PROXY STATEMENT

The date of this Proxy Statement is August 6, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors to be used at the annual meeting of shareholders of the Company to be held on August 27, 2004 at 10:00 o'clock in the morning, eastern standard time, at the Stamford Marriott, located at Two Stamford Forum, Stamford, Connecticut, for the purposes set forth in the accompanying notice of annual meeting of shareholders.

At the annual meeting, the shareholders will be asked to consider and vote upon the following matters:

1. To elect four directors from eight nominees to hold office until the second succeeding annual meeting of the shareholders and until their successors have been elected and qualified.
2. To ratify the selection of auditors for the fiscal year ending March 31, 2005.
3. To transact such other business as may properly come before the meeting.

If the enclosed form of proxy is executed and returned, it may nevertheless be revoked at any time before it is exercised, either in person at the annual meeting or by written notice or by a duly executed proxy, bearing a later date, sent to the President of the Company.

The Company anticipates mailing this proxy statement and the accompanying proxy to shareholders on or about August 6, 2004. In addition to the solicitation of proxies by mail, the Company, through its directors, officers and employees, may solicit proxies from shareholders personally or by telephone or other forms of communication. The Company may also require the assistance of certain broker-dealers and/or proxy solicitation agents in

Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

obtaining completed proxies from shareholders. Such assistance would be in the form of telephonic or written communication by employees of such broker-dealers and/or proxy solicitation agents. No contract or compensation is anticipated at this time in connection with any such solicitation. All expenses of proxy solicitation on behalf of the Company will be borne by the Company.

As of August 6, 2004, (the "Record Date") there were 7,519,878 shares of the Company's common stock issued and outstanding, held by approximately 1,000 beneficial owners and approximately 200 holders of record. Each share of common stock is entitled to one vote. Only holders of record of common stock at the close of business on August 6, 2004 will be entitled to vote at the meeting.

4

Proxies will be received and tabulated by the Company's transfer agent. Votes cast in person at the meeting will be tabulated by election inspectors appointed by the Company. Abstentions and "broker non-votes" are included in the determination of the number of shares present at the meeting. Abstentions are counted in tabulations of the vote cast on proposals presented to the shareholders, whereas broker non-votes are not counted in tabulations of the votes cast. Neither are counted as votes cast "for" a proposal.

If fewer shares are voted in favor of the proposals than required for their approval, the meeting may be adjourned for the purpose of allowing additional time for obtaining additional proxies or votes. At any subsequent reconvening of the meeting, all proxies will be voted on the matter(s) to be considered at the reconvened meeting in the same manner as such proxies would have been voted on the matter at the original convening of the meeting (except for any proxies which have theretofore effectively been revoked or changed), notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting. Any such adjournment will require the affirmative vote of a majority of the shares present at the session of the meeting to be adjourned. A proxy granting authority to vote upon such other business incidental to the conduct of the meeting as may properly come before the meeting will constitute authority to vote in favor of one or more adjournments of the meeting.

None of the Company's executive officers, directors or director nominees have any substantial interest, direct or indirect in any matter to be voted on other than election or appointment to office.

GCM Security Partners, LLC, and Bruce Galloway, one of GCM's principals, collectively own or have the right to vote 47.2% of the Company's outstanding shares of common stock and may, therefore, have the ability to control the outcome of all matters submitted before the shareholders for a vote at the annual meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

The Company's bylaws provide for its Board of Directors (the "Board") to be divided into two classes. Directors are elected by a plurality of the votes of the shareholders. The Company's by-laws provide that there shall be not

Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

more than twenty-one nor fewer than three directors of the Company, with the exact number to be determined from time to time by the Board. The Board currently consists of seven members. The members of each class of directors are elected for two (2) year terms and until their respective successors are duly elected and qualified. Proxies cannot be voted for a greater number of persons than the number of Directors to be elected which is four (4).

5

There are four (4) directors to be elected and eight (8) nominees for those four (4) positions on the Board. The nominees, listed in alphabetical order, are:

Name	Age	Name	Age
-----	-----	-----	-----
Robert S. Ellin	39	Peter J. Nekos	76
Bruce R. Galloway	46	Gordon Robinett	68
Thomas P. Kikis	43	William C. Vassell	45
Gregory J. Miller	45	Martin R. Wade, III	55

The Board makes no recommendation to the shareholders as to the nominees.

The vote required for approval, a quorum being present, is the affirmative vote of a plurality of the votes cast.

Each shareholder may vote for a maximum of four (4) directors and no more. If a shareholder votes for more than (4) four directors, none of the votes will be counted for the election of directors. If no voting instructions as to the ratification of the auditors are given on the proxy, the proxy will be voted "for" ratification of the selection of the auditors. If no voting instructions are given and/or votes for more than four (4) directors are indicated on the proxy, it will be counted for purposes of determining a quorum. With respect to any other matters which may properly come before the meeting, it will be voted as herein recommended by the Board of Directors.

