ANNUAL MEETING OF SHAREHOLDERS
ATWOOD OCEANICS, INC.

PROXY STATEMENT

January 9, 2007

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

SECURITY HOLDERS ENTITLED TO VOTE

Holders of shares of common stock, par value \$1.00 per share ("Common Stock") of Atwood Oceanics, Inc., (hereinafter sometimes referred to as "we", "us", "our" or the "Company") of record at the close of business on December 29, 2006 will be entitled to vote at the Annual Meeting of Shareholders to be held February 8, 2007 at 10:00 o'clock A.M., Houston Time, at our principal executive offices, 15835 Park Ten Place Drive, Houston, Texas, 77084 and at any and all adjournments thereof.

Shareholders who execute proxies retain the right to revoke them at any time before they are voted. A proxy, when executed and not so revoked, will be voted in accordance therewith. This proxy material is first being mailed to shareholders on or about January 9, 2007.

PERSONS MAKING THE SOLICITATION

This proxy is solicited on behalf of the Board of Directors of the Company. In addition to solicitation by mail, for which we will bear the cost, we may request banks, brokers and other custodians, nominees and fiduciaries who hold our Common Stock in street name to send proxy material to the beneficial owners of stock and to secure their voting instructions, if necessary. Further solicitation of proxies may be made by telephone, mail, facsimile, or oral communication with some of our shareholders, following the original solicitation. All such further solicitation will be made by our regular employees and we will bear the cost for such solicitation.

VOTING SECURITIES

At the close of business on December 29, 2006, the time which has been fixed by the Board of Directors as the record date for determination of shareholders entitled to notice of and to vote at the meeting, we had 31,079,903 shares of Common Stock outstanding.

The election as directors of the persons nominated in this proxy statement will require the vote of the holders of a plurality of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present. The approval of adoption of the Atwood Oceanics, Inc. 2007 Long-Term Incentive Plan, referred to herein as the 2007 Plan, will require the vote of the holders of a majority of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes (which result when a broker holding shares for a beneficial owner has not received timely voting instructions on certain matters from such beneficial owner) are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will operate to prevent the election of the directors nominated in this Proxy Statement or the approval of such other matters as may properly come before the meeting to the same extent as a vote withholding authority to vote for the election of directors so nominated or a vote against such other matters as may properly come before the meeting.

Each share of Common Stock entitles its owner to one vote except with respect to the election of directors. With respect to the election of directors, each shareholder has the right to vote in person or by proxy the number of shares registered in his name for as many persons as there are directors to be elected, or to cumulate such votes and give one candidate as many votes as shall equal the number of directors to be elected multiplied by the number of his shares, or to distribute the votes so cumulated among as many candidates as he may desire. In the event of cumulative voting, the candidates for directors receiving the highest number of votes, up to the number of directors to be elected, shall be elected.

If a shareholder desires to exercise his right to cumulate votes for directors, the laws of the State of Texas, the State in which we are incorporated, require the shareholder to give our Secretary written notice of such intention on or before the day preceding the meeting. Such notice should be sent to: Atwood Oceanics, Inc., P. O. Box 218350, Houston, Texas 77218, Attn: James M. Holland. If any shareholder gives such notice, all shareholders have the right to use cumulative voting at the meeting. The persons appointed by the enclosed form of proxy are not expected to exercise the right to cumulate votes for election of the directors named elsewhere in this Proxy Statement, although such persons shall have discretionary authority to do so.

The Company has standing Audit, Compensation, Executive and Nominating & Corporate Governance Committees. The following chart shows the Committee membership and positions of each director:

Director	Audit Committee	Compensation Committee	Executive Committee	Nominating & Corporate Governance Committee
Deborah A. Beck	X	X		X
Robert W. Burgess	X (Financial Expert)	X		X
George S. Dotson	X	X (Chairperson)	X	X
Hans Helmerich			X	X (Chairperson)
John R. Irwin			X	
James R. Montague		X		X
William J. Morrissey	X (Chairperson)			X

The Audit Committee members are Ms. Beck and Messrs. Burgess, Dotson and Morrissey. The Board of Directors has determined that Mr. Burgess is our "Audit Committee Financial Expert" as that term is defined under the relevant

6

federal securities laws and regulations. The Audit Committee functions to review, in general terms, the Company's accounting policies and audit procedures and to supervise internal accounting controls. Our Board of Directors has adopted a written charter for the Audit Committee, a copy of which is accessible on our website, www.atwd.com, and available in print to any shareholder who requests it. The Audit Committee held six (6) meetings during fiscal year 2006, of which four (4) were telephone conferences.

The Executive Committee, composed of Messrs. Dotson, Helmerich and Irwin, meets frequently, generally by telephone conference, for review of major decisions and to act as delegated by the Board of Directors. Our Board of Directors has adopted a written charter for the Executive Committee, a copy of which is accessible on our website, www.atwd.com.

The Compensation Committee members, Ms. Beck, Messrs. Burgess, Dotson and Montague, are responsible for administration of the Company's stock incentive plans, and for review and approval of all salary and bonus arrangements. During fiscal year 2006, there were eight (8) meetings of the Compensation Committee, of which five (5) were a telephone conference. Our Board of Directors has adopted a written charter for the Compensation Committee, a copy of which is attached hereto as Appendix A and which is also accessible on our website, www.atwd.com, and available in print to any shareholder who requests it.

The Nominating & Corporate Governance Committee, composed of Ms. Beck and Messrs. Burgess, Dotson, Helmerich, Montague and Morrissey, is to assist the Board of Directors ("Board") regarding the appropriate size and composition of the Board, as well as monitor and make recommendations regarding the Board's performance. The Nominating & Corporate Governance Committee held three (3) meetings during fiscal year 2006. The Nominating & Corporate Governance Committee will consider all director nominees recommended to it, including those recommended by third parties, such as shareholders. Such nominations should be directed to any member of the Nominating & Corporate Governance Committee. A specific process for communication between shareholders and the Nominating & Corporate Governance Committee is accessible on our website, www.atwd.com, under "Investor Information" - "Corporate Governance" - "Contact the Atwood Oceanics,

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

Inc. Board of Directors". The Nominating & Corporate Governance Committee will evaluate all nominees, including those recommended by third parties such as shareholders, for the following: personal qualities such as leadership, statesmanship and responsiveness; general management qualities such as a global perspective on the business, short term results, strategic thinking and planning, knowledge of the business and preparedness; financial expertise such as value creation, capital planning, and communications with the financial investment communities; and qualities relating to the use of human resources such as developing management talent and creating an effective organization. Our Board of Directors has adopted a written charter for the Nominating & Corporate Governance Committee, a copy of which is accessible on our website, www.atwd.com, and available in print to any shareholder who requests it.

Each of the Audit Committee charter, the Compensation Committee charter and the Nominating & Corporate Governance Committee charter state that each member must be independent as required by the New York Stock Exchange Listing Standards and as determined by the Board of Directors in its business judgment. No member of the Audit Committee, the Compensation Committee or the Nominating & Corporate Governance Committee shall have a relationship to the Company that may interfere with the exercise of his or her independent judgment and all members of such committees shall be non-employee directors. The Board of Directors has made a determination that each member of the Audit Committee, Compensation Committee and the Nominating & Corporate Governance Committee is independent and meets the requirements of the committee on which he or she serves. The Board of Directors specifically considered the relationship of H&P and H&PIDC to the Company and determined that they are not our affiliates, and, based on that fact and other considerations, Messrs. Dotson and Helmerich are also not our affiliates.

