Shareholders will need to show valid identification and proof of share ownership to be admitted to the Meeting or to inspect the list of shareholders.

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all shares present and entitled to vote, including abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment or adjournments.

The close of business on October 15, 2007 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Meeting and any adjournments or postponements thereof.

The Fund has one class of shares of beneficial interest, par value \$0.01 per share, known as common shares ("Shares"). On the Record Date, the Fund had 6,446,996 Shares outstanding. Shares of the Fund are listed on the American Stock Exchange under the ticker symbol "FEN."

To approve the new investment sub-advisory agreement for the Fund (Proposal 1), the vote of a majority of the outstanding voting securities of the Fund will be required. The "vote of a majority of the outstanding voting securities" is defined in the Investment Company Act of 1940, as amended (together with the rules and regulations thereunder, the "1940 Act"), as the vote of the lesser of (i) 67% or more of the shares of the Fund present at the Meeting if the holders of more than 50% of the outstanding shares of the Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding shares of the Fund. Abstentions and broker non-votes will have the effect of a vote against the proposal. Shareholders of record on the Record Date are entitled to one vote for each Share the shareholder owns and a proportionate fractional vote for any fraction of a Share the shareholder owns.

To authorize the issuance and sale by the Fund of its common shares at a net price below its then-current net asset value (Proposal 2), the proposal must be approved by both (i) the affirmative vote of a

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

majority (in number) of all common shareholders of record of the Fund, as of the Record Date; and (ii) the affirmative vote of a majority of the votes cast (based on Shares voted), in person or by proxy. If both approvals are not obtained, Proposal 2 will not pass. Solely for purposes of determining whether a majority of the number of common shareholders of record of the Fund approved Proposal 2, the number of Shares held by any single shareholder will not be relevant, and abstentions and broker non-votes will have the effect of a vote against the proposal. Solely for purposes of determining whether a majority of the votes cast by the common shareholders of record of the Fund approved Proposal 2, (a) each shareholder of record on the Record Date is entitled to one vote for each Share the shareholder owns and a proportionate fractional vote for any fraction of a Share the shareholder owns and (b) abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for the proposal.

In order that your Shares may be represented at the Meeting, you are requested to:

- o indicate your instructions on the proxy card;
- o date and sign the proxy card;
- o mail the proxy card promptly in the enclosed envelope which requires no postage if mailed in the continental United States; and
- o allow sufficient time for the proxy card to be received BY 5:00 P.M. EASTERN TIME, on MONDAY, JANUARY 7, 2008. (However, proxies received after this date may still be voted in the event the Meeting is adjourned or postponed to a later date.)

### PROPOSAL 1: APPROVAL OF A NEW INVESTMENT SUB-ADVISORY AGREEMENT FOR THE FUND

AS DESCRIBED BELOW, THE FUND'S PREVIOUS INVESTMENT SUB-ADVISORY AGREEMENT AMONG THE FUND, THE ADVISER AND FIDUCIARY ASSET MANAGEMENT, LLC AUTOMATICALLY TERMINATED ON SEPTEMBER 14, 2007. ON SEPTEMBER 21, 2007, THE BOARD DETERMINED THAT IT WOULD BE IN THE BEST INTERESTS OF THE FUND TO SELECT ENERGY INCOME PARTNERS, LLC AS THE NEW INVESTMENT SUB-ADVISER FOR THE FUND AND APPROVED, SUBJECT TO SHAREHOLDER APPROVAL, A NEW INVESTMENT SUB-ADVISORY AGREEMENT AMONG THE FUND, THE ADVISER AND ENERGY INCOME PARTNERS, LLC (THE "NEW SUB-ADVISORY AGREEMENT"). IN ADDITION, AS PERMITTED BY THE 1940 ACT, ON SEPTEMBER 14, 2007, THE BOARD OF TRUSTEES OF THE FUND, INCLUDING A MAJORITY OF THE TRUSTEES WHO ARE NOT "INTERESTED PERSONS" OF THE FUND AS THAT TERM IS DEFINED IN THE 1940 ACT (SUCH TRUSTEES, THE "INDEPENDENT TRUSTEES"), APPROVED AN INTERIM INVESTMENT SUB-ADVISORY AGREEMENT AMONG THE FUND, THE ADVISER AND ENERGY INCOME PARTNERS, LLC, WHICH IS CURRENTLY IN EFFECT AND WILL CONTINUE TO BE IN EFFECT FOR 150 DAYS AFTER THE CLOSING OF THE TRANSACTION DESCRIBED BELOW OR UNTIL SHAREHOLDERS APPROVE THE NEW SUB-ADVISORY AGREEMENT, WHICHEVER

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

OCCURS FIRST (UNLESS TERMINATED SOONER IN ACCORDANCE WITH ITS TERMS). THE BOARD RECOMMENDS THAT SHAREHOLDERS APPROVE THE NEW SUB-ADVISORY AGREEMENT.

### BACKGROUND AND REASON FOR VOTE

On June 24, 2004, the Fund entered into an investment sub-advisory agreement (the "Prior Sub-Advisory Agreement") with the Adviser and Fiduciary Asset Management, LLC ("FAMCO" or the "Prior Sub-Adviser"). In April 2007, FAMCO and Piper Jaffray Companies ("Piper Jaffray") entered into a definitive agreement (the "Transaction Agreement") pursuant to which Piper Jaffray agreed to acquire FAMCO (the "Transaction"). The Transaction was consummated on September 14, 2007 and resulted in a change in control of the Prior Sub-Adviser, which constituted an "assignment" of the Prior Sub-Advisory Agreement, as that term is used in the 1940 Act. Pursuant to the terms of the Prior Sub-Advisory Agreement and the requirements of the 1940 Act, the Prior Sub-Advisory Agreement automatically terminated upon its assignment.

