Signalife, Inc. ( *we* , *our company* or *Signalife* ) files this report on Form 8-K to report the following transactions or events:

### **Section 3 Securities and Trading Markets**

#### **Item 3.01.**

#### **Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On June 27, 2007, Signalife received a deficiency letter from the American Stock Exchange ( AMEX ) pursuant to which it indicated that the company's current stockholder's equity of approximately \$3.2 million had fallen to less than the \$4 million and \$6 million required for continued listing under AMEX Rules 1003(a)(ii) and (a)(iii), respectively. These minimum stockholders' equity thresholds were triggered by the recent decline of Signalife's market capitalization to less than \$50 million, which previously exempted Signalife from these requirements. Pursuant to the letter, Signalife will be required to submit to AMEX by July 27, 2007 for its review and acceptance of a plan for so increasing the company's stockholder's equity, which plan will need to be implemented by December 29, 2008 or such earlier date as AMEX deems reasonable. If the company's market capitalization were to return to levels above \$50 million, then the plan will not need to be implemented. Signalife is presently preparing a plan to submit to AMEX to address these matters. No guarantee can be given that AMEX will accept the plan, which would lead to a delisting of Signalife's common shares from AMEX.

### **Section 5 Corporate Governance and Management**

#### **Item 5.02.**

#### **Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers**

On July 2, 2007, Signalife appointed Dr. Lowell Harmison, a company director since 2003, as its President and Chief Operating Officer on an interim basis. Ms. Pamela Bunes will continue as Signalife's Chief Executive Officer. The company has not entered into an employment agreement with Dr. Harmison, and the term of his appointment is indefinite.
