance measures can be achieved independently of each other.
- Management provides a report to the Committee that sets out the calculations of the actual results for each measure and engages an accounting firm to produce a report on the accuracy and validity of those calculations.

⁵ For purposes of the 2008 Equity Incentive Plan, normalized earnings per share is calculated on a weighted-average diluted shares outstanding basis by adjusting net income attributable to HealthSouth for certain non-recurring or unusual items. In 2010, those items included: income from discontinued operations; mark-to-market adjustments on our interest rate swaps that are not designated as hedges; cash payments related to our interest rate swaps; the projected impact from unbudgeted acquisitions consummated in 2010; and an adjustment to normalize income tax expense. The diluted share count is calculated on the same basis as the diluted shares outstanding in our 2010 Form

10-K and includes shares related to the potential conversion of the Company's convertible perpetual preferred stock, unvested restricted stock, restricted stock units, and stock options. The calculation of normalized earnings per share differs from that of adjusted earnings per share used in our earnings releases and publicly available financial guidance. We believe that the calculation for compensation purposes for 2010 more accurately represents those matters within the control of management compared to the calculation used in communications with the market.

6 For purposes of the 2008 Equity Incentive Plan, total stockholder return is calculated by dividing the sum of the change in share price over the two-year period and the per share amount of dividends paid, if any, by the beginning share price for the measurement period. In each case, the share price used is the average for the 20-day period preceding the measurement date.

7 As of December 31, 2010, the S&P HCSI Index, which is subject to change in the future, includes HealthSouth, Aetna Inc., Amedisys Inc., Amerisourcebergen Corp., Amsurg Corp., Brookdale Senior Living Inc., Cardinal Health Inc., Chemed Corp., Cigna Corp., Community Health Systems Inc., Coventry Health Care Inc., Davita Inc., Express Scripts Inc., Gentiva Health Services Inc., Health Management Associates Inc., Henry Schein Inc., Humana Inc., Kindred Healthcare Inc., Laboratory Corp. of America Holdings, Lifepoint Hospitals Inc., Lincare Holdings Inc., McKesson Corporation, Medco Health Solutions Inc., Mednax Inc., Omnicare Inc., Patterson Companies Inc., Quest Diagnostics Inc., Tenet Healthcare Corp., Unitedhealth Group Inc., Universal Health Services Inc., VCA Antech Inc., and Wellpoint Inc.

Table of Contents

- If results attained are less than threshold for one performance measure (\$2.28 for normalized earnings per share or the 30th percentile of the S&P HCSI Index for total stockholder return), then no restricted shares are earned for that performance measure in that performance period.
- As results increase above the threshold, a corresponding percentage of target equity value will be awarded. In other words, levels listed are on a continuum, and straight-line interpolation is used to determine the payout multiple between two payout levels set forth in the table above. For example, if, at the end of the two-year performance period on December 31, 2011, the total stockholder return result is in the 60th percentile of the S&P HCSI Index, then the Company has exceeded the target level (the 50th percentile) by ten percentiles and that difference is 33% of spread between the maximum level and the target level (80th percentile – 50th percentile). On a percentage basis, 33% of the difference between the maximum and target payment multiples (200%-100%) is 33%, so the corresponding payout multiple for total stockholder return is 133%.

Option Awards

Each stock option permits the holder, generally for a period of ten years, to purchase one share of our common stock at the exercise price, which is the closing market price on the date of issuance. Options generally vest ratably in equal annual increments over three years from the grant date. In 2010, the number of options granted equaled 33% of the total target equity award opportunity for the related NEO divided by the individual option value determined using the Black-Scholes valuation model at the time of grant.

Long-term Incentive Awards in 2010

The Grants of Plan-Based Awards During 2010 table on page 55 sets forth the equity awards made in 2010 along with their estimated fair value on the grant date. The equity awards granted in 2010 will be expensed over a three-year period in accordance with applicable accounting rules.

Equity Grant Timing

Our practice is to have the independent directors on our board of directors approve, based on recommendations of the Committee, equity grants at the February board meeting in order to allow for time to review and consider our prior year's performance. The number of shares of common stock underlying the PSU and stock option grants are determined using the average closing price for our common stock over the 20-day trading period preceding the February board meeting at which the awards are approved. The Committee's policy is to approve equity grants at its February meeting, set the strike price for the stock option grants as the closing price on the second trading day after the filing of our Form 10-K, and issue the stock options the following business day. This timing for the pricing and issuance of stock options allows for exercise price to reflect a broad dissemination of our financial results from the prior year.

Changes to Our Compensation Program in 2011

In addition to the updating of the values assigned to our existing incentive performance objectives, the following changes have been adopted since the end of last year.

Base Salary

For 2011, the Committee increased Mr. Tarr's salary by \$50,000 as part of a previously disclosed, two-year adjustment to reflect his increased responsibility as the chief operating officer. Mr. Tarr's target TDC remained within the 50th to 65th percentile range of the average of the Towers Watson survey groups and the Healthcare Provider Peer Group. At the recommendation, and with the agreement, of management, our other NEOs did not receive base salary increases.

Table of Contents

Annual Cash Incentives

The Committee approved that our NEOs be eligible to receive the same annual incentive award opportunity as a percentage of base salary in 2011 as in 2010. The Committee, however, replaced the 2010 performance metrics with adjusted earnings before interest, tax, depreciation and amortization expenses, or adjusted EBITDA,⁸ and return on invested capital, or ROIC, ⁹ for 2011. The Committee believes these changes will further the interests of our long-term stockholders. Replacing normalized EPS with adjusted EBITDA eliminates the overlapping use of EPS, which is also used for the long-term incentive program, and provides another distinct data point for measuring performance. ROIC, as a measurement of the prudent investment of the cash generated by our business, should more directly correspond to the stockholder value being created than free cash flow does. Additionally, since we regularly report adjusted EBITDA and the components of ROIC come directly from our financial statements, these metrics should be more easily monitored by stockholders as well. Of the total amount of incentive award opportunity for 2011, 60% will be linked to our adjusted EBITDA results and 40% will be linked to our ROIC results.

Long-term Equity Incentives

Our board of directors approved a 5% increase in Mr. Grinney's long-term equity incentive award opportunity in recognition of his contribution to stabilizing the Company's business and providing the Company with strategic choices to enhance long-term growth of stockholder value. His opportunity value for the equity grant awards in February 2011 was \$4.2 million. Mr. Grinney's target TDC remained at the 65th percentile range of the Healthcare Provider Peer Group.

Equity Ownership Guidelines for Management

To further align the interests of our management with those of our stockholders, our senior management recommended, and our board of directors adopted, equity ownership guidelines for senior management and members of the board of directors. For purposes of the guidelines, the value of equity owned includes the value of outstanding shares owned and unvested restricted stock previously granted and the target value of PSUs previously granted but not yet earned. Covered individuals have five years to reach their ownership level. All of our named executive officers and non-employee directors have satisfied the guidelines. Mr. Coltharp, who joined us in May 2010, is not yet required to meet the applicable ownership level. Outlined in the table below are the ownership guidelines:

Position	Required Value of Equity Owned
Chief executive officer	5 times annual base salary
Executive vice president	3 times annual base salary
Other executive officers	1.5 times annual base salary
Outside director	\$300,000

Compensation Recoupment Policy

Our board of directors has approved and adopted a senior management compensation recoupment policy applicable to awards granted and bonus compensation paid after January 1, 2010. The policy provides that if the board has, in its sole discretion, determined that any fraud, illegal conduct, intentional misconduct or gross neglect by any officer participating in the senior management bonus plan was a significant contributing factor to our having to restate all or a portion of our financial statements, the board may:

- require reimbursement of any bonus or incentive compensation paid to that officer,

8 For Senior Management Bonus Plan purposes, Adjusted EBITDA is the same as the measure described in the 2010 Form 10-K. Adjusted EBITDA is calculated by adding back to or subtracting from consolidated net income unusual non-cash or non-recurring items. The items include, but may not be limited to, (1) amounts associated with government, class action and related settlements, (2) amounts related to discontinued operations and closed locations, (3) charges in respect of professional fees for continued litigation defense and support matters as discussed in the Contingencies and Other Commitments note to the financial statements accompanying the 2010 Form 10-K, (4) stock-based compensation expense and (5) net investment and other income.

