PROXY STATEMENT

The accompanying Proxy is solicited by the Board of Directors of Cedar Shopping Centers, Inc., a Maryland corporation (the Company), for use at the Annual Meeting of Stockholders (the Meeting) to be held on June 13, 2006, at 4:00 in the afternoon, or any adjournment thereof, at which stockholders of record at the close of business on April 21, 2006 shall be entitled to vote. The cost of solicitation of proxies will be borne by the Company. The Company may use the services of its directors, officers, employees and others to solicit proxies, personally or by telephone; arrangements may also be made with brokerage houses and other custodians, nominees, fiduciaries and stockholders of record to forward solicitation material to the beneficial owners of stock held of record by such persons. The Company may reimburse such solicitors for reasonable out-of-pocket expenses incurred by them in soliciting, but no compensation will be paid for their services.

Each proxy executed and returned by a stockholder may be revoked at any time before it is voted by timely submission of written notice of revocation or by submission of a duly executed proxy bearing a later date (in either case directed to the Secretary of the Company) or, if a stockholder is present at the Meeting, he may elect to revoke his proxy and vote his shares personally.

There is being mailed herewith to each stockholder of record the Company's Annual Report to Stockholders for the fiscal year ended December 31, 2005. It is intended that this Proxy Statement and form of Proxy will first be sent or given to stockholders on or about April 28, 2006. The Company's website address is www.cedarshoppingcenters.com.

On April 21, 2006, the Company had outstanding and entitled to vote with respect to all matters to be acted upon at the meeting, 29,939,913 shares of Common Stock. Each holder of Common Stock is entitled to one vote for each share of stock held by such holder. The presence of holders representing a majority of all the votes entitled to be cast at the meeting will constitute a quorum at the meeting. In accordance with Maryland law, abstentions, but not broker non-votes, are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Each item on the agenda must receive the affirmative vote of a majority of the shares voted at the meeting in order to pass. Abstentions and broker non-votes are not counted in determining the votes cast with respect to any of the matters submitted to a vote of stockholders.

It is expected that the following business will be considered at the meeting and action taken thereon:

1. ELECTION OF DIRECTORS

Pursuant to the Certificate of Incorporation and Bylaws, as amended, the director nominees elected at this Meeting will be elected to serve one-year terms that expire upon the date of the next annual meeting or until their respective successors are duly elected and qualified.

It is intended that the accompanying form of Proxy will be voted for the nominees set forth below, each of whom is presently a director of the Company. If some unexpected occurrence should make necessary, in the Board of Directors' judgment, the substitution of some other person or persons for these nominees, shares will be voted for such other persons as the Board of Directors may select.

The Board of Directors is not aware that any nominee may be unable or unwilling to serve as a director. The following table sets forth certain information with respect to the nominees.

Independent Directors

Pursuant to rules of the New York Stock Exchange and applicable law, a majority of the Company's directors must be independent as specified therein. As a result, the Board undertook a review of the independence of the Company's directors. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under "Certain Relationships and Related Transactions" below. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationship or transaction was inconsistent with a determination that the director is independent.

As the result of this review, the Board affirmatively determined that each of Messrs. Burns, Kirk, Miller and Widmann is independent of the Company and its management. The Board determined that none of these independent Directors had any material relationships with the Company. The directors who are not independent are Messrs. Ullman and Homburg and Ms. Walker.

Corporate Governance Principles and Committee Charters

Our Board of Directors has adopted a comprehensive set of corporate governance principles to reflect its commitment to corporate governance and the role of such principles in building and sustaining stockholder value. These principles are discussed more fully below and are set forth in our Code of Business Conduct and Ethics and the committee charters for our Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. These documents are available on our website at www.cedarshoppingcenters.com or by written request to Investor Relations, 44 South Bayles Avenue, Port Washington, NY 11050.

Code of Business Conduct and Ethics

All of our employees, including our chief executive officer, chief financial officer and chief accounting officer, and our Directors are required to comply with our Code of Business Conduct and Ethics. Our Code is available on our website. It is our intention to disclose any amendments to, or waivers from, any provisions of this Code as it applies to our chief executive officer, chief financial officer and chief accounting officer on our website within three business days of such amendment or waiver.

