Amendment of Loan and Security Agreement.

On April 15, 2016, IntriCon Corporation (the “Company”) and its domestic subsidiaries entered into an Eighth Amendment to the Loan and Security Agreement with The PrivateBank and Trust Company. The amendment, among other things:

- increased the Company’s term loan to \$6.0 million from its then current balance of \$4.0 million, as a result of which the Company today borrowed an additional \$2.0 million under the term loan facility; the term loan is amortized in quarterly principal installments of \$250,000 plus accrued interest, with the first payment due on June 30, 2016, and any remaining principal and accrued interest is payable on February 28, 2019; the term loan proceeds will be used to pay down the revolving credit facility;

- increased the Company’s revolving credit facility borrowing capacity to \$9.0 million from its current capacity of \$8.0 million;

- increased the inventory cap on the borrowing base from \$3.5 million to \$4.0 million. Under the revolving credit facility as amended, the availability of funds depends on a borrowing base composed of stated percentages of the Company’s eligible trade receivables and inventory, less a reserve; and

- revised the leverage ratio financial covenants, effective as of March 31, 2016.

The foregoing description of the amendment does not purport to be complete and is qualified in its entirety by reference to such document, which the Company expects to file as an exhibit to its Quarterly Report on Form 10-Q for the quarter ending March 31, 2016.
