ITEM 4. PURPOSE OF TRANSACTION.

On July 5, 2005, pursuant to the Securities Acquisition Agreement, the Company acquired all of the issued share capital and certain bonds of Memec in exchange for approximately 24.011 million shares of the Issuer's Common Stock plus approximately \$64 million of cash (the "Memec Acquisition").

In connection with the Memec Acquisition, the Company entered into a registration rights agreement, dated as of July 5, 2005 (the "Registration Rights Agreement"), with certain shareholders and bondholders of Memec Group Holdings Limited who became shareholders of the Company (the "Memec Shareholders"). The Registration Rights Agreement grants certain registration rights with respect to the shares of the Common Stock issued to the Memec Shareholders. Specifically, the Company agreed to use its reasonable best efforts to cause a shelf registration statement to become effective no later than the 181st day following the closing of the transactions contemplated by the Securities Acquisition Agreement to provide for certain resales of the shares of Common Stock issued to the

Edgar Filing: AVNET INC - Form SC 13D/A

Memec Shareholders pursuant to such Securities Acquisition Agreement. In addition, the Company has agreed to provide additional registration rights, in the form of underwritten offerings and/or registered block trades, to the Memec Shareholders, which may be demanded by certain specified Memec Shareholders, subject to the terms and conditions contained in the Registration Rights Agreement.

Also in connection with the Memec Acquisition, the Board of Directors of the Company (the "Board") appointed Peter Smitham as a member of the Board. Pursuant to the Securities Acquisition Agreement, the Company entered into a board nominee agreement (the "Board Nominee Agreement") with PE2 Nominees, VF4 Nominees, and SV Nominees (collectively, the "Permira Shareholders") whereby the Company agreed, among other things and for as long as the Board Nominee Agreement is in effect, to nominate Mr. Smitham for the position of director of the Company and to recommend to the Company's shareholders to vote for such director nominee at each shareholders meeting at which the Company's directors are to be elected. The Board Nominee Agreement terminates at such time as the Permira Shareholders no longer own the lesser of (i) 5% of the outstanding shares of the Company's capital stock and (ii) 25% of the Company shares issued pursuant to the Securities Acquisition Agreement.

All of the shares of Common Stock reported herein were acquired for investment purposes. The Reporting Persons review on a continuing basis the investment in the Company. Based on such review, the Reporting Persons may acquire, or cause to be acquired, additional securities of the Company, dispose of, or cause to be disposed, such securities at any time or formulate other purposes, plans or proposals regarding the Company or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, the Company's business, financial condition and operating results, general market and industry conditions or other factors.

Except as described in this Schedule 13D, the Reporting Persons currently have no plans or proposals which relate to or would result in any transaction, event or action enumerated in paragraphs (a) through (j) of Item 4 of the form of Schedule 13D promulgated under the Act.

On December 30, 2005, the Company filed a shelf registration statement on Form S-3 and a prospectus supplement (File No. 333-130783, the "Shelf Registration Statement"), relating to the shares of Common Stock issued in the Memec Acquisition, including 4,756,150 shares held by the Reporting Persons. Pursuant to the prospectus supplement, the selling shareholders (including the Reporting Persons) and any of their pledgees, donees, transferees, assignees or other successors-in-interest may, from time to time, sell any or all of their shares of common stock at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices, to or through underwriters, through dealers or agents, directly to a limited number of institutional purchasers or to a single purchaser or through a combination of any such methods of sale. The selling shareholders may effect these sales in any one or more of the following transactions: (i) on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale; (ii) in the over-the-counter market; (iii) in transactions other than on these exchanges or systems or in the over-the-counter market; (iv) through the writing of options, whether such options are listed on an options exchange or otherwise; (v) ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers; (vi) block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction; (vii) purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

Edgar Filing: AVNET INC - Form SC 13D/A

(viii) an exchange distribution in accordance with the rules of the applicable exchange; (ix) privately negotiated transactions; (x) in satisfaction of positions created by short sales; (xi) broker-dealers may agree with the selling shareholders to sell a specified number of such shares at a stipulated price per share; (xii) a combination of any such methods of sale; and (xiii) any other method permitted pursuant to applicable law.

Pursuant to Section 3(a)(i) of the Registration Rights Agreement, the Reporting Persons provided the Company with written notice of the exercise of their demand registration rights dated January 20, 2006 (the "Demand Request Notice"). The Reporting Persons have requested that the Company file a registration statement on Form S-3 with respect to an aggregate of 17,957,367 shares of the Company's Common Stock. The intended method of distribution of such shares of Common Stock is an underwritten public offering.

Depending on market conditions and other factors in existence at the time of any such disposition, the Reporting Persons presently intend to dispose of all shares covered by the Demand Request Notice in a registered public offering or otherwise. There can be no assurance, however, that a registration statement with respect to the sale of such shares will be filed and declared effective by the SEC or that such shares will ultimately be sold pursuant to such registration statement or otherwise.

Each of the Reporting Persons reserves the right, in light of its ongoing evaluation of the Company's financial condition, business, operations and prospects, the market price of the Common Stock, conditions in the securities markets generally, general economic and industry conditions, its business objectives and other relevant factors, to change its plans and intentions at any time, as it deems appropriate. In particular, any one or more of the Reporting Persons reserves the right (subject to any applicable limitations imposed on the sale of any of their Company securities by the Securities Act of 1933, as amended, or other applicable law) to (i) purchase additional shares of Common Stock or other securities of the Company, (ii) sell or transfer shares of Common Stock beneficially owned by them from time to time in public or private transactions, (iii) cause any of the Permira Shareholders to distribute in kind to their respective partners or members, as the case may be, shares of Common Stock or other securities owned by such Permira Shareholder and (iv) enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the shares of Common Stock.

The foregoing response to this Item 4 is qualified in its entirety by reference to the Securities Acquisition Agreement, which is included as Exhibit 1 to this Schedule 13D, the Registration Rights Agreement, which is filed as Exhibit 2 to this Schedule 13D and the Board Nominee Agreement, which is filed as Exhibit 3 to this Schedule 13D. The Securities Acquisition Agreement, the Registration Rights Agreement and the Board Nominee Agreement are incorporated herein by reference.