Audit Committee

The Board of Directors has established an Audit Committee consisting of James J. Burns, Everett B. Miller, III and Roger M. Widmann. The charter of the Audit Committee is available on the Company's website. All the members of the Audit Committee are independent under the rules of the New York Stock Exchange and applicable law. Mr. Burns is qualified as an audit committee financial expert within the meaning of applicable law and the Board has determined that he has accounting and related financial management expertise under the rules of the New York Stock Exchange. The functions of this committee include engaging and discharging of the independent auditors, reviewing with the independent auditors the plan and results of the auditing engagement and reviewing the independence of the independent auditors, including the range of audit and non-audit fees.

Compensation Committee

The Board of Directors has established a Compensation Committee consisting of James J. Burns, Paul G. Kirk, Jr., Everett B. Miller, III and Roger M. Widmann, all of whom are independent. This committee reviews and approves the compensation and benefits of executive officers, administers and makes recommendations to the Board of Directors regarding executive compensation and stock incentive plans and produces an annual report on executive compensation for inclusion in the proxy statement.

Nominating/Corporate Governance Committee

The Board of Directors has established a Nominating/Corporate Governance Committee consisting of James J. Burns, Paul G. Kirk, Jr., and Roger M. Widmann, all of whom are independent. This committee develops and recommends to the Board of Directors a set of corporate governance principles, adopts a code of ethics, adopts policies with respect to conflicts of interest, monitors compliance with corporate governance requirements of state and federal law and the rules and regulations of the New York Stock Exchange, establishes criteria for prospective members of the Board of Directors, conducts candidate searches and interviews, oversees and evaluates the Board of Directors and management, evaluates from time to time the appropriate size and composition of the Board of Directors and formally proposes the slate of Directors to be elected at each Annual Meeting of Stockholders.

Nomination of Directors

The Nominating/Corporate Governance Committee is responsible for the selection and nomination of the Directors. The Committee has adopted a policy to consider nominees recommended by stockholders of the Company. Stockholders who wish to recommend a nominee should send nominations directly to the Nominating/Corporate Governance Committee at the principal executive offices of the Company, that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of directors, including the nominee's name, business experience and consent to be nominated for membership on our Board of Directors and to serve if elected by the stockholders. The recommendation must be received not later than the date for stockholder proposals set forth herein under "Other Matters - Stockholder Proposals." We did not receive for this Meeting any recommended nominees for Director from any of our stockholders. We do not currently pay any fees to third parties to identify or evaluate or assist in identifying or evaluating potential nominees for director. The Nominating/Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders.

Once the Nominating/Corporate Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's guidelines, including:

- the ability of the prospective nominee to represent the interests of the shareholders of the Company;
- the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;
- the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board; and
- the extent to which the prospective nominee helps the Board reflect the diversity of the Company's shareholders, employees, customers and communities.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

There are no differences in the manner in which the Nominating/Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder.

Board Meetings

In the fiscal year ended December 31, 2005, there were 20 meetings of the Board of Directors, six meetings of the Audit Committee, six meetings of the Compensation Committee and no meetings of the Nominating/Corporate Governance Committee. Each Director of the Company attended in excess of 75% of the total number of meetings of the Board of Directors and committees on which he or she served, except Mr. Kirk who attended three of the five Board meetings held after his appointment as a Director. Board members are encouraged to attend our Annual Meeting of Stockholders. All of our Directors attended our 2005 Annual Meeting, except for Messrs. Homburg and Widmann.

Communications with the Board

The Nominating/Corporate Governance Committee of the Board approved a process for handling letters received by the Company and addressed to non-management members of the Board. Stockholders and other parties interested in communicating with any Directors of the Company (or the Board as a group), may do so by writing to the Secretary of the Company, at the Company's principal executive offices. He will review all such correspondence and regularly forward to the Board a summary of all such correspondence and copies of all correspondence that, in his opinion, deals with the functions of the Board or committees thereof or that he otherwise determines to require the Board's attention. The Board, or any member thereof, may at any time request that copies of all such correspondence be forwarded to the Board.