At a meeting of the Board held on September 14, 2007, the Board, after careful consideration of a variety of factors and possible alternatives to the Fund's investment sub-advisory arrangement (see "BOARD CONSIDERATIONS" below), determined that the appointment of Energy Income Partners, LLC ("EIP"), an investment adviser registered with the Securities and Exchange Commission (the "SEC") pursuant to the Investment Advisers Act of 1940, was in the best interests of the Fund. Accordingly, as permitted under the 1940 Act, the Board unanimously approved an interim investment sub-advisory agreement (the "Interim Sub-Advisory Agreement") among the Adviser, the Fund and EIP to ensure the continuation of investment sub-advisory services to the Fund upon the termination of the Prior Sub-Advisory Agreement. The Interim Sub-Advisory Agreement has been in effect since September 14, 2007. In addition, at its meeting on September 21, 2007, the Board approved, subject to shareholder approval, the New Sub-Advisory Agreement among the Fund, the Adviser and EIP.

Pursuant to Rule 15a-4 under the 1940 Act, the Interim Sub-Advisory Agreement will be in effect no longer than through February 11, 2008 (i.e., 150 days after the termination of the Prior Sub-Advisory Agreement described above). If shareholders of the Fund do not approve the New Sub-Advisory Agreement by that date, the Interim Sub-Advisory Agreement will remain in effect through that date, and the Board will take such action as it deems to be in the best interests of the Fund, which might include seeking approval of a new investment sub-advisory agreement or taking any other steps deemed appropriate by the Board. The

-4-

Interim Sub-Advisory Agreement will automatically terminate upon the approval by shareholders of the New Sub-Advisory Agreement. In addition, the Interim Sub-Advisory Agreement may be terminated by action of the Board or by a vote of the majority of the outstanding voting securities of the Fund upon 60 days' written notice.

EIP

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

### General Information/Investment Philosophy

EIP, located at 49 Riverside Avenue, Westport, Connecticut 06880, is a Delaware limited liability company and an SEC-registered investment adviser, founded in October 2003 by James J. Murchie to provide professional asset management services in the area of energy-related master limited partnerships ("MLPs") and other high-payout securities. EIP serves as the investment manager to three unregistered investment companies and one registered investment company for high net worth individuals and institutions. EIP mainly focuses on infrastructure assets such as pipelines, storage and terminals that receive fee-based or regulated income from its customers. At August 31, 2007, EIP managed or supervised approximately \$425 million in assets.

In describing its investment philosophy, EIP believes that, because the energy industry is capital intensive, mature and has low rates of overall growth, financial success for companies operating in this industry requires strict capital spending discipline. According to EIP, capital spending discipline results from prudent management or a policy to pay out most available free cash flow to investors. EIP notes that issuers in the energy industry that pay out all or most of their available free cash flow in the form of monthly or quarterly distributions or dividends, such as MLPs, income trusts and corporations with similar payout dividend policies, have a built-in capital spending discipline. In EIP's view, energy companies with built-in capital spending discipline provide an attractive investment universe from which to construct a portfolio.

As sub-adviser of the Fund (assuming approval by shareholders), EIP will seek to invest in companies that fit EIP's investment philosophy and the Fund's investment objective. EIP notes that there have been a number of MLP initial public offerings recently that are increasingly based on cyclical businesses such as oil and gas production and shipping. EIP expects to limit the commodity exposure of the portfolio and to seek investments in stable energy infrastructure which derives most of its income from fee-based assets. Moreover, to the extent consistent with its investment philosophy, EIP expects that the Fund will continue to invest in private and restricted securities. The Fund's investment objective will not change.

### Portfolio Manager Information

It is currently anticipated that the portfolio managers identified below (who are acting as such under the Interim Sub-Advisory Agreement) will continue to be responsible for the day-to-day management of the Fund's portfolio:

JAMES J. MURCHIE. James J. Murchie is the Founder, the Chief Executive Officer and a Principal of EIP. Mr. Murchie founded EIP in 2003. In December 2004, he and the EIP investment team joined Pequot Capital Management. In August 2006, Mr. Murchie and the EIP investment team left Pequot Capital Management and re-established EIP. Prior to founding EIP, Mr. Murchie was a Portfolio Manager at Lawhill Capital Partners, LLC ("Lawhill Capital"), a long/short equity hedge fund investing in commodities and equities in the energy and basic industry sectors. Before Lawhill Capital, Mr. Murchie was a Managing Director at Tiger Management, LLC, where his primary responsibility was investments

in commodities and related equities. Mr. Murchie was also a Principal at Sanford C. Bernstein. He began his career at British Petroleum.

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

EVA PAO. Ms. Pao is a Principal of EIP. She joined EIP in 2003 after graduating from Harvard Business School, serving as Managing Director of EIP until the EIP investment team joined Pequot Capital Management. Prior to Harvard Business School, Ms. Pao was a Manager at Enron Corp. where she managed a portfolio in Canadian oil and gas equities for Enron's internal hedge fund that specialized in energy-related equities and managed a natural gas trading book.

Other Registered Investment Company Currently Advised by EIP with a Similar Investment Objective

EIP acts as investment adviser with respect to one registered investment company with a similar investment objective as the Fund. The name of this fund, together with its size and the annual rate of compensation paid to EIP for its services, are set forth below:

FUND NAME	ASSETS UNDER MANAGEMENT AS OF SEPTEMBER 30, 2007	ANNUAL RATE OF COMPENSATION
EIP Growth and Income Fund	Approximately \$205 million	1% of average net assets

EIP has not waived, reduced or otherwise agreed to reduce its compensation under any contract to provide advisory services to the fund listed above.

