VOTING

As described further in the proposal, for each Fund, the affirmative vote of a plurality of the shares present and entitled to

vote at the Meeting will be required to elect the Class I Trustee of that Fund provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of the proposal.

The holders of Common Shares of the First Trust Tax-Advantaged Preferred Income Fund are NOT being solicited with respect to the proposal; although this Joint Proxy Statement is being sent to such shareholders for informational purposes, no proxy card is enclosed. For other shareholders, if the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Fund shares represented thereby will be voted in accordance with the instructions marked thereon. If no instructions are marked on the proxy card, Fund shares represented thereby will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a proxy will be voted FOR the election of the nominee as a Class I Trustee and, at the discretion of the named proxies, on any other matters that may properly come before the Meeting and any adjournments or postponements thereof as deemed appropriate. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person, or by timely submitting a letter of revocation or a later-dated proxy to the applicable Fund at the above address. A list of shareholders entitled to notice of and to be present and to vote at the Meeting will be available at the offices of the Funds, 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Meeting. Shareholders will need to show valid identification and proof of share ownership to be admitted to the Meeting or to inspect the list of shareholders.

Under the By-Laws of each Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding class of shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all shares present and entitled to vote, including abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment or adjournments.

Each Fund has established a staggered board consisting of five (5) Trustees and three (3) classes. As indicated on the chart set forth below under "Management of the Funds," the term of each Trustee is in accordance with the structure of the staggered Board of each Fund. Current Trustee Robert F. If elected, Mr. Keith will hold office for a three-year term expiring at the Funds' annual meeting of shareholders in 2011 or until his successor is elected and qualified, or until he resigns, retires or is otherwise removed. Messrs. Bowen, Erickson, Kadlec and Nielson are current and continuing Trustees. Messrs. Erickson and Kadlec were designated and elected as Class II Trustees for a term expiring at the Funds' annual meeting of shareholders in 2009 or until their successors are elected and qualified,

or until they resign, retire or are otherwise removed. Messrs. MANAGEMENT OF THE FUNDS

The management of each Fund, including general supervision of the duties performed for each Fund under the investment management agreement between each Fund and the Adviser, is the responsibility of the Board of Trustees. There are five Trustees of each Fund, one of whom is an "interested person" (as that term is defined in the 1940 Act) (such Trustee, the "Interested Trustee") and four of whom are Independent Trustees. The Trustees of a Fund set broad policies for that Fund, choose the Fund's officers, and hire the Fund's investment adviser and sub-adviser. The officers of a Fund manage the day-to-day operations and are responsible to the Fund's Board of Trustees.

The Board of Trustees of each Fund is divided into three classes: Class I, Class II and Class III. As set forth below, the term of each Trustee is established in accordance with such Trustee's designated class.

The following is a list of Trustees and officers of each Fund and a statement of their present positions, principal occupations during the past five years, the number of portfolios each Trustee oversees, and the other directorships the Trustees hold, if applicable.

ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

The policy of the Board is to have as many Trustees as possible in attendance at annual meetings of shareholders. The policy of the Nominating and Governance Committee relating to attendance by Trustees at annual meetings of shareholders is contained in the Funds' Nominating and Governance Committee Charter, which is available on each Fund's website located at www.ftportfolios.com. All of the Trustees attended the previous year's annual meeting of shareholders for Common Shares for each of the Funds, if one was held. This is the first Annual Meeting of Shareholders for First Trust/Gallatin Specialty Finance and Financial Opportunities Fund and First Trust Active Dividend Income Fund.

COMMITTEES

AUDIT COMMITTEE

Each Board of Trustees has an Audit Committee, which consists of Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the American Stock Exchange and the New York Stock Exchange. Messrs. Kadlec and Keith serve as Audit Committee Financial Experts. The Audit Committee is responsible for overseeing each Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing the independent registered public accounting firm (subject also to Board approval). The number of meetings of the Audit Committee held by each Fund during its last fiscal year is shown in Schedule 1 hereto. Each of the Trustees attended all of the meetings of the Audit Committee of the Board of Trustees of each Fund.

