See Item 3.02 below for a description of a Common Stock Purchase
Agreement between the Company and certain accredited investors relating to a
private placement of common stock.

Edgar Filing: ABRAXAS PETROLEUM CORP - Form 8-K

Item 3.02 Unregistered Sales of Equity Securities

On July 20, 2005, Abraxas Petroleum Corporation (the "Company") entered into a Common Stock Purchase Agreement (the "Agreement") with certain accredited investors (the "Purchasers"), pursuant to which the Company issued 4.0 million shares of its common stock, par value \$.01 per share (the "Common Stock"), to the Purchasers at a price of \$3.00 per share, or an aggregate of \$12.0 million in cash before transaction expenses. The Common Stock has not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any applicable state securities laws in reliance on the exemption provided by ss. 4(2) of the Securities Act and Rule 506 of the regulations promulgated thereunder. The Common Stock may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. There was no general solicitation involved in the offer and the Common Stock was sold exclusively to accredited investors as defined under Regulation D. The Company will pay a five percent (5%) cash commission out of such proceeds to Energy Capital Solutions LLC which acted as the Company's financial advisor.

The Company has agreed, promptly following the Closing but no later than August 31, 2005, to prepare and file with the Securities and Exchange Commission a registration statement on Form S-3 or such other successor form (except that if the Company is not then eligible to register for resale the Common Stock on Form S-3, then such registration shall be on Form S-1 or any successor form) (a "Registration Statement") to enable the resale of the Common Stock by the Purchasers or their transferees from time to time over the American Stock Exchange or any other national exchange on which the Company's Common Stock is then traded, or in privately-negotiated transactions. The Company has agreed to use its commercially reasonable efforts to cause such Registration Statement to become effective as soon as practicable (subject to receipt of necessary information from the Purchasers after prompt request from the Company to the Purchasers to provide such information) and to remain continuously effective for a period ending on the date that is, with respect to each Purchaser's Common Stock purchased pursuant to the Agreement, the earlier of (i) the date on which the Purchaser may sell all shares of Common Stock then held by the Purchaser without restriction under Rule 144(k), or (ii) such time as all shares of Common Stock purchased by such Purchaser pursuant to the Agreement have been sold or otherwise transferred pursuant to a registration statement or otherwise.

If the Registration Statement is not declared effective within one hundred twenty (120) days after the Closing Date, the Company shall be obligated to pay liquidated damages in additional shares of the Common Stock to each Purchaser of a number of shares equal to two percent (2%) of such Purchaser's Purchase Price for Common Stock purchased at the Closing and then outstanding pursuant to the Agreement divided by the 10-day average closing price of the Common Stock prior to the date that the payment is due, and two percent (2%) of such Purchaser's Purchase Price for Common Stock purchased and then outstanding pursuant to the Agreement divided by the prior 10-day average closing price of the Common Stock prior to the date that the payment is due for each subsequent thirty (30) day period (pro rated for such periods less than thirty (30) days) until the Registration Statement is declared effective. However, in no event shall the total number of shares of Common Stock that the Company shall be required to issue pursuant to the Agreement exceed the maximum number of shares of Common Stock that the Company can issue without stockholder approval pursuant to any rule of the American Stock Exchange, or any other national exchange on which the Company's Common Stock is then traded including, without limitation, Section 713 of the American Stock Exchange Listing Standards, Policies and Requirements, subject to equitable adjustments from time to time for stock-splits, stock dividends, combinations, capital reorganizations and similar events relating to the Common Stock occurring after the date of the Agreement.