### THE PRIOR SUB-ADVISORY AGREEMENT

The Prior Sub-Advisory Agreement, dated June 24, 2004, was approved by the Board of Trustees, including a majority of the Independent Trustees, on April 18, 2004, and by the initial shareholder of the Fund on June 17, 2004. Since the beginning of the Fund's last fiscal year, the continuation of the Prior Sub-Advisory Agreement was approved by the Board twice, most recently on March 12, 2007 prior to the announcement of the Transaction. The Prior Sub-Advisory Agreement provided for its automatic termination in the event of an "assignment," as defined in the 1940 Act. As described above, a change in ownership and control of the Prior Sub-Adviser therefore terminated the Prior Sub-Advisory Agreement on September 14, 2007.

### COMPARISON OF THE NEW SUB-ADVISORY AGREEMENT AND PRIOR SUB-ADVISORY AGREEMENT

The terms of the New Sub-Advisory Agreement are substantially similar to those of the Prior Sub-Advisory Agreement, except for the effective date and the differences noted below. Except for the effective date and termination provisions, the terms of the Interim Sub-Advisory Agreement, which is currently in effect, are substantially similar to those of the New Sub-Advisory Agreement. The rate of compensation paid to EIP under both the Interim Sub-Advisory Agreement and the New Sub-Advisory Agreement is the same as that paid to the Prior Sub-Adviser under the Prior Sub-Advisory Agreement.

Below is a brief comparison of certain terms of the Prior Sub-Advisory Agreement to the corresponding terms of the New Sub-Advisory Agreement. For a more complete understanding of the New Sub-Advisory Agreement, please refer to the form of the New Sub-Advisory Agreement provided in Appendix A hereto.

Advisory Services. The advisory services to be provided by EIP to the Fund under the New Sub-Advisory Agreement will be substantially similar to those advisory services previously provided by the Prior Sub-Adviser under the Prior Sub-Advisory Agreement. Both the Prior Sub-Advisory Agreement and the New Sub-Advisory Agreement provide that the sub-adviser will furnish an investment program in respect of, make investment decisions for, and place all orders for the purchase and sale of securities for the Fund's investment portfolio, all on behalf of the Fund and subject to the supervision of the Fund's Board and the Adviser. As was the case under the Prior Sub-Advisory Agreement, under the New Sub-Advisory Agreement, the sub-adviser is required to monitor the Fund's investments and to comply with the provisions of the Fund's Declaration of Trust and By-Laws and the stated investment objectives, policies and restrictions of the Fund. In addition, under the Prior Sub-Advisory Agreement, the Prior Sub-Adviser agreed to vote all proxies solicited by or with respect to the issuers of securities of the Fund corresponding to assets of the Fund's investment portfolio allocated by the Adviser to the sub-adviser. Although this obligation is not explicitly set forth in the New Sub-Advisory Agreement, EIP has undertaken to vote such proxies.

Brokerage. As was the case under the Prior Sub-Advisory Agreement, the New Sub-Advisory Agreement authorizes the sub-adviser to select the brokers or dealers that will execute the purchases and sales of portfolio investments for the Fund, and directs the sub-adviser to use its commercially reasonable efforts to obtain best execution, which includes most favorable net results and execution of the Fund's orders, taking into account all appropriate factors, including price, dealer spread or commission, size and difficulty of the transaction and research or other services provided.

Fees. As was the case under the Prior Sub-Advisory Agreement, under the New Sub-Advisory Agreement, the Adviser pays the sub-adviser a portfolio management fee on a monthly basis. Both the Prior Sub-Advisory Agreement and the New Sub-Advisory Agreement provide that for services provided and expenses assumed, the Adviser will pay the sub-adviser a fee equal to the annual rate of 0.50% of the Fund's "Managed Assets." The term "Managed Assets" means the average daily gross asset value of the Fund (including assets attributable to the Fund's preferred shares, if any, and the principal amount of borrowings), minus the sum of the Fund's accrued and unpaid dividends on any outstanding preferred shares and accrued liabilities (other than the principal amount of any borrowings incurred, commercial paper or notes or other forms of indebtedness issued by the Fund and the liquidation preference of any outstanding preferred shares).

In addition, under the Prior Sub-Advisory Agreement, the Prior Sub-Adviser agreed to reduce its management fee to an annual rate of 0.382% of the Fund's Managed Assets for the period from the effective date of such Agreement until June 24, 2006 and agreed to pay one half of certain offering costs and organizational costs. Because these provisions are no longer relevant, they will not be included in the New Sub-Advisory Agreement.

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

During the fiscal year of the Fund ended November 30, 2006, the aggregate fees paid by the Adviser to the Prior Sub-Adviser under the Prior Sub-Advisory Agreement were \$890,634.55.

Payment of Expenses. Under the Prior Sub-Advisory Agreement, the Prior Sub-Adviser agreed to pay all expenses it incurred in connection with its activities under such Agreement other than the cost of securities and other assets (including brokerage commissions, if any) purchased for the Fund. Under the New Sub-Advisory Agreement, the sub-adviser agrees to pay all expenses it incurs in connection with its activities under such Agreement other than (i) the cost of securities and other assets purchased for the Fund and (ii) the costs directly associated with

-8-

purchasing and selling securities and other assets for the Fund, if any, including, but not limited to, brokerage commissions, stamps, duties, taxes and custody fees related to transfers.

