Annual Meeting of Stockholders  
June 13, 2002

-----  
PROXY STATEMENT  
-----

This proxy statement is furnished by the Board of Directors of The Central European Equity Fund, Inc., a Maryland corporation (the "Fund"), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 3:00 P.M., New York time, on June 13, 2002 at the offices of Deutsche Bank, 31 West 52nd Street, 5th Floor, New York, New York. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying form of Proxy is executed properly and returned, shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified, shares will be voted FOR the election of Directors (Proposal 1), FOR the ratification of the appointment by the Board of Directors of PricewaterhouseCoopers LLP as independent accountants for the Fund (Proposal 2) and AGAINST the stockholder proposal (Proposal 3). A Proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund or a subsequently executed proxy or by attendance at the Meeting and voting in person.

The close of business on May 10, 2002 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 8,000,363 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Annual Meeting, Proxy Statement and form of Proxy will first be mailed to stockholders on or about May 14, 2002.

The Board of Directors of the Fund has nominated three Directors for election at the Meeting (Proposal 1) and approved the selection of PricewaterhouseCoopers LLP as independent accountants to the Fund for the fiscal year ending October 31, 2002, for ratification by the stockholders at the Meeting (Proposal 2). In addition, there is a stockholder proposal that, if presented, will be acted on at the Meeting (Proposal 3).

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. The Fund intends to treat properly executed proxies that are marked "abstain" and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on an issue. A "broker non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

PROPOSAL 1: ELECTION OF DIRECTORS

The Fund's charter (the "Charter") provides that the Board of Directors be divided into three classes of Directors serving staggered three-year terms. The term of office for Directors in Class II expires at the 2002 Annual Meeting, Class III at the next succeeding Annual Meeting and Class I at the following succeeding Annual Meeting. Three Class II nominees are proposed in this Proxy Statement for election.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill such vacancy by the affirmative vote of a

Edgar Filing: CENTRAL EUROPEAN EQUITY FUND INC /MD/ - Form DEF 14A

majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualified. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of proxy to vote each proxy for the election of the nominees listed below. Each nominee has indicated that he will serve as a Director if elected, but if any nominee should be unable to serve, proxies will be voted for any other person determined by the persons named in the form of proxy in accordance with their discretion.

Information Regarding Directors and Officers

The following table shows certain information about the nominees for election as Directors and Directors whose terms will continue, including beneficial ownership of Common Stock of the Fund. The Board of Directors presently has an Audit Committee composed of Messrs. Burt, Schmults, Storr (whose term as a Director will not continue past the 2002 Annual Meeting), Wadsworth and Walbrol. The Audit Committee makes recommendations to the full Board with respect to the engagement of independent accountants and reviews with the independent accountants the plan and results of the audit engagement and matters having a material effect upon the Fund's financial operations. The Audit Committee met five times during the fiscal year ended October 31, 2001. In addition, the Board has an Advisory Committee composed of Messrs. Burt, Schmults, Storr, Wadsworth and Walbrol. The Advisory Committee makes recommendations to the full Board with respect to the Management Agreement between the Fund and Deutsche Bank Securities Inc. ("DBSI") and the Investment Advisory Agreement between the Fund and Deutsche Asset Management International GmbH ("DeAM"). The Advisory Committee met once during the past fiscal year. The Board also has an Executive Committee and a Nominating Committee. During the past fiscal year, the Executive and Nominating Committees did not meet (the function of the latter having been served by the full Board in 2001). The members of the Executive Committee are Messrs. Strenger, Burt, Schmults, Storr, Wadsworth and Walbrol. The Executive Committee has the authority to act for the Board on all matters between meetings of the Board. The members of the Nominating Committee are Messrs. Wadsworth, Walbrol and Burt. The Nominating Committee makes recommendations to the full Board with respect to the selection of candidates to fill vacancies on the Board of Directors intended to be filled by persons not affiliated with DBSI or DeAM, and the Nominating Committee evaluates the qualifications of all nominees for directorship pursuant to the director qualification provisions in the Fund's Bylaws. The Nominating Committee will consider suggestions from stockholders submitted in writing to the Secretary of the Fund that comply with the requirements for such proposals contained in the Fund's bylaws.