Our Board of Directors has determined that our President, John R. Irwin, is not an independent director. Our independent directors are Deborah A. Beck, Robert W. Burgess, George S. Dotson, Hans Helmerich, James R. Montague and William J. Morrissey. We have a specific process for communications between interested parties and either the Board of Directors as a whole or the non-management members of the Board of Directors, accessible on our website, www.atwd.com, under "Investor Information" - "Corporate Governance" - "Contact the Atwood Oceanics, Inc. Board of Directors". The interested party may also submit such communications in care of our Secretary, James M. Holland, at the address of our headquarters, which is 15835 Park Ten Place Drive, Suite 200, Houston, Texas 77084. Each written communication intended for the Board of Directors as a whole or the non-management members of the Board of Directors and received by the Secretary, will be promptly forwarded to the specified party. The interested party may alternatively submit such communications through the MySafeWorkplace system. The MySafeWorkplace system can be contacted via telephone at 1-800-461-9330 or on the internet at www.MySafeWorkplace.com. The interested party should click "Go" on "Make A Report", choose Atwood Oceanics Management LP as the organization, and then select "Communicate with

7

Non-Management Directors" as the "Incident Type". The communication process is also further detailed on our website, www.atwd.com, along with other of our corporate governance guidelines, and is available in print to any shareholder who requests it.

Four (4) meetings of the Board of Directors were held during fiscal year 2006, all of which were regularly scheduled meetings. Each director attended, during the time of his or her membership, at least seventy-five (75%) percent of Board of Director and Committee meetings to which he or she was assigned. Additionally, the non-employee members of the Board of Directors held four (4) meetings, of which all were in person. Mr. Helmerich presided over the meetings of the non-employee members of the Board of Directors as our "Lead Independent

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

Director." The Company does not have a policy with regard to Board of Directors' attendance at the annual meeting. Last year, one member of the Board of Directors, Mr. Irwin, attended the annual meeting.

Code of Ethics

Included in our corporate governance guidelines detailed on our website, www.atwd.com, and available in print to any shareholder who requests it, is the business conduct and code of ethics we have adopted which is applicable to our chief executive officer and our senior financial officer, Mr. Irwin and Mr. Holland, respectively. We intend to satisfy the disclosure requirement regarding any changes in our code of ethics we have adopted and/or any waiver therefrom by posting such information on our website or by filing a Form 8-K for such event.

Required Vote for Election of Directors

Election as directors of the persons nominated in this Proxy Statement will require the vote of the holders of a plurality of the shares of Common Stock present or represented by proxy and entitled to vote at a meeting at which a quorum is present. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ELECTION AS DIRECTORS OF THE PERSONS NOMINATED HEREIN.

ITEM 2 - PROPOSAL TO ADOPT THE ATWOOD OCEANICS, INC. 2007 LONG-TERM INCENTIVE PLAN

General

On December 7, 2006, our Board of Directors adopted, subject to approval of our shareholders, the Atwood Oceanics, Inc. 2007 Long-Term Incentive Plan, which is referred to herein as the "2007 Plan." The 2007 Plan is effective on December 7, 2006, subject to approval of our shareholders. Awards may be made under the 2007 Plan through December 6, 2017, which is 10 years from the effective date of the 2007 Plan. Additionally, if shareholders approve the 2007 Plan, the Board of Directors shall terminate the Atwood Oceanics, Inc. Amended and Restated 2001 Stock Incentive Plan, which is referred to herein as the "2001 Plan", and shall not grant any further awards under that plan.

The principal features of the 2007 Plan are summarized below. The summary does not purport to be a complete statement of the 2007 Plan and is qualified in its entirety by reference to the 2007 Plan, a copy of which is attached as Appendix B to this Proxy Statement. Defined terms not defined herein have the meaning set forth in the 2007 Plan.

Purpose

The 2007 Plan was established to create incentives to motivate participants to put forth maximum effort toward our success and growth and to enable us to attract and retain experienced individuals who, by their position, ability and diligence, are able to make important contributions to our success. Participants include our non-employee directors, our officers and employees, as well as those of our subsidiaries and affiliates. Currently, there are approximately 1,100 potential participants in the 2007 Plan, if approved by our shareholders.

Shares Available

Under the 2007 Plan, the Compensation Committee may award restricted stock awards, stock options, stock appreciation rights (SARs), or performance units. The total number of shares reserved and available for distribution pursuant to the 2007 Plan will be 2,000,000 shares of our Common Stock (approximately 6.4% of our outstanding Common Stock as of December 29, 2006, the

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

record date for shareholders entitled to vote on this proposal), subject to adjustment in the event of a future stock dividend, stock split, merger, consolidation, recapitalization, reclassification, spin off, combination of shares or other similar events. For the purpose of determining the number of shares of Common Stock that remain available for new awards under the 2007 Plan at any time, any shares of Common Stock granted as restricted stock awards or as SARs or performance units settled in shares of Common Stock shall be counted as 1.7 shares for each share granted, while any shares issuable pursuant to an Option shall be counted as one share for each issuable share. Shares of Common Stock underlying awards which terminate, expire, are forfeited or are cancelled without the issuance of such shares shall be available for distribution in connection with future awards pursuant to the 2007 Plan.

Subject to adjustment as set forth in the 2007 Plan, the aggregate number of shares of Common Stock made subject to the grant of stock options and/or SARs to any (1) eligible employee in any calendar year may not exceed 300,000 and (2) any eligible director in any calendar year may not exceed 100,000. Subject to adjustment as set forth in the 2007 Plan, the aggregate number of shares of Common Stock subject to the grant of restricted stock awards and/or performance units to any (1) eligible employee in any calendar year may not exceed 150,000 and (2) individual eligible director in any calendar year may not exceed 50,000.

We expect to register with the SEC the shares available for distribution pursuant to the 2007 Plan on Form S-8 as soon as reasonably practicable after shareholder approval of the 2007 Plan is obtained. As of January 5, 2007, the closing price on the New York Stock Exchange of our Common Stock was \$45.88 per share.

Administration

The 2007 Plan will be administered by the Compensation Committee of the Board of Directors, who are appointed or removed as set forth in the Committee's Charter, a copy of which is attached as Appendix A to this Proxy Statement and which is also available on our website at www.atwd.com. As described in its Charter, all members of the Compensation Committee are "independent" as required by the rules and regulations of the SEC and the New York Stock Exchange Listing Standards. They are also "non-employee directors" as defined under SEC Rule 16b-3 and "outside directors" as defined in the Internal Revenue Code, section 162(m). The Compensation Committee has the power and authority to grant awards to participants as provided in the 2007 Plan, and to determine the form, terms and conditions, not inconsistent with the terms of the 2007 Plan, of any award granted, based on such factors and criteria as the Compensation Committee shall determine. The Compensation Committee has the authority to establish, adopt, or revise such rules and regulations governing the 2007 Plan as it shall, from time to time, deem advisable; to interpret the terms and provisions of the 2007 Plan and any award granted and any agreements relating thereto; and to otherwise take any and all action it deems necessary or advisable for the operation or administration of the 2007 Plan.

Eligibility

All participants may be awarded Nonqualified Stock Options, restricted stock awards, SARs or performance units. Eligible employees may also receive Incentive Stock Options.

Stock Options

The 2007 Plan permits the granting of two types of options: (i) those that qualify as incentive stock options, or ISOs, under Section 422 of the Internal Revenue Code of 1986, as amended, or the Code, or (ii) those that do not so

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

qualify, or Nonqualified Stock Options. Stock options granted under the 2007 Plan shall be subject to the terms and conditions set forth in the 2007 Plan and may contain such additional terms and conditions not inconsistent with the terms of the 2007 Plan as the Compensation Committee deems appropriate. The option exercise price for each share of Common Stock covered by an option shall be determined by the Compensation Committee, but shall be not less than the Fair Market Value of a share of Common Stock on the date of grant.