Limitation on Liability. The New Sub-Advisory Agreement provides that the sub-adviser will not be liable for, and the Fund and the Adviser will not take any action against the sub-adviser to hold the sub-adviser liable for, any error of judgment or mistake of law or for any loss suffered by the Fund or the Adviser in connection with the performance of the sub-adviser's duties under the Agreement, except for a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the sub-adviser in the performance of its duties under the Agreement, or by reason of its reckless disregard of its obligations and duties under the Agreement. The Prior Sub-Advisory Agreement included a provision generally similar to the foregoing.

Continuance. The Prior Sub-Advisory Agreement was originally in effect for an initial term of two years and could be continued thereafter for successive one-year periods if such continuance was specifically approved at least annually in the manner required by the 1940 Act. If the shareholders of the Fund approve the New Sub-Advisory Agreement, the New Sub-Advisory Agreement will expire on June 30, 2009, unless continued. Thereafter, the New Sub-Advisory Agreement may be continued for successive one-year periods if such continuance is specifically approved at least annually in the manner required by the 1940 Act.

Termination. As was the case under the Prior Sub-Advisory Agreement, the New Sub-Advisory Agreement provides for termination at any time without the payment of any penalty by the Adviser or the sub-adviser upon 60 days' written notice to the other parties, and also provides for termination by the Fund by action of the Board or by a vote of a majority of the outstanding voting securities of the Fund upon 60 days' written notice to the sub-adviser without the payment of any penalty.

In addition, the Prior Sub-Advisory Agreement was, and the New Sub-Advisory Agreement is, terminable at any time without the payment of any penalty by the Adviser, by the Board or by vote of a majority of the outstanding voting securities of the Fund in the event that it is established by a court of competent jurisdiction that the sub-adviser or any of its officers or directors has taken any action that results in a

breach of the material covenants of the sub-adviser set forth in the Agreement.

### BOARD CONSIDERATIONS

The Board, including a majority of the Independent Trustees, approved the Interim Sub-Advisory Agreement and the New Sub-Advisory Agreement (collectively, the "Agreements") at meetings held on September 14, 2007 and September 21, 2007, respectively. The Board determined that the terms of the Agreements are fair and reasonable and in the best interests of the Fund.

In April 2007, the Board was informed that FAMCO had entered into the Transaction Agreement with Piper Jaffray and that if the Transaction was consummated, the Prior Sub-Advisory Agreement would terminate pursuant to its terms and the requirements of the 1940 Act. In light of the potential termination of the Prior Sub-Advisory Agreement, the Board, over the course of several months, requested and evaluated all information it deemed reasonably necessary to evaluate the various alternatives the Fund could pursue if the Transaction were completed. As part of the review process, the Board met on several occasions with representatives of First Trust Advisors to discuss the Transaction. The Independent Trustees also asked that written requests for information be sent on their behalf to FAMCO and Piper Jaffray. On June 11, 2007, the Board met with representatives of FAMCO and Piper Jaffray and received a

-9-

presentation on the Transaction. The Board was able to ask questions about the possible effects of the Transaction on the services provided by FAMCO to the Fund. At the June 11th meeting, the Board also requested that the Adviser research and provide information on potential alternative sub-advisers for its July meeting. At the July 18, 2007 meeting, the Board met with representatives of EIP and received a presentation regarding EIP's investment style. Throughout the entire review process, the Independent Trustees were advised by their independent legal counsel.

As a result of the consummation of the Transaction and the termination of the Prior Sub-Advisory Agreement, the Board held a special meeting on September 14, 2007 to consider how to proceed. At this meeting, the Adviser recommended to the Board that EIP serve as the new sub-adviser for the Fund. Based on its consideration of all the information received prior to the closing of the Transaction, the Board appointed EIP as the interim sub-adviser to the Fund, pursuant to the Interim Sub-Advisory Agreement. At a special meeting on September 21, 2007, the Board approved the New Sub-Advisory Agreement and determined to recommend it to shareholders of the Fund for their approval. The Board noted that, at the request of the Independent Trustees, First Trust Advisors and/or EIP had agreed to bear the costs associated with soliciting shareholder approval of the New Sub-Advisory Agreement.

To reach its determination, the Board considered its duties under the 1940 Act, as well as under the general principles of state law in reviewing and approving advisory contracts; the requirements of the 1940 Act in such matters; the fiduciary duty of investment advisers with respect to advisory agreements and compensation; the standards used by

courts in determining whether investment company boards have fulfilled their duties; and the factors to be considered by the Board in voting on such agreements. To assist the Board in its evaluation of the Agreements, the Independent Trustees received a report from EIP responding to a request for information from the Adviser and counsel to the Independent Trustees. The report, among other things, outlined the services to be provided by EIP (including the relevant personnel responsible for these services and their experience); the sub-advisory fee for the Fund as compared to fees charged to other clients of EIP; the nature of expenses to be incurred in providing services to the Fund and the potential for economies of scale, if any; financial data on EIP; any fall-out benefits to EIP; and information on EIP's compliance program. The Independent Trustees also met separately on a number of occasions with their independent legal counsel to discuss the information provided by EIP and the Adviser. The Board applied its business judgment to determine whether the arrangements between the Fund, the Adviser and EIP are reasonable business arrangements from the Fund's perspective as well as from the perspective of shareholders.

