Committees and Board Meetings

Each Fund maintains two standing board committees, the Audit Committee and the Nominating Committee. Currently all of the non-interested Directors are members of each Fund's Audit Committee. The Nominating Committee of each fund currently consists of three of the non-interested Directors, Ms. Ramo, Mr. London and Mr. Salomon. During each Fund's last fiscal year, each of the Directors then in office attended at least 75% of the aggregate of the total number of meetings of the Board of Directors of that Fund held during the fiscal year and, if a member, the total number of meetings of the Audit Committee and Nominating Committee held during the period for which he or she served. For information about the number of meetings of the Board, the Audit Committee and the Nominating Committee held during each Fund's most recently completed fiscal year, see Exhibit A to the Combined Proxy Statement.

Audit Committees

The principal responsibilities of each Audit Committee are the appointment, compensation and oversight of the Fund's independent registered public accounting firm, including the resolution of disagreements regarding financial reporting between Fund management and such independent registered public accounting firm. The Audit Committee's responsibilities include, without limitation, to (i) review with the independent registered public accounting firm the arrangements for and scope of annual and special audits and any other services provided by the independent registered public accounting firm to the Fund; (ii) discuss with the independent registered public accounting firm certain matters relating to the Fund's financial statements, including any adjustment to such financial statements recommended by such independent registered public accounting firm or any other results of any audit; (iii) ensure that the independent registered public accounting firm submits on a periodic basis a formal written statement with respect to their independence, discuss with the independent registered public accounting firm any relationships or services disclosed in the statement that may impact the objectivity and independence of the Fund's independent registered public accounting firm and recommend that the Board take appropriate action in response thereto to satisfy itself of the independent registered public accounting firm's independence; and (iv) consider the comments of the independent registered public accounting firm with respect to the quality

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

and adequacy of the Fund's accounting and financial reporting policies and practices and internal controls and Fund management's responses thereto.

Each Fund has adopted a written Charter for the Audit Committee, a copy of which was last filed as an exhibit to the Funds' Combined Proxy Statement during the fiscal year ended in 2004. Each Fund's Audit Committee also has received written disclosures and the letter required by Independence Standards Board Standard No. 1, as may be modified or supplemented, from Deloitte & Touche LLP (D&T), independent registered public accounting firm for each of the Funds. Each Audit Committee has discussed with D&T such firm's independence with respect to the Fund and certain matters required to be discussed by Statements on Auditing Standards No. 61. Each Audit Committee has considered whether the provision of non-audit services by the Fund's independent registered public accounting firm is compatible with maintaining the independence of those accountants.

Each Audit Committee also reviews and discusses the audit of the Fund's financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to stockholders and included in the Fund's Annual Report to Stockholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for

7

any of the Funds. Following each Audit Committee's review and discussion regarding the audit of the Fund's financial statements with Fund management and the independent registered public accounting firm, each Audit Committee recommended to the Directors that the Fund's audited financial statements for the fiscal year ended May 31, 2005 be included in each Fund's Annual Report to Stockholders.

Nominating Committees

The principal responsibilities of each Nominating Committee are to identify individuals qualified to serve as non-interested Directors of the Fund and to recommend its nominees for consideration by the full Board. While each Nominating Committee is solely responsible for the selection and nomination of the Fund's non-interested Directors, the Nominating Committee may consider nominations for the office of Director made by Fund stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the applicable Fund's Secretary and include biographical information and set forth the qualifications of the proposed nominee. The Nominating Committee evaluates nominees from whatever source using the same standard. The Board of each Fund has adopted a written Charter for the Nominating Committee, a copy of which was last filed as an exhibit to the Funds' Combined Proxy Statement during the fiscal year ended in 2004. The nomination of Mr. Froot was recommended to the Nominating Committee by a non-interested Director.