The term of each stock option will be fixed by the Compensation Committee, but may not exceed 10 years from the date of grant. Stock options shall become exercisable at such time or times and subject to such terms and conditions (including, without limitation, installment exercise provisions) as shall be determined by the Compensation Committee.

The option exercise price may be paid by the participant (i) in cash or by check, bank draft or money order payable to the order of the Company, (ii) with certain requirements, by delivering shares of Common Stock having a Fair

9

Market Value on the date of payment equal to the amount of the exercise price, or (iii) by a combination of the foregoing.

The Compensation Committee may, in its discretion, authorize all or a portion of any Nonqualified Stock Options to be granted on terms which permit transfer by the participant to (i) the ex-spouse of the participant pursuant to the terms of a domestic relations order, (ii) the spouse, children or grandchildren of the participant, (iii) a trust or trusts for the exclusive benefit of the spouse, children or grandchildren of the participant, or (iv) a partnership or limited liability company in which the spouse, children or grandchildren of the participant are the only partners or members; provided in each case that (x) there may be no consideration for any such transfer, (y) the Option agreement pursuant to which such stock options are granted must expressly provide for transferability in a manner consistent with the foregoing, and (z) subsequent transfers of transferred stock options shall be prohibited except those made in accordance with the transferability provisions of the 2007 Plan or by will or by the laws of descent and distribution. Following transfer, any such stock options shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer. Except as set forth in the 2007 Plan and in the applicable Option agreement, no Option shall be transferable by the participant otherwise than by will or by laws of descent and distribution.

Restricted Stock

Restricted stock may be issued to participants either alone or in addition to other awards granted under the 2007 Plan. The Compensation Committee shall determine participants to whom, and the time or times at which, such grants will be made, the number of shares of Common Stock to be awarded, the price (if any) to be paid by the recipient of an award, and other conditions of the awards; provided that with respect to eligible directors, restricted stock shall vest immediately subject to a three-year restriction period. In general, restricted stock awarded to eligible employees shall vest over a minimum three-year period, with all such shares vesting on or after the third anniversary. The restricted period will be set out in the award. The Compensation Committee may condition grants of restricted stock upon the attainment of specified performance goals or such other factors or criteria as the Compensation Committee may determine.

During the restriction period, the Compensation Committee may grant to the participant, with respect to the shares of restricted stock covered by any award, all or any of the rights of a shareholder of the Company, including the right to vote the shares of Common Stock included in the award, the right to receive any dividends, and the right to purchase securities pursuant to the

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

Rights Agreement between the Company and Continental Stock Transfer and Trust Company dated October 18, 2002. During the restriction period established by the Compensation Committee, the participant shall not be permitted to sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the shares of restricted stock awarded under the 2007 Plan.

Stock Appreciation Right

A Stock Appreciation Right, or SAR, permits the participant to receive an amount (in cash, Common Stock or a combination thereof) equal to the number of SARs exercised by the participant multiplied by the excess of the Fair Market Value of a share of Common Stock on the exercise date over the exercise price of the SAR. SARs may or may not be granted in connection with the grant of an Option. The exercise price of SARs granted under the 2007 Plan shall not be less than the Fair Market Value of a share of Common Stock on the date of grant. A SAR may be exercised in whole or in such installments and at such times as determined by the Compensation Committee.

Performance Units

Performance units may be awarded to the participant subject to the provisions of the 2007 Plan and such other terms and conditions as the Compensation Committee may determine. Performance units give the participant the right to receive cash or Common Stock based upon the achievement of performance goals established by the Compensation Committee. These goals must exceed one year and are subject to the fulfillment of conditions that may be established by the Compensation Committee including, without limitation, the achievement of operational, financial or stock performance criteria.

Change in Control Provisions

In the event of a Change in Control, any awards granted under the 2007 Plan to any participant shall be immediately fully vested, fully earned and exercisable, and any Restriction Period shall terminate immediately.

10

Termination of Employment; Termination of Service

Stock Options and SARs. If an eligible employee's employment with the Company, a Subsidiary or an Affiliated Entity terminates as a result of death, disability or retirement, the eligible employee (or personal representative in the case of death) shall be entitled to exercise all or any part of any (a) vested Incentive Stock Option for a period of up to three months from such date of termination (one year in the case of death or disability in lieu of the three-month period), or (b) vested Nonqualified Stock Option or SAR during the remaining term. If an eligible employee's employment terminates for any other reason, the eligible employee shall be entitled to exercise all or any part of any vested Option or SAR for a period of up to three months from such date of termination.

If an eligible director's service with the Company, a Subsidiary or an Affiliated Entity terminates, the eligible director (or personal representative in the case of death) shall be entitled to exercise all or any part of any Nonqualified Stock Option or SAR which is otherwise exercisable on his date of termination of service during the remaining term of such award.

The Committee may, in its discretion, accelerate the vesting of any stock option or SAR in the case of termination of employment or service of a participant for any reason, including death, retirement, disability, or resignation, as the case may be. In no event shall any stock option or SAR be exercisable past the term established in the award agreement. Any vested stock

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

option or SAR which is not exercised before the earlier of the dates provided above or its term, shall expire.

Restricted Stock Awards. The Committee may, in its discretion, (i) accelerate the vesting of a restricted stock award in the case of death or disability of an eligible employee or (ii) provide for early termination of any restriction period in the case of death, retirement, or resignation of an eligible director. In the case of retirement of an eligible employee, the vesting of a restricted stock award shall be accelerated as follows:

- o no acceleration in the case of retirement within a period less than one year subsequent to the date of grant,
- o acceleration of vesting of one-third (1/3) of the shares included in the restricted stock award in the case of retirement within a period greater than one year, but less than two years subsequent to the date of grant, and
- o acceleration of vesting of two-thirds (2/3) of the shares included in the restricted stock award in the case of retirement within a period greater than two years, but less than three years subsequent to the date of grant.

Unless otherwise accelerated pursuant to the terms of the relevant award agreement or by the Committee as set forth herein, all unvested restricted stock awards shall be forfeited upon termination of employment of the eligible employee or termination of service of the eligible director.

Amendments and Termination

The Board of Directors may alter, suspend or terminate the 2007 Plan at any time. The Board may amend the 2007 Plan, but may not, without shareholder approval, adopt any amendment which would (i) increase the total number of shares of Common Stock reserved for purposes of the 2007 Plan, except as specifically provided for in the 2007 Plan, (ii) materially modify the eligibility requirement for participation in the 2007 Plan, or (iii) materially increase the benefit or rights of any participant provided by the 2007 Plan. With the exception of repricing awards, the Compensation Committee may amend the terms of any award agreement, but no such amendment shall be allowed which is adverse to the rights of any participant without his or her consent.

Federal Income Tax Consequences

The following summary is a description of the federal income tax consequences to the participant and to us of the issuance and exercise of stock options, SARs, performance units, and restricted stock granted pursuant to the 2007 Plan. The summary does not purport to be complete, does not attempt to be a comprehensive description of all possible tax effects, and does not discuss state, local or non-U.S. tax consequences except as set forth below.