In reviewing the Agreements, the Board considered the nature, quality and extent of services to be provided by EIP under the Agreements. The Board noted EIP's investment style and the backgrounds of the investment personnel who would be responsible for the day-to-day management of the Fund. The Board considered, in particular, EIP's experience as adviser to a registered investment company and to three unregistered investment companies with portfolio strategies similar to the strategies of the Fund. The Board considered the investment performance of the Fund under FAMCO, and also considered performance information for one of the unregistered investment companies managed by EIP in a manner similar to the style to be used for the Fund. In light of the information presented and the considerations made, the Board concluded that the nature, quality and extent of services to be provided to the Fund by EIP under the Agreements are expected to be satisfactory.

The Board considered the sub-advisory fees to be paid under the Agreements, noting that they would be the same as the fees paid under the Prior Sub-Advisory Agreement. The Board considered the proposed

-10-

sub-advisory fee and how it would relate to the overall management fee structure of the Fund, noting that the fees to be paid to EIP would be paid by the Adviser from its advisory fee. The Board also considered information provided by EIP as to the fees it charges to other clients, noting that the sub-advisory fee is less than the fees charged by EIP to the other investment companies it manages. On the basis of all the information provided on the fees of the Fund, the Board concluded that the sub-advisory fees to be paid under the Agreements were reasonable and appropriate in light of the nature, quality and extent of services expected to be provided by EIP under the Agreements.

The Board considered EIP's representation that its expenses incurred in providing services to the Fund are primarily fixed in nature. The Board also considered that EIP expects that additional investments in personnel and infrastructure will be made over the course of the next twelve months. The Board concluded that the fees to be paid under the Agreements as well as under the investment management agreement with the Adviser reflect an appropriate sharing of any economies of scale. With

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

respect to EIP's anticipated profitability under the Agreements, the Board reviewed a pro forma statement of profits and losses provided by EIP. The Board noted that the sub-advisory fee rate was negotiated at arm's length between the Adviser and EIP, and that EIP would be paid by the Adviser. Based on the information provided, the Board concluded that the profitability of the Agreements to EIP was anticipated to be not unreasonable. The Board considered the fall-out benefits expected to be realized by EIP from its relationship with the Fund, including possible soft dollar arrangements.

Based on all of the information considered and the conclusions reached, the Board, including a majority of the Independent Trustees, determined that the terms of the Agreements are fair and reasonable and that the approval of the Agreements is in the best interests of the Fund. No single factor was determinative in the Board's analysis.

### SHAREHOLDER APPROVAL AND REQUIRED VOTE

To become effective, the New Sub-Advisory Agreement must be approved by a vote of a majority of the outstanding voting securities of the Fund. The "vote of a majority of the outstanding voting securities" is defined in the 1940 Act as the vote of the lesser of (i) 67% or more of the Shares of the Fund present at the Meeting if the holders of more than 50% of the outstanding Shares of the Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding Shares of the Fund. For purposes of determining the approval of the New Sub-Advisory Agreement, abstentions and broker non-votes will have the effect of a vote against the proposal.

THE BOARD OF TRUSTEES OF THE FUND RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 1. IF YOU NEED ANY ASSISTANCE, OR HAVE ANY QUESTIONS REGARDING PROPOSAL 1 OR HOW TO VOTE YOUR SHARES, CALL YOUR FUND'S PROXY SOLICITOR, THE ALTMAN GROUP, AT (800) 761-6707 WEEKDAYS FROM 9:00 A.M. TO 10:00 P.M. EASTERN TIME.

### PROPOSAL 2: APPROVAL TO AUTHORIZE THE FUND

TO ISSUE AND SELL SHARES AT A NET PRICE BELOW THE THEN-CURRENT NET ASSET VALUE

AS DESCRIBED BELOW, THE FUND IS SEEKING THE AUTHORITY TO ISSUE AND SELL SHARES AT A NET PRICE LESS THAN ITS THEN-CURRENT NET ASSET VALUE PER SHARE ("NAV"). THE 1940 ACT PROVIDES THAT A CLOSED-END INVESTMENT COMPANY, SUCH AS THE FUND, MAY ONLY SELL COMMON SHARES AT A PRICE THAT IS LESS THAN NAV IF SUCH INVESTMENT COMPANY HAS OBTAINED THE CONSENT OF A MAJORITY OF ITS COMMON SHAREHOLDERS OR UNDER CERTAIN OTHER CIRCUMSTANCES. SO THAT THE FUND MAY, IN ONE OR MORE PUBLIC OR PRIVATE OFFERINGS OF ITS SHARES, SELL SHARES AT A PRICE LESS THAN THE THEN-CURRENT NAV, SUBJECT TO CERTAIN CONDITIONS DISCUSSED BELOW, YOU ARE BEING ASKED TO APPROVE THE PROPOSAL DESCRIBED BELOW.

### RATIONALE

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

The Fund believes that having the ability to issue and sell Shares at a price that is less than the then-current NAV in certain instances will benefit all holders of its Shares. The Fund is periodically presented with attractive opportunities to acquire securities of MLPs and other prospective portfolio securities. Under normal market conditions, the Fund typically seeks to remain fully invested and does not intend to maintain cash for the purpose of making such investments. The ability of the Fund to sell its existing portfolio securities and reinvest the sale proceeds in such opportunities may be limited both by its sub-adviser's desire to retain such existing portfolio securities based on their relative return potential and the prospective tax impact which may result from a current sale of such securities. Thus, the Fund may be unable to capitalize on attractive investment opportunities presented to it unless it has the ability to raise capital on a timely basis. The market value of the Fund's Shares, however, periodically falls below NAV, which is not uncommon for a closed-end fund. If this happens, absent shareholder approval of this proposal, the Fund would be precluded from selling Shares to raise capital during periods in which Shares are trading at a price below NAV.