In identifying and evaluating a potential nominee to serve as a non-interested Director of a Fund, the Nominating Committee will consider, among other factors, (i) the person's business and professional experience, education, character and integrity; (ii) whether the individual is an interested person as defined in the Investment Company Act and whether the person is otherwise qualified to serve as a Director under applicable laws and regulations; (iii) the nature of any business, charitable, financial or family relationships that might impair the individual's independence; (iv) whether the individual is financially literate pursuant to the listing standards of the NYSE; (v) whether the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; (vi) the person's willingness to serve and ability to commit the time necessary to perform the duties of a Fund Director; and (vii) whether the selection and nomination of the person is consistent with the Fund's retirement policy.

Stockholder Communications

Stockholders may send written communications to a Fund's Board of Directors or to an individual Director by mailing such correspondence to the Secretary of the applicable Fund (addressed to 800 Scudders Mill Road, Plainsboro, New Jersey 08536). Such communications must be signed by the stockholder and identify the class and number of shares held by the stockholder. Properly submitted stockholder communications will, as appropriate, be forwarded to the entire Board or to the individual Director. Any stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), must continue to meet all the requirements of Rule 14a-8. See Additional Information Stockholder Proposals herein.

Director Attendance at Stockholder Meetings

The Funds have no formal policy regarding Director attendance at stockholder meetings. None of the Funds' Directors attended the 2004 Annual Meetings of Stockholders.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the officers and Directors of each Fund and persons who own more than ten percent of a registered class of the Fund's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (SEC) and the NYSE. Officers, Directors and greater than ten percent stockholders of each Fund are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on each Fund's review of the copies of such forms, and amendments thereto, furnished to it during or with respect to its most recent fiscal year, and written representations from certain reporting persons that they were not required to file Form 5 with respect to the most recent fiscal year, each Fund believes that all of its officers, Directors, greater than ten percent beneficial owners and other persons subject to Section 16 of the Exchange Act due to the requirements of Section 30 of the Investment Company Act (i.e., any advisory board member, investment adviser or affiliated person of the Fund's investment adviser) have complied with all filing requirements applicable to them with respect to transactions during the Fund's most recent fiscal year.

Interested Persons

Each Fund considers Mr. Doll to be an interested person of the Fund within the meaning of Section 2(a)(19) of the Investment Company Act based on positions he holds with FAM, MLIM, Princeton Services and Princeton Administrators. Effective January 1, 2005, Mr. Doll was elected the President of each Fund.

Compensation of Directors

FAM, the investment adviser of each Fund, pays all compensation to all officers of each Fund and all Directors of each Fund who are affiliated with Merrill Lynch & Co., Inc. (ML & Co.) or its subsidiaries. Each non-interested Director receives an annual retainer of \$125,000 for his or her services to MLIM/FAM-advised funds, including the Funds. The portion of the annual retainer allocated to each MLIM/FAM-advised fund is determined quarterly based on the relative net assets of each such fund. In addition, each non-interested Director receives a fee per in-person Board meeting attended and per in-person Audit Committee meeting attended. The annual per meeting fees paid to each non-interested Director aggregate \$100,000 for all MLIM/FAM-advised funds for which that Director serves and are allocated equally among those funds. The Co-Chairman of each Audit Committee receives an additional annual retainer in the amount of \$50,000, which is paid quarterly and allocated to each MLIM/FAM-advised fund for which such Co-Chairman provides services based on relative net assets of the fund.

Information relating to (i) the aggregate fees and expenses paid by each Fund to its non-interested Directors during the Fund's most recently completed fiscal year is set forth in Exhibit A to this Combined Proxy Statement and (ii) the compensation received by each non-interested Director from each Fund and from all MLIM/FAM-advised funds is set forth in Exhibit B to this Combined Proxy Statement.

Officers of the Funds

Information relating to the officers of each Fund is set forth in Exhibit C. Officers of the Funds are elected and appointed by the Board of Directors and hold office until they resign, are removed or are otherwise disqualified to serve.

Stock Ownership

Set forth in Exhibit B to this Combined Proxy Statement is the following information for each Director Nominee: (i) the number of shares of Common Stock of each Fund owned; (ii) the aggregate dollar range such stock ownership represents; and (iii) the aggregate dollar range of equity securities owned in all MLIM/FAM-advised funds.

