The options shown above were granted under the 1998 and 1999 Stock Option Plans. The options granted to Messrs. Mandelbaum and Messina are exercisable at \$3.00 per share. Of the options granted to Mr. Winiarz, 50,000 at \$5.00 per share are currently exercisable and 25,000 will become exercisable at \$10.75 per share on September 1, 2001. The options granted to Mr. Holloway are exercisable at \$7.50 per share. All options expire five years after the date of grant. Of the options granted to Mr. Embry, 12,500 are currently exercisable at \$8.75 per share, 15,000 are currently exercisable at \$7.50 per share 20,000 are currently exercisable at \$11.625 per share and 12,500 will become exercisable on July 13, 2001 at \$8.75 per share.

Mr. Mandelbaum has an employment agreement expiring December 31, 2001, which provides for a base annual salary of \$225,000. Mr. Messina had an employment agreement which, prior to his resignation in early May, 2001, would have expired December 31, 2001, which provided for a base annual salary of \$225,000. Both agreements provided that until such time as we receive payment for gross sales of at least \$1,000,000, the salaries were capped at \$150,000. During April 2001, that sales milestone was reached, and salaries for each of Mr. Mandelbaum and Mr. Messina were adjusted. Because of our limited resources in the past, Messrs. Mandelbaum and Messina have from time to time agreed to defer the receipt of substantial portions of their salaries. In May 1999, Mr. Mandelbaum's deferred salary was reduced by \$150,000 by the issuance to him of

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

75,000 shares of our common stock and warrants entitling him to purchase an additional 75,000 shares of our common stock at a price of \$3.00 per share at any time prior to May 3, 2001. In May 1999, Mr. Messina's deferred salary was reduced by \$10,126 through the issuance to him of 5,063 shares of our common stock and warrants to purchase 5,063 shares of our common stock at a purchase price of \$3.00 per share at any time prior to May 3, 2001. As of June 30, 1999, Mr. Mandelbaum's deferred salary was approximately \$375,000, Mr. Messina's deferred salary was approximately \$200,000 and our former President Mr. Todd Cohen's deferred salary was approximately \$110,000. In June 1999, Mr. Messina received, in lieu of all deferred salary, options to purchase 207,000 shares of common stock at an exercise price of \$3.00 per share. Also in June 1999, Mr. Mandelbaum received, in lieu of all deferred salary, options to purchase 375,000 shares of common stock at an exercise price of \$3.00 per share.

In June 1999, Mr. Todd Cohen, who resigned as President in April 1998, received, in lieu of all deferred salary, options to purchase 110,000 shares of common stock at an exercise price of \$3.00 per share.

All the options granted in exchange for deferred salary expire five years after the date of grant.

The following table summarizes options granted during the year ended December 31, 2000 to the named executive officers other than stock options granted for deferred compensation:

Individual Grants				Potential Realizable Value Assumed Annual of Stock Price Appreciation for Option
Number of Securities Underlying Options Granted	% of Total Options Granted To Employees in 2000 Fiscal Year	Exercise Price	Expiration Date	5%

Individual Grants				Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term
-------------------	--	--	--	---

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

Winiarz	25,000	10.4%	\$10.75	9/1/05	\$74,250	\$164,075
Russell T. Embry	25,000	10.4%	\$8.75	7/13/05	\$60,436	\$133,549

Pursuant to their employment agreements, Messrs. Mandelbaum and Messina each received a grant in August 1999 of options to purchase 75,000 shares of our common stock at a purchase price of \$3.00 per share. The options became exercisable with respect to 25,000 shares of our common stock on January 1, 2000, an additional 25,000 shares became exercisable on January 1, 2001, and the final 25,000 shares will become exercisable on January 1, 2002, provided they are employed by us at that date. The options expire five years from the date of grant. Due to Mr. Messina's resignation on May 3, 2001, the remaining 25,000 will not become exercisable and, upon the expiration of his term as director on July 11, 2001, he will have ninety days to exercise the 50,000 vested options or they will terminate. During the year ended December 31, 2000, we granted employees other than the executive officers named above options to purchase 156,000 shares of common stock under the 1998 Stock Option Plan and 190,000 shares of common stock under the 1999 Stock Option Plan.