9 Earnings before interest and tax expenses divided by the average of total assets on the balance sheet as of December 31, 2010 and 2011.

49

Table of Contents

- cause the cancellation of that officer's restricted or deferred stock awards and outstanding stock options, and
- require reimbursement of any gains realized on the exercise of stock options attributable to incentive awards,

if and to the extent that the amount of that compensation was calculated based upon the achievement of certain financial results that were subsequently reduced due to a restatement and the amount of the compensation that would have been awarded to that officer had the financial results been properly reported would have been lower than the amount actually awarded.

Additionally, if an officer is found to have committed fraud or engaged in intentional misconduct in the performance of his or her duties, as determined by a final, non-appealable judgment of a court of competent jurisdiction, and the board determines that the action caused substantial harm to HealthSouth, the board may, in its sole discretion, utilize the remedies described above.

Perquisites Philosophy

We do not have any perquisite plans or policies in place for our executive officers. We pay premiums for group term life insurance and long-term disability insurance for all employees with supplemental long-term disability coverage provided to Mr. Grinney. In general, the board of directors, the Committee, and executive management do not believe such personal benefit plans are necessary for us to attract and retain executive talent. From time to time, officers and directors may be allowed, if space permits, to have family members accompany them on business flights on our aircraft, at no material incremental cost to us.

Severance Arrangements

The Committee also reviewed summaries of potential benefits under our change of control and severance plans and determined that the value of those benefits were reasonable, appropriate, and competitive with our Healthcare Provider Peer Group.

Executive Severance Plan

The goal of the Executive Severance Plan is to help retain qualified, senior officers whose employment with us is subject to termination under circumstances beyond their control. Our named executive officers and all senior vice presidents are participants in the plan, which is an exhibit to our 2010 Form 10-K filed on February 24, 2011. As a condition to receipt of any payment or benefits under the plan, participating employees must enter into a non-solicitation, non-disclosure, non-disparagement and release agreement. Under the plan, if a participant's employment is terminated by the participant for good reason, by HealthSouth other than for cause, by HealthSouth by reason of the participant's disability or as a result of the participant's death (all defined in the plan), then the participant is entitled to receive a cash severance payment, health benefits, and the other benefits described below. Voluntary retirement is not a payment triggering event. The terms of the plan, including the payment triggering events, were determined by the Committee to be consistent with market data from the Towers Watson's healthcare industry survey group.

The cash severance payment for participants is the multiple (set forth in the table below) of annual base salary then in effect plus any accrued, but unused, paid time off, and accrued, but unpaid, salary. This amount is to be paid in a lump sum within 60 days following the participant's termination date. In addition, except in the event of termination for cause or resignation for lack of good reason, the participants and their dependents continue to be covered by all life, healthcare, medical and dental insurance plans and programs, excluding disability, for a period of time set forth in the following table.

Table of Contents

Position	Severance as Multiple of Annual Base Salary	Benefit Plan Continuation Period
Chief executive officer	3x	36 months
Executive vice presidents	2x	24 months
Other executive officers	1x	12 months

Amounts paid under the plan are in lieu of, and not in addition to, any other severance or termination payments under any other plan or agreement with HealthSouth. As a condition to receipt of any payment under the plan, the participant must waive any entitlement to any other severance or termination payment by us, including any severance or termination payment set forth in any employment arrangement with us. Payments under the plan do not include “gross ups” for federal taxes payable on amounts paid under the plan.

Upon the death or disability of a participant under the plan, the termination of a participant without cause, or his or her resignation for good reason, a prorated portion of any equity award subject to time-based vesting only that is unvested as of the effective date of the termination or resignation will automatically vest. If any restricted stock awards are performance-based, the Committee will determine the extent to which the performance goals for such restricted stock have been met and what awards have been earned.

Change in Control Benefits Plan

The goal of the Change in Control Benefits Plan is to help retain certain qualified, senior officers, maintain a stable work environment and encourage officers to act in the best interest of stockholders if presented with decisions regarding change in control transactions. Our named executive officers and other officers are participants in the plan, which is an exhibit to our 2010 Form 10-K filed on February 24, 2011. As a condition to receipt of any payment or benefits under the plan, participating employees must enter into a non-solicitation, non-disclosure, non-disparagement and release agreement. The terms of the plan, including the definition of a change in control event, were determined to be consistent with healthcare industry market data from the Committee’s and management’s consultants.

Under the Change in Control Benefits Plan, participants are divided into three different tiers as designated by the Committee. Messrs. Grinney, Coltharp, Whittington, and Tarr are Tier 1 participants; Tier 2 is comprised of regional presidents and certain senior vice presidents, including Mr. Fay and Dr. Clohan, with strategic responsibility levels; and Tier 3 includes senior vice presidents with departmental responsibility levels. Upon the occurrence of a change in control as defined in the plan, each outstanding option to purchase common stock held by participants will automatically vest, and, for options granted on or prior to November 4, 2005, the scheduled expiration shall be extended for up to a year. For Tier 1 and 2 participants, all options granted after November 4, 2005 will remain exercisable for three and two years, respectively, following a change in control. Restricted stock that is not performance-based (i.e., time-lapse) and restricted stock units will automatically vest upon the occurrence of a change in control. If the restricted stock is performance-based, the Committee will determine the extent to which the performance goals for such restricted stock have been met and what awards have been earned.

If a participant’s employment is terminated within 24 months following a change in control or within three months of a potential change in control, either by the participant for good reason (as defined in the Change in Control Benefits Plan) or by HealthSouth without cause, then the participant shall receive a lump sum severance payment. Voluntary retirement is not a payment triggering event. For Tier 1 and 2 participants, the lump sum severance is 2.99 times and two times, respectively, the highest base salary in the prior three years plus an average of actual bonuses for the prior three years for the participant. Payments do not include “gross ups” for federal taxes payable on amounts paid under the plan. In addition, except in the event of termination for cause or resignation for lack of good reason, the participant and the participant’s dependents continue to be covered by all life, healthcare, medical and dental insurance plans and programs, excluding disability, for a period of 36 months for Tier 1 participants and 24 months for Tier 2 participants.

Tax Implications of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the tax deductibility of compensation paid to certain other highly compensated executive officers in excess of \$1 million in the year the compensation becomes taxable to the executive. There is an exception to the limit on deductibility for performance-

Table of Contents

based compensation that meets certain requirements. The Committee considers the impact of this rule when developing and implementing our executive compensation program. Annual incentive awards, performance-based awards and stock options are designed to meet the deductibility requirements. Although the Committee does design certain components of its executive compensation program to seek full deductibility, the Committee believes that the interests of stockholders are best served by not restricting the Committee's discretion and flexibility in crafting compensation programs, even though such programs may result in certain non-deductible compensation expenses. Accordingly, we have not adopted a policy that all compensation must qualify as deductible under Section 162(m) of the Code. Amounts paid under any of our compensation programs, including salaries, bonuses and grants of restricted stock and restricted stock units, may not qualify as performance-based compensation that is excluded from the limitation on deductibility. However, all compensation amounts for 2010 were tax deductible.

Table of Contents

Summary Compensation Table

The table below shows the compensation of our named executive officers during 2010 for services in all capacities in 2010, 2009, and 2008, except as otherwise indicated. As noted above, Mr. Fay, our treasurer, served as our interim principal financial officer until Mr. Coltharp's appointment as Chief Financial Officer became effective on May 6, 2010. For a discussion of the various elements of compensation and the related compensation decisions and policies, including the amount of salary and bonus in proportion to total compensation and the material terms of awards reported below, see "Compensation Discussion and Analysis" beginning on page 39. There are no additional material terms, if any, of each named executive officer's employment arrangement, except as discussed under "Severance Arrangements" and "Letter of Understanding with Jay Grinney" beginning on pages 50 and 56, respectively.

