**Conexant Systems, Inc.  
Unaudited Pro Forma Condensed Consolidated  
Financial Information**

On June 25, 2002, Conexant Systems, Inc. ( Conexant ) completed the distribution to Conexant shareowners of outstanding shares of Washington Sub, Inc. ( Washington ), a wholly-owned subsidiary of Conexant to which Conexant, contributed its wireless communications business, other than certain assets and liabilities (together, the Spin-off Transaction ). Immediately thereafter, Washington merged with and into Alpha Industries, Inc. ( Alpha ), with Alpha the surviving corporation (the Merger ). As a result of the Spin-off Transaction and the Merger, Conexant shareowners received 0.351 of a share of Alpha common stock for each Conexant share held and continued to hold their Conexant shares.

Upon completion of the Merger, Alpha purchased Conexant s semiconductor assembly, module manufacturing and test facility, located in Mexicali, Mexico and Conexant s Package Design Team that supports the Mexicali facility for \$150 million. As consideration for the purchase, Alpha and a subsidiary of Alpha delivered to Conexant promissory notes for \$150 million guaranteed by Alpha and certain Alpha subsidiaries and secured by substantially all the assets of Alpha. For financial accounting purposes, the sale of the Mexicali operations by Conexant to Alpha will be treated as if Conexant had contributed the Mexicali operations to Washington as part of the Spin-off Transaction, and the \$150 million purchase price will be treated as a return of capital to Conexant.

Effective June 26, 2002, Alpha changed its name to Skyworks Solutions, Inc.

The following Unaudited Pro Forma Condensed Consolidated Financial Information of Conexant gives effect to the Spin-off Transaction and the Merger (including the sale of the Mexicali operations). The historical financial information of Conexant set forth below has been derived from the historical audited and unaudited consolidated financial statements of Conexant included in its annual report on Form 10-K for the year ended September 30, 2001 and its quarterly report on Form 10-Q for the quarter ended March 31, 2002. The Unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2002 includes pro forma adjustments giving effect to the Spin-off Transaction and the Merger as if they had occurred on that date. The Unaudited Pro Forma Condensed Consolidated Statements of Operations for the year ended September 30, 2001 and for the six months ended March 31, 2002 include pro forma adjustments giving effect to the Spin-off Transaction and the Merger as if they had occurred as of October 1, 2000.

The Unaudited Pro Forma Condensed Consolidated Financial Information is provided for informational purposes only and does not purport to present the consolidated financial position or results of operations of Conexant had the Spin-off Transaction and the Merger occurred on the dates specified, nor is it necessarily indicative of the consolidated financial position or results of operations of Conexant that may be expected in the future. The Unaudited Pro Forma Condensed Consolidated Financial Information should be read in conjunction with Conexant s Management s Discussion and Analysis of Financial Condition and Results of Operations and Conexant s consolidated financial statements and notes thereto included in its annual report on Form 10-K for the year ended September 30, 2001 and its quarterly report on Form 10-Q for the quarter ended March 31, 2002.

**Notes to Unaudited Pro Forma Condensed Consolidated Financial Information**

Pro forma adjustments for the unaudited pro forma condensed consolidated financial information are as follows:

- (1) Reflects Conexant's contribution of the assets and liabilities of its wireless communications business (other than certain assets and liabilities) to its wholly-owned subsidiary Washington, the sale of the Mexicali operations and the distribution of outstanding shares of Washington to Conexant's shareholders.
- (2) Reflects the reclassification of certain assets and liabilities of the wireless communications business retained by Conexant as assets and liabilities of discontinued operations.
- (3) Reflects the receipt of short-term promissory notes for \$150 million from Skyworks (as consideration for the purchase of the Mexicali operations) as a return of capital to Conexant.
- (4) Reflects the historical results of operations of the wireless communications business contributed to Washington and the Mexicali operations. Such historical results of operations include allocations of certain operating expenses, determined on bases which management considers to be reasonable reflections of the utilization of services provided to, or the benefit received by, the wireless communications business and the Mexicali operations.