During the past fiscal year, the Board of Directors had four regular meetings, and each incumbent Director, with the exception of Messrs. Burt, Storr and Strube, attended at least 75% of the aggregate number of meetings of the Board and meetings of Board Committees on which that Director served.

The Fund pays each of its Directors who is not an interested person of the Fund, the Investment Adviser or the Manager an annual fee of \$7,500 plus \$750 for each meeting attended. Each such Director who is also a Director of The Germany Fund, Inc. or The New Germany Fund, Inc. also receives the same annual and per-meeting fees for services as a Director of each such fund. Effective as of April 24, 2002, no Director of all three funds will be paid for attending more than two funds' board and committee meetings when meetings of the three funds are held concurrently, and, effective as of January 1, 2002, no such Director will receive more than the annual fee of two funds. Each of the Fund,

The Germany Fund, Inc. and The New Germany Fund, Inc. reimburses the Directors (except for those employed by the Deutsche Bank group) for travel expenses in connection with Board meetings. These three funds, together with Deutsche Investors Portfolios Trust, Deutsche Investors Funds, Inc., Deutsche Bank Alex. Brown Cash Reserve Fund, Inc., Deutsche Flag Investors Communication Fund, Inc., Deutsche Flag Investors Series Funds, Inc., Deutsche Emerging Growth Fund, Inc., Deutsche Short-Intermediate Income Fund, Inc., Deutsche Flag Investors Value Builder Fund, Inc., Deutsche Real Estate Securities Fund, Inc., Deutsche Flag Investors Equity Partners Fund, Inc., and Deutsche Asset Management VIT Funds, represent the entire Fund Complex within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. The following table sets forth (a) the aggregate compensation from the Fund for the fiscal year ended October 31, 2001, and (b) the total compensation from Fund Complex consisting of the Fund for its fiscal year ended October 31, 2001, and such other funds for the year ended December 31, 2001, for each Director who is not an interested person of the Fund, and for all such Directors as a group:

Total	\$80,250	\$331,000

No compensation is paid by the Fund to Directors or officers who are interested persons of the Fund or of any entity of the Deutsche Bank Group.

The Board unanimously recommends a vote FOR Proposal 1.

Required Vote. Provided a quorum has been established, the affirmative vote of a plurality of the votes cast at the Meeting is required for the election of each Director.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT ACCOUNTANTS

A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not "interested" Directors (as defined in the 1940 Act) of the Fund, have appointed PricewaterhouseCoopers LLP (the "Firm" or "PwC") as independent accountants for the Fund for the fiscal year ending October 31, 2002. Based principally on representations from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent accountants for the Fund since inception.

Neither our Charter nor by-laws requires that the stockholders ratify the selection of PwC as our independent accountants. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether or not to retain PwC, but may retain such independent accountants. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in the best

## Edgar Filing: CENTRAL EUROPEAN EQUITY FUND INC /MD/ - Form DEF 14A

interests of the Fund and its stockholders. It is intended that the persons named in the accompanying form of proxy will vote for PwC. A representative of PwC will be present at the Meeting and will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning the Fund's financial statements.

The Board unanimously recommends a vote FOR Proposal 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Board of Directors of PwC as independent accountants for the Fund for the fiscal year ending October 31, 2002.

### AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board in its oversight of the Fund's financial reporting process. The Board of Directors has determined that all members of the Committee are "independent", as required by applicable listing standards of the New York Stock Exchange. The Committee operates pursuant to an Audit Committee Charter that was last amended and restated by the Board on April 20, 2001, a copy of which is attached as Exhibit A to this proxy statement. As set forth in the Audit Committee Charter, management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles, and internal controls designed to assure compliance with accounting standards and applicable laws and regulations. The independent accountants are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with management and the independent accountants. The Committee has also discussed with the independent accountants the matters required to be discussed by Statement on Auditing

## Edgar Filing: CENTRAL EUROPEAN EQUITY FUND INC /MD/ - Form DEF 14A

Standards No. 61, Communication with Audit Committees, as currently modified or supplemented. Finally, the Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, has discussed with the independent accountants the accountants' independence from the Fund and its management, and has considered whether the provision of non-audit services to the Fund's investment manager and adviser and their affiliated persons by the independent accountants is compatible with maintaining the independent accountants' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal control and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has

9

been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's independent accountants are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report for the fiscal year ended October 31, 2001.

### Investment Advisory Agreement, Management Agreement and Fees

Each year, the Board of Directors calls and holds a meeting to decide whether to renew the Investment Advisory Agreement and the Management Agreement (copies of which are attached hereto as Exhibits B and C, respectively). In preparation for the meeting, the Advisory Committee of the Board (consisting exclusively of non-interested directors) requests and reviews a wide variety of materials provided by DeAM and DBSI, as well as extensive data provided by third parties, and the Advisory Committee receives advice from counsel to the non-interested directors. Upon completion of its review, the Advisory Committee makes a recommendation to the Board of Directors regarding continuation of the Investment Advisory Agreement and the Management Agreement.

12

At its meeting on April 25, 2002, the Advisory Committee recommended continuation of these Agreements. At its meeting on April 26, 2002, the Board of Directors, including all non-interested members, approved the continuation of the Investment Advisory Agreement and the Management Agreement. The Advisory Committee's recommendation and the Board's approval were made after careful consideration of many different factors including: (i) the performance of the Fund versus the performance of other funds in the Fund's peer group and in comparison to relevant market indices, (ii) the investment objective and policies of the Fund, (iii) the nature, extent and quality of the service provided by DeAM and DBSI, (iv) the qualifications and experience of investment personnel of DeAM and DBSI, (v) the excellent reputation and overall financial condition of DeAM and DBSI, (vi) the access to the extensive research and other resources of Deutsche Bank group, (vii) the investment advisory fee and management fee and the fees paid to other advisors and managers, (viii) other expenses of the Fund and the comparative expense ratios of other similar closed-end funds, (ix) the profitability of DeAM and DBSI with respect to the Fund, (x) indirect benefits to affiliates of DeAM and DBSI, such as brokerage, (xi) the extent to which DeAM and DBSI have realized or will realize economies of scale as the Fund grows, and (xii) the benefits of continuity in services to be provided by DeAM and DBSI. After evaluating the investment advisory relationship and management relationship under such factors, the Advisory Committee recommended, and the Board, including the non-interested members, concluded that DeAM and DBSI have and continue to provide superior investment management services and that the continuation of the Investment Advisory Agreement and the Management Agreement is in the best interests of the Fund and its stockholders. Accordingly, the Advisory Committee voted unanimously to recommend continuation of, and the Board voted unanimously to continue, the

Investment Advisory Agreement and the Management Agreement.

The Investment Advisory Agreement and Management Agreement set forth the services provided by DeAM and DBSI, respectively, as described above.

During the fiscal year ended October 31, 2001, the Fund paid aggregate amounts of \$407,237 and \$775,596 to DeAM and DBSI, respectively, in respect of fees. In addition, during such period, the Fund paid an aggregate amount of \$25,202 in brokerage commissions to Deutsche Bank AG, which constituted approximately 8.9% of the Fund's aggregate brokerage commissions.

Summarized below is information about the advisory fees of DeAM and the management fees of DBSI with respect to the Fund, The Germany Fund and The New Germany Fund:

	The Fund -----	The Germany Fund, Inc. -----	The New Ger -----
Net assets at March 31, 2002	\$127,267,144	\$135,771,829	\$199,103,14
Rate of advisory fees of DeAM(1)	Annual rate of 0.35% of the Fund's average weekly net assets up to \$100 million and 0.25% of such assets in excess of \$100 million, computed on the basis of asset value at the end of each week and payable at the end of each calendar month.