Name and Principal Position	Year	Salary (\$)	Bonus (\$)(1)	Stock Awards (\$)(2)	Option Awards (\$)(3)	Non-Equity Incentive Plan Compensation (\$)(4)	All Other Compensation (\$)(5)	Total (\$)
Jay Grinney President and Chief Executive Officer	2010	1,000,000		2,805,373	1,280,396	1,436,800	112,486	6,635,055
	2009	1,000,000		2,060,150	1,129,683	1,790,000	58,511	6,038,344
	2008	1,000,000		2,376,593	1,230,890	1,372,800	27,865	6,008,148
Douglas E. Coltharp(6) Executive Vice President and Chief Financial Officer	2010	345,205-		100,000	-	304,081	8,293	757,579
	2009	-	-	-	-	-	-	-
	2008	-	-	-	-	-	-	-
Mark J. Tarr Executive Vice President and Chief Operating Officer	2010	479,318	175,000	623,434	284,547	411,485	7,186	1,805,970

	2008	426,760		310,560	326,596	328,325	4,983	1,487,174
John P. Whittington Executive Vice President, General Counsel and Corporate Secretary	2010	527,000-		503,201	229,671	455,581	21,884	1,737,337
	2009	527,000-		370,575	202,671	567,579	30,320	1,698,145
	2008	525,831-		310,560	326,596	403,029	20,777	1,586,793
Edmund M. Fay(7) Treasurer and Senior Vice President (acting principal financial officer)	2010	257,500	50,000	320,882	-	178,409	13,261	820,052
	2009	256,248-		205,875	-	217,588	12,902	692,613
	2008	-	-	-	-	-	-	-
Dexanne B. Clohan, M.D. Chief Medical Officer	2010	320,340-		286,131	-	221,948	7,521	835,940
	2009	318,782-		195,993	-	272,289	9,207	796,271
	2008	306,604	76,757	178,448	-	198,830	13,799	774,438

(1)

For Mr. Tarr, the amounts shown in this column represents a retention bonus under the Key Executive Incentive Program, which was initiated in the third quarter of 2005 and provided retention incentives to key senior executives in the form of equity awards that vested and cash bonuses that were payable, in each case, through January 2009. For Mr. Fay, the amount shown in this column represents a one-time discretionary cash bonus in recognition of his efforts and contributions during the vacancy of the chief financial officer position. For Dr. Clohan, the amount shown in this column represents a relocation bonus. Amounts shown in this column for 2008 were previously reported in the "All Other Compensation" column.

(2) All stock awards, except for Mr. Coltharp's \$100,000 award in connection with his hiring and Dr. Clohan's \$89,485 award of restricted stock in 2008 subject to time vesting only, were performance share units, or PSUs, and the corresponding values listed in this column are the grant date fair values computed in accordance with ASC 718, assuming the most probable outcome of the performance conditions as of the grant date. All of the values in this column are consistent with the estimate of aggregate compensation expense to be recognized over the applicable vesting period, excluding any adjustment for forfeitures. The assumptions used in the valuations are discussed under the heading "Critical Accounting Policies - Share-Based Payments" in Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, of our 2010 Form 10-K.

Table of Contents

Values reported for PSU awards reflect the value at target performance, which we've determined is the most probable outcome. The value of these awards at the varying performance levels for our current NEOs is set forth in the table below.

Name	Year	Threshold Performance Value (\$)	Target Performance Value (\$)	Maximum Performance Value (\$)
Jay Grinney	2010	1,402,687	2,805,373	5,610,749
	2009	1,030,075	2,060,150	4,120,300
	2008	1,188,296	2,376,593	4,753,186
Douglas E. Coltharp	2010	-	-	-
	2009	-	-	-
	2008	-	-	-
John P. Whittington	2010	251,601	503,201	1,006,405
	2009	185,288	370,575	741,150
	2008	155,280	310,560	621,120
Mark J. Tarr	2010	311,718	623,434	1,246,871
	2009	185,288	370,575	741,150
	2008	155,280	310,560	621,120
Edmund M. Fay	2010	160,442	320,882	641,767
	2009	102,938	205,875	411,750
	2008	-	-	-
Dexanne B. Clohan, M.D.	2010	143,066	286,131	572,265
	2009	97,997	195,993	391,986
	2008	44,481	88,963	177,925

(3) The values of option awards listed in this column are the grant date fair values computed in accordance with ASC 718 as of the grant date. All of the values in this column are consistent with the estimate of aggregate compensation expense to be recognized over the three-year vesting period, excluding any adjustment for forfeitures. The assumptions used in the valuations are discussed under the heading "Critical Accounting Policies - Share-Based Payments" in Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, of our 2010 Form 10-K.

(4) For 2010, the amounts shown in this column comprise bonuses paid in 2011 under our 2010 Senior Management Bonus Plan.

(5) For Mr. Grinney, the amount shown in this column for 2010 includes (a) Company paid premiums for long-term disability insurance (\$28,786) and (b) Company paid non-qualified 401(k) match (\$83,700). For Mr. Coltharp, the amount shown in this column for 2010 includes Company paid qualified 401(k) match (\$8,250). For Mr. Fay, the amount shown in this column for 2010 includes (a) Company paid qualified 401(k) match (\$8,250) and (b) Company paid non-qualified 401(k) match (\$4,754). For Mr. Whittington, the amount shown in this column for 2010 includes (a) Company paid qualified 401(k) match (\$8,250) and (b) Company paid non-qualified 401(k) match (\$13,378). For Mr. Tarr, the amount shown in this column for 2010 includes Company paid qualified 401(k) match (\$6,929). For Dr. Clohan, the amount shown in this column for 2010 includes Company paid qualified 401(k) match (\$7,264).

For SEC purposes, the cost of personal use of the Company aircraft is calculated based on the incremental cost to us. To determine the incremental cost, we calculate the variable costs based on usage which include fuel costs on a per

mile basis, plus any direct trip expenses such as on-board catering, landing/ramp fees, crew hotel and meal expenses, and other miscellaneous variable costs. Since Company-owned aircraft are used almost exclusively for business travel, the calculation method excludes the costs which do not change based on incremental non-business usage, such as pilots' salaries, aircraft leasing expenses and the cost of maintenance not related specifically to trips.

Occasionally, our executives are accompanied by guests on the corporate aircraft for personal reasons when there is available space on a flight being made for business reasons. There is no incremental cost associated with that use of the aircraft, except for a pro rata portion of catering expenses and our portion of employment taxes attributable to the income imputed to that executive for tax purposes.

(6) Mr. Coltharp assumed his position effective May 6, 2010.

(7) Mr. Fay was not a named executive officer in 2008. He served as the acting principal financial officer during the vacancy of the chief financial officer position, which ended with the appointment of Mr. Coltharp on May 6, 2010.

(1) The potential payments described in the three columns below are cash amounts provided for by our 2010 Senior Management Bonus Plan as discussed under “Annual Cash Incentives” beginning on page 43. Final payments under the 2010 program were calculated and paid in February 2011 and are reflected in the Summary Compensation Table on page 53 under the heading “Non-Equity Incentive Plan Compensation.”

