2002 PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is being mailed on or about April 11, 2002, to the stockholders of Publix Super Markets, Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on May 14, 2002, or any adjournments thereof. The cost of the enclosed proxy is borne by the Company.

VOTING SECURITIES OUTSTANDING

As of March 5, 2002, there were 199,021,562 shares of common stock of the Company outstanding. Each share is entitled to one vote.

Only holders of common stock of record as of March 5, 2002, will be entitled to vote at the Annual Meeting of Stockholders.

VOTING PROCEDURES

A stockholder giving the enclosed proxy has the power to revoke it at any time before it is exercised by filing a written notice of such revocation or a duly executed proxy bearing a later date with the Secretary of the Company, at the corporate office of the Company, 1936 George Jenkins Boulevard, Lakeland, Florida 33815. The execution of the enclosed proxy will not affect a stockholder's right to vote in person at the meeting should the stockholder later find it convenient to attend the meeting and desire to vote in person.

The proxy cards will be tabulated by employees of the Company. A stockholder attending in person or by proxy will be counted as part of the quorum for the meeting, even if that person abstains or otherwise does not vote on any matter. Directors will be elected by a plurality of the votes cast at the meeting in person or by proxy. Any other matter submitted to a vote of the stockholders must be approved by the affirmative vote of the majority of shares voted at the meeting in person or by proxy. An abstention or a failure to vote is not counted in determining whether a plurality of votes exists, but an abstention or a failure to vote is equivalent to a "no" vote when a majority vote of all outstanding shares is required.

ELECTION OF DIRECTORS

The Company's By-Laws specify that the Board of Directors shall not be less than three nor more than fifteen members. The exact number of directors shall be fixed by resolution of the then authorized number of directors. The Board of Directors has fixed the number of directors at ten members. The persons designated as nominees for election as a director are Carol Jenkins Barnett, Hoyt R. Barnett, Joan G. Buccino, W. Edwin Crenshaw, Mark C. Hollis, Charles H. Jenkins, Jr., Howard M. Jenkins, Tina P. Johnson, E. Vane McClurg and Kelly E. Norton. All nominees except Dr. Buccino are currently directors of the Company. Management of the Company recommends a vote FOR all the nominees. The proxies will be voted FOR the election of the ten nominees unless the stockholder specifies otherwise.

The term of office of the directors will be until the next annual meeting or until their successors shall be elected and qualified. If one or more of the nominees become unable or unwilling to serve at the time of the meeting, the shares represented by proxy will be voted for the remaining nominees and for any substitute nominee(s) designated by the Board of Directors or, if none, the size of the Board will be reduced accordingly. The Board of Directors does not anticipate that any nominee will be unavailable or unable to serve.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16 of the Securities Exchange Act of 1934, certain officers, directors and stockholders of the Company are required to file reports of stock ownership and changes therein with the Securities and Exchange Commission. The Company believes that its officers, directors and stockholders complied with the Section 16 filing requirements except as noted below. A report filed by the following person did not reflect his indirect beneficial ownership of certain shares or changes therein: E. Vane McClurg (1993 - one Form 5). Upon learning of the omission, Mr. McClurg promptly filed the necessary report to reflect the required information.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2001, the Company purchased approximately \$2,408,000 of food products from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins, Carol Jenkins Barnett and Nancy E. Jenkins, aunt of W. Edwin Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

During 2001, the Company paid approximately \$563,000 to the law office of Hahn, McClurg, Watson, Griffith & Bush for legal services. E. Vane McClurg is a director and continues to provide legal services to the Company.

In the opinion of management, the terms of the foregoing transactions are no less favorable than terms that could have been obtained from unaffiliated parties.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Compensation Committee members, who were all directors of the Company during all or part of 2001, include: Hoyt R. Barnett, Mark C. Hollis, Howard M. Jenkins, Kelly E. Norton, Tina P. During 2001, the Company purchased approximately \$2,408,000 of food products

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins, Carol Jenkins Barnett and Nancy E. Jenkins, aunt of W. Edwin Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Board's Compensation Committee is responsible for reviewing the salary and benefit structure of the Company with respect to its executive officers. The compensation for the named executive officers, including the Chief Executive Officer (CEO), includes a base salary and an incentive bonus.

The factors considered in determining the base salary include: (1) the overall level of responsibility and the relationship to compensation levels of the Company's management, (2) the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company, (3) anticipated competitive operating conditions and (4) overall economic conditions. Upon his promotion to CEO of the Company, Charles H. Jenkins, Jr.'s base salary was increased by approximately 13.8% to reflect his additional responsibilities.

Bonuses are paid generally in the year following the year earned. During 1999, the Company implemented a new incentive bonus plan. The incentive bonus plan covers approximately 400 management employees. The incentive bonus plan was changed to make the bonus more appropriately reflect the Company's operating results while also reducing the total amount of compensation that was "at risk" for the incentive bonus plan participants. To achieve this result, the base salary of the incentive bonus plan participants was increased. The combination of the increase in the base salary and the decrease in the amount of the incentive bonus that can be earned under the new incentive bonus plan was designed to be compensation neutral in a year of good operating performance.