The amounts shown as potential realizable value represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. The 5% and 10% assumed annual rates of compounded stock price appreciation are mandated by rules of the Securities and Exchange Commission and do not represent our estimate or projection of our future common stock prices. These amounts represent certain assumed rates of appreciation in the value of our common stock from the fair market value on the date of grant. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock and overall stock market conditions. The amounts reflected in the table may not necessarily be achieved.

EMPLOYMENT AGREEMENTS

Effective January 1, 1999, Mr. Mandelbaum and Mr. Messina each entered into a three-year employment agreement with Intelli-Check. Mr. Mandelbaum's agreement expires December 31, 2001, while Mr. Messina's expired upon his resignation in early May 2001. Each of the agreements provided for a base salary of \$225,000. However, until such time as we received payment for gross sales of at least \$1,000,000, the salaries were capped at \$150,000. During April 2001, that sales milestone was reached and the salaries for each of Mr. Mandelbaum and Mr. Messina were adjusted. The agreements also provide for the payment of a bonus if our sales exceed \$2,000,000 in the previous year. The bonus will be in the amount of \$50,000 plus 1% of the amount of sales in excess of \$2,000,000 in each year. In addition, for each fiscal year ending during the term

10

of the employment agreements, we will grant to each of the executives an option to purchase the greater of 25,000 shares of our common stock at fair market value on the date of grant or 10,000 shares of our common stock at fair market value on the date of grant for each full \$250,000 by which pre-tax profits for each year exceeds pre-tax profits for the prior fiscal year. However, we are not required to grant options to purchase more than 150,000 shares of our common stock with respect to any one fiscal year.

If there shall occur a change of control, as defined in the employment agreement, the employee may terminate his employment at any time and be entitled to receive a payment equal to 2.99 times his average annual compensation,

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

including bonuses, during the three years preceding the date of termination, payable in cash to the extent of three months' salary and the balance in shares of our common stock based on a valuation of \$2.00 per share. Included within the definition of change of control for purposes of the employment agreements is the first day on which a majority of the directors of the company do not consist of individuals recommended by Messrs. Mandelbaum, Messina and one outside director. In early May, 2001, Mr. Messina resigned his positions as an employee of our company and his employment agreement is no longer applicable.

We have entered into a two-year employment agreement with Mr. Winiarz, which became effective on September 7, 1999. The agreement provides for a base salary of \$125,000. In addition, we granted Mr. Winiarz an option to purchase 50,000 shares of common stock of which 30,000 options were immediately exercisable at \$5.00 per share and 20,000 options became exercisable on September 7, 2000 at \$5.00 per share.

We entered into a two-year employment agreement with Mr. Holloway, which became effective on October 25, 1999. The agreement provides for a base salary of \$115,000. In addition, we granted Mr. Holloway an option to purchase 50,000 shares of common stock at \$7.50 per share, of which 20,000 shares are immediately exercisable and 5,000 shares become exercisable for each 10,000 units of ID-Check sold that exceed 10,000. The maximum options that can be earned in any calendar year may not exceed 100,000. Any options earned above the initial 50,000 options will be at fair market value on the date of grant.

Under the terms of the agreements, each of the executives has the right to receive his compensation in the form of shares of common stock valued at 50% of the closing bid price of our shares of common stock as of the date of the employee's election, which is to be made at the beginning of each quarter. In addition, each of the employment agreements requires the executive to devote substantially all his time and efforts to our business and contains non-competition and nondisclosure covenants of the officer for the term of his employment and for a period of two years thereafter. Each employment agreement provides that we may terminate the agreement for cause.

