VERSAR RAISES \$1 MILLION IN A PRIVATE
PLACEMENT TRANSACTION

Springfield, Virginia, June 18, 2002 - Versar, Inc. (AMEX:VSR) today announced it had sold 359,183 shares of its Common Stock at \$2.78 per share to an institutional investor in a private placement. The Company also issued warrants to purchase 359,183 shares of Common Stock, one-half with an exercise price of \$3.48 and the other half with an exercise price of \$4.18.

The securities sold in the private placement were not registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The Company has agreed, however, to provide a shelf registration statement registering resale of the shares sold and the shares underlying the warrants with the Securities and Exchange Commission no later than September 15, 2002.

The proceeds from the sale of the shares and warrants will be used to expand Versar's products and services in its National Security and Homeland Defense initiative.

Dr. Theodore Procriv, President and CEO of Versar, said, "We needed additional capital to increase our product lines and capabilities in the Homeland Defense business area. In this time of increased Homeland Defense Awareness, we see opportunities for Versar to help America through the recent Bio-terrorism law signed by President Bush. This is a strong vote of confidence in Versar and we will put the funds to good use immediately."

Versar, Inc., headquartered in Springfield, VA, is a publicly held professional services firm supporting government and industry in homeland defense and counter-terrorism, environmental health and