ISO's. The grant of an ISO will not be treated as taxable income to the eligible employee for federal income tax purposes, and will not result in a deduction to us for tax purposes, provided that no disposition is made by the eligible employee of the shares of Common Stock acquired pursuant to the ISO within two years after the date of grant of the ISO nor within one year after

the date of exercise of the ISO. In general, on exercise of an ISO, the eligible employee will not recognize any taxable income, and we will not be entitled to a deduction for tax purposes, although exercise of an ISO may give rise to liability under the alternative minimum tax provisions of the Code. Upon

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

the sale or exchange of the shares of Common Stock at least two years after the grant date of the ISO and one year after the exercise date of the ISO, the eligible employee will recognize long-term capital gain or loss based on the difference between (i) the amount realized upon the sale or other disposition of the purchased shares of Common Stock and (ii) the exercise price paid for such shares. If these holding periods are not satisfied at the time of sale or exchange of the shares by the eligible employee, the eligible employee will recognize ordinary income (and we will be entitled to a deduction for tax purposes) in an amount equal to the difference between the exercise price and the lower of (i) the fair market value of the shares of Common Stock on the date the ISO was exercised or (ii) the sale price of such shares. Any gain recognized by the eligible employee on such a premature disposition of the shares of Common Stock in excess of the amount treated as ordinary income will be characterized as capital gain, long- or short-term depending on the eligible employee's holding period of the shares after exercise of the ISO.

Nonqualified Stock Options and Stock Appreciation Rights. No taxable income is reportable by the participant at the time a Nonqualified Stock Option or SAR is granted. Upon exercise, the amount by which the Fair Market Value of the purchased shares of Common Stock on the exercise date exceeds the exercise price of the option or SAR will generally be taxable to the participant as ordinary income and deductible by us for tax purposes. Upon disposition of the shares of Common Stock, appreciation or depreciation after the exercise date is treated as a short-term or long-term capital gain or loss to the participant and will not result in any deduction to us.

Restricted Stock. In general, a participant who receives a restricted stock award will recognize ordinary compensation income on the difference between (a) the fair market value of the shares of Common Stock on the date when the shares are transferred or, if later, when they are no longer substantially nonvested (as such term is defined in Treasury Regulations) and (b) any amount paid for the shares, and the Company will be entitled to a deduction for tax purposes in the same amount. Any gain or loss on the participant's subsequent disposition of the shares will receive long or short-term capital gain or loss treatment depending on how long the stock has been held since the restrictions lapsed.

If a participant receiving a stock award subject to a substantial risk of forfeiture or other restriction that cause the shares to be substantially nonvested makes a timely election under Section 83(b) of the Code to have the tax liability determined at the date of grant rather than when shares become vested, the participant will recognize ordinary compensation income in an amount equal to the difference between the fair market value of the stock on the date of transfer of the stock and any amount paid for such stock, and we shall be entitled to a deduction at that time of the same amount treated as ordinary compensation income to the participant. If such an election is made, the participant recognizes no further amounts of compensation income upon the vesting of the shares, and any gain or loss on subsequent disposition will be long or short-term capital gain or loss to the participant. The Section 83(b) election must be made within thirty days from the time the restricted stock is issued to a participant.

Performance Units. The federal income tax consequences of performance units will vary depending upon the individual structure of the award. Generally, the performance unit will be taxable upon payment.

Deductibility of Compensation. The 2007 Plan has been designed to permit the Compensation Committee to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m) of the Code, and accordingly, we anticipate that any compensation deemed paid by us to our executive officers as a result of stock options or restricted stock will remain deductible by us and will either (a) not have to be taken into account for purposes of the \$1,000,000 limitation per covered individual on the

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

deductibility of the compensation paid to certain of our executive officers or (b) will not cause such limit to be exceeded.

The Committee shall establish performance targets for each award intended to qualify as performance-based under Section 162(m) of the Code. Such performance targets shall be for a period of no less than a year based upon our achievement of some or all of the operational, financial or stock performance criteria set forth in Exhibit A to the 2007 Plan attached as Appendix B to this Proxy Statement. The Committee shall also establish such other terms and conditions as it deems appropriate to such award, which may be paid out in cash or Common Stock as established by the Committee in the award agreement. Subject to adjustment as set forth in the 2007 Plan, the aggregate number of shares of Common Stock subject to the grant of restricted stock awards and/or performance units to any (1) eligible employee in any calendar year may not exceed 150,000 and (2) individual eligible director in any calendar year may not exceed 50,000.

12

In the event of a change of control as defined in the 2007 Plan, the deductibility of compensation associated with the accelerated vesting of awards due to such change of control could be nondeductible under Section 280(G) of the Code.

Withholding. No later than the date as of which an amount first becomes includible in the gross income of the participant for federal income tax purposes with respect to any stock option or other award under the 2007 Plan, the participant shall pay to us, or make any arrangements satisfactory to the Compensation Committee regarding the payment of, any federal, state or local taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by us, withholding obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. Generally, we will not withhold any amount from awards made to directors in such capacity, as those awards are treated as self-employment income, and, as such, are not subject to withholding.

Awards Pursuant to the 2007 Plan

Subject to shareholder approval of the 2007 Plan and in addition to restricted stock awards automatically granted in the first quarter of fiscal year 2007 pursuant to our existing 2001 Plan, the Compensation Committee has approved an award in fiscal year 2007 of restricted stock to eligible directors (our non-employee directors) equal to the number of shares of our Common Stock valued at \$20,000 on the date of grant. Such award is expected to be made at the first meeting of the Board of Directors subsequent to shareholder approval of the 2007 Plan.

13

If (i) the 2007 Plan receives shareholder approval, (ii) the nominees proposed for the Board of Directors are elected at the annual shareholders' meeting, and (iii) each nominee who is not currently our employee does not become our employee by the time of award, the following awards to the persons indicated below would be made at the first meeting of the Board of Directors subsequent to shareholder approval of the 2007 Plan:

* The number of shares of Common Stock included in the restricted stock award will be dependent on the fair market value of our Common Stock on the date of grant, and therefore cannot be determined until that date. Based on \$45.88, the closing price of our Common Stock on January 5, 2007, each of the above persons would receive restricted stock awards in the amount of 436 shares of our Common Stock, for a total automatic grant of 2,616 shares of our Common Stock if made on that date.

All other awards under the 2007 Plan will be at the discretion of the Compensation Committee. Therefore should the 2007 Plan receive shareholder approval, no executive officers or directors, nor any other participant, would be guaranteed an award other than described above.

Required Vote to Adopt the Atwood Oceanics, Inc. 2007 Long-Term Incentive Plan

Approval to adopt the Atwood Oceanics, Inc. 2007 Long-Term Incentive Plan requires the affirmative vote of the holders of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at a meeting at which a quorum is present.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ADOPTION OF THE ATWOOD OCEANICS, INC. 2007 LONG-TERM INCENTIVE PLAN.

EXECUTIVE COMPENSATION

In accordance with the SEC executive compensation disclosure requirements under Item 402 of Regulation S-K, the compensation tables and other compensation information included in this Proxy Statement are presented to enable shareholders to better understand the compensation of our executive officers.

The Compensation Committee is composed of four (4) non-employee independent

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

directors. Our compensation program is administrated by the Compensation Committee of the Board of Directors. The members of the Compensation Committee are governed by a written Charter duly adopted by the Board of Directors, which requires their independence as required by the rules and regulations of the SEC and the New York Stock Exchange Listing Standards and as determined by the Board in its business judgment. No member of the Compensation Committee may have a relationship to the Company that would interfere with the exercise of his or her independent judgment, as determined in accordance with the rules and regulations of the SEC and the New York Stock Exchange Listing Standards. Further, the members of the Compensation Committee are "non-employee directors" as that term is defined under the SEC Rule 16b-3 and "outside directors" as that term is defined for the purposes of the Internal Revenue Code, section 162(m).

The Board of Directors has made a determination that each member of the Compensation Committee is independent. The Board of Directors specifically considered the relationship of H&P and H&PIDC to the Company and determined that they are not our affiliates. Based upon that fact and other considerations, the Board of Directors determined that Mr. Helmerich is also not our affiliate. Mr. Dotson retired from H&P during fiscal year 2006. Prior to his retirement from H&P, the Board of Directors determined that Mr. Dotson was not our affiliate and after his retirement, the Board of Directors determined that Mr. Dotson continues not to be our affiliate.