COMPENSATION OF DIRECTORS

Non-employee directors receive a fee of \$500 for attending board meetings and \$250 for attendance at such meetings held telephonically. They also receive a fee of \$250 for each committee meeting held on a date other than that of a board meeting and are reimbursed for expenses incurred in connection with the performance of their respective duties as directors. In August 1999, each non-employee director, Messrs. Paul Cohen and McQuinn and Ms. Berezin,

11

received a grant of a non-qualified stock option to purchase an aggregate of 45,000 shares of our common stock upon their election as a director at an exercise price of \$3.00 per share. Of these options, 30,000 are immediately exercisable and an additional 15,000 will be exercisable on the next anniversary of the date of grant, provided the director is re-elected or continues to serve the term to which he or she was elected. On December 13, 1999, Mr. Levy and Mr. Davis were each granted non-qualified options to purchase 15,000 shares of our common stock at an exercise price of \$11.625, the fair market value on the date of grant. These options are immediately exercisable. In addition, in July 2000, they were each granted non-qualified options to purchase an aggregate of 30,000 shares of our common stock for serving as a director at an exercise price of \$8.25 per share. Of these options, 15,000 are immediately exercisable and 15,000 will be exercisable at the time of the annual meeting for Mr. Levy, and for Mr. Davis provided he is re-elected. Options granted to non-employee directors

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

In addition, non-employee directors who are members of a committee are entitled to receive grants of stock options for each year served. Each chairperson of a committee receives options to purchase 2,500 shares of our common stock, while a committee member receives options to purchase 1,500 shares of our common stock. In March 2000 and July 2000, the following non-qualified options were granted to committee chairpersons:

Ms. Berezin	Audit	2,500	2,500

Mr. Davis	Audit	1,500	1,500

12

These options, which are exercisable at \$12.125 for options granted in March 2000 and \$8.75 for options granted in July 2000, the fair market value on the date of grant, are immediately exercisable during the committee member's term and expire five years from date of grant.

In April 1998, Mr. Todd Cohen resigned as an officer of our company for personal reasons and in August 1999, he completed his term as a director. In May 2001, Mr. Messina resigned as an officer of our company for personal reasons and will complete his term as director on July 11, 2001.

In June 1996, Mr. Messina's company, K.M. Software, assigned two copyrights covering certain software employed by ID-Check and a patent application covering the ID-Check technology to Intelli-Check for an agreement to pay \$98,151 plus interest. The agreement also gave K.M. Software, or its successor, the right to reclaim the rights to the copyrights and the patent under certain specified conditions. In May 1999, the prior agreement was superseded and in exchange Mr.

15

Messina received 69,937 shares of our common stock and warrants to purchase 69,937 shares of our common stock, at \$3.00 per share, exercisable at any time prior to May 3, 2001. The May 1999 agreement provides for the payment by Intelli-Check of royalties equal to 0.005% of gross sales from \$2,000,000 to \$52,000,000 and 0.0025% of gross sales in excess of \$52,000,000. Also, in May 1999, Mr. Messina's deferred salary was reduced by \$10,126 through the issuance to him of 5,063 shares of our common stock and warrants to purchase 5,063 shares of our common stock at a purchase price of \$3.00 per share at any time prior to September 30, 2001. In June 1999, the balance of Mr. Messina's deferred salary was reduced to zero by the issuance of options to purchase 207,000 shares of our common stock at a purchase price of \$3.00 per share at any time prior to June 30, 2004.

In June 1996, Frank Mandelbaum, Intelli-Check's Chief Executive Officer and Chairman of the Board of Directors, purchased 950,000 shares of common stock for \$50,000. From time to time since then, Mr. Mandelbaum loaned money to Intelli-Check totaling \$142,000. In November 1997, Mr. Mandelbaum converted his outstanding loans into 71,000 shares of our common stock and warrants to purchase 71,000 shares of our common stock at \$3.00 per share expiring on June 30, 2000. In May 1999, Mr. Mandelbaum's deferred salary was reduced by \$150,000 through the issuance to him of 75,000 shares of our common stock and warrants to purchase 75,000 shares of our common stock at a purchase price of \$3.00 per share at any time prior to September 30, 2001. In June 1999, Mr. Mandelbaum's deferred salary was reduced to zero by the issuance of options to purchase 375,000 shares of our common stock at an exercise price of \$3.00 per share at any time prior to June 30, 2004. In December 2000, Mr. Mandelbaum exercised 71,000 warrants.

