On November 8, 2002 Navistar International Corporation (the “Company” and the parent company of International Truck and Engine Corporation (“International”)) sold an aggregate amount of 7,755,030 shares of the Company’s Common Stock, par value \$.10 per share, in three separate sales; 4,653,018 shares to the International Non-Contributory Retirement Plan Trust (the “Hourly Trust”), 1,551,006 shares to the International Retirement Plan for Salaried Employees Trust (the “Salaried Trust”), and 1,551,006 shares to the International Retiree Health Benefit Trust (the “Health Benefit Trust”), for an aggregate purchase price of \$175,000,000. Each trust is a funding trust for an employee benefit plan sponsored by International. The trust agreements of the Hourly Trust and the Salaried Trust provide that the trustee of the trust is only a directed trustee with respect to employer stock held by the trusts and that the Pension Fund Investment Committee of International (who’s members are for the most part executive officers of the Company, the

“PFIC”), or an investment manager designated by the PFIC, is to direct the trustee with respect to the voting or disposition of employer securities. The trust agreement for the Health Benefit Trust provides that International, or an investment manager appointed by International, is to direct the trustee with respect to voting and disposition of employer securities. International has delegated authority for such matters to the PFIC. The Company stock acquired by the trusts is employer securities under these provisions. Jennison Associates LLC had been appointed as investment manager for each trust with respect to the Company stock and was given discretionary authority regarding voting and disposition of the stock. On May 8, 2006, the United States Trust Company, National Association (“US Trust”) was appointed as investment manager for each of the trust to replace Jennison Associates LLC who resigned its appointment effective on the close of business on May 7, 2006. Like Jennison, US Trust has been given discretionary authority regarding voting and disposition of the stock. The Committee and the Company have the power to revoke or change the appointment of US Trust and therefore reacquire the voting and dispositive control over the Company stock. For this reason the Committees, International or the Company might be considered “beneficial owners” of the Company stock.

The reporting persons may be deemed to constitute a "group" for purposes of Section 13(d)(3) of the Act. The reporting persons expressly disclaim that they have agreed to act as a group except for purposes of filing this Schedule 13G.