Correspondence relating to accounting, internal controls or auditing matters is handled by the Audit Committee in accordance with its procedures.

The non-management directors of our Board meet in executive session several times during the year, generally at regularly scheduled meetings of the Board of Directors or as considered necessary or appropriate. A presiding Director is chosen by the non-management Directors to preside at each meeting and does not need to be the same Director at each meeting.

Compensation of Directors

Independent Directors' fees are \$20,000 per year; meeting attendance fees are \$1,000 for each Board and Committee meeting. Audit Committee members (other than the chairman) also receive a flat fee of \$4,000 per year, while other committee members (other than the chairmen) receive a flat fee of \$3,000 per year. The chairman of the Audit Committee receives \$10,000 per year and the chairmen of the other committees receive \$4,000 per year. The annual Directors fees, at the option of each Director, may be paid in cash or shares of the Company's common stock. Each Director (other than Directors who are members of management) also will receive an annual grant of \$30,000 of restricted stock which will vest on the third anniversary of the date of grant.

Stockholder Return Performance Presentation

The following line graph sets forth for the period of January 1, 2000 through December 31, 2005, a comparison of the percentage change in the cumulative total stockholder return on the Company's common stock compared to the cumulative total return of the Standard & Poor's (S&P) 500 Stock Index and the National Association of Real Estate Investment Trusts Equity REIT Total Return Index.

The graph assumes that the shares of the Company's common stock were bought at the price of \$100 per share and that the value of the investment in each of the Company's common stock and the indices was \$100 at the beginning of the period. The graph further assumes the reinvestment of dividends when paid. Audit Committee Report

The Audit Committee is comprised of James J. Burns, Everett B. Miller, III and Roger M. Widmann, all of whom are independent directors as defined by Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange Listing Standards. The Audit Committee operates under a written charter, which was adopted by the Board. The Audit Committee appoints the Company's independent registered public accountants.

Company management has primary responsibility for preparing the Company's financial statements and the financial reporting process, including establishing and maintaining adequate internal control over financial reporting and evaluating the effectiveness of internal control over financial reporting. The independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, during 2005 the Audit Committee met six times and held separate discussions with management, the Company's internal auditors and the independent registered public accountants. Management represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles. Additionally, the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent registered public accountants. The Audit Committee discussed with the independent registered public accountants matters required to be discussed by the Statement on Auditing Standards No. 61 (communication with Audit Committees).

The Committee received and reviewed a report prepared by Ernst & Young LLP describing the firm's internal quality control procedures and any material issues raised by the firm's most recent internal quality-control review. The Company's independent registered public accountants provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accountants the independent registered public accountant's independence.

In discharging its duties, during the year the Committee met with management of the Company and Ernst & Young LLP and discussed the status of the Company's internal control procedures and reviewed and discussed the Company's interim unaudited consolidated financial statements for 2005 and audited financial statements for the fiscal year ended December 31, 2005. The Committee also discussed with Ernst & Young LLP the critical accounting policies and practices used in the preparation of the Company's audited financial statements. Management and Ernst & Young LLP have represented to the Committee that the audited financial statements for the year ended December 31, 2005 were prepared in accordance with generally accepted accounting principles.

Based on the review and discussions with management, the internal auditors and Ernst & Young LLP, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Audit Committee Charter, the Committee has recommended to the Board of Directors the inclusion of the audited financial statements of the Company in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

Compensation Committee Report on Executive Compensation

The Compensation Committee currently consists of James J. Burns, Paul G. Kirk, Jr., Everett B. Miller, III and Roger M. Widmann. The Compensation Committee is responsible for determining the level of compensation paid to the Chief Executive Officer, approving the level of compensation paid to the Company's other executive officers, determining awards under, and administering, the Stock Option Plan and 2004 Stock Incentive Plan and reviewing and establishing any and all other executive compensation plans adopted from time to time by the Company. The Company's philosophy for compensating executive officers is designed to attract, retain, motivate and reward key executives in the Company's highly competitive industry.