In November 1997, one of our directors, Paul Cohen, received an option to purchase 50,000 shares of common stock exercisable at \$3.00 per share in connection with a one-year consulting agreement. Also in November 1997, Mr. Cohen's wife purchased 25,000 units consisting of one share of common stock and one warrant to purchase an additional share of common stock for \$3.00 in connection with one of our private placements. The purchase price was \$50,000. In August 1999, Mr. Cohen purchased one unit in connection with our most recent private placement. The unit consists of a promissory note having a principal amount of \$50,000, bearing interest at the annual rate of 10% and a warrant to

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

purchase 2,500 shares of our common stock for \$3.00 per share. In December 2000, Mr. Cohen exercised 37,500 warrants.

In June 1999, all deferred compensation due to Todd Cohen, our former President and director, was eliminated by the issuance of options to purchase 110,000 shares of common stock at an exercise price of \$3.00 per share at any time prior to June 30, 2004.

Proposal No. 2

PROPOSED 2001 STOCK OPTION PLAN

There is being submitted to the shareholders for approval at the Annual Meeting, the Intelli-Check, Inc. 2001 Stock Option Plan which authorizes the issuance not later than December 31, 2011 of options to purchase up to 500,000 of our common shares. The 2001 Plan

16

was approved by our board of directors at a meeting held on May 7, 2001 subject to shareholder approval.

Our board of directors believes that Intelli-Check and our shareholders have benefitted from the grant of stock options in the past and that similar benefits will result from the adoption of the 2001 Plan. We believe that stock options play an important role in providing eligible employees with an incentive and inducement to contribute fully to the further growth and development of our company because of the opportunity to acquire a proprietary interest in our company on an attractive basis.

All stock options granted under the 2001 Plan will be exercisable at such time or times and in such installments, if any, as our compensation committee or the board of directors may determine and expire no more than ten years from the date of grant. The exercise price of the stock option will be the fair market value of our common shares on the date of grant and must be paid in cash. The market value of our shares at May 31, 2001 was \$[]. Options are non-transferable except by will or by the laws of descent and distribution. Each option to be granted under the 2001 Plan will be evidenced by an agreement subject to the terms and conditions set forth above.

Options granted under the 2001 Plan terminate three months after the optionee's relationship with us is terminated except if termination is by reason of death or disability. In the case of death or disability, the option terminates twelve months after the optionee's death or termination of employment by reason of disability. If an employee's employment is terminated for cause, then any unexercised options held by the employee are cancelled upon termination of employment. In the case of a non-employee director who has served his or her full term, all vested options remain exercisable until the termination date set forth in the stock option agreement to which such options relate.

Our board of directors has a limited right to modify or amend the 2001 Plan which does not include the right to increase the number of shares which is available for the grant of options.

During the term of the 2001 Plan, our eligible employees will receive, for no consideration prior to exercise, the opportunity to profit from any rise in the market value of the common stock. This will dilute the equity interest of our other shareholders. The grant and exercise of the options also may affect our ability to obtain additional capital during the term of any options.

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

The 2001 Plan will be administered by the compensation committee appointed by the board of directors. The compensation committee currently consists of Messrs. Davis, Chair, Levy and Paul Cohen. None of Mr. Cohen, Mr. Levy or Mr. Davis is an employee of our company.

Our board of directors is recommending the adoption of the 2001 Plan. The description of the proposed 2001 Plan set forth above is qualified in its entirety by reference to the text of the 2001 Plan as set forth in Exhibit B.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the Federal income tax treatment of the stock options which may be granted under the 2001 Plan based upon the current provisions of the Internal Revenue Code.

17

An option holder who exercises a non-qualified stock option will recognize taxable compensation at the date of exercise with respect to the difference between the fair market value of the option shares at exercise and the exercise price paid to purchase such shares. Intelli-Check generally will be entitled to a corresponding deduction for such compensation. At such time as the option stock is sold, the option holder will recognize either short-term or long-term capital gain income (depending upon the length of time such stock has been held) in an amount equal to the difference between the amount realized on such sale and the tax basis of the shares sold. In general, the option holder's tax basis in the shares will be equal to their fair market value on the date of exercise, and the holding period of the shares will begin at exercise with respect to the excess of the option stock sale price over the exercise price paid to purchase such shares.

