ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On February 21, 2007, eResearchTechnology, Inc. (the Company) issued a press release reporting its results of operations for the quarter and fiscal year ended December 31, 2006 and providing financial guidance for both the first quarter and fiscal year 2007. A copy of that press release is filed herewith as Exhibit 99.1 and incorporated by reference herein.

ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.**Executive Compensation**

At its meeting on February 15, 2007, the Compensation Committee (the Committee) of the Company's Board of Directors took the following actions with respect to the 2007 compensation of the Company's Named Executive Officers:

Executive Officer	2007 Salary	2007 Bonus Opportunity	2007 Car Allowance
Dr. Michael McKelvey, President and Chief Executive Officer	\$370,000	\$185,000	\$12,000
Richard A. Baron, Executive Vice President and Chief Financial Officer	\$275,000	\$137,500	\$9,240
Jeffrey Litwin, Executive Vice President and Chief Medical Officer	\$260,000	\$130,000	\$9,240

2007 Bonus Plan

The Committee also approved the 2007 Bonus Plan (the 2007 Plan) on February 15, 2007. The 2007 Plan is effective beginning on January 1, 2007 and will remain effective for fiscal year 2007. The purpose of the 2007 Plan is to promote the interests of the Company and its stockholders by providing employees with financial rewards upon achievement of specified business objectives, as well as help the Company attract and retain employees by providing attractive compensation opportunities linked to performance results. All Company employees are eligible to participate in the 2007 Plan, subject in some cases to certain waiting periods and with the exception that certain sales personnel participate in a separate commission incentive plan instead of the 2007 Plan.

Bonuses payable under the 2007 Plan are determined by the Committee. Bonuses payable to eligible participants are based on a variety of factors, including both objective and subjective criteria. The objective criteria consist of targets for revenue, net income and the revenue projected to be generated by new contracts into which the Company enters with all but certain specified customers during the applicable bonus period, regardless of when the revenue is actually recognized by the Company (the Contract Revenues).

For Dr. McKelvey and Mr. Baron, 20% of the bonus will be based on the extent to which the Company achieves specified revenue targets, 60% will be based on the extent to which the Company achieves specified net income targets and the remaining 20% will be based on individual objectives. For Dr. Litwin, 20% of the bonus will be based on the extent to which the Company achieves specified revenue targets, 35% will be based on the extent to which the Company achieves specified net income targets, 25% will be based on the extent to which the Company achieves specified Contract Revenues targets and the remaining 20% will be based on individual objectives.

The officers of the Company will be eligible to receive 50% to 150% of the 2007 bonus opportunity noted in the table above that is allocable to each target category, based on the extent to which the Company achieves the various specified targets.

Bonuses are payable based on the extent to which annual targets have been achieved, with the bonuses (if any) normally being paid within sixty (60) days after the end of the calendar year in which the bonuses were earned. Bonuses normally will be paid in cash in a single lump sum, subject to payroll taxes and tax withholdings, as applicable.

Notwithstanding the foregoing, the Committee retains the discretion under the 2007 Plan to adjust the amount of any bonus to be paid, regardless of whether or the extent to which any of the objective criteria, including revenue, net income and Contract Revenues targets, are achieved.

Departure of Officer

In connection with recent changes to the Company's Cardiac Safety, Project Management and Logistics operations and structure, the Company terminated the employment of Vincent Renz, the Company's Executive Vice President, Client Services and Chief Technology Officer. Mr. Renz's responsibilities are being assumed by Amy Furlong, the Company's Executive Vice President, Cardiac Safety Operations. Mr. Renz's termination was effective on February 20, 2007.