Under the plan, a bonus pool is established using the current fiscal year earnings before income taxes and incentive bonus of the Company as compared with the prior year. This pool is adjusted upward or downward to reflect actual sales results for the fiscal year in comparison to a sales goal. In general, the bonus pool is allocated among the participating management employees, including the named executive officers, according to base compensation paid during the calendar year. The bonuses are earned for employment during the calendar year and an employee must be employed at the end of the calendar year to participate in the bonus. Although the Company has a defined method for calculating the incentive bonus, the Company's Executive Committee retains the right to alter or discontinue the incentive bonus plan at its discretion at any time, for all employees except executive officers. Any changes to the incentive bonus plan for executive officers is at the discretion of the Compensation Committee.

The compensation earned by the executive officers named in the following table ranks at or near the bottom of compensation earned by comparable positions among the peer group supermarket chains included in the performance graphs on pages 12 and 13.

This report is submitted by the following members of the Compensation Committee:

Mark C. Hollis, Howard M. Jenkins, Chairman and Kelly E. Norton.

for the benefit of eligible employees. The amount of the Company's discretionary contribution to the ESOP is determined annually by the Board of Directors and can be made in Company common stock or cash. The Company's contribution to this plan is allocated to all participants on the basis of compensation and the plan does not discriminate, in scope, terms, or operation, in favor of officers or directors of the Company. Prior to 2000, the Company had an additional trustee, noncontributory defined contribution plan, the Profit Sharing Plan. Effective December 31, 1999, the Company merged the Profit Sharing Plan into the ESOP. Amounts earned for 2001, 2000 and 1999 under the plans by the CEO and the four most highly compensated executive officers are listed in the Summary Compensation Table.

The Company has a 401(k) plan for the benefit of eligible employees. The 401(k) plan is a voluntary defined contribution plan. Eligible employees may contribute up to 10% of their eligible annual compensation (8% prior to January 1, 2002), subject to the maximum contribution limits established by Federal law. The Company may make a discretionary annual matching contribution to eligible participants of this plan as determined by the Board of Directors. During 2001, 2000 and 1999, the Board of Directors approved a match of 50% of eligible contributions up to 3% of eligible wages, not to exceed a maximum match of \$750 per employee. The match, which is determined as of the last day of the plan year and paid in the subsequent year, is in common stock of the Company.

The Company's group health and dental insurance plans are available to eligible full-time and part-time employees and the group life insurance plan and long-term disability plan are available to eligible full-time employees. These plans do not discriminate, in scope, terms, or operation, in favor of officers or directors of the Company.

All compensation paid to executive officers during 2001, other than cash and compensation pursuant to the plans described above, does not exceed the minimum amounts required to be reported pursuant to the Securities and Exchange Commission rules.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is comprised of four Board members who are not actively involved in the current management of the Company. Although three of the Audit Committee members are not independent as defined by the New York Stock Exchange, in the opinion of the Board, each Audit Committee member has the ability to make objective decisions independent of the interests of management.

The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board for approval.

The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes as described in the Audit Committee Charter.

The Audit Committee reviewed and discussed with management and the Company's independent auditors the Company's audited consolidated financial statements for

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

The Audit Committee also discussed with the Company's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee received the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the auditors the firm's independence.

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 29, 2001, for filing with the Securities and Exchange Commission.

This report is submitted by the following members of the Audit Committee: Carol Jenkins Barnett, Mark C. Hollis, E. Vane McClurg and Kelly E. Norton, Chairman.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of KPMG LLP was the Company's auditors during 2001. The Audit Committee will make its recommendation to the Board of Directors as to the Company's auditors for 2002 later this year.

Representatives of KPMG LLP will be present at the meeting with an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The aggregate fees billed by the Company's independent auditors, KPMG LLP, for professional services rendered for the fiscal year ended December 29, 2001, were approximately \$240,000 for audit fees and \$398,000 for other professional services. The Audit Committee has reviewed and discussed the fees paid to KPMG LLP during the last fiscal year for audit and non-audit services and has determined that the provision of the non-audit services are compatible with the firm's independence.

PERFORMANCE GRAPHS

The following performance graph sets forth the Company's cumulative total stockholder return during the five years ended December 29, 2001, with the cumulative total return on the S&P 500 Index and a custom Peer Group Index including companies in the same line of business (supermarket retail companies)(1). The Peer Group Index is weighted based on the various companies' market capitalization. The comparison assumes \$100 was invested at the end of 1996 in the Company's common stock and in each of the related indices and assumes reinvestment of dividends.

The Company's common stock is valued as of the end of each fiscal quarter. After the end of a quarter, however, shares continue to be traded at the prior valuation until the new valuation is received. The cumulative total return for the companies represented in the S&P 500 Index and the custom Peer Group Index is based on those companies' calendar year end trading price. Therefore, the Company has provided a performance graph based on the Company's fiscal year end valuation (rather than the trading price at fiscal year end, representing the appraised value as of the prior fiscal quarter). For comparative purposes, additional information is provided based on the fiscal year end trading price of the Company's shares.
