**INFORMATION CONTAINED IN THIS PROSPECTUS**

In this prospectus and in any prospectus supplement, unless otherwise indicated, references to “we”, “us”, “our”, “Magna” or the “Corporation” are to Magna International Inc. and its consolidated subsidiaries and jointly controlled entities. All references to “U.S.\$” or “\$” are to U.S. dollars and all references to “Cdn. \$” are to Canadian dollars.

This prospectus is part of a registration statement on Form F-10 relating to the Registrable Securities that we have filed with the SEC. Under the registration statement, the Selling Shareholders may, from time to time, sell any of the Registrable Securities described in this prospectus in one or more offerings. This prospectus provides you with a general description of the Registrable Securities that the Selling Shareholders may offer. Each time the Selling Shareholders sell Registrable Securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering of Registrable Securities. The prospectus supplement may also add to, update or change information contained in this prospectus. Before you invest, you should carefully read this prospectus, any applicable prospectus supplement and any documents incorporated by reference. This prospectus does not contain all of the information contained in the registration statement, certain parts of which are omitted in accordance with the rules and regulations of the SEC. You should refer to the registration statement and the exhibits to the registration statement for further information with respect to us, the Selling Shareholders and the Registrable Securities.

No dealer, salesperson or other person has been authorized to give any information or to make any representations other than those contained or incorporated by reference in this prospectus or any accompanying prospectus supplement in connection with the offer made by this prospectus or any accompanying prospectus supplement and, if given or made, such information or representations must not be relied upon as having been authorized by us or any such person. Neither the delivery of this prospectus or any accompanying prospectus supplement nor any sale made hereunder and thereunder shall under any circumstances create an implication that there has been no change in our affairs since the date hereof. This prospectus or any accompanying prospectus supplement does not constitute an offer or solicitation by anyone in any state or province in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make such offer or solicitation.

## NOTICE TO U.S. INVESTORS

We are incorporated under the OBCA. Many of our officers and directors, and some of the experts named in this prospectus, are Canadian residents, and a substantial portion of our assets and the assets of such persons are located outside the United States. As a result, it may be difficult for investors in the United States to effect service of process within the United States upon such directors, officers and representatives of experts who are not residents of the United States or to enforce against them judgments of United States courts based upon civil liability under the United States federal securities laws or the securities laws of any state within the United States. We have been advised by our Canadian counsel, Osler, Hoskin & Harcourt LLP, that a judgment of a United States court predicated solely upon civil liability under United States federal securities laws would probably be enforceable in Canada if the United States court in which the judgment was obtained has a basis for jurisdiction in the matter that would be recognized by a Canadian court for the same purposes. We have also been advised by Osler, Hoskin & Harcourt LLP, however, that there is substantial doubt whether an action could be brought in Canada in the first instance on the basis of liability predicated solely upon United States federal securities laws.

We filed with the SEC, concurrently with our registration statement on Form F-10, an appointment of agent for service of process on Form F-X. We have appointed CT Corporation Systems, 111 Eighth Avenue, New York, NY 10011 as our agent for service of process in the United States in connection with any investigation or administrative proceeding conducted by the SEC, and any civil suit or action brought against or involving us in a United States court arising out of or related to or concerning the offering of Registrable Securities under this prospectus.

We prepare our consolidated financial statements in accordance with Canadian generally accepted accounting principles ("Canadian GAAP"), which differ from the United States generally accepted accounting principles ("U.S. GAAP"). Therefore, our consolidated financial statements incorporated by reference in this prospectus, in any applicable prospectus supplement and in the documents incorporated by reference in this prospectus and in any applicable prospectus supplement may not be comparable to financial statements prepared in accordance with U.S. GAAP. You should refer to the applicable note to our audited comparative consolidated financial statements as at and for the year ended December 31, 2006 for a discussion of the principal differences between our financial results determined under Canadian GAAP and under U.S. GAAP.

