TEVA TO REPORT SECOND QUARTER 2003 FINANCIAL RESULTS ON

JULY 29, 2003

CONFERENCE CALL SCHEDULED FOR 10:00 AM EST

Jerusalem, Israel, July 10, 2003 - Teva Pharmaceutical Industries Ltd. (NASDAQ: TEVA) announced today that it will release its second quarter 2003 financial results on Tuesday, July 29, 2003, in the morning Israel time. The earnings release will be available on Teva's web site at www.tevapharm.com.

Teva will host a conference call and live webcast on that same day, at 10:00 AM EST to discuss its second quarter results and overall business environment. A Question & Answer session will follow this discussion.

Investors and other interested parties may access a live webcast through Teva's web site at www.tevapharm.com. Please login at least 10 minutes prior to the conference call in order to download the applicable audio software. Following the conclusion of the call, a replay of the webcast will be available within 24 hours at the Company's web site. Alternatively, a replay of the call can be accessed until August 5, 2003 at midnight (EST), by calling (800) 934-7879 in the U.S. or (402) 220-6986 outside the U.S. No access code required.

FOR IMMEDIATE RELEASE

Teva Pharmaceutical Industries Ltd., headquartered in Israel, is among the top 30 pharmaceutical companies and among the largest generic pharmaceutical companies in the world. Over 90% of Teva's sales are in North America and Europe. The company develops, manufactures and markets generic and branded human pharmaceuticals and active pharmaceutical ingredients.

Safe Harbor Statement under the U. S. Private Securities Litigation Reform Act of 1995: This release contains forward-looking statements, which express the current beliefs and expectations of management. Such statements are based on current expectations and involve a number of known and unknown risks and uncertainties that could cause Teva's future results, performance or achievements to differ significantly from the results, performance or achievements expressed or implied by such forward-looking statements. Important factors that could cause or contribute to such differences include Teva's ability to successfully develop and commercialize additional pharmaceutical products, the introduction of competitive generic products, the impact of competition from brand-name companies that sell their own generic products or successfully extend the exclusivity period of their branded products, Teva's ability to rapidly integrate the operations of acquired businesses, the availability of product liability coverage in the current insurance market, the impact of pharmaceutical industry regulation and pending legislation that could affect the pharmaceutical industry, the difficulty of predicting U.S. Food and Drug Administration ("FDA") and other regulatory authority approvals, the regulatory environment and changes in the health policies and structure of various countries, acceptance and demand for new pharmaceutical products and new therapies, uncertainties regarding market acceptance of innovative products newly launched, currently being sold or in development, the impact of restructuring of clients, reliance on strategic alliances, exposure to product liability claims, dependence on patent and other protections for innovative products, fluctuations in currency, exchange and interest rates, operating results and other factors that are discussed in Teva's Annual Report on Form 20-F and its other filings with the U.S. Securities and Exchange Commission ("SEC"). Forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise
