WE REFUSE TO ACCEPT THAT  
WE CANNOT DEVELOP MEDICINES  
FOR TOMORROW JUST BECAUSE OF OUR SIZE.

Out of every 100,000 molecules screened only one becomes a new drug. Research is a major investment: it takes an average of 12 years and 800 million euros to obtain a medicine. That is why teaming up with Aventis will help us deliver more effective solutions to meet patients' needs. Together, we will harness our complementary skills to create a leading pharmaceutical group (No.1 in Europe and No.3 worldwide) committed to improving healthcare and capable of driving strong, sustainable and profitable growth.

WE REFUSE TO ACCEPT THAT  
SCIENTISTS CANNOT WORK TOGETHER  
TO SPEED UP THEIR RESEARCH.

[Close-up image of old man leaning on walking stick]

In an essential field such as healthcare, we must do everything possible to move faster. The coming together of Sanofi-Synthelabo and Aventis means thousands of scientists throughout the world working towards a common goal and combatting diseases more effectively. Our project will harness our complementary skills to
