Groveland Calls for Improved Corporate Governance at Biglari Holdings

MINNEAPOLIS, Jan. 22, 2015 /PRNewswire/ -- Groveland Capital LLC announced today that it has sent a letter to the Board of Directors of Biglari Holdings Inc. (NYSE: BH) proposing corporate governance reform. Groveland Capital believes that good corporate governance practices can drive significant value to all shareholders. The body of the letter is as follows:

Dear Members of the Board of Directors:

We believe that good corporate governance practices can drive significant value to all shareholders, as well as accrue to the benefit of management over the long-term. In this regard, we are concerned that board practices of Biglari Holdings Inc. (the “Company”) have ranked at the bottom of the possible range of the ISS Governance QuickScore, and that ISS has commented repeatedly on the outsized Chief Executive Officer (CEO) compensation not being in alignment with company performance. So, we are proposing a corporate governance reform plan to the Board of Directors. Specifically, we believe the Board should implement the following actions as soon as possible:

Redeem the Company’s limited partner interests in The Lion Fund, L.P. and The Lion Fund II, L.P. (collectively, the “investment partnerships”), with the redemption being effected in-kind.

After the in-kind redemption of the Company’s limited partner interests in the investment partnerships, retire or treat as treasury shares all of the Company’s shares formerly held by the investment partnerships, and implement a binding Company policy that all shares of the Company that are held by affiliates of the Company, where the Company funded, directly or indirectly, the purchase of such shares, are either not voted on matters brought before shareholders of the Company, or are mirror voted based on the votes cast by shareholders unaffiliated with such affiliates.

Eliminate the licensing agreement between the Company and its CEO.

Establish a binding Company policy that all direct and indirect compensation of Mr. Sardar Biglari, including compensation and fees received from investment partnerships in which the Company (or any of its subsidiaries) is a limited partner, and Mr. Biglari or his affiliate is the general partner, be approved by a Committee of the Board of Directors that is comprised of (1) members who have no long-time association with Mr. Biglari or any members of management of the Company, and (2) members who are independent in accordance with the director independence standards of the New York Stock Exchange.

Restructure the composition of the Company’s Board of Directors by appointing to the Board (a) two members elected by the Company’s current management; (b) two members elected by Groveland Master Fund Ltd., formerly known as Groveland Hedged Credit Master Fund Ltd. (“Groveland”), with both such members being independent in accordance with the director independence standards of the New York Stock Exchange; and (c) two members elected jointly by the Company’s current management and Groveland, with both such members being independent in accordance with the director independence standards of the New York Stock Exchange and both being selected from a list of 10 candidates prepared by a nationally recognized director search firm.

We request that the Board of Directors adopt the governance reform plan outlined above, in advance of the 2015 Annual Meeting. This will save the Company the time and expense of a proxy contest and allow management to focus on the day to day management of the Company.

Please feel free to call me at anytime at 612-843-4302. Please distribute a copy of this letter to every member of the Board of Directors. We look forward to a prompt response from the Board.