## DOCUMENTS INCORPORATED BY REFERENCE

The modifying or superseding statement need not state that it has modified or superseded a prior statement or include any other information set forth in the document that it modifies or supersedes. Any statement so modified or superseded shall not constitute a part of this prospectus, except as so modified or superseded. The making of such a modifying or superseding statement will not be deemed an admission for any purpose that the modified or superseded statement, when made, constituted a misrepresentation, an untrue statement of a material fact or an omission to state a material fact that was required to be stated or that was necessary to make a statement not misleading in light of the circumstances in which it was made.**

Upon a new annual information form and new annual financial statements and related management's discussion and analysis being filed with the applicable securities regulatory authorities during the currency of this prospectus, the previous annual information form, the previous annual financial statements and related management's discussion and analysis, all interim financial statements and related management's discussion and analysis, material change reports and information circulars filed prior to the commencement of the then current fiscal year will be deemed no longer to

be incorporated by reference into this prospectus for purposes of future offers and sales of Registrable Securities under this prospectus.

A prospectus supplement containing the specific terms of an offering of any Registrable Securities will be delivered to purchasers of such securities together with this prospectus and will be

nor do we undertake, to update or revise any forward-looking statements to reflect subsequent information, events, results or circumstances or otherwise.

The percentage of aggregate voting rights attached to our outstanding Class A Subordinate Voting Shares as of September 11, 2007 was approximately 16.7%.

The following is a brief description of the significant attributes of our authorized share capital and is qualified in its entirety by reference to the detailed provisions in our charter documents. Additional terms and conditions relating to our authorized share capital are set out in our Corporate Constitution, which is described in our most recent annual information form.

#### **Class A Subordinate Voting Shares**

The holders of Class A Subordinate Voting Shares are entitled:

- to one vote for each Class A Subordinate Voting Share held (together with the holders of Class B Shares, which are entitled to vote at such meetings on the basis of 300 votes per Class B Share held) at all meetings of Shareholders, other than meetings of the holders of another class or series of shares;
- to receive, on a pro rated basis with the holders of Class B Shares, any dividends (except for stock dividends, as described below) that may be declared by our board of directors (the “Board”), subject to the preferential rights attaching to shares ranking in priority to Class A Subordinate Voting Shares and Class B Shares; and

- to receive, after the payment of our liabilities and subject to the rights of the holders of shares ranking in priority to the Class A Subordinate Voting Shares and Class B Shares, on a pro rated basis with the holders of Class B Shares, all our property and net assets available for distribution in the event of our liquidation, dissolution or winding-up, whether voluntary or involuntary, or any other distribution of assets among our shareholders for the purpose of winding-up our affairs.

### **Class B Shares**

The holders of Class B Shares are entitled to:

- 300 votes for each Class B Share held (together with the holders of Class A Subordinate Voting Shares, which are entitled to vote at such meetings on the basis of one vote per share held) at all meetings of Shareholders, other than meetings of the holders of another class or series of shares;
- receive, on a pro rated basis with the holders of Class A Subordinate Voting Shares, any dividends (except for stock dividends, as described below) that may be declared by the Board, subject to the preferential rights attaching to shares ranking in priority to Class B Shares and Class A Subordinate Voting Shares;
- receive, after the payment of all our liabilities and subject to the rights of the holders of shares ranking in priority to the Class B Shares and Class A Subordinate Voting Shares, on a pro rated basis with the holders of Class A Subordinate Voting Shares, all our property and net assets available for distribution in the event of our liquidation, dissolution or winding-up, whether voluntary or involuntary, or any other distribution of assets among our shareholders for the purpose of winding-up our affairs; and
  - convert Class B Shares into Class A Subordinate Voting Shares, on a one-for-one basis.

### **Stock Dividends**

The Board may declare a simultaneous stock dividend payable on Class A Subordinate Voting Shares in Class A Subordinate Voting Shares and payable on Class B Shares in Class A Subordinate Voting Shares or in Class B Shares. No dividend payable in Class B Shares may be declared on Class A Subordinate Voting Shares.