The following table sets forth a comparison, as of the last day of each fiscal quarter of the Fund beginning November 30, 2004, between the Fund's NAV per share and the comparable closing price of Shares:

DATE	SHARE PRICE	NAV
November 30, 2004	\$22.12	\$21.30
February 28, 2005	\$23.65	\$22.81
May 31, 2005	\$22.70	\$22.48
August 31, 2005	\$23.33	\$23.90
November 30, 2005	\$20.92	\$22.50
February 28, 2006	\$21.02	\$22.84
May 31, 2006	\$20.70	\$23.81
August 31, 2006	\$22.31	\$24.36
November 30, 2006	\$24.49	\$25.85
February 28, 2007	\$27.94	\$27.79
May 31, 2007	\$28.10	\$30.52
August 31, 2007	\$26.15	\$27.83

This proposal, if approved, will provide the Fund with the flexibility to raise cash and purchase attractively priced securities, even if the net sale price to the Fund of its common shares is below NAV. The Fund does not anticipate selling Shares for a price below NAV unless its sub-adviser has identified near-term investment opportunities that it

believes are attractive and which the Fund's Board reasonably expects will lead to a long-term increase in the Fund's NAV or a long-term increase in the level of the Fund's distributions to shareholders.

To the extent that the Fund issues Shares in a publicly registered transaction, regardless of whether such Shares are sold at a price above or below NAV, the market capitalization and number of publicly tradable Shares of the Fund will increase, thus affording all holders of Shares of the Fund the prospects of greater liquidity.

Notwithstanding shareholder approval of this proposal, any issuance and sale of new Shares by the Fund, whether at, above or below NAV, must be approved by the Board. In determining whether or not to sell additional Shares at a price below NAV, the Board will have a duty to act in the best interests of the Fund.

#### CONDITIONS

The Fund will only sell Shares at a price below NAV if the following conditions are met:

1. The per share offering price, before the deduction of underwriting fees, commissions and offering expenses, will not be less than the NAV per share of the Fund's Shares, as determined at any time within two business days prior to the pricing of the Shares to be sold in the offering.
2. Immediately following each offering of Shares, after deducting underwriting fees, commissions and offering expenses, the NAV per share of the Fund's Shares, as determined at any time within two business days prior to the pricing of the Shares to be sold, would not have been diluted by greater than a total of 1% of the NAV per share of all of the Fund's outstanding Shares. The Fund will not be subject to a maximum number of Shares that can be sold or a defined minimum sales price per share in any offering so long as for each offering the number of Shares offered and the price at which such Shares are sold together would not result in dilution of the NAV per share of the Fund's Shares in excess of the 1% limitation described above.
3. A majority of the Independent Trustees makes a determination, based on information and a recommendation from the Adviser, that they reasonably expect that the investments to be made with the net proceeds of such issuance will lead to a long-term increase in the Fund's NAV or a long-term increase in the level of the Fund's distributions to shareholders.

#### EFFECTS OF SALES OF SHARES FOR A PRICE BELOW NAV

Holders of Shares of the Fund should consider the effect of the issuance of Shares at a price below NAV on the NAV per outstanding Share. Any sale of Shares at a price less than the then-current NAV would result in a reduction of NAV per outstanding Share of the Fund of as much as 1%.

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

The 1940 Act establishes a connection between the sales price of a fund's common shares and NAV because when common shares are sold at a price below NAV, the resulting increase in the number of shares is not accompanied by a proportionate increase in the net assets of the fund.

-13-

If current holders of Shares of the Fund either do not purchase any Shares in an offering conducted by the Fund or do not purchase sufficient Shares in such offering to maintain their percentage interest, the voting power of such holders of Shares will be diluted, regardless of whether the Shares are sold above or below NAV in such offering. Holders of Shares of the Fund should consider that they have no subscription, preferential or preemptive rights to purchase additional Shares of the Fund proposed to be authorized for issuance.

The issuance of additional Shares will also have an effect on the fees received by the Adviser and the sub-adviser. The Adviser is paid an investment advisory fee and the sub-adviser is paid a sub-advisory fee, each of which is based on the Fund's managed assets. Any issuance of additional Shares by the Fund would increase the Fund's managed assets, which would cause an increase in the gross amount of advisory and sub-advisory fees paid, but would not increase or decrease the advisory fee or sub-advisory fee as a percentage of the Fund's managed assets. (Note that the sub-adviser's fee is paid by the Adviser.) Because their fees are based on managed assets of the Fund, the interests of the Adviser and the sub-adviser in determining whether to recommend that the Fund issue Shares for a price below NAV may conflict with the interests of the Fund and its shareholders. However, the Adviser and EIP (assuming approval by shareholders of Proposal 1) have committed to waive a portion of their investment advisory fees and sub-advisory fees following any offering of Shares in the following manner:

(i) the Adviser and EIP will waive all investment advisory fees and sub-advisory fees with respect to the Fund's assets attributable to newly-issued Shares (including any assets attributable to associated financial leverage) for the first three-month period following any offering of Shares; and

(ii) the Adviser and EIP will waive 50% of investment advisory fees and sub-advisory fees with respect to the Fund's assets attributable to newly-issued Shares (including any assets attributable to associated financial leverage) for the second three-month period following any offering of Shares.

This waiver is designed to address concerns about dilution created by the time required to invest the proceeds of the offering of the Shares and the costs of the offering.