55

Table of Contents

- (2) Awards which are designated as PSU in the first column of this table are performance share units granted under our 2008 Equity Incentive Plan that is described beginning on page 61. As described in “Performance Share Unit Awards and Restricted Stock” beginning on page 47, these awards vest and shares are earned based upon the level of attainment of performance objectives for the two-year period from January 1, 2010 ending December 31, 2011 and a one year time-vesting requirement ending December 31, 2012. Each of the threshold, target and maximum share numbers reported in the three columns assume that both performance objectives (normalized earnings per share and total stockholder return) are achieved at that respective level. Upon a change in control, the Committee will determine the extent to which the performance goals for PSUs have been met and what awards have been earned.
- (3) The threshold amounts in this column assume: (i) that the Company reached only threshold achievement on each of the quantitative objectives, (ii) that none of the individual objectives were achieved, resulting in payment of the minimum quantitative portion of the bonus, and (iii) that the board did not exercise its discretion to adjust the bonus. Thus, we would apply the NEO’s corporate quantitative objectives percentage (which, for Mr. Grinney as an example, would be 80%) to the target bonus dollar amount. Then, following the procedures discussed under “Assessing Achievement of Corporate Quantitative and Individual Objectives” beginning on page 43, we would multiply this amount by 50% (the threshold payout multiple) to arrive at the amount payable for threshold achievement of the quantitative objectives. No amount would be payable from the amount allocated to achievement of individual objectives.
- (4) The target payment amounts in this column assume: (i) that the Company achieved exactly 100% of each of the quantitative objectives, (ii) that all of the individual objectives were achieved, and (iii) that the board did not exercise its discretion to adjust the bonus. The target amount payable for each NEO is his or her base salary multiplied by this target cash incentive percentage, see table under “Establishing the Target Cash Incentive Opportunity” beginning on page 43.
- (5) The maximum payment amounts in this column assume: (i) that the Company achieved at or above the maximum achievement level of each of the quantitative objectives, (ii) that all of the individual objectives were achieved, and (iii) that the board did not exercise its discretion to adjust the bonus. Thus, we would apply the NEO’s corporate quantitative objectives percentage (which, for Mr. Grinney as an example, would be 80%) to the target bonus dollar amount. Then, following the procedures discussed under “Assessing Achievement of Corporate Quantitative and Individual Objectives” on beginning page 43, we would multiply this amount by 200% (the maximum payout multiple) to arrive at the amount payable for maximum achievement of the quantitative objectives. Then, we would add 100% of the amount allocated to achievement of individual objectives to arrive at the final bonus payout. Because the board of directors has sole discretion over whether and in what amounts corporate strategic portions of bonuses will be paid, it is not possible for these reported maximums to include an estimate for that component.
- (6) All stock option grants in 2010 were made under our 2008 Equity Incentive Plan that is described beginning on page 61. These option awards will vest, subject to the officer’s continued employment with the Company, in three equal annual installments beginning on the first anniversary of grant; a change in control of the Company will also cause these options to immediately vest in full.
- (7) Mr. Coltharp assumed his position effective May 6, 2010, and his non-equity incentive awards are prorated accordingly.

Letter of Understanding with Jay Grinney

Other than the compensation plans and programs described under “Compensation Discussion and Analysis”, the Company has only one agreement or arrangement in effect with its officers. On December 2, 2010, we entered into a letter of understanding with Mr. Grinney governing the terms of his employment as president and chief executive officer to replace the agreement that would have expired December 31, 2010. This new agreement expires December 2, 2013 and has terms substantially similar to the prior agreement. Pursuant to his agreement, Mr. Grinney will receive an annual base salary of \$1,000,000, subject to annual adjustments as determined by the Committee, and an annual bonus based on both the performance of the Company and his personal performance. He also will be entitled to participate in the ongoing and other long-term awards and programs and participate in and receive benefits under certain insurance, benefit and other plans as may be in effect from time to time on such terms as are offered to our senior executive officers. Such plans include, but are not limited to, paid time off, medical, life insurance, 401(k), disability insurance, and incentive and equity compensation plans. Additionally, this new agreement provides, as did his original agreement, that Mr. Grinney’s direct compensation will be targeted at the 65th percentile of the competitive peer group selected by our board of directors.

The letter of understanding also provides that Mr. Grinney’s rights upon termination of his employment during the term of the letter of understanding will be governed by the terms of the letter of understanding and the Executive Severance Plan and the Change in Control Benefits Plan, which are described beginning on page 50. Notwithstanding any amendments to the Executive Severance Plan and the Change in Control Benefits Plan, if Mr. Grinney’s employment terminates during the term of the letter of understanding, he will be entitled to the payments and benefits provided under the current Executive Severance Plan or Change in Control Benefits Plan, as applicable. Upon termination, his outstanding equity awards will be treated in substantially the manner described under “Executive Severance Plan” beginning on page 50. Mr. Grinney’s entitlement to payments and benefits under the Executive Severance Plan and Change in Control Benefits Plan is contingent upon his compliance with the post-termination restrictive covenants described below. The letter of understanding also contains certain (1) non-competition provisions which are effective throughout the term of Mr. Grinney’s employment and for a period of 24 months thereafter unless termination is without cause or as a result of disability or he resigns for good reason or due to a change in control, in which case such provisions shall remain in effect for a period of 12 months, and (2) non-interference and non-solicitation provisions which are effective throughout the term of Mr. Grinney’s employment and for a period of 36 months thereafter.

Table of Contents

For purposes of Mr. Grinney's letter of understanding, "cause," "good reason" and "change in control" have the meanings as defined in the Executive Severance Plan and the Change in Control Plan which are exhibits to our 2010 Form 10-K filed on February 24, 2011.

Potential Payments upon Termination of Employment

The following table describes the potential payments and benefits under the Company's compensation and benefit plans and arrangements to which the named executive officers currently employed with us would be entitled upon termination of employment by us without "cause" or by the executive for "good reason," as well as by us for "cause," as those terms are defined in the applicable plans and arrangements. For additional discussion of the material terms and conditions, including payment triggers, see "Executive Severance Plan" beginning on page 50 and "Change in Control Benefits Plan" beginning on page 51 and "Letter of Understanding with Jay Grinney" beginning on page 56. An executive cannot receive termination benefits under more than one of the plans or arrangements identified below. Assume triggering events set forth below occur on December 31, 2010. The closing price of our common stock on that day was \$20.71.

(1) The value of the acceleration of equity award vesting listed in this column has been determined based on the dollar amount to be recognized for financial statement reporting purposes upon vesting of the awards as of December 31, 2010 in accordance with ASC 718. The assumptions used in the valuation are discussed under the heading "Critical Accounting Policies - Share-Based Payments" in Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, of our 2010 Form 10-K.

Table of Contents

The amounts shown in the preceding table do not include payments and benefits to the extent they are provided on a non-discriminatory basis to salaried employees generally upon termination of employment. The “Lump Sum Payment” column in the above table includes the estimated payments provided for under the “Executive Severance Plan” beginning on page 50 and the “Change in Control Benefits Plan” beginning on page 51. The lump sum payments due in the event of terminations “for cause” represent the cash value of accrued but unused paid time off. As explained in “Letter of Understanding with Jay Grinney” beginning on page 56, Mr. Grinney’s letter of understanding provides that his rights upon termination of his employment during the term of the letter of understanding will be governed by the terms of the Executive Severance Plan and Change in Control Benefits Plan as well. Mr. Grinney’s arrangement contains certain restrictive provisions regarding non-competition (12- or 24-months depending of the circumstances of the severance), non-interference (36 months), non-solicitation (36 months), and confidentiality (indefinite) that survive termination.

(1) All options shown above, other than options with expiration dates of November 17, 2015 or expiration dates prior to 2014, vest in three equal annual installments beginning on the first anniversary of the grant date. Options with expiration dates of November 17, 2015 were granted under the Company's now-expired Key Executive Incentive Program and vested according to the following schedule: 25% on January 1, 2007, 25% on January 1, 2008, and the remaining 50% on January 1, 2009. Options with expiration dates prior to 2014 vested in four equal annual installments beginning on the first anniversary of the grant date. All per share amounts have been adjusted for the five-for-one reverse stock split that became effective on October 25, 2006.

