PART III — NARRATIVE

CIT Group Inc. ("CIT" or the "Company") is unable to file its Quarterly Report on Form 10-Q for the period ended September 30, 2015 by the prescribed filing deadline (November 9, 2015) without unreasonable effort and expense, as explained below. The Company expects to complete and file the Form 10-Q on or before November 16, 2015.

On August 3, 2015, the Company acquired IMB HoldCo LLC ("IMB"), the parent company of OneWest Bank, National Association, a national bank ("OneWest Bank" or "OWB"), and CIT Bank, a Utah-state chartered bank and a wholly owned subsidiary of CIT, merged with and into OneWest Bank (the "OneWest Transaction"), with OneWest Bank surviving as a wholly owned subsidiary of CIT with the name CIT Bank, National Association ("CIT Bank, N.A."). The OneWest Transaction added approximately \$21.0 billion of assets and \$18.4 billion of liabilities to CIT's Consolidated Balance Sheet, creating a bank with approximately \$68 billion in total assets and a branch network with 70 branches in Southern California.

Due to the complexity of the OneWest Transaction, the process for preparing the Company's Form 10-Q for the period ended September 30, 2015 was more extended than usual. As a result of the OneWest Transaction, the Company acquired several new products and lines of business in its North America Banking segment, two new portfolios that comprise its Legacy Consumer Mortgages segment, and one additional line of business that was classified as a discontinued operation. OneWest Bank acquired a substantial portion of its assets in transactions with the Federal Deposit Insurance Corporation (the "FDIC") in connection with the FDIC's resolution of three failed depository institutions, including certain assets that involved complex legal and financial structures. Due to the complexity of certain of the assets acquired and liabilities assumed, and the lines of business, products, and services related to those assets and liabilities, the Company has added a significant amount of additional disclosure to the financial statements, footnotes, and management's discussion and analysis of financial condition and results of operations, and has required additional time to ensure that such disclosures are accurate and informative to investors. As a result of these factors, the Company has been unable to complete its preparation and review of its Form 10-Q in time to file it within the prescribed time period without unreasonable effort and expense. A summary of the Company's financial results is available in its press release attached as Exhibit 99.1 to its Form 8-K filed November 3, 2015.

Due to the OneWest Transaction, the Company experienced a significant change in its results of operations for the quarter ended September 30, 2015 compared to the quarter ended September 30, 2014. On November 3, 2015, the Company issued a press release reporting its financial results as of and for the quarter ended September 30, 2015, which was attached as Exhibit 99.1 to the Company's Form 8-K.
