- a These securities are prerefunded; the date shown represents the prerefunded date. Bonds which are prerefunded are collateralized by U.S. Government securities which are held in escrow and are used to pay principal and interest on the municipal issue and to retire the bonds in full at the earliest refunding date.
- b Non-income producing security; interest payments in default.
- c Inverse floater security--the interest rate is subject to change periodically.
- d Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers. At June 30, 2006, these securities amounted to \$19,149,095 or 9.9% of net assets applicable to common shareholders.
- e Securities payable on demand. Variable interest rate--subject to periodic change.
- f At June 30, 2006, the fund had \$51,455,459 or 26.5% of net assets applicable to common shareholders invested in securities whose payment of principal and interest is dependent upon revenues generated from health care projects.

Securities valuation policies and other investment related disclosures are hereby incorporated by reference to the annual and semi annual reports previously filed with the Securities and Exchange Commission on Form N-CSR.