### **Preference Shares**

The Board may, without any approval of our shareholders, fix the number of shares in and determine the attributes of an individual series of Preference Shares and issue shares of such series from time to time. The shares of each such series will be entitled to a preference over the Class A Subordinate Voting Shares and Class B Shares, but will rank equally with the Preference Shares of every other series with respect to the payment of dividends and in the distribution of our property and net assets available for distribution in the event of our liquidation, dissolution or winding-up, whether voluntary or involuntary, or any other distribution of assets among our shareholders for the purpose of winding-up our affairs.

### **Amendments to Share Provisions and Other Matters**

The provisions attaching to the Preference Shares, to a series of Preference Shares, to Class A Subordinate Voting Shares and to Class B Shares may not be deleted or varied without the approval of the holders of the class or series concerned. In addition, no shares of a class ranking prior to or on a parity

with the Preference Shares, Class A Subordinate Voting Shares or Class B Shares may be created without the approval of the holders of the class or each series of the class concerned. Any approval required to be given must be given by a resolution passed by at least two-thirds of the votes cast by those present in person or by proxy at a meeting of the holders of the class or series concerned duly called for that purpose in addition to any other consent or approval required by law.

Neither the Class A Subordinate Voting Shares nor Class B Shares may be subdivided, consolidated, reclassified or otherwise changed unless, contemporaneously therewith, the other class of shares is subdivided, consolidated, reclassified or otherwise changed in the same proportion and in the same manner.

Under present law, any offer to purchase Class B Shares, whether by way of a public offer or private transaction and regardless of the offered price, would not necessarily result in an offer to purchase Class A Subordinate Voting Shares. **Accordingly, holders of Class A Subordinate Voting Shares do not have a right to participate if a take-over bid is made for Class B Shares.**

### **Dividend Policy**

Our Corporate Constitution contains a Dividend Policy that entitles holders of Class A Subordinate Voting Shares and holders of Class B Shares to dividends which, in aggregate in respect of a financial year, shall be: (a) equal to at least 10% of our After Tax Profits (as defined in our Corporate Constitution) for that financial year; and (b) on average, equal to at least 20% of our After Tax Profits for that year and the two immediately preceding financial years. We have complied with this requirement since 1992 and intend to continue to comply fully with this requirement.

Under our Corporate Constitution, if we fail to comply with the Dividend Policy for a period of two consecutive financial years, the holders of Class A Subordinate Voting Shares will have the exclusive right, voting separately as a class, to nominate and elect additional directors. Under the Dividend Policy in the Corporate Constitution, our After Tax Profits available for distribution to holders of Class A Subordinate Voting Shares and Class B Shares will be calculated after payment of dividends on Preference Shares. We currently have no Preference Shares outstanding.

Our Board reserves the right to modify the dividend at any time and for any reason, subject to the requirements of the Corporate Constitution, particularly in response to financial, economic, operating or other relevant circumstances.

### **PLAN OF DISTRIBUTION**

The Registration Rights Agreement provides that the Selling Shareholders may request that we file a prospectus supplement in respect of resales of the Registrable Securities in circumstances where the Newco shareholding and governance arrangements terminate pursuant to the terms of an exit agreement dated September [ ], 2007 between Russian Machines, RM Sub, Newco, Newco I.5, Newco II, BNPP, 445327 Ontario Limited and 446 Holdings Inc. (the "Exit Agreement").

BNPP may request that we file a prospectus supplement in respect of resales of the Registrable Securities if RM Sub defaults on the loan provided by BNPP to finance Newco II's subscription for 20,000,000 of our Class A Subordinate Voting Shares issued by us to Newco II pursuant to a plan of arrangement under the OBCA on September [ ], 2007, which is secured by a pledge of the Registrable Securities (the "RM Loan"). For more information about the terms and conditions of the RM Loan and the circumstances in which BNPP may realize on the Registrable Securities, see "The Arrangement — Sources of Funds for the Arrangement" and "Transaction Documents — Exit Agreement" in our management information circular/proxy statement dated July 25, 2007, which is incorporated herein by reference.