Annual rate of 0.65% of the Fund's average weekly net assets up to \$50 million and 0.55% of such assets in excess of \$50 million, computed in each case on the basis of net asset value at the end of each week and payable at the end of each calendar month.

-----  
(1) Neither DeAM nor DBSI waived, reduced, or otherwise agreed to reduce its compensation under any applicable contract.

Neither DeAM nor DBSI is liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which the Investment Advisory Agreement or the Management Agreement, respectively, relates, except for any loss resulting from willful misfeasance, bad faith or gross negligence in the performance of, or from reckless disregard of, its obligations and duties under the Investment Advisory Agreement or the Management Agreement, respectively, or a loss resulting from a breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act).

## Edgar Filing: CENTRAL EUROPEAN EQUITY FUND INC /MD/ - Form DEF 14A

The Investment Advisory Agreement and the Management Agreement provide that DeAM and DBSI, respectively, each bears all expenses of all employees and overhead incurred by it in connection with its duties thereunder. DBSI pays all salaries and fees of the Fund's directors and officers who are "interested persons" (as such term is defined in the 1940 Act) of DBSI. The Fund bears all of its own expenses, including, but not limited to, the following: expenses of organizing the Fund, fees and out-of-pocket travel expenses of the Fund's directors who are not "interested persons" (as such term is defined in the 1940 Act) of any other party and other expenses incurred by the Fund in connection with directors' meeting, interest expense, taxes and governmental fees, brokerage commissions incurred in acquiring or disposing of the Fund's portfolio securities, membership dues to professional organizations, premiums allocable to fidelity bond insurance coverage, expenses of preparing stock certificates, expenses of registering and qualifying the Fund's shares for sale with the SEC and in various states and foreign jurisdictions, charges and expenses of the Fund's legal counsel and independent auditors, Custodian and Transfer and Dividend-Paying Agent, expenses of obtaining and maintaining stock exchange listings of the Fund's shares, and the expenses of shareholders' meetings and preparing and distributing proxies and reports to shareholders.

The services of DeAM and DBSI under the Investment Advisory Agreement and Management Agreement, respectively, are not deemed to be exclusive, and nothing in the Investment Advisory Agreement or the Management Agreement prevents any party, or any affiliate thereof, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. When other clients of DeAM or DBSI desire to purchase or sell a security at the same time the security is purchased for or sold by the Fund, such purchases and sales will, to the extent feasible, be allocated among such clients and the Fund in a manner believed by DeAM or DBSI, respectively, to be equitable to such clients. The allocation of securities may adversely affect the price and quantity of purchases and sales of securities by the Fund.

### PROPOSAL 3: STOCKHOLDER PROPOSAL

A beneficial owner (the "proponent") of Common Stock of the Fund has informed the Fund that it intends to present a proposal for action at the Meeting. The proponent's name and address and the number of shares owned by it will be furnished by the Secretary of the Fund upon request.

RESOLVED: The investment advisory agreement between Deutsche Asset Management International GmbH and the Fund shall be terminated.

My goal is to enable all stockholders of the Fund to realize net asset value ("NAV") for their shares. The surest way to achieve this is to convert the Fund to an open-end fund (or to merge it into an existing open-end fund). If the Fund is open-ended, every stockholder will benefit. For example, if you own 1,000 shares of the Fund, they will be worth about \$2,600 more if it open-ends than if it remains a closed-end fund.

I believe that the current investment advisor, Deutsche Asset Management International GmbH, is the main impediment to open-ending because of its fear that its management fees may decline if we are able to redeem our shares at NAV. We need to remove this impediment to increasing the value of our shares. Passage of this proposal would not result in the immediate open-ending of the Fund but would give the Board of Directors the chance to quickly hire a new investment advisor who is amenable to open-ending the fund or to do whatever is necessary to enhance stockholder value even if that means diminished fees.

