TELMEX ANNOUNCES REVISIONS TO PROSPECTUS IN CONNECTION

WITH PUBLIC TENDER OFFER FOR CHILESAT CORP S.A.

Mexico City, May 24, 2004 - Telefonos de Mexico, S.A. de C.V. (TELMEX) (BMV: TELMEX; NYSE: TMX; NASDAQ: TFONY; LATIBEX: XTMXL) announced today that as a result of comments provided by the Superintendency of Securities and Insurance in Chile, the prospectus describing the terms and conditions of the public tender offer of its wholly owned subsidiary, Telmex Chile Holding S.A. (TELMEX CHILE), to acquire up to 60% of the outstanding shares of Chilesat Corp S.A. (CHILESAT) has been amended. The amendments will allow withdrawing shareholders to receive all documents delivered by them upon their withdrawal, rather than waiting up to 8 days to receive these documents. In addition, the amendments to the prospectus clarify that although there are no plans for the merger, reorganization or liquidation of Chilesat or its affiliates for the next 12 months, Telmex Chile may decide to carry out some of these plans if it concludes that these plans are for the benefit of Chilesat Corp or its affiliates. Telmex stated that it has amended the prospectus and filed it with Superintendency of Securities and Insurance in Chile.

Offer Details

On May 4, 2004, Telmex Chile launched its public tender offer to acquire up to 60% of the outstanding shares of Chilesat, a telecommunications company, at a price of \$154.23 Chilean Pesos per share of common stock, in order to obtain control of the company. The offer will expire at 5:30 p.m., New York City time, on June 3, 2004 unless extended. The offer is being made to all shareholders of Chilesat. The offer is not being made for the American Depositary Shares (ADSs) of Chilesat and there will be no separate offer in the United States to acquire the ADSs. In order for holders of ADSs to participate in the offer, they must tender the shares represented by their ADSs to The Bank of New York, the U.S. tender agent of the offer no later than 5:00 p.m., New York City time, on June 1, 2004 unless extended.
