### Section 3 Securities and Trading Markets

#### Item 3.02.

#### Unregistered Sales of Equity Securities

Commencing October 16, 2006, we have closed, or have received funds and are in the process of closing, several private placements to accredited institutional investors pursuant to which we have (1) received \$2,500,000 from an existing shareholder and its affiliated funds, and (2) are entitled to receive from escrow an additional \$580,000 in funds from four new shareholders ( *new shareholders* ) upon satisfaction of pre-conditions, through the sale of a total of 2,207,886 common shares priced at \$1.55 per share, together with five-year warrants entitling the holders to purchase a total of 883,155 common shares at \$2.23 per share. As part of the transaction, we agreed to file a registration statement with the SEC within 20 days to register the common shares sold and the common shares issuable upon the conversion of the warrants. We further agreed to reduce the exercise price of the warrants to \$1.83 per should we fail to file the registration statement on a timely basis. Maxim Partners, LLC acted as placement agent with respect to procuring the new shareholders, and may, under certain circumstances, be entitled to a cash commission equal to 7.5% of the proceeds raised from the new shareholders, plus five-year warrants priced at \$1.55 per warrant entitling it to purchase 10% of the securities sold to such new shareholders. We are waiting final investment decisions from several additional investors on the same terms, but will not discuss investments with any other investors. The aforesaid disclosure does not constitute an offer to sell or the solicitation of an offer to buy securities.

The offer and sale of the common shares and warrants was exempt from the registration requirements under Section 5 of the Securities Act of 1933 pursuant to SEC Rule 506 of Regulation D promulgated under Section 4(2) of the Securities Act insofar as: (1) the investors were accredited within the meaning of Rule 501(a); (2) pursuant to Rule 506(b)(2)(i), there were no more than 35 non-accredited investors in the offering; (3) no offers or sales under the offering was effected through any general solicitation or general advertising within the meaning of Rule 502(c); and (4) the transfer of the securities in the offering were restricted by the company in accordance with Rule 502(d). No underwriting discounts or commissions were payable with respect to the offering or sale of the securities.
