Section 5 Corporate Governance and Management

Item 5.02.

Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

Effective October 23, 2006, Signalife appointed Mr. Charles H. Harrison to its Board of Directors, and also appointed Mr. Harrison to the company's Audit Committee. Mr. Harrison is a CPA with over 35 years of accounting and business management experience focusing on firms in the healthcare business. Since June 2004, Mr. Harrison has been Chief Operating Officer at the Boulder City Hospital located in Boulder City, Nevada. Prior to that, from 1996 to 2004, Mr. Harrison provided independent business consulting services to various hospitals and other healthcare providers. From 1969 to 1996, Mr. Harrison was an accountant with Arthur Andersen LLP, having risen to the position of Partner in Charge of Healthcare for the firm's Metropolitan Southern California practice. Mr. Harrison holds a Bachelors of Science degree in Accounting and a Masters of Business Administration degree in Finance from the University of Southern California.

As a result of Signalife's continued progress in developing new products for the marketplace such as its proto-type event recorder which is being submitted to the FDA for approval, as well as expanding sales and marketing activities, the company has found it necessary to centralize all operations, including those relating to various outside officers and consultants, into its offices in Greenville, South Carolina and Los Angeles, California, in order to more effectively monitor and manage these operations. Mr. Rodney Hildebrandt, Signalife's Chief Operating Officer, who is presently located in Ohio, has determined that he will be unable for personal reasons to relocate to South Carolina.

Accordingly, Mr. Hildebrandt and the Company agreed on October 23, 2006 that Mr. Hildebrandt would resign as a Director and Chief Operating Officer of Signalife. Going forward, all functions of Mr. Hildebrandt as Chief Operating Officer will be assumed by various corporate staff at the company's executive offices. The departure of Mr. Hildebrandt as a director was not related to any disagreement concerning the company's operations, policies or practices.

On October 23, 2006, Signalife terminated the services of Mr. Robert C. Scherne as its Chief Financial Officer under his consultation accounting contract with the company, while engaging Mr. Kevin F. Pickard to serve in that position going forward on a similar contract basis. Under this agreement, Mr. Pickard will be engaged by Signalife as its Chief Financial Officer on a non-exclusive basis to prepare its financial statements and to perform other projects for the company and will be compensated on a project-by-project basis. Mr. Pickard is a CPA with over 19 years of experience. Most recently, since 1998, Mr. Pickard has been the principal of Pickard & Company, CPAs, P.C., an accounting firm that specializes in providing SEC accounting and other management consulting services for small to medium sized companies, including preparing required SEC filings for public companies, due diligence on potential acquisitions, preparing projections and business plans, assisting with restructuring of companies, and positioning companies for initial public offerings. Prior to that, from 1996 to 1998 he was a Partner with Singer Lewak Greenbaum & Goldstein, LLP, where is co-managed the firm's securities practice group. He also spent over nine years with Coopers & Lybrand, L.L.P. (currently PricewaterhouseCoopers, LLP), where he focused on the auditing companies in the insurance, high-tech and manufacturing industries. Mr. Pickard holds a Bachelors of Science and Masters degrees in Accounting from Brigham Young University.
