Item 5. Other Events.

On June 1, 2001 the registrant agreed to sell 330,097 shares of its Common Stock to the Daniel Green Retirement Savings Partnership Plan (the "Retirement Plan") for \$1.7 million as a first installment on a sale of shares to the Retirement Plan of up to \$2.4 million as determined by the Retirement Committee of the Retirement Plan. The Retirement Plan received the funds from the surplus on termination of the pension plan of Penobscot Shoe Company, a wholly owned subsidiary of registrant. The \$5.15 per share purchase price was determined to be fair to the Retirement Plan and its participants in a fairness opinion delivered to the Retirement Plan by an independent firm.

A portion of the proceeds was used to repay a portion of the registrant's term loan with its bank and the balance was used for working capital purposes. As part of the transaction, the bank increased the registrant's working capital line by \$2 million.

Following the sale of 330,097 shares to the Retirement Plan, the registrant had 1,901,413 shares of Common Stock issued and outstanding of which the 391,209 shares held by the Retirement Plan represent 20.6%.