Table of Contents

- (2) The expiration date of each option occurs 10 years after the grant date of each option.
- (3) All share amounts shown in this column are restricted stock awards resulting from the attainment of the related PSU awards' performance objectives during the 2008-2009 performance period, except (1) Mr. Coltharp's share amount representing a one-time award issued in connection with his hiring of time-based restricted stock that vests in three equal annual installments beginning on the first anniversary of the grant date, and (2) Mr. Fay's and Dr. Clohan's initial share amounts that vest in February 2011 and represent the third of three equal annual installments of time-based restricted stock awards.
- (4) The market value calculation is as of December 31, 2010 and uses the closing price on that date, \$20.71.
- (5) The PSU awards shown in this column are contingent upon the level of attainment of performance goals for the two-year period from January 1 of the year in which the grant is made. The determination of whether and to what extent the PSU awards are achieved will be made following the close of the two-year period. The first amount for each officer in this column represents the number of shares earned over the 2009-2010 performance period but not determined until February 2011, which shares shall be restricted until January 1, 2012. The second amount for each officer in this column represents the number of shares to be earned assuming achievement of maximum performance during the 2010-2011 performance period on both the normalized earnings per share and total stockholder return objectives. The actual number of restricted shares earned at the end of the 2010-2011 performance period may differ.
- (6) The market value reported was calculated by multiplying the closing price of our common stock on December 31, 2010 by the number of shares set forth in the preceding column.

Options Exercised and Stock Vested in 2010

The following table sets forth, as of December 31, 2010, information concerning the exercise of options and the vesting of shares for our named executive officers.

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise	Value Realized on Exercise	Number of Shares Acquired on Vesting	Value Realized on Vesting (\$)
Jay Grinney	*	*	20,000	352,000
Douglas E. Coltharp	*	*	-	-
John P. Whittington	*	*	6,000	105,600
Mark J. Tarr	*	*	6,000	105,600
Edmund M. Fay	*	*	1,833	32,316
Dexanne B. Clohan, M.D.	*	*	1,833	32,316

* Did not exercise any stock options in 2010.

Equity Compensation Plans

The following table sets forth, as of December 31, 2010, information concerning compensation plans under which our securities are authorized for issuance. The table does not reflect grants, awards, exercises, terminations, or expirations since that date. All share amounts and exercise prices have been adjusted to reflect stock splits that occurred after the date on which any particular underlying plan was adopted, to the extent applicable.

	Securities to be Issued Upon Exercise	Weighted Average Exercise Price(1)	Securities Available for Future Issuance
Plans Approved by Stockholders	5,292,221(2) \$	21.49	1,125,170(2)
Plans Not Approved by Stockholders	1,804,538(3)	23.26	1,200,300(4)
Total	7,096,759	25.07	2,325,470

(1) This calculation does not take into account awards of restricted stock, restricted stock units, or performance share units.

(2) These amounts assume maximum performance by performance-based awards.

(3) This amount includes (a) 67,000 and 1,159,923 shares issuable upon exercise of stock options outstanding under the 2002 Non-Executive Stock Option Plan and the 2005 Equity Incentive Plan, respectively, and (b) 112,436 restricted stock units issued under the 2004 Amended and Restated Director Incentive Plan.

(4) These shares are available for issuance under the 2002 Non-Executive Stock Option Plan described below, but there is no intention to issue any awards under that plan in the future.

Table of Contents

2008 Equity Incentive Plan

The 2008 Equity Incentive Plan, or the “2008 Plan,” provides for the grant of stock options, restricted stock, stock appreciation rights, deferred stock, and other stock-based awards to our directors, executives and other key employees as determined by the board of directors or the Committee in accordance with the terms of the plan and evidenced by an award agreement with each participant.

The 2008 Plan has no expiration date. Any awards outstanding under the 2008 Plan at the time of its termination will remain in effect in accordance with their terms. The aggregate number of shares of common stock available for issuance under the 2008 Plan is six million shares, subject to equitable adjustment upon a change in capitalization of the Company or the occurrence of certain transactions affecting the common stock reserved for issuance under the plan. Any awards under the 2008 Plan must have a purchase price or an exercise price not less than the fair market value of such shares of common stock on the date of grant. Unless otherwise determined by the board of directors or as provided in an award agreement, upon a Change in Control (as defined in the 2008 Plan which is filed as an appendix to our Definitive Proxy Statement on Schedule 14A filed on March 27, 2008) of the Company, the vesting of all outstanding awards will accelerate. Notwithstanding the foregoing, no option may be exercised and no shares of stock may be issuable pursuant to other awards under the 2008 Plan until we comply with our reporting and registration obligations under the federal securities laws, unless an exemption from registration is available with respect to such shares.

1998 Restricted Stock Plan

The 1998 Restricted Stock Plan, or the “1998 Plan,” provided for the grant of restricted common stock to our executives and other key employees. The 1998 Plan expired in May 2008 and was replaced by the 2008 Equity Incentive Plan. Some awards remain outstanding. Awards made under the 1998 Plan generally vest over a three-year requisite service period, although the Committee generally had discretion to determine the restrictions for each award. Fair value was determined by the market price of our common stock on the grant date. Awards granted under the 1998 Plan at the time of its termination shall continue in effect in accordance with their terms and conditions and those of the 1998 Plan.

2004 Amended and Restated Director Incentive Plan

The 2004 Amended and Restated Director Incentive Plan, or the “2004 Plan,” provided for the grant of common stock, awards of restricted common stock and the right to receive awards of common stock, which we refer to as “restricted stock units,” to our non-employee directors. The 2004 Plan expired in March 2008 and was replaced by the 2008 Equity Incentive Plan. Some awards remain outstanding. Awards granted under the 2004 Plan at the time of its termination shall continue in effect in accordance with their terms and conditions and those of the 2004 Plan. The 2004 Plan’s vesting provisions provide that, for restricted stock awards, one-third of the shares of restricted stock acquired under each grant shall vest, and thus the forfeiture provisions shall lapse, on January 1 of each year following the date of the grant. Awards of restricted stock units are fully vested when awarded and will be settled in shares of common stock on the six-month anniversary of the date on which the director ceases to serve on the board of directors, subject to certain change in control provisions. Restricted stock units may not be transferred. Restricted stock is subject to transfer restrictions during the course of the applicable director’s term and for a period of twelve months thereafter. Each of the vesting and holding provisions applicable to grants under the 2004 Plan are subject to the exceptions applicable to certain change in control events and the termination of the recipient’s service as a HealthSouth director. Subject to certain exceptions set forth in the 2004 Plan, awards are protected against dilution upon the issuance of stock dividends and in the event of a stock split, recapitalization or other major corporate restructuring and are forfeitable upon termination of the recipient’s services as a HealthSouth director.

2005 Equity Incentive Plan

The 2005 Equity Incentive Plan, or the “2005 Plan,” provided for the grant of stock options, restricted stock, stock appreciation rights, deferred stock, and other stock-based awards to our directors, executives and other key employees as determined by the board of directors or the Committee in accordance with the terms of the 2005 Plan and evidenced by an award agreement with each participant. The 2005 Plan expired in November 2008 and was replaced by the 2008 Equity Incentive Plan. Some awards remain outstanding. Awards granted under the 2005 Plan at the time of its termination shall continue in effect in accordance with their terms and conditions and those of the 2005 Plan. The outstanding awards under the 2005 Plan have a purchase price or an exercise price not less than the

Table of Contents

fair market value of such shares of common stock on the date of grant. Unless otherwise determined by the board of directors or as provided in an award agreement, upon a “change in control” (as defined in the 2005 Plan which is filed as an exhibit to our Current Report on Form 8-K, filed on November 21, 2005) of the Company, the vesting of all outstanding awards will accelerate.

2002 Non-Executive Stock Option Plan

The 2002 Non-Executive Stock Option Plan, the “2002 Plan,” provides for the grant of nonqualified options to purchase shares of our common stock to our employees who are not directors or executive officers. The 2002 Plan expires in January 2012. Any awards outstanding under the 2002 Plan at the time of its termination will remain in effect in accordance with their terms. The 2002 Plan covers a maximum of 1.3 million shares of our common stock. The terms and conditions of the options, including exercise prices and the periods in which options are exercisable, generally are at the discretion of the Committee. However, no options are exercisable beyond ten years from the date of grant and granted options generally vest in periods of up to five years depending on the type of award granted.

Deferred Compensation

Retirement Investment Plan

Effective January 1, 1990, we adopted the HealthSouth Retirement Investment Plan, or the “401(k) Plan,” a retirement plan intended to qualify under Section 401(k) of the Code. The 401(k) Plan is open to all of our full-time and part-time employees who are at least 21 years of age. Eligible employees may elect to participate in the 401(k) Plan as of the first day of employment.