In carrying out its responsibilities, the Audit Committee pre-approves all audit services and permitted non-audit services for each Fund (including the fees and terms thereof) and non-audit services to be performed for the Adviser by Deloitte & Touche LLP ("Deloitte & Touche"), the Funds' independent registered public accounting firm ("independent auditors") if the engagement relates directly to the operations and financial reporting of the Funds. The chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee for engagements of less than \$25,000. Any decisions by the chairman to grant pre-approvals are reported to the full Audit Committee at the next regularly scheduled meeting.

AUDIT COMMITTEE REPORT

The role of the Audit Committees is to assist the Boards of Trustees in their oversight of each Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed and approved by the Boards of Trustees on December 10, 2007, a copy of which is attached as Exhibit A hereto, and is available on each Fund's website located at <http://www.ftportfolios.com>. As set forth in the Charter, management of each Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Funds' independent auditors are responsible for planning and carrying out proper audits of the Funds' financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

-16-

In performing its oversight function, the Audit Committees reviewed and discussed with management and the independent auditors, Deloitte & Touche, the audited financial statements of the First Trust/FIDAC Mortgage Income Fund, the First Trust Strategic High Income Fund, the First Trust Strategic High Income Fund II and the First Trust Tax-Advantaged Preferred Income Fund for the fiscal years ended October 31, 2007 at a meeting held on December 17, 2007; the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, the Energy Income and Growth Fund, the First Trust/Gallatin Specialty Finance and Financial Opportunities Fund and the First Trust Active Dividend Income Fund for the fiscal years ended November 30, 2007 at a meeting held on January 23, 2008; and the First Trust Enhanced Equity Income Fund, the First Trust/Aberdeen Global Opportunity Income Fund and the First Trust/Aberdeen Emerging Opportunity Fund for the fiscal years ended December 31, 2007 at a meeting held on February 20, 2008, and discussed the audit of such financial statements with the independent auditors and management.

In addition, the Audit Committees discussed with the independent auditors the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement on Auditing Standards No. 114, The Auditor's Communication With Those Charged With Governance, as currently modified or supplemented. The Audit Committees also received from the independent auditors the written disclosures and letter required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, delineating relationships between the independent auditors and each Fund and discussed the impact that any such

relationships may have on the objectivity and independence of the independent auditors.

The members of each Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of each Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of each Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of the Funds' audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of each Fund's audited financial statements for the years ended October 31, November 30, and December 31, 2007 in its Annual Report dated October 31, November 30, and December 31, 2007, respectively.

Submitted by the Audit Committee of the Funds:
Richard E. Erickson
Thomas R. Kadlec
Robert F. Keith
Niel B. Nielson

INDEPENDENT AUDITORS' FEES

Deloitte & Touche has been selected to serve as the independent auditors for each Fund for its current fiscal year, and acted as the independent auditors for each Fund for its most recently completed fiscal year. Deloitte & Touche has advised the Funds that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Funds inconsistent with independent professional standards pertaining to independent registered public accounting firms. It is expected that representatives of Deloitte & Touche will be present at the Meeting to answer any questions that may arise and will have the opportunity to make a statement if they desire to do so. In reliance on Rule 32a-4 under the 1940 Act, each Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.

Pursuant to its charter and its Audit and Non-Audit Services Pre-Approval Policy, amended as of September 21, 2007, the Audit Committee of each Fund is responsible for the pre-approval of all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund by its independent auditors. The chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee up to \$25,000 and report any such pre-approval to the full Audit Committee.

The Audit Committee is also responsible for the pre-approval of the independent auditor's engagements for non-audit services for the Funds' Adviser, if the engagement relates directly to the operations and financial reporting of the Funds, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. If the independent auditor has provided non-audit services to the Funds' Adviser (other than any sub-adviser whose role is primarily portfolio management and is sub-contracted with or overseen by another investment adviser) that were not pre-approved pursuant to its policies, the Audit Committee will consider whether the provision of such non-audit services is compatible with the auditor's independence.

None of the Audit Fees, Audit Related Fees, Tax Fees, and All Other Fees and Aggregate Non-Audit Fees for the Funds and the Adviser disclosed in the tables previously set forth that were required to be pre-approved by the Audit Committee pursuant to its pre-approval policies were pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X.