The Compensation Committee conducts annual reviews of our Chief Executive Officer's performance and decides his compensation as a Committee or together with the other independent directors (as directed by the Board of Directors). The Compensation Committee reviews our salaried and management compensation practices and determines the salary and other compensation of all officers other than the Chief Executive Officer. The Compensation Committee recommends to the Board of Directors the compensation of non-employee directors. The Compensation Committee has the authority to retain, at the expense of the Company, independent consulting, legal and other advisors as it deems appropriate, without management approval. The Committee has the sole authority to retain, terminate, and approve the fees and retention terms of compensation consultants.

Our Board of Directors has adopted recent revisions to our written charter for the Compensation Committee to reflect recent SEC regulatory amendments. A copy of the revised charter is attached as Appendix A to this Proxy Statement and is also accessible on our website, www.atwd.com.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS OF ATWOOD OCEANICS, INC.

TO: The Board of Directors

As members of the Compensation Committee, it is our duty to review compensation levels of our executive officers, non-employee directors and other key personnel and to administer our stock incentive plans. The Compensation Committee met in person three (3) times, with an additional five (5) conference call meetings, during fiscal year 2006.

Compensation Policies for Executive Officers

Our executive compensation policies are designed to provide competitive levels of compensation that integrate pay with performance, recognize individual initiative and achievements, and assist us in attracting and retaining qualified executives. The Compensation Committee relies in large part on compensation studies for the determination of competitive compensation, as well as discussions with professional consultants. These studies include salary and bonus compensation data from several competitor companies. Also, when the Compensation Committee contemplates the awarding of stock incentives to our executives, we consider the nature and amount of stock awards made by competitor

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

companies to their executive officers. In order to implement these objectives, we have developed a straightforward compensation package consisting of salary, discretionary annual bonus, and periodic grants of stock options or awards of restricted stock pursuant to shareholder-approved stock incentive plans. Each element of the compensation package serves a particular purpose. Salary and bonus are primarily designed to reward current and past performance. Base salaries are conservatively set to recognize individual performance while attempting to be appropriately set based upon reviews of the Company's peer group. Annual bonuses to executive officers and other key personnel are awarded based upon Company performance criteria, competitive considerations, and our determination of individual performance. Grants of stock options or awards of restricted stock are primarily designed to tie a portion of each executive's

15

compensation to long-term future performance. We believe that stock ownership by management through stock-based compensation arrangements is beneficial in aligning management's and shareholders' interest. The value of these awards will increase or decrease based upon the future price of our Common Stock.

In determining executive compensation for fiscal year 2006, we considered our overall historical performance as well as our future objectives. With our operating performance in fiscal year 2006 coupled with a market environment supporting cash flows and earnings at historic levels, bonuses were awarded to our executive officers in December 2006 ranging from \$150,000 to \$370,000. The officers were also granted salary increases of approximately 5% to be effective on January 1, 2007 and awarded stock options and restricted stock.

Based upon our fiscal year 2005 performance, bonuses ranging from \$100,000 to \$250,000 were paid to our executive officers in December 2005, which fell into fiscal year 2006. Similarly, based upon fiscal year 2005 performance, our executive officers were granted salary increases of approximately 5% effective January 1, 2006 and awarded stock options and restricted stock.

Section 162(m) of the Internal Revenue Code provides that certain compensation to certain executive officers in excess of \$1 million annually will not be deductible for federal income purposes. For fiscal year 2005, except for Mr. Irwin, the compensation levels of our executive officers were below the \$1 million threshold. Due to exercising stock options during fiscal year 2005, Mr. Irwin's total compensation relating to fiscal year 2005 performance exceeded \$1 million by approximately \$200,000. Due to exercising stock options during fiscal year 2006, total compensation paid in fiscal year 2006 to Mr. Irwin, Mr. Holland and Mr. Kelley exceeded \$1 million by approximately \$2.3 million, \$1.0 million and \$0.3 million, respectively.

Compensation Paid to the Chief Executive Officer

Mr. Irwin's compensation is determined in the same manner as described for the other executive officers. Based on the Company's performance in fiscal year 2006 coupled with a market environment supporting continuing improvements in cash flows and earnings at historic levels, Mr. Irwin was awarded a bonus of \$370,000 in December 2006. He was also granted a salary increase to be effective on January 1, 2007 of approximately 5%. The Compensation Committee in December 2006 awarded Mr. Irwin stock options to purchase 23,000 shares of Common Stock plus a restricted stock award of 13,000 shares of Common Stock. The Compensation Committee based this award assessment on Mr. Irwin's leadership in achieving operating results and major strategic accomplishments.

Based on the Company's performance in fiscal year 2005 coupled with an improving market environment supporting continuing improvements in cash flows and earnings at historic levels, Mr. Irwin was awarded a bonus of \$250,000 in

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

December 2005, which fell into fiscal year 2006. Similarly, Mr. Irwin was also granted a salary increase effective on January 1, 2006 of approximately 5%. The Compensation Committee in December 2005 awarded Mr. Irwin stock options to purchase 21,000 shares of Common Stock plus a restricted stock award of 14,000 shares of Common Stock. The Compensation Committee based this award on its subjective assessment of Mr. Irwin's performance as Chief Executive Officer and President.

Notwithstanding SEC filings by the Company that have incorporated or may incorporate by reference other SEC filings (including this proxy statement) in their entirety, the Report of the Compensation Committee shall not be incorporated by reference into such filings and shall not be deemed to be "filed" with the SEC except as specifically provided otherwise or to the extent required by Item 402 of Regulation S-K.

EXECUTIVE AGREEMENTS

The Company entered into Executive Agreements on September 18, 2002, with Messrs. Irwin, Holland and Kelley. The Executive Agreements address the terms of executive employment and compensation in the event of a termination of employment due to a change of control in our ownership. The Executive Agreements state that a change in control occurs in the event of (a) an acquisition or formal tender offer by any individual, entity or group of beneficial ownership of twenty percent (20%) of (i) the then outstanding shares of our Common Stock or (ii) the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors (certain exceptions apply); (b) a sale of substantially all of our assets; or (c) a change of the majority of the members of our Board of Directors. In the event of a change of control, Messrs. Holland and Kelley shall remain in the employ of the Company following such change of control for one year and six months and Mr. Irwin shall remain in the employ of the Company for two years and six months following such change in control. During such employment terms, the executive shall receive his base salary, annual bonus, incentive, savings and retirement plan benefits, welfare plan benefits, executive life insurance benefits, indemnification, expense reimbursement, and vacation commensurate with those benefits that the executive enjoyed prior to the change in control. The Executive Agreements each have three (3) year "evergreen" terms in that they automatically extend so as to cover a three (3) year period from any date then in effect unless we give notice to the executive that the term will no longer be so extended.

Compensation Committee Interlocks and Insider Participation

Ms. Beck and Messrs. Burgess, Dotson and Montague, the current members of the Compensation Committee, were the only persons who served on the Compensation Committee during the 2006 fiscal year.

No member of our Compensation Committee of the Board of Directors was, during the 2006 fiscal year, an officer or employee of the Company or any of its subsidiaries, or was formerly an officer of the Company or any of its subsidiaries or had any relationships requiring disclosure by us under Item 404 of Regulation S-K, except for the relationships of Messrs. Dotson and Helmerich

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

with H&P and H&PIDC discussed above.

During the Company's 2006 fiscal year, no executive officer of the Company served as (i) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served on our Compensation Committee, (ii) a director of another entity, one of whose executive officers served on our Compensation Committee, or (iii) a member of the compensation committee (or other board committee performing equivalent functions) of another entity, one of whose executive officers served as our director.