Under the 401(k) Plan, participants may elect to defer up to 100% of their annual compensation (W-2 compensation excluding certain reimbursements, stock awards, and perquisites), subject to nondiscrimination rules under the Code. The deferred amounts may be invested among various investment vehicles, which do not include our common stock, managed by unrelated third parties. We will match a minimum of 50% of the amount deferred by each participant, up to 6% of such participant’s total compensation (subject to nondiscrimination rules under the Code), with the matched amount also directed by the participant. Participants are fully vested in their compensation deferrals. Matching contributions become fully vested after the completion of three years of service.

Generally, amounts contributed to the 401(k) Plan will be paid on a termination of employment, although in-service withdrawals may be made upon the occurrence of a hardship or the attainment of age 59.5. Distributions will be made in the form of a lump sum cash payment unless the participant is eligible for and elects a direct rollover to an eligible retirement plan.

Nonqualified Deferred Compensation Plan

We adopted a nonqualified deferred compensation plan, the HealthSouth Corporation Nonqualified 401(k) Plan, or the “NQ Plan,” effective March 1, 2008 in order to allow deferrals above what is limited by the IRS. All of our Named Executive Officers are eligible to participate in the NQ Plan, the provisions of which follow the 401(k) Plan.

Our named executive officers and other eligible employees may elect to defer from 1% to 100% of compensation (W-2 compensation excluding certain reimbursements, stock awards, and perquisites) to the NQ Plan. We will make an employer matching contribution to the NQ Plan equal to 50% of the first 6% of the participant’s deferral contributions less any employer matching contributions made on the participant’s behalf under the 401(k) Plan. In

addition, we may elect to make a discretionary contribution to the NQ Plan with respect any participant. We did not elect to make any discretionary contributions to the NQ Plan for 2010. All deferral contributions made to the NQ Plan are fully vested when made and are credited to a separate bookkeeping account on behalf of each participant. Employer matching contributions vest once the participant has completed three years of service.

Deferral contributions will generally be distributed, as directed by the participant, upon either a termination of service or the occurrence of a specified date. Matching and discretionary contributions are distributed upon

Table of Contents

termination of service. Distributions may also be elected by a participant in the event of an unforeseen emergency in which case participation in the NQ Plan will be suspended. Distributions will be made in cash in the form of a lump sum payment or annual installments over a two to fifteen year period, as elected by the participant. Any amounts that are payable from the NQ Plan upon a termination of employment are subject to the six month delay applicable to specified employees under section 409A of the Code.

Participants may request, on a daily basis, any of the following investment crediting rates be applied to amounts credited to their NQ Plan accounts: (i) an annual rate of interest based on the Schwab US Treasury Money Market Fund; or (ii) a rate of return based on one or more benchmark mutual funds, which are the same funds as those offered under our 401(k) Plan.

The following table sets forth information as of December 31, 2010 with respect to the NQ Plan.

Name	Executive Contributions in Last Fiscal Year (\$)(1)	Registrant Contributions in Last Fiscal Year (\$)(2)	Aggregate Earnings in Last Fiscal Year (\$)(3)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last Fiscal Year-End (\$)(4)
Jay Grinney	165,092	83,700	19,215 (5)	–	366,623

- (1) Amounts in this column are included in the 2010 amounts represented as “Salary” in the Summary Compensation Table on page 53.
- (2) Amounts in this column are included in the 2010 amounts represented as “All Other Compensation” in the Summary Compensation Table on page 53.
- (3) No amounts in this column are included, or are required to be included, in the Summary Compensation Table on page 53.
- (4) The balances in this column include the following amounts that are included as “Salary” in the 2008 and 2009 amounts in the Summary Compensation Table on page 53: none for 2008 and \$62,308 for 2009 for Mr. Grinney, \$72,361 for 2008 and \$226,035 for 2009 for Mr. Whittington, \$62,981 for 2008 and \$15,958 for 2009 for Mr. Fay, and \$62,800 for 2008 and \$59,649 for 2009 for Dr. Clohan. The balances in this column include the following amounts that are included as “All Other Compensation” in the amounts in the Summary Compensation Table on page 53: none for 2008 and \$31,154 for 2009 for Mr. Grinney, \$9,121 for 2008 and \$22,070 for 2009 for Mr. Whittington, \$4,409 for 2008 and \$4,652 for 2009 for Mr. Fay, and \$5,383 for 2008 and \$2,153 for 2009 for Dr. Clohan. The NQ Plan did not exist in 2007.
- (5) Represents earnings and (losses) from amounts invested in the following mutual funds (all of which are provided under our qualified section 401(k) plan): PIMCO Total Return D.

- (6) Represents earnings and (losses) from amounts invested in the following mutual funds (all of which are provided under our qualified section 401(k) plan): Columbia Acorn Z, Europacific Growth R4, Stratton Small Cap Value, PIMCO Real Return CI D, Schwab PIMCO Total Return D, Schwab S&P 500 and Eaton Vance Large Cap Value A.
- (7) Represents earnings and (losses) from amounts invested in the following mutual funds (all of which, with the exception of the Schwab Value Advantage Money Market, are provided under our qualified section 401(k) plan): Columbia Acorn Z, PIMCO Real Return D, Schwab Value Advantage Money Market, PIMCO Total Return D, and Oakmark Equity & Income.
- (8) Represents earnings and (losses) from amounts invested in the following mutual funds (all of which are provided under our qualified section 401(k) plan): Growth Fund of America R4, Europacific Growth R4, Oakmark Equity Income, PIMCO Real Return CI D, Vanguard Midcap Index Institutional, Schwab S&P 500 Index Fund, Columbia Acorn Z, and PIMCO Total Return D.

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Transactions with Related Persons

For purposes of this section, an executive officer or a member of the board of directors or any family member of an executive officer or board member is referred to as a “related party.” The board of directors considers, in consultation with the Nominating/Corporate Governance Committee, whether a transaction between a related party and the Company presents any inappropriate conflicts of interest or impairs the “independence” of any director, or both. Additionally, the following are prohibited unless expressly approved in advance by the disinterested members of the board of directors:

- transactions between the Company and any related party in which the related party has a material direct or indirect interest;
- employment by the Company of any sibling, spouse or child of an executive officer or a member of the board of directors, other than as expressly allowed under our employment policies; and
- any direct or indirect investment or other economic participation by a related party in any entity not publicly traded in which the Company has any direct or indirect investment or other economic interest.

Each independent director is required to promptly notify the chairman of the board of directors if any actual or potential conflict of interest arises between such member and the Company which may impair such member’s independence. If a conflict exists and cannot be resolved, such member is required to submit to the board of directors written notification of such conflict of interest and an offer of resignation from the board of directors and each of the committees on which such member serves. The board of directors need not accept such offer of resignation; however, the submission of such offer of resignation provides the opportunity for the board of directors to review the appropriateness of the continuation of such individual’s membership on the board of directors.

Members of the board of directors must recuse themselves from any discussion or decision that affects their personal, business, or professional interest. The non-interested members of the board of directors will consider and resolve any issues involving conflicts of interest of members of the board of directors.

Transactions with Related Persons

Our policies regarding transactions with related persons and other matters constituting potential conflicts of interest are contained in our Corporate Governance Guidelines and our Standards of Business Conduct which can be found on our website at <http://investor.healthsouth.com>.

Since January 1, 2010, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, executive officer or holder of more than 5% of our voting securities, or an immediate family member of any of the foregoing, had or will have a direct or indirect material interest.

Table of Contents

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock and 6.50% Series A Convertible Perpetual Preferred Stock as of March 8, 2011 (unless otherwise noted), for (1) each person who is known by us to own beneficially more than 5% of the outstanding shares of either class of our equity securities, (2) each director, (3) each executive officer named in the Summary Compensation Table, and (4) all of our current directors and named executive officers as a group. The address of our directors and executive officers is c/o HealthSouth Corporation, 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243.