### SHAREHOLDER APPROVAL AND REQUIRED VOTE

With respect to Proposal 2, approval by both (i) the affirmative vote of a majority (in number) of all common shareholders of record of the Fund, as of the Record Date; and (ii) the affirmative vote of a majority of the votes cast (based on Shares voted), in person or by

Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

proxy, is required. If both approvals are not obtained, Proposal 2 will not pass. Solely for purposes of determining whether a majority of the number of common shareholders of record of the Fund approved Proposal 2, the number of Shares held by any single shareholder will not be relevant, and abstentions and broker non-votes will have the effect of a vote against the proposal. Solely for purposes of determining whether a majority of the votes cast by the common shareholders of record of the Fund approved Proposal 2, (a) each shareholder of record on the Record Date is entitled to one vote for each Share the shareholder owns and a proportionate fractional vote for any fraction of a Share the shareholder owns and (b) abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

APPENDIX A

FORM OF NEW INVESTMENT SUB-ADVISORY AGREEMENT

AGREEMENT made as of this [\_\_\_\_] day of [\_\_\_\_], 2008 by and among Energy Income and Growth Fund, a Massachusetts business trust (the "Fund"), First Trust Advisors L.P., an Illinois limited partnership and a registered investment adviser with the Securities and Exchange Commission ("SEC") (the "Manager"), and Energy Income Partners, LLC, a Delaware limited liability company and a registered investment adviser with the SEC (the "Sub-Adviser").

WHEREAS, the Fund is a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the "1940 Act");

WHEREAS, the Fund has retained the Manager to serve as the investment manager for the Fund pursuant to an Investment Management Agreement between the Manager and the Fund (as such agreement may be modified from time to time, the "Management Agreement");

WHEREAS, the Management Agreement provides that the Manager may, subject to the initial and periodic approvals required under Section 15 of the 1940 Act, appoint a sub-adviser at its own cost and expense for the purpose of furnishing certain services required under the Management Agreement;

WHEREAS, the Fund and the Manager desire to retain the Sub-Adviser to furnish investment advisory services for the Fund's investment portfolio, upon the terms and conditions hereafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Appointment. The Fund and the Manager hereby appoint the Sub-Adviser to provide certain sub-investment advisory services to the Fund for the period and on the terms set forth in this Agreement. The Sub-Adviser accepts such appointment and agrees to furnish the services herein set forth for the compensation herein provided. The Sub-Adviser shall, for all purposes herein provided, be deemed an independent contractor and, unless otherwise expressly provided or authorized, shall have no authority to act for nor represent the Fund or Manager in any way, nor otherwise be deemed an agent of the Fund or the Manager.

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

2. Services to Be Performed. Subject always to the supervision of the Fund's Board of Trustees and the Manager, the Sub-Adviser will act as sub-adviser for, and manage on a discretionary basis the investment and reinvestment of the assets of the Fund, furnish an investment program in respect of, make investment decisions for, and place all orders for the purchase and sale of securities for the Fund's investment portfolio, all on behalf of the Fund and as described in the Fund's most recent effective registration statement on Form N-2 as declared effective by the SEC, and as the same may thereafter be amended from time to time. In the performance of its duties, the Sub-Adviser will in all material respects (a) satisfy any applicable fiduciary duties it may have to the Fund, (b) monitor the Fund's investments, and (c) comply with the provisions of the Fund's Declaration of Trust and By-laws, as amended from time to time and communicated by the Fund or the Manager to the Sub-Adviser in writing, and the stated investment objectives, policies and restrictions of the Fund as such objectives, policies and restrictions may subsequently be changed by the Fund's Board of Trustees and communicated by the Fund or

the Manager to the Sub-Adviser in writing. The Fund or the Manager has provided the Sub-Adviser with current copies of the Fund's Declaration of Trust, By-laws, prospectus, statement of additional information and any amendments thereto, and any objectives, policies or limitations not appearing therein as they may be relevant to the Sub-Adviser's performance under this Agreement.

The Sub-Adviser is authorized to select the brokers or dealers that will execute the purchases and sales of portfolio investments for the Fund, and is directed to use its commercially reasonable efforts to obtain best execution, which includes most favorable net results and execution of the Fund's orders, taking into account all appropriate factors, including price, dealer spread or commission, size and difficulty of the transaction and research or other services provided. Subject to approval by the Fund's Board of Trustees and compliance with the policies and procedures adopted by the Board of Trustees for the Fund and to the extent permitted by and in conformance with applicable law (including Rule 17e-1 of the 1940 Act), the Sub-Adviser may select brokers or dealers affiliated with the Sub-Adviser. It is understood that the Sub-Adviser will not be deemed to have acted unlawfully, or to have breached a fiduciary duty to the Fund, or be in breach of any obligation owing to the Fund under this Agreement, or otherwise, solely by reason of its having caused the Fund to pay a member of a securities exchange, a broker or a dealer a commission for effecting a securities transaction for the Fund in excess of the amount of commission another member of an exchange, broker or dealer would have charged if the Sub-Adviser determined in good faith that the commission paid was reasonable in relation to the brokerage or research services provided by such member, broker or dealer, viewed in terms of that particular transaction or the Sub-Adviser's overall responsibilities with respect to its accounts, including the Fund, as to which it exercises investment discretion.

