Notification of Interests of Directors

Under the Billiton Employee Share Ownership Trust, all employees of BHP Billiton Plc, including its executive directors, are potential beneficiaries of the Trust under provisions allowing the Trustee discretion to distribute excess Trust assets, either on winding up of the Trust or before.

As potential beneficiaries of the Trust, the executive directors, Messrs P M Anderson and B P Gilbertson have an interest in the balance of the shares in BHP Billiton Plc held in the Trust at any one time. Although such an interest confers no control over the shares, it requires notification under the United Kingdom Companies Act where it relates to shares in BHP Billiton Plc. As part of a dual listed company structure, the Company has agreed to adopt the better of the existing governance practices between BHP Billiton Plc and BHP Billiton Limited. As a result, the Company voluntarily notifies to all Stock Exchanges such interests relating to shares in BHP Billiton Limited as well as BHP Billiton Plc.

BHP Billiton Limited therefore announces that on 26 November 2001 Billiton ESOP Trustees Limited, as trustee of the Billiton Employee Share Ownership Trust, sold 23,473 ordinary shares in BHP Billiton Plc to a participant of its Restricted Share Scheme.

The executive directors have an interest in the balance held by the Trust of 560 232 shares in BHP Billiton Plc following the above transfer.