AUDIT COMMITTEE CHARTER

The Audit Committee is composed of four (4) non-employee independent Directors and is established in accordance with section 3(a)(58)(A) of the Exchange Act. The Board of Directors has determined that Mr. Burgess is the Audit Committee's financial expert. The members of the Audit Committee are governed by a written Charter duly adopted by the Board of Directors, which requires their independence from management of the Company and their freedom from any other relationship which would interfere with their independent judgment as required by the New York Stock Exchange Listing Standards and as determined by the Board in its business judgment. The members of the Audit Committee are also required to be "non-employee directors" as that term is defined under the SEC Rule 16b-3. The Board of Directors has made a determination that all of the members of the Audit Committee meet the Audit Committee Charter membership requirements, including that of independence. The

20

Board of Directors specifically considered the relationship of H&P and H&PIDC to the Company and determined that they are not our affiliates. Mr. Dotson retired from H&P during fiscal year 2006. Prior to his retirement from H&P, the Board of Directors determined that Mr. Dotson was not our affiliate and after his retirement, the Board of Directors determined that Mr. Dotson continues not to be our affiliate. Further, the Board of Directors believes that Mr. Dotson's membership on the Audit Committee is in the best interests in the Company due to his expertise, experience, and tenure as a director of the Company. The Audit Committee Charter is posted on our website, www.atwd.com.

Report of the Audit Committee of the Board of Directors of Atwood Oceanics, Inc.

The Board of Directors

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

Management is primarily responsible for the Company's financial statements and the reporting process, including the systems of internal controls. PricewaterhouseCoopers LLP ("PwC"), the Company's independent Registered Public Accounting Firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and for issuing a report on those statements. As the Audit Committee, we oversee the financial reporting process and internal control system on behalf of the Board of Directors. The Audit Committee met in person two (2) times, with an additional four (4) conference call meetings, during fiscal year 2006. At various times during the fiscal year, the Audit Committee met with PwC and the internal auditors, with and without management present.

In the course of fulfilling our oversight responsibilities, we reviewed and discussed the audited financial statements, as well as Management's Discussion and Analysis, included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2006, with management and PwC.

This review included a discussion of, among others:

- o All critical accounting policies followed by the Company;
- o The reasonableness of significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including the quality of the Company's accounting principles;
- o The clarity and completeness of financial disclosures;
- o The adequacy of internal controls that could significantly affect the Company's financial statements;
- o Items that could be accounted for using alternative treatments within GAAP and the treatment preferred by PwC;
- o Any internal control points raised by PwC during its audit of the Company's financial statements; and
- o The potential effects of regulatory and accounting initiatives, as well as any off balance sheet structures, on the Company's financial statements.

We have discussed with the independent Registered Public Accounting Firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communications With Audit Committees, as modified or supplemented, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent Registered Public Accounting Firm required by Standard No. 1, Independence Discussions with Audit Committees, as modified or supplemented, by the Independence Standards Board, and have discussed with the auditors their independence. We reviewed the independence of PwC from the Company and its management and reviewed and approved the Company's policies regarding the provision of non-audit services by PwC to the Company and the hiring of employees of PwC by the Company.

As the Audit Committee, we recommended to the Board of Directors the selection of PwC as the Company's independent Registered Public Accounting Firm. Additionally, we

- o Reviewed the scope of an overall plan for the annual audit and the internal audit program;
- o Approved fees for all services provided by PwC;
- o Reviewed the adequacy of certain financial policies;
- o Considered PwC's quality control procedures;

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

21

- o On a quarterly basis, reviewed the Company's financial results prior to their public issuance; and
- o Reviewed significant legal developments.

Based on the review and discussions referred to above, we recommend to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2006 to be filed with the Securities and Exchange Commission.

FISCAL YEAR 2006 AUDIT FIRM FEE SUMMARY

During fiscal years 2006 and 2005, PwC was our independent registered public accounting firm, and it provided services in the following categories and amounts.

	Fiscal Year	
	2006	2005
Audit Fees	\$ 1,273,132	\$ 1,429,000
Audit-Related Fees (A)	\$ 20,200	\$ 63,000
Tax Fees	\$ ---	\$ ---
All Other Fees (B)	\$ 2,000	\$ 2,000
Total	\$ 1,295,332	\$ 1,494,000

(A) For fiscal year 2006, these fees related to statutory audit services provided in one of our foreign locations. For fiscal year 2005, these fees related to consultation concerning internal controls and internal audit procedures.

(B) Software licensing fees.

The Audit Committee approves the engagement of an independent registered public accounting firm to render audit or non-audit services prior to the engagement based upon a proposal by such firm and an estimate of fees and expected scope of engagement. The Audit Committee has adopted a pre-approval policy which allows management to engage PwC to provide certain services not to exceed \$25,000. Our pre-approval policy requires that the Audit Committee be informed of each service and does not include delegation of Audit Committee responsibilities to management. In fiscal year 2006, there were no fees for services provided pursuant to the Audit Committee's pre-approval policy.

Officers, directors and greater than ten-percent (10%) shareholders are required to furnish us with copies of all Section 16(a) reports or forms they file.

Based solely on our review of the copies of such forms we have received, and written representations from certain reporting persons that no reports on Form 5 were required for those persons, we believe that, during the period from October 1, 2005 through September 30, 2006, all filing requirements applicable to our officers, directors and greater than ten-percent (10%) beneficial owners were complied with.

by check, bank draft or money order payable to the order of the Company; (ii) by tendering shares of Common Stock having a Fair Market Value on the date of payment equal to the amount of the exercise price, but only to the extent such exercise of an Option would not result in an adverse accounting charge to the Company for financial accounting purposes with respect to the shares used to pay the exercise price unless otherwise determined by the Committee; or (iii) a combination of the foregoing. In addition to the foregoing, the Committee may permit an Option granted under the Plan to be exercised by a broker-dealer acting on behalf of a Participant through procedures approved by the Committee.

Each Restricted Stock Award may be evidenced in such manner as the Committee deems appropriate, including, without limitation, a book-entry registration or issuance of a stock certificate or certificates, and by an Award Agreement setting forth the terms of such Restricted Stock Award.

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

The holder of a Restricted Stock Award may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of the shares of Common Stock represented by the Restricted Stock Award during the applicable Restriction Period (as defined herein). The Committee shall impose such other restrictions and conditions on any shares of Common Stock covered by a Restricted Stock Award as it may deem advisable including, without limitation, restrictions under applicable Federal or state securities laws, and may legend the certificates representing Restricted Stock to give appropriate notice of such restrictions. The "Restriction Period" for any shares of Common Stock covered by a Restricted Stock Award granted to any Eligible Director is three years. The "Restriction Period" for any shares of Common Stock covered by a Restricted Stock Award granted to any Eligible Employee is determined by any employment, service and/or performance requirements relating to such Restricted Stock Award.
 - ii) Eligible Directors. In regard to a grant of a Restricted Stock Award to any Eligible Director, the shares of Common Stock covered by such Restricted Stock Award shall immediately vest, but shall be subject to a three year Restriction Period, subject to early termination upon the occurrence of a Change of Control Event under Section 10.5.
- 9
- iii) Eligible Employees. In regard to a grant of a Restricted Stock Award to any Eligible Employee, the Committee shall determine the employment, service and/or performance requirements which shall apply to the shares of Common Stock covered by such Restricted Stock Award. Unless (i) vesting requirements are based upon specified performance goals and measures set forth in the Award Agreement at the time of the Award that require at least a twelve-month performance period, (ii) vesting is accelerated upon the occurrence of a Change of Control Event under Section 10.5 or by the Committee as provided in Section 10.2 or (iii) the shares of Restricted Stock are issued in lieu of cash compensation, the shares shall vest over a minimum three-year period, with all shares vesting on or after the third annual anniversary date of the Award. In addition to any time vesting conditions determined by the Committee, Restricted Stock Awards may be subject to the achievement by the Company of some or all of the operational, financial or stock performance criteria more specifically listed in Exhibit A attached, as set forth in the Award and determined by the Committee.
 - iv) General. At the end of the Restriction Period and, in regard to a Restricted Stock Award granted to any Eligible Employee assuming the fulfillment of any other specified vesting conditions, the restrictions imposed by the Committee shall lapse with respect to the shares of Common Stock covered by the Restricted Stock Award or portion thereof.