In addition, the Sub-Adviser may, to the extent permitted by applicable law, aggregate purchase and sale orders of securities placed with respect to the assets of the Fund with similar orders being made simultaneously for other accounts managed by the Sub-Adviser or its affiliates, if in the Sub-Adviser's reasonable judgment such aggregation shall result in an overall economic benefit to the Fund, taking into consideration the selling or purchase price, brokerage commissions and other expenses. In the event that a purchase or sale of an asset of the

## Edgar Filing: ENERGY INCOME & GROWTH FUND - Form DEF 14A

Fund occurs as part of any aggregate sale or purchase orders, the objective of the Sub-Adviser and any of its affiliates involved in such transaction shall be to allocate the securities so purchased or sold, as well as expenses incurred in the transaction, among the Fund and other accounts in a fair and equitable manner. Nevertheless, the Fund and the Manager acknowledge that under some circumstances, such allocation may adversely affect the Fund with respect to the price or size of the securities positions obtainable or salable. Whenever the Fund and one or more other investment advisory clients of the Sub-Adviser have available funds for investment, investments suitable and appropriate for each will be allocated in a manner believed by the Sub-Adviser to be equitable to each, although such allocation may result in a delay in one or more client accounts being fully invested that would not occur if such an allocation were not made. Moreover, it is possible that due to differing investment objectives or for other reasons, the Sub-Adviser and its affiliates may purchase securities or loans of an issuer for one client and at approximately the same time recommend selling or sell the same or similar types of securities or loans for another client.

The Sub-Adviser will not arrange purchases or sales of securities between the Fund and other accounts advised by the Sub-Adviser or its affiliates unless (a) such purchases or sales are in accordance with applicable law (including Rule 17a-7 of the 1940 Act) and the Fund's policies and procedures, (b) the Sub-Adviser determines the purchase or sale is in the best interests of the Fund, and (c) the Fund's Board of Trustees has approved these types of transactions.

A-2

The Fund may adopt policies and procedures that modify or restrict the Sub-Adviser's authority regarding the execution of the Fund's portfolio transactions provided herein. Such policies and procedures and any amendments thereto will be communicated by the Manager to the Sub-Adviser.

The Sub-Adviser will communicate to the officers and Trustees of the Fund such information relating to transactions for the Fund as they may reasonably request. In no instance will the Fund's portfolio securities be purchased from or sold to the Manager, the Sub-Adviser or any affiliated person of either the Fund, the Manager, or the Sub-Adviser, except as may be permitted under the 1940 Act.

The Sub-Adviser further agrees that it:

(a) will use the same degree of skill and care in providing such services as it uses in providing services to other fiduciary accounts for which it has investment responsibilities;

(b) will (i) conform in all material respects to all applicable rules and regulations of the SEC, (ii) comply in all material respects with all policies and procedures adopted by the Board of Trustees for the Fund and communicated to the Sub-Adviser in writing and, (iii) conduct its activities under this Agreement in all material respects in accordance with any applicable law and regulations of any governmental authority

pertaining to its investment advisory activities;

(c) will report to the Manager and to the Board of Trustees of the Fund on a quarterly basis and will make appropriate persons available for the purpose of reviewing with representatives of the Manager and the Board of Trustees on a regular basis at such times as the Manager or the Board of Trustees may reasonably request in writing regarding the management of the Fund, including, without limitation, review of the general investment strategies of the Fund, the performance of the Fund's investment portfolio in relation to relevant standard industry indices and general conditions affecting the marketplace and will provide various other reports from time to time as reasonably requested by the Manager or the Board of Trustees of the Fund; and

(d) will prepare and maintain such books and records with respect to the Fund's securities and other transactions for the Fund's investment portfolio as required for registered investment advisers under applicable law or as otherwise requested by the Manager and will prepare and furnish the Manager and Fund's Board of Trustees such periodic and special reports as the Board or the Manager may reasonably request. The Sub-Adviser further agrees that all records that it maintains for the Fund are the property of the Fund and the Sub-Adviser will surrender promptly to the Fund any such records upon the request of the Manager or the Fund (provided, however, that the Sub-Adviser shall be permitted to retain copies thereof); and shall be permitted to retain originals (with copies to the Fund) to the extent required under Rule 204-2 of the Investment Advisers Act of 1940 or other applicable law.

3. Expenses. During the term of this Agreement, the Sub-Adviser will pay all expenses incurred by it in connection with its activities under this Agreement other than (i) the cost of securities and other assets purchased for the Fund, and (ii) the costs directly associated with purchasing and selling securities and other assets for the Fund, if any, including, but not limited to, brokerage commissions, stamps, duties, taxes and custody fees related to transfers.

4. Compensation. For purposes of calculating the Management Fee, Managed Assets means the average daily gross asset value of the Fund (including assets attributable to the Fund's preferred shares, if any, and the principal amount of borrowings), minus the sum of the Fund's accrued and unpaid dividends on any outstanding preferred shares and accrued liabilities (other than the principal amount of any borrowings incurred, commercial paper or notes or other forms of indebtedness issued by the Fund and the liquidation preference of any outstanding preferred shares). The Fund and the Manager acknowledge that the Sub-Adviser now acts, or may in the future act, as an investment adviser to other managed accounts and as investment adviser or sub-investment adviser to one or more other investment companies. In addition, the Fund and the Manager acknowledge that the persons employed by the Sub-Adviser to assist in the Sub-Adviser's duties under this Agreement will not devote their full time to such efforts. 6. Limitation of Liability. The Sub-Adviser shall not be liable for, and the Fund and the Manager will not take any action against the Sub-Adviser to hold the Sub-Adviser liable for, any error of judgment or mistake of law or for any loss suffered by the Fund or the Manager (including, without limitation, by reason of the purchase, sale or retention of any security) in connection with the performance of the Sub-Adviser's duties under this Agreement, except for a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Sub-Adviser in the performance of its duties under this Agreement, or by reason of its reckless disregard of its obligations and duties under this Agreement.