An option holder which exercises an incentive stock option will not realize any regular taxable income. At the date of exercise, the option holder may, depending on his or her personal tax situation, be subject to Alternative Minimum Tax ("AMT") because the difference between the fair market value of the shares at exercise and the exercise price represents an AMT preference item.

The tax consequences of a disposition of incentive stock option depends upon the length of time the stock has been held by the employee. If the employee holds the option stock for at least two years after the option is granted and one year after the exercise of the option, any gain realized on the sale is long-term capital gain. In order to receive long-term capital gain treatment, the employee must remain in Intelli-Check's employ from the time the option is granted until three months before its exercise (twelve months in the event of termination due to the death or disability of the employee). Intelli-Check will not be entitled to a deduction in this instance.

If the option stock is not held for the requisite holding period described above, a "disqualifying disposition" will occur. A disqualifying disposition results in the employee recognizing ordinary compensation income to the extent of the lesser of: (1) the fair market value of the option stock on the date of exercise less the option price ("the spread"), or (2) the amount realized on disposition of the option stock less the option price. Intelli-Check will be entitled to a deduction at this time for such ordinary compensation income. The option holder's basis in such shares will be the fair market value on the date of exercise.

The exercise of an option through the exchange of common shares already owned by the option holder generally will not result in any taxable gain or loss on the unrealized appreciation of the shares so used and so long as the shares

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

were held by the optionee for at least six months prior to exercise of the option and Intelli-Check will not realize any tax consequences.

If an option holder transfers previously owned stock that was acquired other than by exercising incentive stock options to exercise a non-qualified option or an incentive stock option, this may be done in a manner that will not result in taxation up to the fair market value of the surrendered stock. This transaction is viewed as a tax-free exchange of stock in the same corporation up to an equal value of option stock. In this situation, there is no taxation to the option holder or to Intelli-Check on any appreciation in value of the previously held stock. However, if additional shares of option stock are received by the option holder, they are treated as taxable compensation for services

18

includible in his or her gross income. Intelli-Check is entitled to a corresponding tax deduction for such compensation.

If an employee transfers previously owned incentive stock option stock to exercise an incentive stock option, this may be done in a tax-free manner unless a disqualifying disposition of such previously owned incentive stock option shares, incentive stock option "pyramiding rules" apply whereby the post-acquisition gain in value of such shares is taxed to the employee as compensation. In addition, compensation is attributed to the employee to the extent of the spread at the acquisition date of such previous owned incentive stock option shares. Intelli-Check is entitled to a corresponding tax deduction for such compensation.

For purposes of determining whether shares have been held for the long-term capital gain holding period, the holding period of shares received will generally include the holding period of shares surrendered only if the shares received have the same basis, in whole or in part, in the employee's hands as the shares surrendered.

Whenever under the 2001 Plan shares are to be delivered upon exercise of a stock option, Intelli-Check shall be entitled to require as a condition of delivery that the option holder remit to Intelli-Check an amount sufficient to satisfy all Federal, state, and other governmental withholding tax requirements related thereto.

Proposal No. 3

OTHER MATTERS

The Board of Directors does not know of any matters other than those mentioned above to be presented to the meeting.

The Shares may be authorized, but unissued, or previously issued Shares acquired by the Company and held in treasury.

If an Option should expire or become unexercisable for any reason without having been exercised in full, the unpurchased Shares covered by such Option shall, unless the Plan shall have been terminated, be available for future grants of Options. The maximum number of Shares that may be subject to options granted under the Plan to any individual in any calendar year shall not exceed 150,000 Shares and the method of counting such Shares shall conform to any requirements

applicable to performance-based compensation under Section 162(m) of the Code or the rules and regulations promulgated thereunder.

4. Administration of the Plan

(a) Procedure.

- i) The Plan shall be administered by the Board in accordance with Rule 16b-3 under the Exchange Act ("Rule 16b-3"); provided, however, that the Board may appoint a Committee to administer the Plan at any time or from time to time, and provide further, that if the Board is not "disinterested" within the meaning of Rule 16b-3, the Plan shall be administered by a Committee in accordance with Rule 16b-3.
- ii) Once appointed, the Committee shall continue to serve until otherwise directed by the Board. From time to time the Board may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause), appoint new members in substitution therefor, and fill vacancies however caused; provided, however, that at no time may any person serve on the Committee if that person's membership would cause the Committee not to satisfy the "disinterested administration" requirements of Rule 16b-3.

