Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard Transfer of Listing.

On April 3, 2017, U.S. Physical Therapy, Inc. (the “Company”) received a notice from the New York Stock Exchange (the “NYSE”) indicating that the Company is not in compliance with the NYSE’s continued listing requirements under the timely filing criteria outlined in Section 802.01E of the NYSE Listed Company Manual as a result of the Company’s failure to timely file its Annual Report on Form 10-K for the fiscal year ended December 31, 2016 (the “Form 10-K”).

As reported by the Company in its Form 12b-25 filed with the Securities and Exchange Commission (the “SEC”) on March 17, 2017, the Company was unable to file its Form 10-K within the prescribed time period without unreasonable effort or expense. The extension period provided under Rule 12b-25 expired on March 31, 2017. As reported by the Company in its Form 8-K filed with the SEC on March 31, 2017, the Company was unable to file its Form 10-K within the extension period because it needs additional time to complete its review of the appropriate accounting treatment for redeemable non-controlling interests of its acquired partnerships.

The NYSE informed the Company that, under the NYSE’s rules, the Company will have six months from March 16, 2017 to file the Form 10-K with the SEC. The Company can regain compliance with the NYSE continued listing requirements at any time before that date by filing the Form 10-K with the SEC. The Company continues to work diligently to complete the preparation of its consolidated financial statements in order to be in a position to file the Form 10-K with the SEC as soon as possible in April. If the Company fails to file the Form 10-K before the NYSE’s six-month compliance deadline, the NYSE may grant, at its sole discretion, an extension of up to six additional months for the Company to regain compliance, depending on the specific circumstances.