## Edgar Filing: CENTRAL EUROPEAN EQUITY FUND INC /MD/ - Form DEF 14A

The meager measures like buy-backs meant to narrow the Fund's persistent discount have not accomplished much. The Fund has still one of the highest discounts among World Equity Funds. We deserve an investment advisor who is more concerned with increasing stockholder value than its own fees.

### OPPOSING STATEMENT OF YOUR BOARD OF DIRECTORS

For the reasons discussed below, your Board of Directors unanimously recommends that you vote AGAINST this stockholder proposal.

Your Board of Directors believes this proposal is misleading. The "main impediment" to open-ending the Fund is not its investment adviser. That decision rests entirely with your independent directors, subject to ratification by 66 2/3% of the stockholders. By law, your independent Directors must apply their business judgment to look solely after your interests as stockholders. Your Directors believe the Fund is most effectively continued in its original, closed-end format. It is improper to suggest the investment adviser controls the decision. We urge you to keep this important fact in mind in considering our reasons for voting against the proposal below.

Wrong Means to the Wrong End. This proposal wrongly states that terminating the investment adviser will lead to open-ending the Fund. It will not do that, but it could harm your investment. Here are the facts.

If approved by stockholders, this proposal would directly terminate the investment advisory agreement with your Fund's investment adviser. Your Fund's investment process would therefore be disrupted since a new adviser would have to be hired and may have a different investment approach. The Fund would incur expenses because under the Investment Company Act, a new agreement would require another stockholder approval.

Furthermore, open-ending the Fund could frustrate its basic investment objective. Open-end funds often must make involuntary portfolio sales to meet redemption requests. In Central Europe and Russia, where the Fund invests, the markets are not as liquid as the more mature markets in Western Europe. The Fund's current closed-end format gives stockholders their liquidity through the ability to sell their shares on the NYSE rather than through redemptions, and is better suited to investing in less liquid markets. The Fund can invest for the long-term and not worry about raising short-term cash to meet redemptions.

The person behind this proposal is seeking to make use of a stockholder right under the Investment Company Act of 1940 -- the right to terminate investment advisory agreement -- to achieve the completely unrelated goal of open-ending your Fund for short-term gain at the expense of remaining stockholders.

The proposal is the wrong means to the wrong end. It will not cause open-ending, but it could disrupt your Fund's investment program.

Your Board unanimously recommends a vote AGAINST Proposal 3.

Required Vote. Adoption of this proposal requires the affirmative vote of the holders of a majority of the outstanding shares of the Fund which, as defined by the 1940 Act, means the vote of (1) 67% or more of the shares present at the Meeting, if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (2) more than 50% of the outstanding shares of the Fund, whichever is less. Abstentions and broker non-votes will have the

same effect as votes against the proposal.

As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors), and (iii) representations made by management as to any information technology, internal audit and other non-audit services provided by the auditors to the Company, to the Company's investment manager, investment adviser or any entity controlling, controlled by or under common control with the investment manager or investment adviser ("Manager/Adviser Control Affiliate"), or to the Company's custodian (including sub-custodians).

The outside auditors for the Company are ultimately accountable to the Board of Directors (as assisted by the Audit Committee). The Board of Directors, with the assistance of the Audit Committee, has the ultimate

authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors (or to nominate the outside auditors to be proposed for stockholder approval in the proxy statement).

The outside auditors shall submit to the Company annually a formal written statement delineating all relationships between the outside auditors and the Company ("Statement as to Independence"), addressing each non-audit service provided to the Company and at least the matters set forth in Independence Standards Board No. 1.

III. Meetings of the Audit Committee: The Audit Committee shall meet as often as may be required to discuss the matters set forth in Article IV. In addition, the Audit Committee should meet separately at least annually with management and the outside auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or any service provider, outside counsel to the Company or the independent directors or the Company's outside auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

1. with respect to the outside auditor,
  - (i) to provide advice to the Board of Directors in selecting, evaluating or replacing outside auditors;
  - (ii) to review the fees charged by the outside auditors for audit and non-audit services;