- (b) Powers of the Board. Subject to the provisions of the Plan, the Board shall have the authority, in its discretion: (i) to grant Incentive Stock Options and Non-Qualified Stock Options; (ii) to determine, upon review of relevant information and in accordance with Section 2 of the Plan, the Fair Market Value of the Common Stock; (iii) to determine the exercise price per Share of Options to be granted, which exercise price shall be determined in accordance with Section 8(a) of the Plan; (iv) to determine the Employees to whom, and the time or times at which, Options shall be granted and the number of Shares to be represented by each Option; (v) to interpret the Plan; (vi) to prescribe, amend and rescind rules and regulations relating to the Plan; (vii) to determine the terms and provisions of each Option granted including, without limitation, the terms of exercise (including the period of exercisability) or forfeiture of Options granted hereunder upon termination of the employment of an Employee; (viii) to accelerate or defer (with the consent of the Optionee) the exercise date of any Option; (ix) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Option previously granted by the Board; (x) to accept or reject the election made by an Optionee pursuant to Section 17 of the Plan; and (xi) to make all other determinations deemed necessary or advisable for the administration of the Plan.

- (c) Effects of Board's Decision. All decisions, determinations and interpretations of the Board shall be final and binding on all Optionees and any other holders of any Options granted under the Plan.

- (d) Inability of Committee to Act. In the event that for any reason the Committee is unable to act or if the Committee at the time of any grant, award or other acquisition under the Plan of options or Shares does not consist of two or more Non-Employee Directors,

than any such grant, award or other acquisition may be approved or ratified in any other manner contemplated by subparagraph (d) of Rule 16b-3.

5. Eligibility.

- (a) Consistent with the Plan's purposes, Options may be granted only to Employees, Directors, Consultants and other Independent Contractors of the Company as determined by the Board. An Employee who has been granted an Option may, if he is otherwise eligible, be granted an additional Option or Options. Incentive Stock Options may be granted only to those Employees who meet the requirements applicable under Section 422 of the Code.
- (b) Unless otherwise provided in the applicable Stock Option Agreement, all Options granted to the Employees of the Company under the Plan will be subject to forfeiture until such time as the Optionee has been continuously employed by the Company for one year after the date of the grant of the Options, and may not be exercised prior to such time. At such time as the Optionee has been continuously employed by the Company for one year, the foregoing restriction shall lapse and the Optionee may exercise the Options at any time otherwise consistent with the Plan.
- (c) With respect to Incentive Stock Options, the aggregate Fair Market Value (determined at the time the Incentive Stock Option is granted) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the employee during any calendar year (under all employee benefit plans of the Company) shall not exceed One Hundred Thousand Dollars (\$100,000).

6. Effective Date of Plan; Termination of the Plan and Stock Options. The Plan shall become effective upon approval of the Board provided, however, that the Plan shall be subject to the affirmative vote of the holders of a majority of the common stock of the Company on or before December 31, 2001. No Option may be granted under the Plan after July 31, 2011 (ten years from the effective date of the Plan); provided, however that the Plan and all outstanding Options shall remain in effect until such Options have expired or until such Options are canceled.

7. Term of Option. Unless otherwise provided in the Stock Option Agreement, the term of each Option shall be five (5) years from the date of grant thereof. In no case shall the term of any Option exceed ten (10) years from the date of grant thereof. Notwithstanding the above, in the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns ten percent (10%) or more of the Common Stock as such amount is calculated under Section 422(b)(6) of the Code ("Ten Percent Stockholder"), the term of the Incentive Stock Option shall be five (5) years from the date of grant thereof or such shorter time as may be provided in the Stock Option Agreement. If an option granted to the Company's chief executive officer or to any of the Company's other four most highly compensated officers is intended to qualify as "performance-based" compensation under

Section 162(m) of the Code, the exercise price of such option shall not be less than 100% of the Fair Market Value of a Share on the date such option is granted.