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

As of the Record Date, no non-interested Director or Nominee or his or her immediate family members, owned beneficially or of record any securities of ML & Co. As of the Record Date, the Directors and officers of each Fund as a group owned an aggregate of less than 1% of the Fund's outstanding shares. At such date, Mr. Doll, President and a Director of each Fund, and the other officers of each Fund owned an aggregate of less than 1% of the outstanding shares of Common Stock of ML & Co.

The Board of Directors of each Fund recommends that the stockholders vote FOR each of the Director Nominees.

ITEM 2. APPROVAL OF CHANGE TO FUNDAMENTAL INVESTMENT RESTRICTION

The Boards of each of High Yield and MuniAssets have approved, and recommend that each Fund's stockholders approve, the amendment to its investment restriction prohibiting investment in other investment companies, except under certain circumstances. The investment restriction is a fundamental policy of each Fund and may not be changed without stockholder approval.

The investment restriction for High Yield as proposed to be amended is set forth below. The language to be added appears in bold face type.

The Fund may not:

Purchase securities of other investment companies, except (i) in connection with a merger, consolidation, acquisition or reorganization, (ii) **by purchase of shares of money market funds advised by the Investment Adviser or its affiliates (as defined in the Investment Company Act) to the extent permitted by an exemptive order issued to the Fund by the Securities and Exchange Commission**, or (iii) by purchase in the open market of securities of closed-end investment companies where no underwriter's or dealer's commission or profit, other than customary broker's commission, is involved and only if immediately thereafter not more than 10% of the Fund's total assets would be invested in such securities.

The investment restriction for MuniAssets as proposed to be amended is set forth below. The language to be added appears in bold face type.

10

The Fund may not:

Purchase securities of other investment companies, except (i) in connection with a merger, consolidation, acquisition or reorganization, (ii) **by purchase of shares of tax-exempt money market funds advised by the Investment Adviser or its affiliates (as defined in the Investment Company Act) to the extent permitted by an exemptive order issued to the Fund by the Securities and Exchange Commission**, or (iii) by purchase in the open market of securities of closed-end investment companies and only if immediately thereafter not more than 10% of the Fund's total assets would be invested in such securities.

High Yield and MuniAssets have adopted a fundamental investment restriction that provides that they may not invest in other investment companies except under certain specified circumstances. You are being asked to approve changes to that fundamental investment restriction that would allow High Yield to invest in other investment companies by purchasing shares of money market funds advised by the Investment Adviser and its affiliates as permitted by an exemptive order issued to High Yield by the SEC (the SEC Order). Additionally, you are being asked to approve changes to that fundamental investment restriction that would allow MuniAssets to invest in other investment companies by purchasing shares of tax-exempt money market funds advised by the Investment Adviser and its affiliates as permitted by the SEC Order. This change will make it possible for High Yield and MuniAssets, in the future, to invest cash balances, including any cash collateral received in securities lending activities and cash that is otherwise not invested in portfolio securities, in affiliated tax-exempt money market funds, with respect to MuniAssets, and affiliated money market funds with respect to High Yield, pursuant to conditions imposed by the SEC Order. Uninvested cash might arise from a variety of sources including dividend or interest payments, unsettled securities transactions, reserves held for investment strategy purposes, scheduled maturity of investments or liquidation of portfolio securities. Any such investment will be on the same terms and on the same basis as other stockholders in such taxable money market funds, with respect to High Yield, or tax-exempt money market funds, with respect to MuniAssets, except that shares of taxable or tax-exempt money market funds sold to and redeemed by High Yield and MuniAssets, respectively, will not be subject to a sales load, redemption fee, distribution fee under a Rule 12b-1 plan or a service fee, and if the shares are subject to any such fee, the Investment Adviser will waive its advisory fee in an amount necessary to offset the amount of any such

fees incurred. The SEC Order permits High Yield to invest up to 25% of its total assets in an affiliated money market fund. The SEC Order permits MuniAssets to invest up to 25% of its total assets in an affiliated tax-exempt money market fund. If the proposed amendment is adopted, High Yield and MuniAssets will interpret the amended restriction in light of the existing SEC Order or as it may be amended in the future.

