## Edgar Filing: VOIP INC - Form 8-K

On March 22, 2006, Registrant concluded that the financial statements of Registrant included in its Form 10-QSB reports for the quarters ended September 30, 2004 and March 31, 2005, and annual report on Form 10-KSB for the year ended December 31, 2004 were misstated in certain respects.

Management estimates, based upon the procedures it has performed to date, that Registrant's reported sales for the three months ended September 30, 2004, December 31, 2004 and March 31, 2005 were overstated by approximately \$300,000, \$500,000, and \$600,000, respectively, and reported net losses for such periods understated by approximately \$85,000, \$100,000 and \$115,000, respectively. The Board of Directors has received management's report and will retain counsel and independent accountants to commence an expanded review and evaluation of the misstatements and the adequacy of controls, procedures and personnel. The estimates of misstatements reported herein are subject to revision pending the results of the expanded review.

The misstatements were discovered by the senior financial management personnel that commenced their employment with Registrant in the fourth quarter of 2005 during their review and analysis of 2005 results and financial condition in connection with the preparation of the 2005 financial statements and annual report on Form 10-KSB. The misstatements occurred in the financial statements of the Registrant's consolidated subsidiary doing business as DTNet Technologies, which was acquired in June 2004.

In addition to authorizing the expanded review, the Board has met with the Registrant's independent auditors to disclose the matters in this Report.