8. Exercise Price and Payment.

- (a) Exercise Price. The per Share exercise price for Shares to be issued pursuant to exercise of an Option shall be determined by the Board, but in the case of an Incentive Stock Option shall be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant, and in the case of Non-Qualified Stock Option shall be no less than eighty-five percent (85%) of the Fair Market Value per Share on the date of the grant. Notwithstanding the foregoing, in the case of an Incentive Stock Option granted to an Employee who, at the time of the grant of such Incentive Stock Option, is a Ten Percent Stockholder, the per Share exercise price shall be no less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of grant.
- (b) Payment. The price of an exercised Option and the Employee's portion of any taxes attributable to the delivery of Common Stock under the Plan, or portion thereof, shall be paid in United States dollars in cash or by check, bank draft or money order payable to the order of the Company.

9. Exercise of an Option.

- (a) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Board, including performance criteria with respect to the Company and/or the Optionee, and as shall be permissible under the terms of the Plan. Unless otherwise determined by the Board at the time of grant, an Option may be exercised in whole or in part. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 of the Plan.

Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

Shares to which the Option is exercised.

- (b) Termination of Status as an Employee. Unless otherwise provided in the applicable Stock Option Agreement, if an Employee's employment by the Company is terminated for cause, then any Option held by the Employee shall be immediately canceled upon termination of employment and the Employee shall have no further rights with respect to such Option. Unless otherwise provided in the Stock Option Agreement, if an Employee's employment by the Company is terminated for reasons other than cause, and does not occur due to death or disability, then the Employee may, with the consent of the Board, for ninety (90) days after he ceases to be an Employee of the Company, exercise his Option to the extent that he was entitled to exercise it at the date of such termination. To the extent that he was not entitled to exercise the Option at the date of such termination, or if he does not exercise such Option (which he was entitled to exercise) within the time specified herein or in the applicable Stock Option Agreement, the Option shall terminate. For the purposes of this plan only, a Non-Employee Director is deemed to be an Employee.
 - (c) Disability. Unless otherwise provided in the applicable Stock Option Agreement, notwithstanding the provisions of Section 9(b) above, in the event an Employee is unable to continue his employment with the Company as a result of his permanent and total disability (as defined in Section 22(e)(3) of the Code), he may, but only within twelve (12) months from the date of termination, exercise his Option to the extent he was entitled to exercise at the date of such termination. To the extent that he was not entitled to exercise the Option at the date of such termination, or if he does not exercise such Option (which he was entitled to exercise) within the time specified herein or in the applicable Stock Option Agreement, the Option shall terminate.
 - (d) Death. Unless otherwise provided in the Stock Option Agreement, if an Employee dies during the term of the Option and is at the time of his death an Employee of the Company who shall have been in continuous status as an Employee since the date of grant of the Option, the Option may be exercised at any time within twelve (12) months following the date of death (or such other period of time as is determined by the Board) by the Employee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that an Employee was entitled to exercise the Option on the date of death. To the extent the Employee was not entitled to exercise the Option on the date of death, or if the Employee's estate, or person who acquired the right to exercise the Option by bequest or inheritance, does not exercise such Option (which he was entitled to exercise) within the time specified herein or in the applicable Stock Option Agreement, the Option shall terminate.
10. Non-Transferability of Options. An Option may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

the Code and ERISA, and may be exercised, during the lifetime of the Optionee, only by the Optionee.