The Audit Committee of each Fund has determined that the provision of non-audit services that were rendered to the Funds' Adviser (not including any sub-adviser whose role is primarily portfolio management and is sub-contracted with or overseen by another investment adviser) that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence.

OTHER COMMITTEES

The Boards of Trustees of the Funds have three other standing committees: the Executive Committee (also serving as the Dividend and Pricing Committee), the Nominating and Governance Committee and the Valuation Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by each Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board of Trustees known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the declaration and setting of dividends and the issuance and sale, through an underwritten public offering, of the Shares of each Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold and approval of the final terms of the underwriting agreement, including approval of the members of the underwriting syndicate. Effective January 1, 2008, Mr. Bowen and Dr. Erickson are members of the Executive Committee. Prior to January 1, 2008, Messrs. Bowen and Kadlec were members of the Executive Committee. The number of meetings of the Executive Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto. Each Fund's Executive Committee met to authorize the Funds' dividend declarations and to authorize the initial public offering of the applicable Funds.

-21-

Each Fund's Nominating and Governance Committee (the "Committee") is composed entirely of Independent Trustees who are also "independent directors" within the meaning of the listing standards of the American and New York Stock Exchanges. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Committee. The purpose of the Committee is to oversee matters related to the nomination of trustees and, as necessary, the corporate governance of each Fund. The Committee is responsible for, among other things, seeking, identifying and nominating qualified candidates for election or appointment as trustees in the event of a vacancy, consistent with criteria approved by the Board, for the next annual meeting of shareholders; evaluating Board performance and processes; reviewing Board committee assignments; and, to the extent necessary or desirable, establishing corporate governance guidelines and procedures. The Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.ftportfolios.com. Effective January 1, 2008, Mr. Nielson serves as chairman of the Committee. Prior to January 1, 2008,

Dr. Erickson served as chairman of the Committee. The number of meetings of the Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto.

If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including shareholders of the Funds. When a vacancy on the Board occurs, the Committee may seek recommendations for candidates from those sources it deems appropriate in its discretion, including shareholders of the Funds. The Committee may retain a search firm to identify candidates.

If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Committee is accepting recommendations, the recommendation will be forwarded to the chairman of the Committee and outside counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Committee is accepting recommendations at which point they may be considered for nomination.

In recruiting new trustees, the Committee seeks to recruit and retain qualified independent trustees of high integrity, whose skills and experience will enhance the Board's ability to effectively represent the interests of the Funds' shareholders and oversee the wide range of regulatory and business issues affecting the Funds. A candidate for trustee must meet certain basic requirements, including relevant skills and experience, time availability and if qualifying as a non-"interested person" candidate, independence from the Funds and their investment adviser or other service providers. The qualifications of a particular candidate, however, may vary depending on the current composition of the Board and the mix of skills and backgrounds of the incumbent trustees since the Committee seeks to establish an effective Board with an appropriate range of skills and experience, in the aggregate. In addition to relevant skills and experience, all candidates must possess high standards of personal integrity that are assessed on the basis of personal interviews, recommendations, or direct knowledge by Committee members. The review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Committee evaluate persons recommended by a shareholder of the Funds on a basis substantially different than that used for other persons recommended for the same election or appointment of trustees. Each Fund has a retirement policy in place that prohibits consideration for election as a Trustee of persons age 72 or older. The Committee reserves the right to make the final selection regarding the nomination of any trustees.

The Valuation Committee is responsible for the oversight of valuation procedures of the Funds. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. Effective January 1, 2008, Mr. Kadlec serves as chairman of the Valuation Committee. Prior to January 1, 2008, Dr. Erickson served as chairman of the Valuation Committee. The number of meetings of the Valuation Committee held by each Fund during its last fiscal year is shown on Schedule 1 hereto.

To be considered for presentation at the Joint Annual Meetings of Shareholders of the Funds to be held in 2009, a shareholder proposal submitted pursuant to Rule 14a-8 of the 1934 Act must be received at the offices of the applicable Fund at 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, not later than November 19, 2008.

