Item 8.01. Other Events.

On April 29, 2010, Concord Camera Corp. (the "Company") entered into a Purchase and Release Agreement (the "Agreement") with Citigroup Global Markets, Inc. ("Citigroup"). Pursuant to the terms of the Agreement, Citigroup has purchased all of the Company's remaining auction rate securities, having an aggregate par value of \$18,950,000.00, for \$16,202,228.00 and has applied \$9,461,347.22 of the proceeds from the purchase towards the repayment of the current outstanding balance due under the Company's Express Creditline Loan Agreement with Citigroup. In addition, pursuant to the terms of the Agreement, (i) the Company has the option, on or before October 28, 2012, to repurchase any or all of the issues of auction rate securities purchased by Citigroup under the Agreement at the purchase price paid by Citigroup for such securities and (ii) the Company

will dismiss its arbitration claim filed against Citigroup related to the auction rate securities.

On March 17, 2010, the Company's board of directors approved a liquidating distribution of \$4.26 per share to the shareholders of record at the close of business on May 11, 2009 (the "Record Date"), in accordance with the previously announced Plan of Dissolution and Liquidation (the "Plan of Liquidation"). As previously announced, in accordance with the Plan of Liquidation, the Company's stock transfer books were closed at the close of business on May 11, 2009 and no transfers of its common stock were recorded after that time. It is currently anticipated that payment of the liquidating distribution will be made in May 2010 and shareholders of record on the Record Date will receive a communication from the Company's stock transfer agent in May 2010 regarding the distribution. The timing and amounts of any future distributions, if any, will be determined by the Company's Board of Directors in accordance with the Plan of Liquidation. There can be no assurance that there will be any future distributions.

The Company also announced the resolution of the following previously disclosed matters:

1. The arbitrators ruled in favor of the Company and denied Raymond James & Associates, Inc. ("Raymond James") claim for damages and other relief in the arbitration claim filed by Raymond James related to its engagement by the Company and the Special Committee;
2. The patent infringement lawsuit filed by Honeywell International, Inc. and Honeywell Intellectual Properties, Inc. was dismissed without prejudice with no amount paid by the Company;
3. The patent infringement lawsuit filed by St. Clair Intellectual Properties Consultants, Inc. against the Company was settled and dismissed. The settlement amount paid by the Company to St. Clair was not material to the Company; and
4. The Company entered into a settlement agreement with one of the entities that had alleged that certain of the Company's digital cameras infringed upon such entity's patents. The agreed upon settlement amount was not material to the Company.

The Company also announced that it had repatriated a significant portion of the proceeds from its previously disclosed sale of its property in the People's Republic of China ("PRC").
