### Item 1.01. Entry into a Material Definitive Agreement

On November 16, 2005, the Board of Directors of the Company changed the annual compensation for its directors, reinstating a \$3,000 cash annual fee that had been paid through fiscal year 2001 and dropping the granting of stock options which had been the method of annual fee payment for the past four fiscal years. In addition, the Board authorized the issuance of 2,000 shares of restricted stock to the Chairman of the Board and 1,000 shares of restricted stock to each other director, priced at \$3.35, the closing price of the Companys common stock on the American Stock Exchange on November 16, 2005. The restricted stock will vest on November 14, 2006, the day before the next scheduled annual meeting.

The other elements of directors compensation will remain unchanged, including an attendance fee of \$1,000 for physical attendance or \$500.00 for telephonic attendance at board and committee meetings. In addition, the annual cash fee of \$12,000 to the Chairman of the Board and \$5,000 to the Chairman of the Audit Committee for these responsibilities and efforts on behalf of the Company, remain unchanged.