RM Sub, Newco I.5 and Newco II may also request that we file a prospectus supplement in respect of resales of the Registrable Securities following delivery of an exit notice by RM Sub under the Exit Agreement after 1, 2009, pursuant to which RM Sub must withdraw its investment in Newco and Newco II and exit from its governance arrangements with the Stronach Trust. See "Transaction Documents — Exit Agreement" in our management information circular/proxy statement dated July 25, 2007, which is incorporated herein by reference.

Following receipt of a request, we shall promptly notify each other Selling Shareholder, who will then have five calendar days to notify us in writing whether to have such Selling Shareholder's Registrable Securities included in the offering.

We will be obligated to file a prospectus supplement on only three occasions if so requested, provided that the Registrable Securities that are the subject of the request have a market value in excess of \$10,000,000. If Registrable Securities are to be disposed of in an underwritten public offering, we may designate the managing underwriter of such offering, subject to the approval of the holders holding a majority of the Registrable Securities. The Registration Rights Agreement also provides that we must use our commercially reasonable efforts to maintain the listings of the Class A Subordinate Voting Shares on the TSX and the NYSE. We will be responsible for registration expenses relating to this prospectus, shelf registration statement and the first two prospectus supplements (if any) filed pursuant to the Registration Rights Agreement. All other expenses will be borne by the Selling Shareholders. In addition, we will be obligated to provide customary indemnification of each Selling Shareholder and each underwriter of Registrable Securities and each person who controls such Selling Shareholder or underwriter within the meaning of the U.S. Securities Act and the Exchange Act.

We will not receive any of the proceeds from the sale of the Registrable Securities by the Selling Shareholders. We have been advised by the Selling Shareholders that they may sell all or any portion of the Registrable Securities offered hereby from time to time:

- directly to one or more purchasers; or
- through underwriters, broker-dealers or agents, who may receive compensation in the form of fees, discounts, commissions or concessions from the Selling Shareholders or from the purchasers of Registrable Securities for whom they may act as agent.

The Registrable Securities may be distributed from time to time in one or more transactions:

- at negotiated prices;
- at a fixed price or prices (that may be subject to change);
- at market prices prevailing at the time of sale; or

- at various prices determined at the time of sale or at prices related to the prevailing market prices.

The prices will be determined by the Selling Shareholders or by agreement between the Selling Shareholders and underwriters or dealers who may receive fees, discounts, commissions or concessions in connection with the sale. The aggregate proceeds to the Selling Shareholders from the sale of the Registrable Securities offered by them hereby will be the purchase price of the Registrable Securities less any fees, discounts, concessions and/or commissions, if any.

The applicable prospectus supplement will set forth the specific terms of the offering of securities, including:

- the price of the securities;
- the names of the underwriters or agents, if any;
- any underwriting discounts, agency fees or other compensation to underwriters or agents; and
- any discounts or concessions allowed or paid to dealers.

Any underwriter, dealer or agent that participates in an offering of Registrable Securities may be considered by the SEC to be an “underwriter” under the U.S. Securities Act. Any fees, discounts, concessions or commissions received by an underwriter, dealer or agent on the sale or resale of securities may be considered by the SEC to be underwriting discounts and commissions under the U.S. Securities Act. We may agree to indemnify any underwriters, dealers and agents against, or contribute to any payments the underwriters, dealers or agents may be required to make with respect to, civil liabilities, including liabilities under the U.S. Securities Act. Underwriters and agents and their affiliates are permitted to be customers of, engage in transactions with, or perform services for us and our affiliates in the ordinary course of business.

### INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

#### **Indemnification**

Section 136 of the Business Corporations Act (Ontario) as amended, provides, in part, as follows:

(1) A corporation may indemnify a director or officer of the corporation, a former director or officer of the corporation or another individual who acts or acted at the corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the corporation or other entity.

#### **Advance of costs**

(2) A corporation may advance money to a director, officer or other individual for the costs, charges and expenses of a proceeding referred to in subsection (1), but the individual shall repay the money if the individual does not fulfil the conditions set out in subsection (3).