Any proposal to elect any person nominated by shareholders for election as trustee and any other proposals by shareholders may only be brought before an annual meeting of a Fund if timely written notice (the "Shareholder Notice") is provided to the Secretary of the Fund. In accordance with the advance notice provisions included in the Funds' By-Laws, unless a greater or lesser period is required under applicable law, to be timely, the Shareholder Notice must be delivered to or mailed and received at the Fund's address, 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, Attn: W. Scott Jardine, not less than forty-five (45) days nor more than sixty (60) days prior to the first anniversary date of the date of the proxy statement released to shareholders for the preceding year's annual meeting. However, if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before the first anniversary date of the annual meeting for the preceding year and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an "Other Annual Meeting Date"), such Shareholder Notice must be given as described above by the later of the close of business on (i) the date forty-five (45) days prior to such Other Annual Meeting Date or (ii) the tenth (10th) business day following the date such Other Annual Meeting Date is first publicly announced or disclosed.

Any shareholder submitting a nomination of any person or persons (as the case may be) for election as a trustee or trustees of a Fund is required to deliver, as part of such Shareholder Notice: (i) a statement in writing setting forth: (A) the name, age, date of birth, business address, residence address and nationality of the person or persons to be nominated; (B) the class or series and number of all shares of the Fund owned of record or beneficially by each such person or persons, as reported to such shareholder by such nominee(s); (C) any other information regarding each such person required by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the 1934 Act (or any successor provision thereto); (D) any other information regarding the person or persons to be nominated that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitation of proxies for election of trustees or directors pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; and (E) whether such shareholder believes any nominee is or will be an "interested person" of the Fund (as defined in the 1940 Act) and, if not an "interested person," information regarding each nominee that will be sufficient for the Fund to make such determination; and (ii) the written and signed consent of any person nominated to be named as a nominee and to serve as a trustee if elected. In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a trustee.

Without limiting the foregoing, any shareholder who gives a Shareholder Notice of any matter proposed to be brought before a shareholder meeting (whether or not involving nominees for trustees) is required to deliver, as part of such Shareholder Notice: (i) the description of and text of the proposal to be presented; (ii) a brief written statement of the reasons why such shareholder favors the proposal; (iii) such shareholder's name and address as they appear

on the Fund's books; (iv) any other information relating to

-23-

the shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies with respect to the matter(s) proposed pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; (v) the class or series and number of all Shares of the Fund owned beneficially and of record by such shareholder; (vi) any material interest of such shareholder in the matter proposed (other than as a shareholder); (vii) a representation that the shareholder intends to appear in person or by proxy at the shareholder meeting to act on the matter(s) proposed; (viii) if the proposal involves nominee(s) for trustees, a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the shareholder; and (ix) in the case of a shareholder (a "Beneficial Owner") that holds shares entitled to vote at the meeting through a nominee or "street name" holder of record, evidence establishing such Beneficial Owner's indirect ownership of, and entitlement to vote, shares at the meeting of shareholders. Shares "beneficially owned" means all Shares which such person is deemed to beneficially own pursuant to Rules 13d-3 and 13d-5 under the 1934 Act.

Timely submission of a proposal does not mean that such proposal will be included in a proxy statement.

SHAREHOLDER COMMUNICATIONS

Shareholders of a Fund who want to communicate with the Board of Trustees or any individual Trustee should write the Fund to the attention of the Fund Secretary, W. Scott Jardine. The letter should indicate that you are a Fund shareholder. If the communication is intended for a specific Trustee and so indicates, it will be sent only to that Trustee. EXHIBIT A

AUDIT COMMITTEE CHARTER

I. PURPOSE.

The Audit Committee (the "Committee") is appointed by the Boards of Trustees (the "Boards") of investment companies (the "Funds") advised by First Trust Advisors L.P. ("Fund Management") for the following purposes:

A. to oversee the accounting and financial reporting processes of each Fund and its internal controls and, as the Audit Committee deems appropriate, to inquire into the internal controls of certain third-party service providers;

B. to oversee the quality and integrity of each Fund's financial statements and the independent audit thereof;

C. to oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits; and

D. to approve, prior to the appointment, the engagement of each Fund's independent auditor and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditor.