(1) According to the rules adopted by the SEC, a person is a beneficial owner of securities if the person or entity has or shares the power to vote them or to direct their investment or has the right to acquire beneficial ownership of such securities within 60 days through the exercise of an option, warrant or right, conversion of a security or otherwise. Unless otherwise indicated, each person or entity named in the table has sole voting and investment power, or shares voting and investment power, with respect to all shares of stock listed as owned by that person.

- (2) The percentage of beneficial ownership is based upon 95,180,871 shares of common stock and 400,000 shares of 6.50% Series A Convertible Perpetual Preferred Stock outstanding as of March 8, 2011. Our 6.50% Series A Convertible Perpetual Preferred Stock is convertible at any time at the option of the holders into an aggregate of 13,114,760 shares of common stock, provided that at our election, we may deliver cash in lieu of some or all of the shares otherwise deliverable.
- (3) Based on a Schedule 13G/A filed with the SEC on February 14, 2011, FMR LLC (parent holding company/control person), Mr. Edward C. Johnson, III and members of Mr. Johnson's family, which together as a group may represent a controlling group with respect to FMR LLC, reported, as of December 31, 2010, voting and investment power as follows: through Fidelity Management & Research Company (investment adviser) – sole investment power for 6,382,223 shares (includes 101,902 shares resulting from the assumed conversion of 3,108 shares of HealthSouth 6.50% Series A Convertible Perpetual Preferred Stock); through Pyramis Global Advisors, LLC (investment company) – sole voting and investment power for 811,900 shares (includes 734,000 shares resulting from the assumed conversion of 22,387 shares of HealthSouth 6.50% Series A Convertible Perpetual Preferred Stock); and through Pyramis Global Advisors Trust Company (bank) – sole investment power for 2,523,130 shares (includes 240,820 shares resulting from the assumed conversion of 7,345 shares of HealthSouth 6.50% Series A Convertible Perpetual Preferred Stock)(includes 2,234,367 shares for which this entity has sole voting power). These filers are located at 82 Devonshire Street, Boston, Massachusetts 02109. FMR LLC also included in its share ownership total, but disclaimed beneficial ownership of, 182,400 shares owned by FIL Limited. FIL Limited is located at Pembroke Hall, 42 Crow Lane, Hamilton, Bermuda.

Table of Contents

- (4) Based on a Schedule 13G/A filed with the SEC on February 4, 2011, BlackRock, Inc. (parent holding company/control person), on behalf of a group including BlackRock Japan Co. Ltd., BlackRock Institutional Trust Company, N.A., BlackRock Fund Advisors, BlackRock Asset Management Australia Limited, BlackRock Advisors, LLC, BlackRock Capital Management, Inc., BlackRock Investment Management, LLC, BlackRock Investment Management (Australia) Limited, BlackRock (Luxembourg) S.A., BlackRock International Limited, and State Street Research & Management Co. reported that, as of December 31, 2010, the group is the beneficial owner of 8,675,216 shares, with sole voting and investment power for 8,675,216 shares. This holder is located at 40 East 52nd Street, New York, New York 10022.
- (5) Based on a Schedule 13G/A filed with the SEC on February 10, 2011, T. Rowe Price Associates, Inc. and an affiliate reported, as of December 31, 2010, voting and investment power as follows: T. Rowe Price Associates, Inc. (investment adviser) – sole voting power for 1,454,337 shares and sole investment power for 8,326,407 shares; and T. Rowe Price Mid-Cap Value Fund, Inc. (investment company) – sole voting and investment power for 6,830,770 shares (such shares are included in the investment adviser's total). For purposes of the reporting requirements under the Exchange Act, Price Associates is deemed to be a beneficial owner of the securities above; however, Price Associates expressly disclaims that it is, in fact, the beneficial owner of such securities. These holders are located at 100 E. Pratt Street, Baltimore, Maryland 21202.
- (6) Based on a Schedule 13G filed with the SEC on February 14, 2011, Invesco Ltd. (parent holding company/control person /investment adviser) and its subsidiary, Invesco Advisers, Inc. (investment adviser) reported, as of December 31, 2010, sole voting and investment power for 5,632,312 shares. This holder is located at 1555 Peachtree Street NE, Atlanta, GA 30309.
- (7) Based on holdings reported on Bloomberg Finance L.P. on February 16, 2011. This holder is located at 1271 Avenue of the Americas, 45th Floor, New York, NY 10020.
- (8) Based on a Schedule 13G/A filed with the SEC on February 15, 2011, Osterweis Capital Management, Inc. and affiliates reported, as of December 31, 2010, voting and investment power with respect to our 6.50% Series A Convertible Perpetual Preferred Stock as follows: Osterweis Capital Management, Inc. (investment adviser) – sole voting and investment power for 3,660 shares; Osterweis Capital Management, LLC (investment adviser) – sole voting and investment power for 30,685 shares; and John S. Osterweis (parent holding company/control person) – sole voting and investment power for 34,345 shares. These holders are located at One Maritime Plaza, Suite 800, San Francisco, California 94111.
- (9) Includes 21,000 shares issuable upon exercise of options.
- (10) Includes 992,735 shares issuable upon exercise of options.
- (11) Includes 10,000 shares issuable upon exercise of options, 12,200 shares held in trust over which Mr. Hanson has investment power, and 6,000 shares held by his spouse.
- (12) Includes 158,290 shares issuable upon exercise of options.
- (13) Includes 107,651 shares issuable upon exercise of options.
- (14) Includes 1,279,676 shares issuable upon exercise of options.

We know of no arrangements, the operation of which may at a subsequent date result in the change of control of HealthSouth.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors, executive officers and, if any, beneficial holders of more than 10% of our common stock to file reports with the SEC regarding their ownership and changes in ownership of our securities. We believe, based on our review of the copies of Forms 3, 4, and 5, and amendments thereto, and written representations of our directors and executive officers, that, during fiscal 2010, our directors and executive officers timely filed all reports that were required to be filed under Section 16(a). We note, however, that Mr. Price's Form 3 filed on October 29, 2009 reported 576 shares of common stock more than he owned at the time. Those shares had previously been delivered to the Company to satisfy the tax withholding obligation in connection with the vesting of the related restricted stock awards.

Table of Contents

EXECUTIVE OFFICERS

The following table lists all of our executive officers. Each of our executive officers will hold office until his successor is elected and qualified, or until his earlier resignation or removal.

Name	Age	Position	Since
Jay Grinney	60	President and Chief Executive Officer; Director	5/10/2004
Douglas E. Coltharp	49	Executive Vice President and Chief Financial Officer	5/6/2010
Mark J. Tarr	49	Executive Vice President and Chief Operating Officer	10/1/2007
John P. Whittington	63	Executive Vice President, General Counsel and Corporate Secretary	10/19/2006
Edmund M. Fay	44	Senior Vice President and Treasurer	3/1/2008
Andrew L. Price	44	Chief Accounting Officer	10/22/2009
Dexanne B. Clohan, M.D.	61	Chief Medical Officer	4/24/2006
Cheryl B. Levy(1)	52	Chief Human Resources Officer	2/24/2011

(1)Ms. Levy has been the principal human resources officer since March 15, 2007. However, in connection with increased responsibilities, the Company has designated Ms. Levy an executive officer effective February 24, 2011.

There are no family relationships or other arrangements or understandings known to us between any of the executive officers listed above and any other person pursuant to which he or she was or is to be selected as an officer, other than any arrangements or understandings with officers of HealthSouth acting solely in their capacities as such.

Executive Officers Who Are Not Also Directors

Douglas E. Coltharp—Executive Vice President and Chief Financial Officer

Mr. Coltharp was named executive vice president and chief financial officer on May 6, 2010. Prior to joining us, Mr. Coltharp served as a partner at Arlington Capital Advisors and Arlington Investment Partners, LLC, a boutique investment banking firm and private equity firm, from May 2007 to May 2010. Prior to that, he served 11 years as executive vice president and chief financial officer for Saks Incorporated and its predecessor organization. Prior to joining Saks in November 1996, Mr. Coltharp spent approximately 10 years with Nations Bank, N.A. and its predecessors in various positions of increasing responsibilities culminating in senior vice president and head of southeast corporate banking. During the past year, Mr. Coltharp has served as a member of the board of directors of Ares Capital Corporation, Under Armour, Inc., and rue 21, inc.