The Boards of High Yield and MuniAssets believe that investment in affiliated taxable or tax-exempt money market funds, respectively, would provide High Yield and MuniAssets with an efficient and cost-effective means of investing uninvested cash balances and cash collateral.

See Additional Information Quorum and Vote Required for the required vote necessary for the approval of the change to the fundamental investment restriction.

The Boards of Directors of High Yield and MuniAssets recommend that stockholders vote FOR the proposal to amend the applicable Fund's fundamental investment restriction regarding investing in other investment companies.

ADDITIONAL INFORMATION

Expenses and Methods of Proxy Solicitation

The expenses of preparation, printing and mailing of the enclosed forms of proxy, the accompanying Notice and this Combined Proxy Statement will be borne by each Fund in proportion to its relative net assets. The Funds will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of Common Stock of the Funds.

In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview by officers of each Fund. Each Fund has retained Computershare Fund Services, 17 State Street, New York, New York 10004, to assist in the solicitation of proxies at a cost of approximately \$3,500 for each Fund, plus aggregate out-of-pocket expenses of approximately \$750.

S

Quorum

For High Yield III, one-third of the Fund's shares of Common Stock entitled to vote at the Meeting, present in person or by proxy, constitutes a quorum and for High Yield and MuniAssets, a majority of the Fund's shares of Common Stock entitled to vote at the Meeting, present in person or by proxy, constitutes a quorum.

In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview by officers of each Fund. If, by the time scheduled for a Meeting, a quorum of stockholders is not present or if a quorum is present but sufficient votes to allow action on the proposal are not received from the stockholders, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies from stockholders. Any such adjournment will require the affirmative vote of a majority of the shares of Common Stock of the Fund present in person or by proxy and entitled to vote at the time of the Meeting to be adjourned. The persons named as proxies will vote in favor of any such adjournment if they believe that adjournment and additional proxy solicitation are reasonable and in the best interests of the Fund's stockholders.

Voting Requirement

Assuming a quorum is present, approval of Item 1. Election of Directors will require the affirmative vote of a plurality of votes cast by stockholders of each Fund. For purposes of Item 1, a plurality of the votes cast means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast. The vote required for approval of Item 2 (applicable only to High Yield and MuniAssets) is the affirmative vote of the lesser of (i) 67% of the shares represented at the Meeting at which more than 50% of the outstanding shares are represented or (ii) more than 50% of the outstanding shares (an Investment Company Act Majority).

All shares of Common Stock represented by properly executed proxies, unless such proxies have previously been revoked, will be voted at each Meeting in accordance with the directions on the proxies; if no direction is indicated, the shares of Common Stock will be voted:

1. FOR the Director Nominees; and

With respect to properly executed proxies submitted by stockholders of High Yield and MuniAssets:

2. FOR the approval of an amendment to a fundamental investment restriction for each applicable Fund.

Broker Non-Votes and Abstentions

Broker-dealer firms, including Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), holding shares of a Fund in street name for the benefit of their customers and clients, will request the instructions of such customers and clients on how to vote their shares on each Item before the Meeting. The Funds will include shares held of record by broker-dealers as to which such authority has been granted in its tabulation of the total number of shares present for purposes of determining whether the necessary quorum of stockholders of each Fund exists. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may, without instructions from their customers and clients, grant authority to the proxies designated to vote on the election of Directors (Item 1) if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. With respect to the shares of Common Stock of High Yield and MuniAssets, broker-dealer firms, including MLPF&S, will not be permitted to grant voting authority without instructions with respect to the amendment to the fundamental investment restriction (Item 2). MLPF&S has advised each Fund that if it votes shares held in its name for which no instructions have been received, except as limited by agreement or applicable law, with respect to the election of Directors (Item 1) it will do so with respect to shares of Common Stock in the same proportion as the votes received from beneficial owners of those shares of Common Stock for which instructions have been received, whether or not held in nominee name. Proxies that are returned to a Fund but that are marked abstain or on which a broker-dealer has declined to vote on any non-routine proposal (broker non-votes) will be counted as present for the purposes of determining a quorum. Abstentions and broker non-votes will not be counted as votes cast. Therefore, abstentions and broker non-votes will not have an effect on the vote on Item 1 for any Fund. For High Yield and MuniAssets, abstentions and broker non-votes will have the same effect as a vote against Item 2.

