Item 2. Acquisition or disposition of assets

On January 30, 2004, Express Scripts, Inc. ("Express Scripts") completed its acquisition of CuraScript Pharmacy, Inc. and CuraScript PBM Services, Inc. The transaction was consummated pursuant to the terms of a Stock Purchase Agreement dated as of December 19, 2003 (the "Purchase Agreement"). Express Scripts acquired all of the outstanding capital stock of CuraScript Pharmacy, Inc. and CuraScript PBM Services, Inc. (collectively, the "Acquired Entities") for a cash purchase price of \$335 million, subject to adjustment based upon the amount of working capital of the Acquired Entities at closing and certain other adjustments, as further set out in the Purchase Agreement. The purchase price was determined through arms-length negotiations between the parties.

The Acquired Entities were purchased from CPS Holdings, LLC, a holding company owned by GTCR Golder Rauner, a private equity firm, and certain minority shareholders, most of whom were members of senior management of the Acquired Entities.

Express Scripts used approximately \$210 million of its own cash and financed the remainder of the cash portion of the purchase price through a new Tranche C loan under its then existing credit facility, originally syndicated by Credit Suisse First Boston and Bankers Trust Company.