Mark J. Tarr—Executive Vice President and Chief Operating Officer

Mr. Tarr was named executive vice president of our operations on October 1, 2007, to which the chief operating officer designation was added on February 24, 2011. Mr. Tarr joined us in 1993, and has held various management positions with us, including serving as a president of our inpatient division from 2004 to 2007, as senior vice president with responsibility for all inpatient operations in Texas, Louisiana, Arkansas, Oklahoma, and Kansas from 1997 to 2004, as director of operations of our 80-bed rehabilitation hospital in Nashville, Tennessee from 1994 to 1997, and as chief executive officer/administrator of our 70-bed rehabilitation hospital in Vero Beach, Florida from 1992 to 1994.

John P. Whittington—Executive Vice President, General Counsel and Corporate Secretary

Mr. Whittington was named executive vice president, general counsel and corporate secretary on October 19, 2006, having served as interim general counsel and corporate secretary since July 26, 2006. Prior to joining us, Mr. Whittington was a partner of the law firm Bradley Arant Boult Cummings LLP, which is based in Birmingham, Alabama. He chaired the Restructuring and Reorganization Practice Group at Bradley Arant from 1990 to 2005. Since 1990, he has served as adjunct professor at Cumberland School of Law, Samford University, located in Birmingham, Alabama. He is a member of the Birmingham Bar Association and the Alabama State Bar and is a member of the American Bar Association. Mr. Whittington currently serves as the lead independent director of Congoleum Corporation (privately held).

Table of Contents

Edmund M. Fay—Senior Vice President and Treasurer

Mr. Fay joined HealthSouth in 2008 as senior vice president and treasurer. Mr. Fay has more than 16 years of experience in financial services specializing in corporate development, mergers and acquisitions, bank treasury management, fixed income and capital markets products. Prior to joining us, he served in various positions at Regions Financial Corporation, including executive vice president of strategic planning/mergers and acquisitions, senior vice president and senior treasury officer, from 2001 to 2008. Prior to 2001, he also has held vice president positions at Wachovia Corporation for asset and liability management and at J.P. Morgan & Company, Inc. for global treasury and capital management.

Andrew L. Price—Chief Accounting Officer

Mr. Price was named chief accounting officer in October 2009 and has held various management positions with us since joining HealthSouth in June 2004 including senior vice president of accounting and vice president of operations accounting. Prior to joining us, Mr. Price served as senior vice president and corporate controller of Centennial HealthCare Corp, an Atlanta-based operator of skilled nursing centers and home health agencies, from 1996 to 2004, and as a manager in the Atlanta audit practice of BDO Seidman, LLC. Mr. Price is a certified public accountant and member of the American Institute of Certified Public Accountants.

Dexanne B. Clohan—Chief Medical Officer

Dr. Clohan, a board-certified physical medicine and rehabilitation physician, was named chief medical officer on April 24, 2006. From 2002 to 2006, Dr. Clohan served as Medical director, national accounts, for Aetna, Inc., and from 1998 to 2002, she served as a medical director for Aetna and its predecessor Prudential Healthcare. In these roles, she represented one of the largest national health insurance companies to practicing physicians and to large employers with responsibilities ranging from quality and accreditation to benefit design consultation. Dr. Clohan's prior experience includes her clinical practice at an inpatient rehabilitation hospital in Southern California and her service in health policy and advocacy positions, including director of congressional affairs for the American Medical Association. She currently co-chairs the Clinical Quality Improvement Committee of the American Academy of Physical Medicine and Rehabilitation and the Quality Task Force of the American Medical Rehabilitation Providers Association and is active in other professional associations. Dr. Clohan serves on the boards of the Foundation for Physical Medicine and Rehabilitation and the Arthritis Foundation, Southeast Region.

Cheryl B. Levy—Chief Human Resources Officer

Ms. Levy was named principal human resources officer on March 15, 2007. Prior to joining us, Ms. Levy served as the national director, human resources/recruiting, for KPMG LLP, where she advised clients in such diverse areas as recruitment, compensation, benefits, training, development and employee relations from 1999 to 2007. Prior to joining KPMG, she held senior executive human resources positions at several health services companies including Preferred Care Partners Management Group, LP, a large skilled nursing facility company in Texas.

GENERAL INFORMATION

Other Business

We know of no other matters to be submitted at the annual meeting. By submitting the proxy, the stockholder authorizes the persons named on the proxy to use their discretion in voting on any matter brought before the annual meeting.

Annual Report to Stockholders

A copy of our annual report to stockholders for the fiscal year ended December 31, 2010 is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the annual meeting. Our annual report to stockholders is not incorporated into this proxy statement and will not be deemed to be solicitation material. A copy of our 2010 Form 10-K is available without charge from the “Investors” section of our website at <http://investor.healthsouth.com>. Our 2010 Form 10-K is also available in print to stockholders without charge and

Proposals for 2012 Annual Meeting of Stockholders

Any proposals that our stockholders wish to have included in our proxy statement and form of proxy for the 2012 annual meeting of stockholders must be received by us no later than the close of business on December 6, 2011, and must otherwise comply with the requirements of Rule 14a-8 of the Exchange Act in order to be considered for inclusion in the 2012 proxy statement and form of proxy.

You may also submit a proposal without having it included in our proxy statement and form of proxy, but we need not submit such a proposal for consideration at the annual meeting if it is considered untimely. In accordance with Section 2.9 of our Bylaws, to be timely your proposal must be delivered to or mailed and received at our principal executive offices on or after January 6, 2012, and not later than February 5, 2012; provided, however, that in the event that the annual meeting is called for a date that is not within 30 days before or after anniversary date of this year's annual meeting, your proposal, in order to be timely, must be received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs.

All stockholder proposals must be in the form set forth in Section 2.9 of our Bylaws and must be addressed to HealthSouth Corporation, 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243, Attention: corporate secretary. Section 2.9 of our Bylaws requires, among other things, that the proposal must set forth:

- (1) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting that business at the annual meeting;
- (2) the name and record address of the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is being made such person;
- (3) the class or series and number of shares of our capital stock which are owned beneficially or of record by that person or persons and any affiliate or associate;
- (4) the name of each nominee holder of all shares of our capital stock owned beneficially and the number of such shares of stock held by each nominee holder;
- (5) whether and the extent to which any derivative instrument, swap, option, warrant, short interest, hedge or profit interest or other transaction has been entered into by or on behalf of that person or persons, or any affiliate or associate, with respect to a security issued by us;
- (6) whether and the extent to which any other transaction, agreement, arrangement or understanding has been made by or on behalf of that person or persons, or any affiliate or associate, that would mitigate loss to, or to manage risk or benefit of price changes for, that person or persons, or any affiliate or associate, or increase or decrease the voting power or pecuniary or economic interest of that person or persons, or any affiliate or associate, with respect to a

security issued by us;

(7) a description of all agreements, arrangements or understandings between that person or persons, or any affiliate or associate, and any other person or persons (including their names) in connection with the proposal and any material interest of the other person or persons, or any affiliate or associate, in the business being proposed, including any anticipated benefits;

(8) a representation that the stockholder giving notice intends to appear in person or by proxy at the annual meeting to bring such business before the meeting; and

Table of Contents

(9) any other information relating to that person or persons that would be required to be disclosed in a proxy statement with respect to the proposed business to be brought by such person before the annual meeting.

A stockholder proposing business for the annual meeting must update and supplement the notice required by Section 2.9 of our Bylaws so that the information in the notice is true and correct as of the record date(s) for determining the stockholders entitled to receive notice of and to vote at the annual meeting. Any stockholder that intends to submit a proposal should read the entirety of the requirements in Section 2.9 of our Bylaws which can be found in the “Corporate Governance” section of our website at <http://investor.healthsouth.com>.