Other Matters

Management knows of no other matters to be presented at the Meetings. However, if other matters are presented for a vote at a Meeting or any adjournments thereof, the proxy holders will vote the shares of Common Stock represented by properly executed proxies according to their best judgment on those matters.

Independent Registered Public Accounting Firms Fees

D&T has been selected as each Funds independent registered public accounting firm. D&T, in accordance with Independence Standards Board Standard No. 1, has confirmed to each Fund's Audit Committee that they are the independent registered public accounting firm with respect to the Funds. The

SEC's auditor independence rules require the Audit Committee of each Fund to pre-approve (a) all audit and permissible non-audit services provided by the Fund's independent registered public accounting firm directly to the Fund and (b) those permissible non-audit services provided by the Fund's independent registered public accounting firm to the Fund's investment adviser and any entity controlling, controlled by or under common control with the investment adviser that provides ongoing services to the Fund (the Affiliated Service Providers), if the services relate directly to the operations and financial reporting of the Fund.

The first two tables below set forth for each Fund, for its two most recent fiscal years the fees billed by its independent registered public accounting firm for (a) all audit and non-audit services provided directly to the Fund and (b) those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the Fund's operations and financial reporting, and, therefore, require Audit Committee pre-approval. Services under the caption:

Edgar Filing: CORPORATE HIGH YIELD FUND III INC - Form DEF 14A

Audit Fees are for the audit of the Fund's annual financial statements included in the Fund's reports to stockholders and in connection with statutory and regulatory filings or engagements;

Audit-Related Fees include assurance and related services reasonably related to the performance of the audit of financial statements not included in Audit Fees;

Tax Fees include tax compliance, tax advice and tax planning; and

All Other Fees are for other products and services provided.

Each Fund also is required to disclose the total non-audit fees paid to its independent registered public accounting firm for services rendered to the Fund and its Affiliated Service Providers regardless of whether those fees were pre-approved by the Audit Committee.

The fiscal year end for each Fund is set forth in Exhibit A to this Combined Proxy Statement.

performance of agreed upon tax compliance services associated with reviewing the Fund's tax returns.

The Audit Committee of each Fund has reviewed the non-audit services provided by the Fund's independent registered public accounting firm to the Fund's Affiliated Service Providers that were not subject to the Audit Committee's pre-approval and has determined that the provision of such services is compatible with maintaining the independence of the independent registered public accounting firm.

Audit Committee's Pre-Approval Policies and Procedures. The Audit Committee of each Fund has adopted policies and procedures with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, the Audit Committee also must approve other non-audit services provided to a Fund and those non-audit services provided to the Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of the Fund. Certain of these non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm may be approved by the Audit Committee without consideration on a specific case-by-case basis (general pre-approval). However, such services will only be deemed pre-approved provided that any individual project does not exceed \$5,000 attributable to the Fund or \$50,000 for the project as a whole. Any proposed services exceeding the pre-approved cost levels will require specific pre-approval by the Audit Committee, as will any other services not subject to general pre-approval (e.g. unanticipated but permissible services). The Audit Committee is informed of each service approved subject to general pre-approval at the next regularly scheduled in-person board meeting.

15

Non-audit services provided to a Fund's Affiliated Service Providers that have a direct impact on the operations or financial reporting of the Fund must be pre-approved by the Audit Committee of ML & Co. in addition to pre-approval by the Fund's Audit Committee.

The independent registered public accounting firm annually will provide the Audit Committee with a detailed analysis of all fees paid by ML & Co. and its affiliates.

Other. Representatives of D&T are expected to be present at the Meetings and will have an opportunity to make a statement if they so desire and to respond to questions from stockholders.