It is not anticipated that any of the nominees will become unavailable for any reason, but, if that should occur before the meeting, the Board reserves the right, in the exercise of its sole discretion, to substitute another person selected by the Company's Board of Directors as a nominee in place of such nominee.

Messrs. Galloway and Kikis and Trinad Capital LP (by Robert S. Ellin) have each filed Forms 3 with the Securities & Exchange Commission indicating that they are equity participants in GCM Security Partners, LLC ("GCM"). As described in greater detail below, GCM engaged in a change of control transaction in 2004.

On June 22, 2004 GCM submitted a demand on the Company's board of directors for the nomination of specified designees to the Board. (The June 22, 2004 letter included GCM's June 8, 2004 memorandum to the Board, a copy of which is annexed as Exhibit "A" to GCM's Schedule 13D, Amendment 3, dated June 8, 2004.) In response to the demands of GCM, the Board resolved to nominate Messrs. Galloway, Ellin, Wade and Kikis. The Board also discussed the nominations of Messrs. Vassell, Miller and Nekos and after consideration of their rights as shareholders to nominate themselves as directors, the Board approved them simultaneously with the GCM nominees. Mr. Robinett was subsequently submitted to the Board as a nominee by Mr. Vassell.

Change of Control and Legal Proceedings

On May 21, 2004, GCM Securities Partners, LLC ("GCM") purchased from Reliance Security Group, plc ("Reliance") the following securities: (i) 1,617,339 shares of the Company's common stock, (ii) 12,325.35 shares of the Company's Series A Preferred Stock (which are convertible into 1,232,535 shares of the Company's common stock, (iii) a warrant to acquire 150,000 shares of the Company's common stock at an exercise price of \$1.03125 per share and (iv) a warrant to acquire 2,298,092 shares of the Company's common stock at an exercise price of \$1.25 per share.

GCM has presented the Series A Preferred Stock for conversion and has received a judgment (described in more detail below) authorizing the conversion of these shares. Consequently, GCM's common stock holdings post-conversion total 2,849,874 shares or 37.9%. Assuming the exercise of the warrants reference above, these securities represent approximately 53.1% of the outstanding shares of common stock in Command.

None of the warrants have been presented for exercise to date.

As reported by GCM Managing Member Bruce Galloway in a 13D/A filed June 8, 2004, these securities were purchased for a total payment of \$2,850,000 in immediately available funds from working capital of GCM.

At the time of the purchase by GCM, Command President and CEO, William C. Vassell, had already initiated legal action in the United States District Court, Southern District of New York (Case No. 04 CIV. 2657 (CM) ECF CASE) seeking a determination that Mr. Vassell's right of first refusal under the Shareholders Agreement between Reliance, Mr. Vassell and Command (filed as Exhibit 99.19 of the form 8-K filed September 2000 and incorporated herein by reference) was violated by Reliance in its offering (and subsequent sale) of the securities to GCM. On June 18, 2004, the United States District Court Judge rejected all of Mr. Vassell's claims, awarded summary judgment declaring GCM the lawful owner of the Command securities purchased from Reliance and ordered that Mr. Vassell and Command be preliminarily and permanently restrained from interfering with the registration of the securities in GCM's name or the exercise by GCM of any rights as the new owner of the securities. Mr. Vassell has filed an appeal in the above-litigation matter and his counsel has informed the Company that it is

Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

his belief that the appeal decision will be decided by mid-August 2004. In the meantime, both Mr. Vassell and Command are required to honor the Court's decision.

9

On June 25, 2004 GCM submitted the Preferred Stock for conversion into 1,232,535 shares of the Company's Common Stock. The Board determined, based on the advice of independent outside counsel, that the better view was that the conversion of the Preferred Stock into common should be construed as a violation of Section 912 of the New York Business Corporation Law ("NY BCL 912").

Accordingly, Command's Board unanimously determined not to issue the common upon the conversion of the Preferred. Shortly thereafter, GCM brought a motion before the same United States District Court asking the court to clarify, enforce or supplement the Court's prior order and direct the Company to issue the common stock upon conversion of the Preferred. On July 29, 2004 the court issued an opinion finding that Command's own anti-takeover language contained in Article Ninth of its Certificate of Incorporation constituted an express election by Command not to be governed by NY BCL 912. The court did not perform a thorough analysis as to whether NY BCL 912 applied to conversions of preferred stock but assumed for the sake of argument that they do.