#### **Limitation**

(3) A corporation shall not indemnify an individual under subsection (1) unless the individual acted honestly and in good faith with a view to the best interests of the corporation or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the corporation's request.

#### **Same**

(4) In addition to the conditions set out in subsection (3), if the matter is a criminal or administrative action or proceeding that is enforced by a monetary penalty, the corporation shall not indemnify an individual under subsection (1) unless the individual had reasonable grounds for believing that the individual's conduct was lawful.

#### **Derivative actions**

(4.1) A corporation may, with the approval of a court, indemnify an individual referred to in subsection (1), or advance moneys under subsection (2), in respect of an action by or on behalf of the corporation or other entity to obtain a judgment in its favour, to which the individual is made a party because of the individual's association with the corporation or other entity as described in subsection (1), against all costs, charges and expenses reasonably incurred by the individual in connection with such action, if the individual fulfils the conditions set out in subsection (3).

#### **Right to indemnity**

(4.2) Despite subsection (1), an individual referred to in that subsection is entitled to indemnity from the corporation in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defence of any civil, criminal, administrative, investigative or other

proceeding to which the individual is subject because of the individual's association with the corporation or other entity as described in subsection (1), if the individual seeking an indemnity,

- (a) was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done; and
- (b) fulfils the conditions set out in subsections (3) and (4).

### **Insurance**

(4.3) A corporation may purchase and maintain insurance for the benefit of an individual referred to in subsection (1) against any liability incurred by the individual,

- (a) in the individual's capacity as a director or officer of the corporation; or
- (b) in the individual's capacity as a director or officer, or a similar capacity, of another entity, if the individual acts or acted in that capacity at the corporation's request.

### **Application to court**

(5) A corporation or a person referred to in subsection (1) may apply to the court for an order approving an indemnity under this section and the court may so order and make any further order it thinks fit.

### **Idem**

(6) Upon an application under subsection (5), the court may order notice to be given to any interested person and such person is entitled to appear and be heard in person or by counsel.

Section 5 of By-Law No. 1B-92 of the Corporation provides as follows:

### **Protection of Directors, Officers and Others**

*5.1 Limitation of Liability.* No director, officer or employee shall be liable for the acts, receipts, neglects or defaults of any other director, officer or employee, or for joining in any receipt or other act for conformity, or for any loss, damage or expense happening to the Corporation through the insufficiency or deficiency of title to any property acquired for or on behalf of the Corporation, or for the insufficiency or deficiency of any security in or upon which any of the moneys of the Corporation shall be invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious acts of any person with whom any of the moneys, securities or effects of the Corporation shall be invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious acts of any person with whom any of the moneys, securities or effects of the Corporation shall be deposited, or for any loss occasioned by any error in judgment or oversight on his part, or for any other loss, damage or misfortune whatever which shall happen in the execution of the duties of his office or employment or in relation thereto, unless the same are occasioned by his own negligence or wilful default; provided that nothing herein shall relieve any director, officer or employee from the duty to act in accordance with the Act or from liability for any breach thereof.

*5.2 Indemnification.* The Corporation shall indemnify a director, officer, former director, former officer or a person who acts or acted at the Corporation's request as a director or officer or other similar executive for another body corporate or other organization of which the Corporation is or was a shareholder (or other type of equity-holder) or creditor, and such person's heirs and legal representatives, against all costs, charges and expenses, including an amount

paid to settle an action or satisfy a judgment, reasonably incurred by him in respect of any civil, criminal or administrative action or proceeding to which he is made a party by reason of being or having been a director, officer or other similar executive of such

body corporate or other organization, to the full extent permitted by law. The Corporation is authorized to enter into agreements evidencing its indemnity in favour of the foregoing persons to the full extent permitted by law and may purchase and maintain insurance against the risk of its liability to indemnify pursuant to this provision.

The Corporation carries liability insurance which provides for coverage for officers and directors of the Corporation and its subsidiaries, subject to a deductible for executive indemnification. The policy does not provide coverage for losses arising from the breach of fiduciary responsibilities under statutory or common law or from violations of, or the enforcement of, pollutant laws and regulations.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.