II. COMMITTEE ORGANIZATION AND COMPOSITION.

A. Size and Membership Requirements.

1. The Committee shall be composed of at least three members, all of whom shall be trustees of the Funds. Each member of the Committee, and a Committee chairperson, shall be appointed by the Board on the recommendation of the Nominating and Governance Committee.

2. Each member of the Committee shall be independent of the Fund and must be free of any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. With respect to the Funds which are closed-end funds or open-end exchange-traded funds ("ETFs"), each member must meet the independence and experience requirements of the New York Stock Exchange, NYSE Arca, or the American Stock Exchange or the NASDAQ Stock Market (as applicable), and Section 10A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10A-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). Included in the foregoing is the requirement that no member of the Committee be an "interested person" of the Funds within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as

amended (the "1940 Act"), nor shall any Committee member accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds (except in the capacity as a Board or committee member).

3. At least one member of the Committee shall have been determined by the Board, exercising its business judgment, to qualify as an "audit committee financial expert" as defined by the SEC.

4. With respect to Funds whose shares are listed on NYSE Arca or on the New York Stock Exchange, each member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially literate" as required by the New York Stock Exchange or NYSE Arca (as applicable). In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to have "accounting or financial management expertise," as required by the New York Stock Exchange or NYSE Arca (as applicable). Such member may, but need not be, the same person as the Funds' "audit committee financial expert." With respect to Funds that are closed-end funds or ETFs whose shares are listed on the American Stock Exchange or the NASDAQ Stock Market, each member of the Committee shall be able to read and understand fundamental financial statements, including a Fund's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially sophisticated," as required by the American Stock Exchange or the NASDAQ Stock Market (as applicable). A member whom the Board determines to be the Fund's "audit committee financial expert" shall be presumed to qualify as financially sophisticated.

5. With respect to Funds that are closed-end funds, Committee members shall not serve simultaneously on the audit committee of more than two public companies, in addition to their service on the Committee.

B. Frequency of Meetings.

The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than twice per year.

C. Term of Office.

Committee members shall serve until they resign or are removed or replaced by the Board.

III. RESPONSIBILITIES.

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between

management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds ("External Auditors"). The External Auditors shall report directly to the Committee.

A-2

2. The Committee shall meet with the External Auditors and Fund Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditor's evaluation of the Fund's financial and internal controls, any comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditor's activities or on access to requested information, any significant disagreements with Fund Management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the External Auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its External Auditors. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

5. The Committee shall pre-approve the External Auditor's engagements for non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

6. If the External Auditors have provided non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditor's independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the

auditors and the Fund consistent with Independence Standards Board Standard No. 1 as may be amended, restated, modified or replaced) regarding (a) the External Auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditor's independence, including all relationships between the External Auditors and the Fund and its affiliates; and evaluating the qualifications, performance and independence of

A-3

the External Auditors, including their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and discussing such reports with the External Auditors. The Committee shall present its conclusions with respect to the External Auditors to the Board.

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External Auditors should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section 10A(b) of the Exchange Act.

9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements.

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors.

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall meet to review and discuss with Fund Management and the External Auditors the annual audited financial statements of the Funds, major issues

regarding accounting and auditing principles and practices, and the Funds' disclosures under "Management's Discussion and Analysis," and shall meet to review and discuss with Fund Management the semi-annual financial statements of the Funds and the Funds' disclosures under "Management's Discussion and Analysis."

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles ("GAAP") for policies and practices that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services provided

A-4

to any entity in the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls.

4. The Committee shall discuss with the External Auditors the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 90, Audit Committee Communications (which amended SAS No. 61, Communication with Audit Committees), that arise during the External Auditor's review of the Funds' financial statements.

5. The Committee shall review and discuss with management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

6. The Committee shall review and discuss with management and the External Auditors the effect of regulatory and accounting initiatives on the Funds' financial statements.

7. The Committee shall discuss with Fund Management the Funds' press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Committee shall be authorized to have these discussions with Fund Management on behalf of the Committee, and shall report to the Committee regarding any such discussions.

8. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

C. With respect to serving as a Qualified Legal Compliance Committee:

1. The Committee shall serve as the Funds' "qualified legal compliance committee" ("QLCC") within the meaning of the rules of the SEC and, in that regard, the following shall apply.

A-5

i.