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

(b) Rights as Shareholders. During any Restriction Period, the Committee may, in its discretion, grant to the holder of a Restricted Stock Award all or any of the rights of a shareholder with respect to the shares, including, but not by way of limitation, the right to vote such shares and to receive dividends and to purchase securities pursuant to that certain Rights Agreement by and between the Company and Continental Stock Transfer & Trust Company (as Rights Agent) dated October 18, 2002, as the same may be amended, modified or supplement from time to time. If any dividends or other distributions are paid in shares of Common Stock, all such shares shall be subject to the same restrictions on transferability as the shares of Restricted Stock with respect to which they were paid.

ARTICLE VII STOCK APPRECIATION RIGHTS

SECTION 7.1 Grant of SARs. The Committee may from time to time, in its sole discretion, subject to the provisions of the Plan and subject to other terms and conditions as the Committee may determine, grant a SAR to any Eligible Employee or Eligible Director. SARs may be granted in tandem with an Option, in which event, the Participant has the right to elect to exercise either the SAR or the Option. Upon the Participant's election to exercise one of these Awards, the other tandem award is automatically terminated. SARs may also be granted as an independent Award separate from an Option. Each grant of a SAR shall be evidenced by an Award Agreement executed by the Company and the Participant and shall contain such terms and conditions and be in such form as the Committee may from time to time approve, subject to the requirements of the Plan. The exercise price of the SAR shall not be less than the Fair Market Value of a share of Common Stock on the Date of Grant of the SAR.

SECTION 7.2 Exercise and Payment. SARs granted under the Plan shall be exercisable in whole or in installments and at such times as shall be provided by the Committee in the Award Agreement and may be conditioned upon the Company's achievement of some or all of the operational, financial or stock performance criteria more specifically listed in Exhibit A attached, as set forth in the Award Agreement and determined by the Committee. Exercise of a SAR shall be by written notice to the Secretary of the Company at least two business days in advance of such exercise. The amount payable with respect to each SAR shall be equal in value to the excess, if any, of the Fair Market Value of a share of Common Stock on the exercise date over the exercise price of the SAR. Payment of amounts attributable to a SAR shall be made in shares of Common Stock or cash as established by the Committee in the Award Agreement.

SECTION 7.3 General. In the event a SAR is granted in tandem with an Incentive Stock Option, the Committee shall subject the SAR to restrictions necessary to ensure satisfaction of the requirements under Section 422 of the Code. In the case of a SAR granted in tandem with an Incentive Stock Option to an Eligible Employee who owns more than 10% of the combined voting power of the Company or its Subsidiaries on the date of such grant, the amount payable with respect to each SAR shall be equal in value to the applicable percentage of the excess, if any, of the Fair Market Value of a share of Common Stock on the exercise date

10

over the exercise price of the SAR, which exercise price shall not be less than 110% of the Fair Market Value of a share of Common Stock on the date the SAR is granted.

ARTICLE VIII PERFORMANCE UNITS

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

determine, grant Performance Units to Eligible Employees and Eligible Directors. Each Award of Performance Units shall be evidenced by an Award Agreement executed by the Company and the Participant, and shall contain such terms and conditions and be in such form as the Committee may from time to time approve, subject to the requirements of Section 8.2.

SECTION 8.2 Conditions of Awards. Each Award of Performance Units shall be subject to the following conditions:

(a) Establishment of Award Terms. Each Award shall state the target, maximum and minimum value of each Performance Unit payable upon the achievement of performance goals.

(b) Achievement of Performance Goals. The Committee shall establish performance targets for each Award for a period of no less than a year based upon the Company's achievement of some or all of the operational, financial or stock performance criteria more specifically listed in Exhibit A attached, as determined by the Committee. The Committee shall also establish such other terms and conditions as it deems appropriate to such Award. The Award may be paid out in cash or Common Stock as established by the Committee in the Award Agreement.

ARTICLE IX STOCK ADJUSTMENTS

In the event that the shares of Common Stock, as constituted on the effective date of the Plan, shall be changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or of another corporation (whether by reason of merger, consolidation, recapitalization, reclassification, stock split, spin-off, combination of shares or otherwise), or if the number of such shares of Common Stock shall be increased through the payment of a stock dividend, or a dividend on the shares of Common Stock, or if rights or warrants to purchase securities of the Company shall be issued to holders of all outstanding Common Stock, then there shall be substituted for or added to each share available under and subject to the Plan, and each share theretofore appropriated under the Plan, the number and kind of shares of stock or other securities into which each outstanding share of Common Stock shall be so changed or for which each such share shall be exchanged or to which each such share shall be entitled, as the case may be, on a fair and equivalent basis in accordance with the applicable provisions of Section 424 of the Code; provided, however, with respect to Options, in no such event will such adjustment result in a modification of any Option as defined in Section 424(h) of the Code. In the event there shall be any other change in the number or kind of the outstanding shares of Common Stock, or any stock or other securities into which the Common Stock shall have been changed or for which it shall have been exchanged, then if the Committee shall, in its sole discretion, determine that such change equitably requires an adjustment in the shares available under and subject to the Plan, or in any Award, theretofore granted, such adjustments shall be made in accordance with such determination, except that no adjustment of the number of shares of Common Stock available under the Plan or to which any Award relates that would otherwise be required shall be made unless and until such adjustment either by itself or with other adjustments not previously made would require an increase or decrease of at least 1% in the number of shares of Common Stock available under the Plan or to which any Award relates immediately prior to the making of such adjustment (the "Minimum Adjustment"). Any adjustment representing a change of less than such minimum amount shall be carried forward and made as soon as such adjustment together with other adjustments required by this Article IX and not previously made would result in a Minimum Adjustment. Notwithstanding the foregoing, any adjustment required by this Article IX which otherwise would not result in a Minimum Adjustment shall be made with respect to shares of Common Stock relating to any Award immediately prior to exercise, payment or settlement of such Award. No fractional shares of Common Stock or

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

units of other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share.

11

ARTICLE X GENERAL

SECTION 10.1 Amendment or Termination of Plan. The Board may alter, suspend or terminate the Plan at any time. In addition, the Board may, from time to time, amend the Plan in any manner, but may not without shareholder approval adopt any amendment which would (i) increase the aggregate number of shares of Common Stock available under the Plan (except by operation of Article IX), (ii) materially modify the requirements as to eligibility for participation in the Plan, or (iii) materially increase the benefits to Participants provided by the Plan.

SECTION 10.2 Termination of Employment; Termination of Service.

(a) Options and SARs.