11. Adjustments Upon Changes in Capitalization, Merger or Change of Control.

- (a) Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each outstanding Option, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as the price per share of Common Stock covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding, and conclusive. Except as expressly provided herein, no issuance by the company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect and no adjustment by reason thereof, shall be made with respect to the number or price of shares of Common Stock subject to an Option.
- (b) Anything herein to the contrary notwithstanding, upon the dissolution or liquidation of the Company or upon a merger, consolidation or reorganization of the Company with one or more other entities in which the Company is not the surviving entity, or upon a sale of substantially all of the assets of the Company to another entity, or upon any transaction (including, without limitation, a merger or reorganization in which the Company is the surviving entity) approved by the Board that results in any person or entity (or person or entities acting as a group or otherwise in concert, owning fifty percent (50%) or more of the combined voting power of all classes of securities of the Company) (collectively, a "Change of Control"), the Board, in its discretion, may determine that all Stock Options outstanding hereunder shall become immediately exercisable prior to the scheduled consummation of the event for a period to be determined by the Board (the "Change of Control Exercise Period"). Any exercise of a Stock Option during the Change of Control Exercise Period shall be conditioned upon the consummation of the event and shall be effective only immediately before the consummation of the event. Upon consummation of any such event, the Plan and all outstanding but unexercised Stock Options shall terminate, except to the extent provision is made in writing in connection with such transaction for the continuation of the Plan or the assumption of such Stock Options theretofore granted, or for the substitution for such Stock Options for new options covering the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

Stock Options theretofore granted shall continue in the manner and under the terms so provided. The Board shall send written notice of an event that will result in such a termination to all individuals who hold Stock Options not later than the time at which the Company gives notice thereof to its shareholders.

12. Grants of Options.

- (a) The date of grant of an Option shall, for all purposes, be the date on which the Board makes the determination granting such Option. Notice of the determination shall be given to each Employee to whom an Option is so granted within a reasonable time after the date of such grant.
- (b) Officers, employee directors, other key employees of the Company or any subsidiary, consultants and independent contractors shall be eligible to be selected by the Board to receive stock option grants.
- (c) So long as shares are available under this Plan, Stock Options may be granted to Non-Employee Directors as follows:
 - i) Stock Options shall be granted to each of the Non-Employee Directors to purchase forty-five thousand (45,000) shares of Common Stock on the first day of his/her three-year term as director, at a purchase price equal to the fair market value on the date of grant. If the term is less than three years, the option grant shall be prorated.
 - ii) Stock Options granted to Non-Employee Directors shall be exercisable to the extent of one-third on the date of grant and an additional one-third on each of the succeeding two anniversaries of the date of grant provided such Non-Employee Director is re-elected to the Board.
 - iii) In the event a Non-Employee Director ceases to serve as a member of the Board of Directors of the Company any time for any reason except the expiration of their current term, the portion of his Stock Option which is exercisable at the date of termination and all rights thereunder shall be exercisable by him at any time within three months thereafter, but in no event later than the termination date of his Stock Option.
 - iv) In the event a Non-Employee Director has served his full term, his vested options shall be exercisable until the termination date of his Stock Option.
 - v) If a Non-Employee Director shall die while serving as a director of the Company, the portion of his Stock Option which is exercisable at the date of

death may be exercised by his designated beneficiary or beneficiaries (or, a person who has been effectively designated, by his executor, administrator or the person to whom his rights under his Stock Option shall pass by his will or by the laws of descent and distribution) at any time within one year after the date of his death, but not later than the

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

termination date of his Stock Option.

- vi) Nothing in the Plan or in any Stock Option granted pursuant hereto shall confer on any Non-Employee Director any right to continue as a director of the Company.

13. Amendment and Termination of the Plan.

- (a) Amendment and Termination. The board may amend from time to time or terminate the Plan in such respects as the Board may deem advisable; provided, however, that the following revisions or amendments shall require approval of the Stockholders of the Company, to the extent required by law, rule, or regulation:

- i) Any material increase in the number of Shares subject to the Plan, other than in connection with an adjustment under Section 11 of the Plan;
- ii) Any material change in the designation of the Employees eligible to be granted Options; or
- iii) Any material increase in the benefits accruing to participants under the Plan.

- (b) Effect of Amendment or Termination. Any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Board, which agreement must be in writing and signed by the Optionee and the Company.

14. Conditions Upon Issuance of Shares. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the company, such a representation is required by any aforementioned relevant provisions of law.

Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any

- (a) Gender. For purposes of this Plan, words used in the masculine gender shall include the female and neuter, and the singular shall include the plural and vice versa, as appropriate.

Edgar Filing: INTELLI CHECK INC - Form PRE 14A

- (b) No Employment Agreement. The Plan shall not confer upon any Optionee any right with respect to continuation of employment with the Company, nor shall it interfere in any way with his right or the Company's right to terminate his employment at any time.