The amount of compensation to be paid to an executive officer is generally based upon the Compensation Committee's analyses of each individual's performance, contributions to the Company and responsibilities to be undertaken on behalf of the Company, as well as reports on comparable compensation packages provided by an independent compensation consulting firm employed by the Compensation Committee. In 2003, the Board of Directors approved employment agreements for the executive officers, including the Chief Executive Officer. In the employment agreements, the salary for each officer was established. The Board did not use any specific qualitative or quantitative measures or factors in assessing individual performance. The Board reviewed the Company's earnings, stock performance, industry position and salaries paid by its competitors. In reviewing these criteria, the Board determined that salaries paid by the Company to its executive officers were comparable and appropriate.

Stock-based compensation is also an important element of the Company's compensation program. The 2004 Stock Incentive Plan was adopted and approved by the Board of Directors to allow the Company to grant different types of awards, including options to purchase shares of the Company. The Compensation Committee determines in its sole discretion, subject to the terms and conditions of the 2004 Stock Incentive Plan, the size of a particular award based upon its subjective assessment of the individual's performance, responsibility and functions and how this performance may have contributed to the Company's performance. The Compensation Committee believes awards pursuant to the 2004 Stock Incentive Plan align the interests of management with those of the Company's stockholders by emphasizing long-term stock ownership and increases in stockholder value. The purpose of the 2004 Stock Incentive Plan is to encourage executives and others to acquire a larger proprietary interest in the Company, thereby further stimulating their active interest in the development and financial success of the Company. The number of awards that the Compensation Committee will grant to executive officers will be based on individual performance and level of responsibility. Since option awards are tied to the future performance of the Company's Common Stock, they will provide value in the future only if the price of the Company's Common Stock exceeds the exercise price of the options.

The Chief Executive Officer's salary for 2005 was established pursuant to the terms of his employment agreement which was based on the Compensation Committee's subjective analysis of his performance and contributions to the Company and the report of the compensation consulting firm. The Compensation Committee used its knowledge of salaries paid by competitors of the Company to their chief executive officers, as well as the performance of the Company's competitors.

The Internal Revenue Code of 1986, as amended, was amended in 1993 with respect to the ability of publicly-held corporations such as the Company to deduct compensation in excess of \$1,000,000 per individual, other than performance-based compensation. The Compensation Committee continues to evaluate maximizing the deductibility of executive compensation, while retaining the discretion it deems necessary to compensate executive

officers.

On January 31, 2006, the Company acquired the Shore Mall in Egg Harbor Township, NJ, a 620,000 sq. ft. shopping center, for an aggregate purchase price of approximately \$35.5 million, excluding closing costs. Mr. Ullman's son, Frank C. Ullman, is employed by the Company as an assistant vice president and received total compensation in 2005 of \$156,110.

Section 16(a) Beneficial Ownership Reporting Compliance

The Company believes that during 2005 its officers, directors and holders of more than 10% of its common stock complied with all filing requirements under Section 16(a) of the Securities Exchange Act of 1934. - (1) Includes fees and expenses related to the annual audit and interim reviews, notwithstanding when the fees and expenses were billed or when the services rendered.
- (2) Includes fees and expenses for services rendered from January through December, notwithstanding when the fees and expenses were billed.

All audit-related services and other services were pre-approved by the Audit Committee, which concluded that the provision of such services by the Company's auditors was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The policy of the Audit Committee provides for pre-approval of the yearly audits, quarterly reviews and tax compliance on an annual basis. As individual engagements arise, they are approved on a case-by-case basis. The Audit Committee may delegate to one or more of its members pre-approval authority with respect to permitted services.

Audit Committee Consideration of these Fees

The Company's Audit Committee has considered whether the provisions of the services covered under the categories of Audit-Related Fees and All Other Fees are compatible with maintaining the independence of Ernst & Young LLP.

The Board of Directors of the Company recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company.
