GSK Intends to Vote for Innoviva's Board at Innoviva's 2017 Annual Meeting

GSK today issued the following statement with regard to Innoviva's upcoming 2017 Annual Meeting:

"GSK has been a long-time partner of Innoviva and we continue to value the collaborative and productive relationship. GSK owns approximately 29.3% of the outstanding shares of Common Stock.

As a shareholder, we have reviewed the nominees, proposals and public communications from both Innoviva and Sarissa Capital Management LP.

We support Innoviva's Board and management team's continuing effort to deliver significant shareholder value. We also believe that engagement with shareholders is important, and recognise Innoviva's engagement and serious consideration of the feedback it has received from shareholders, which has been a significant element in determining our voting decision. Specifically, we have noted Innoviva's recent announcement that it will review its cost and executive compensation structures, with an expectation of achieving meaningful savings in core operating costs while maintaining its strong revenue growth. We have also noted the Innoviva Board's continuing commitment to delivering strong and increasing returns for shareholders over the long-term.

GSK intends to vote for Innoviva's Board of Director nominees at the 2017 Annual Meeting."

GSK reserves the right (i) to formulate other plans and proposals; (ii) to take any other actions with respect to its investment in the Issuer, including any or all of the actions set forth in subsections (a) through (j) of Item 4 of Schedule 13D; and (iii) to acquire additional shares of Common Stock or to dispose of some or all of the Common Stock beneficially owned by it in the open market, through privately negotiated transactions or otherwise. GSK may at any time reconsider and change its plans or proposals relating to the foregoing.

Item 5. Interest in Securities of the Issuer.