- i) Eligible Employees. If an Eligible Employee's employment with the Company, a Subsidiary or an Affiliated Entity terminates as a result of death, Disability or Retirement, the Eligible Employee (or personal representative in the case of death) shall be entitled to exercise all or any part of any (a) vested Incentive Stock Option for a period of up to three months from such date of termination (one year in the case of death or Disability (as defined above) in lieu of the three-month period), or (b) vested Nonqualified Stock Option or SAR during the remaining term. If an Eligible Employee's employment terminates for any other reason, the Eligible Employee shall be entitled to exercise all or any part of any vested Option or SAR for a period of up to three months from such date of termination.
- ii) Eligible Directors. If an Eligible Director's service with the Company, a Subsidiary or an Affiliated Entity terminates, the Eligible Director (or personal representative in the case of death) shall be entitled to exercise all or any part of any Nonqualified Stock Options or SARs which are otherwise exercisable on his date of termination of service during the remaining term of such Award.
- iii) General. The Committee may, in its discretion, accelerate the vesting of any employment or service of an Eligible Employee or Eligible Director for any reason, including death, Retirement, Disability, or resignation, as the case may be. In no event shall any Option or SAR be exercisable past the term established in the Award Agreement. Any vested Option or SAR which is not exercised before the earlier of the dates provided above or its term, shall expire.

(b) Restricted Stock Awards. The Committee may, in its discretion, (i) accelerate the vesting of a Restricted Stock Award in the case of death or Disability of an Eligible Employee or (ii) provide for early termination of any Restriction Period in the case of death, Retirement, or resignation of an Eligible Director. In the case of Retirement of an Eligible Employee, the vesting of a Restricted Stock Award shall be accelerated as follows: (x) no acceleration in the case of Retirement within a period less than one year subsequent to the Date of Grant, (y) acceleration of vesting of one-third (1/3)

Edgar Filing: ATWOOD OCEANICS INC - Form DEF 14A

of the shares included in the Restricted Stock Award in the case of Retirement within a period greater than one year, but less than two years subsequent to the Date of Grant, and (z) acceleration of vesting of two-thirds (2/3) of the shares included in the Restricted Stock Award in the case of Retirement within a period greater than two years, but less than three years subsequent to the Date of Grant.

(c) General. Unless otherwise accelerated pursuant to the terms of the relevant Award Agreement or by the Committee as set forth herein, all unvested Awards shall be forfeited upon termination of employment of the Eligible Employee or termination of service of the Eligible Director.

SECTION 10.3 Limited Transferability -- Options. The Committee may, in its discretion, authorize all or a portion of the Nonqualified Stock Options granted under this Plan to be on terms which permit transfer by the Participant to (i) the ex-spouse of the Participant pursuant to the terms of a domestic relations order, (ii) the spouse, children or grandchildren of the Participant ("Immediate Family Members"), (iii) a trust or trusts for the exclusive benefit of such Immediate Family Members, or (iv) a partnership or limited liability company in which such Immediate Family Members are the only partners or members. In addition there may be no consideration for any such transfer. The Award

12

Agreement pursuant to which such Nonqualified Stock Options are granted must expressly provide for transferability in a manner consistent with this paragraph. Subsequent transfers of transferred Nonqualified Stock Options shall be prohibited except as set forth below in this Section 10.3. Following transfer, any such Nonqualified Stock Options shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer, provided that for purposes of Section 10.2 hereof the term "Participant" shall be deemed to refer to the transferee. The events of termination of employment of Section 10.2 hereof shall continue to be applied with respect to the original Participant, following which the Nonqualified Stock Options shall be exercisable by the transferee only to the extent, and for the periods specified in Section 10.2 hereof. No transfer pursuant to this Section 10.3 shall be effective to bind the Company unless the Company shall have been furnished with written notice of such transfer together with such other documents regarding the transfer as the Committee shall request. With the exception of a transfer in compliance with the foregoing provisions of this Section 10.3, all other types of Awards authorized under this Plan shall be transferable only by will or the laws of descent and distribution and, for the avoidance of doubt, for no consideration; however, no such transfer shall be effective to bind the Company unless the Committee has been furnished with written notice of such transfer and an authenticated copy of the will and/or such other evidence as the Committee may deem necessary to establish the validity of the transfer and the acceptance by the transferee of the terms and conditions of such Award.

SECTION 10.4 Withholding Taxes. Unless otherwise paid by the Participant, the Company, its Subsidiaries or any of its Affiliated Entities shall be entitled to deduct from any payment under the Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment or may require the Participant to pay to it such tax prior to and as a condition of the making of such payment. In accordance with any applicable administrative guidelines it establishes, the Committee may allow a Participant to pay the amount of taxes required by law to be withheld from an Award by (i) directing the Company to withhold from any payment of the Award a number of shares of Common Stock having a Fair Market Value on the date of payment equal to the amount of the required withholding taxes or (ii) delivering to the Company previously owned shares of Common Stock having a Fair Market Value on the date of payment equal to the amount of the required withholding taxes. However, any payment made by the Participant

pursuant to either of the foregoing clauses (i) or (ii) shall not be permitted if it would result in an adverse accounting charge with respect to such shares used to pay such taxes unless otherwise approved by the Committee.

SECTION 10.5 Change of Control. Notwithstanding any other provision in this Plan to the contrary, Awards granted under the Plan to any Eligible Employee or Eligible Director shall be immediately vested, fully earned and exercisable upon the occurrence of a Change of Control Event and any Restriction Period shall terminate immediately.

SECTION 10.6 Amendments to Awards. Subject to the limitations of the Plan, the Committee may at any time unilaterally amend the terms of any Award Agreement, whether or not presently exercisable or vested, to the extent it deems appropriate; provided, however, that no amendment shall be allowed which has the effect of repricing an Award, and amendments which are adverse to the Participant shall require the Participant's consent.

SECTION 10.7 Regulatory Approval and Listings. The Company shall use its best efforts to file with the Securities and Exchange Commission as soon as practicable following approval by the shareholders of the Company of the Plan as provided in Section 1.2 of the Plan, and keep continuously effectively, a Registration Statement on Form S-8 with respect to shares of Common Stock subject to Awards hereunder. Notwithstanding anything contained in this Plan to the contrary, the Company shall have no obligation to issue shares of Common Stock under this Plan prior to:

- (a) the obtaining of any approval from, or satisfaction of any waiting period or other condition imposed by, any governmental agency which the Committee shall, in its sole discretion, determine to be necessary or advisable;
- (b) the admission of such shares to listing on the stock exchange on which the Common Stock may be listed; and
- (c) the completion of any registration or other qualification of such shares under any state or Federal law or ruling of any governmental body which the Committee shall, in its sole discretion, determine to be necessary or advisable.

SECTION 10.8 Right to Continued Employment. Participation in the Plan shall not give any Eligible Employee any right to remain in the employ of the Company, any Subsidiary, or any Affiliated Entity. The Company or, in the case of employment with a Subsidiary or an Affiliated Entity, the Subsidiary or Affiliated Entity reserves the right to terminate any Eligible Employee at any time. Further, the adoption of this Plan shall not be deemed to give any Eligible Employee or any other individual any right to be selected as a Participant or to be granted an Award.

Each member of the Committee and each member of the Board shall be fully justified in relying or acting in good faith upon any report made by the independent public accountants of the Company and its Subsidiaries and upon any other information furnished in connection with the Plan by any person or persons other than himself or herself. In no event shall any person who is or shall have been a member of the Committee or of the Board be liable for any determination made or other action taken or any omission to act in reliance upon any such report or information or for any action taken, including the furnishing of information, or failure to act, if in good faith.

SECTION 10.11 Governing Law. The Plan shall be governed by and construed in accordance with the laws of the State of Texas except as superseded by applicable Federal law.

SECTION 10.12 Other Laws. The Committee may refuse to issue or transfer any shares of Common Stock or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such shares or such other consideration might violate any applicable law or regulation or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

SECTION 10.13 No Trust or Fund Created. Neither the Plan nor an Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. To the extent that a Participant acquires the right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any general unsecured creditor of the Company.