This decision enjoins Command from preventing the issuance of the 1,232,535 common stock to GCM in conversion of the Series A Preferred Stock. Accordingly, Command will direct the company's transfer agent to issue the common shares on Command's books effective as of June 25, 2004. GCM will therefore be the record owner of an additional 1,232,535 shares of common stock by the record date for the upcoming annual meeting.

It is expected that Messrs. French, Simon and Halder will resign from the Board at or shortly following the shareholders meeting. In accordance with the Company's bylaws, the Board will vote for their replacements who will serve the balance of their respective terms which expire at the shareholders annual meeting in 2005. The selection of directors to fill the vacancies created by such resignations is uncertain at this time.

PROPOSAL 2 SELECTION OF AUDITORS

D'Arcangelo & Co., LLP audited the financial statements of the Company for the fiscal year ended March 31, 2004 and has been selected by the Board upon recommendation of the Audit Committee to audit the Company's financial statements for the fiscal year ending March 31, 2005. Representatives of D'Arcangelo & Co., LLP are not expected to be present at the meeting and therefore are not expected to be available to make a statement or to respond to questions. At the meeting, the shareholders will be asked to ratify this selection.

The Board recommends that the shareholders vote FOR this proposal.

10

Audit Fees

The aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended March 31, 2004, were \$95,000. The fees charged in connection with the reviews of the interim statements for the periods ended June 30, 2003 through December 31, 2003 were \$59,357.

Financial Information Systems Design and Implementation Fees

The Company's auditors did not provide any services in connection with and were not paid any fees in connection with financial information systems design and implementation.

Tax Fees

The aggregate fees paid to the Company's auditors for tax return preparation was \$16,872.

All Other Fees

The aggregate fees for services rendered by the Company's auditors other than services referenced above, for the most recent fiscal year, totaled \$10,283. The Audit Committee has concluded that the services rendered by its auditors are compatible with maintaining the principal accountant's independence.

COMMITTEES AND MEETINGS
OF THE BOARD OF DIRECTORS
FOR THE YEAR ENDED MARCH 31, 2004

The Company's Board met seven times during the fiscal year ended March 31, 2004. In addition, the Board met informally, by telephone, on several occasions.

The Company had the following standing committees during the fiscal year ended March 31, 2004: Compensation, Stock Option and Audit. All committee meetings were attended by at least 75% of the directors comprising each committee.

Compensation Committee

The Compensation Committee is comprised of Messrs. Vassell, Miller and French. Mr. French replaced Mr. Allison on this committee. Its purpose is to advise the Board on compensation-related issues with respect to the Company's executive officers. The Committee did not meet formally during the fiscal

Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

year ended March 31, 2004. A report of the Compensation Committee has not been provided. The committee took no action with respect to compensation. All such action was considered by the entire board.

Stock Option Committee

The Stock Option Committee includes Messrs. Miller and Nekos. There is one vacancy on the committee. The purpose of the committee is to administer the Company's 2001 Stock Option Plan. The committee did not meet during the fiscal year ended March 31, 2004 and no stock options were granted under the plan.

Audit Committee

The Audit Committee was comprised of Messrs. French, Miller and Nekos as of March 31, 2004. Messrs. French, Miller and Nekos are independent directors (as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards) and it is believed that Mr. Nekos' credentials satisfy the requirements of a financial expert.

The Audit Committee oversees the fulfillment by management of its financial reporting and disclosure responsibilities and its maintenance of an appropriate internal control system. It recommends the selection of the Company's independent auditors. An Audit Committee Charter was adopted by the Committee on August 21, 2000. The Charter was amended on January 8, 2001, to permit the Audit Committee to fulfill its oversight role, relying on data and reports provided by the Company's independent auditors. The committee met formally four times during the fiscal year ended March 31, 2004.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed with management and the independent accountants the Company's March 31, 2004 audited financial statements, and the June, September and December 2003 quarterly reports. In addition, the Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees".

The Audit Committee has received from the independent accountants written disclosures and a letter concerning the independent accountant's independence from the Company, as required by the Independent Standards Board Standard No. 1, "Independent Discussions with Audit Committees." These disclosures have been reviewed by the Committee and discussed with the independent accountants.

Based on its review and discussions, the Committee has recommended to the Board that the Audited Financial statements be included in the Company's Annual Report on Form 10-K for fiscal 2004 for filing with the Securities and Exchange Commission.

The foregoing report is believed by the undersigned members of the Audit Committee as of February 24, 2004 to fairly represent the prior Audit Committee actions.

Peter J. Nekos, Gregory J. Miller, Neil French

NOMINATING COMMITTEE

The Company does not have a standing Nominating Committee of the Board of Directors. The Board of Directors performs the functions of a nominating committee. Until May of 2004, the Company's two largest shareholders, William C. Vassell, President, Chief Executive Officer and Chairman of the Board, and Reliance Security plc ("Reliance") each selected three nominees to the Board in accordance with a Shareholder Agreement dated September 12, 2000. Reliance and Mr. Vassell selected a seventh nominee to the Board. As of May of 2004, it is believed that the Shareholder Agreement terminated as the result of sale of Reliance's interests in the Company to GCM Security Partners, LLC ("GCM").

Following the transfer of Reliance's interest to GCM, GCM submitted the names of four nominees to the Company's Board of Directors in connection with the upcoming meeting. The Board determined to nominate the four (4) directors proposed by GCM: Bruce R. Galloway, Robert S. Ellin, Martin R. Wade, III and Thomas P. Kikis. The Board also nominated the three current directors whose terms are expiring: William C. Vassell (President, Chief Executive Officer and Chairman), Gregory J. Miller and Peter J. Nekos. At the written request of Mr. Vassell, and in accordance with the Company's Bylaws, the Board agreed to include Mr. Gordon Robinett as a nominee. Mr. Carl E. Painter is not standing for reelection. The Board approved the nominations based on a review of the respective nominees' business experience and/or financial interest in the Company.

Since the Board does not have a Nominating Committee it has no Nominating Charter.

Messrs. Nekos, Miller, French, Simon and Painter are independent directors (as defined in Rule 4200(a)(15) of the National Association of Securities Dealers Listing Standards). The Board reviews information concerning each nominee as described in further detail below. Based on that information, it considers the individual's business experience, areas of expertise and ability to contribute to a well-rounded Board. The Board does not have a policy with regard to the consideration of director candidates recommended by security holders. The Board's view is that such a policy should be adopted in the event it is presented with such nominations in the future. However, the Company's Bylaws provide that a shareholder may make nominations in writing provided they are received by the Corporation not less than one hundred twenty (120) days and not more than one hundred fifty (150) days in advance of the mailing of the Corporation's proxy statement in connection with the previous year's annual meeting. The Bylaws further provide that if the date of the current year's annual meeting is changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, as is the case for the August 27th meeting, such proposal must be received by the Corporation at a reasonable time before the Corporation solicits proxies for the election of directors. Proposing shareholders are also required to provide information with regard to the nominees including their full names and residence and business addresses; business experience for the most recent five years; the number of shares of the Corporation's stock owned by the proposed nominees and a description of legal proceedings during the past five years.

Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

DIRECTORS AND EXECUTIVE OFFICERS

The Company's by-laws require that the Board of Directors be divided into two classes. The first class consists of directors Neil French, Jeremy Simon and Graeme R. Halder. The terms of the directors in this class will expire at the annual meeting next succeeding the August 27, 2004 (upcoming) annual meeting of the shareholders. As of April, 2004, Jeremy Simon replaced Mr. Kenneth Allison as a member of the first class of directors following Mr. Allison's voluntary resignation.

The second class consists of William C. Vassell (President, CEO and Chairman), Gregory J. Miller, Peter J. Nekos and Carl E. Painter. Mr. Painter has advised the Board that he does not intend to stand for reelection. The terms of the directors in the second class will expire at the upcoming annual meeting of shareholders. Each director's term is intended to run until the second annual meeting of shareholders following election. A classified board makes it more difficult for shareholders to change the majority of directors. Depending on the number of people in each class it could take two (2) annual meetings to replace a majority of the Board.

The following table provides information concerning each person who was an executive officer or director of the Company as of August 6, 2004.

Name	Age	Title
-----	--	-----
Martin Blake	50	Vice President Aviation Services
Neil French	53	Director
Graeme R. Halder	41	Director

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Board Report on Executive Compensation

The purpose of the Company's Compensation Committee is to advise the Board on matters related to the compensation of executive officers and was, as of March 31, 2004, comprised of William C. Vassell, Gregory J. Miller and Neil French. The Company's policy for determining compensation for management personnel is based on its understanding of the market rate for similar positions in an effort to attract and retain qualified personnel. Edgar Filing: COMMAND SECURITY CORP - Form DEF 14A

During the year ended March 31, 2004, the Committee reviewed recommendations from Management as to a new employment agreement for Martin Blake, VP of Aviation, an amendment to Mr. Blake's Employment Agreement, termination benefits for Graeme Halder (formerly CFO) and an employment agreement for Mr. Robinett (CFO). Pursuant to Corporate Policy, these matters were then referred to the full Board for decisions as to Executive Compensation. In making determinations with respect to compensation for its executive officers, the Board generally reviewed the compensation paid to similarly situated officers at other security guard companies with which the Board was familiar. The base salary selected for Mr. Vassell was at the low to median range of the comparison companies.

The foregoing report is believed by the undersigned members of the Compensation Committee as of March 15, 2003, to fairly represent the prior Compensation Committee's and Board of Director's actions.
