QUESTIONS AND ANSWERS

Why did I receive this proxy statement?

Because you are a stockholder of Tandy Leather Factory, Inc. as of the record date and entitled to vote at the 2006 Annual Meeting of Stockholders, our board of directors is soliciting your proxy to vote at the meeting.

This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. This Proxy Statement and form of proxy were first mailed to stockholders on or about April 26, 2006.

What am I voting on?

You are voting on one item:

- Election of eight directors for a term of one year.

What are the voting recommendations of the board of directors?

- The board recommends a vote FOR each of the director nominees.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the stockholders for a vote at the Annual Meeting. If any other matter is properly brought before the meeting, your signed proxy card gives authority to William Warren, our Secretary, and Robin Morgan, our Vice-President of Administration, our Proxy Committee, to vote on such matters at their discretion.

Who is entitled to vote?

Stockholders of record as of the close of business on April 24, 2006 (the record date) are entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare Transfer Corporation, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting, unless you bring with you a legal proxy from the stockholder of record. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

How do I vote?

If you are a stockholder of record, there are three ways to vote:

- By Internet at ;
- By completing and mailing your proxy card; or
- By written ballot at the meeting.

If you vote by Internet, your vote must be received by 11:59 PM Eastern Time on May 23rd, the business day before the meeting. Your shares will be voted as you indicate. If you return your proxy card, but you do not indicate your voting preferences, the Proxy Committee will vote your shares affirmatively.

If your shares are held in a brokerage account in your broker's name (this is called street name), you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions via the Internet to your broker or nominee. If you provide specific voting instructions by mail or the Internet, your shares should be voted by your broker or nominee as you have directed.

We will distribute written ballots to anyone who wants to vote at the meeting. If you hold your shares in street name, you must request a legal proxy from your broker to vote at the meeting.

Is my vote confidential?

Yes. It is our policy that all proxies, ballots, and vote tabulations that identify the vote of a stockholder will be kept confidential from us and our directors, officers, and employees until after the final vote is tabulated and announced, except in limited circumstances including any contested solicitation of proxies, when required to meet a legal requirement, to defend a claim against us or to assert a claim by us, and when written comments by a stockholder appear on a proxy card or other voting material.

Who counts the votes?

We will appoint two persons as inspectors of election for the meeting who will count the votes cast.

What is the quorum requirement of the meeting?

A majority of the outstanding shares determined on April 24, 2006, represented in person or by proxy at the meeting constitutes a quorum for voting on items at the Annual Meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted in determining the quorum, but neither will be counted as votes cast. On April 24, 2006, there were 10,763,976 shares outstanding.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. In general, the broker or nominee would have the discretion to vote these shares. Should there be any “broker non-votes,” they will be counted as shares that are present in determining the presence or absence of a quorum. At present, we are not aware of anything that will come before the meeting involving matters where American Stock Exchange rules bar brokers and nominees from voting if the beneficial owner fails to execute and return a proxy.

What vote is required to approve each proposal?

In the election of directors, each nominee must receive a majority of “FOR” votes cast to be elected.

You should note that several of our officers and directors own approximately three-fifths of the outstanding shares of common stock that will be entitled to vote at the meeting (see “Stock Ownership of Directors and Executive Officers”). We anticipate that these shares will be voted “FOR” the director nominees. Thus, all nominees are expected to be elected.

What does it mean if I get more than one proxy card?

It means your shares are in more than one account. You should vote the shares on all of your proxy cards.

How can I consolidate multiple accounts registered in variations of the same name?

If you have multiple accounts, we encourage you to consolidate your accounts by having all your shares registered in exactly the same name and address. You may do this by contacting our transfer agent, Computershare Trust Corporation, by phone (303/262-0703) or by mail to 350 Indiana Street, Suite 800, Golden, Colorado 80401.

What if I want to change my vote?

You can change your vote on a proposal at any time before the meeting for any reason by revoking your proxy. Proxies may be revoked by:

- Filing a written notice of revocation, bearing a date later than the proxy date, with our secretary at or before the meeting;
- Properly executing a later proxy relating to the same shares; or
- Attending the meeting and voting in person; however, attendance at the meeting will not in and of itself constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to: Secretary, Tandy Leather Factory, Inc., P.O. Box 50429, Fort Worth, Texas 76105-0429.

Where can I find the voting results of the Annual Meeting?

We plan to announce preliminary voting results at the meeting and publish final results in our quarterly report on SEC Form 10-Q for the second quarter of 2006.

How can I receive a copy of the annual report?

Edgar Filing: TANDY LEATHER FACTORY INC - Form DEF 14A

We provide a free copy of our Annual Report on Form 10-K that includes the financial statements and schedules, but does not include the exhibits. If you would also like the report's exhibits, we will provide copies of the exhibits. We may charge a reasonable fee for providing these exhibits.

ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

· *Meeting Attendance*

During fiscal 2005, the board of directors held five meetings. All current directors who served during 2005 attended 75% or more of the aggregate of the total number of meetings of the board of directors and of committees of the board of which he or she was a member. Although we do not have a formal policy regarding director attendance at our Annual Meeting, all directors are expected to attend the meeting and in 2005, all directors were in attendance.

· *Director Independence*

The board of directors has considered the listing requirements of the American Stock Exchange for "independence" of directors, and it has determined that all of its non-employee directors are independent. Our independent directors hold executive sessions at least once a year.

· *Director Compensation*

Non-employee directors receive \$1,000 for each board meeting attended in person, \$500 for each board meeting attended via telephone and \$500 for each committee meeting attended, with the exception of the committee chairman who receives \$750 for each committee meeting attended. In addition, we are currently authorized to grant nonqualified stock options to purchase 2,000 shares of our common stock per year to each of our non-employee directors under our 1995 Director Non-Qualified Stock Option Plan and therefore, granted 2,000 shares each to four of our five non-employee directors. One director has elected to forego his annual grant. The goal of this stock option plan is to provide a means of attracting and retaining competent non-employee personnel to serve on our board of directors by offering individuals long-term equity incentives tied to our performance. Each of our non-employee directors is eligible to participate in this option plan.

Our directors who are also employees receive no additional compensation for serving as directors.

· *Committees*

As of the date of this proxy statement, our board has five committees: (1) Audit, (2) Compensation, (3) Nominating, (4) 1995 Director Non-Qualified Stock Option Plan Committee, and (5) 1995 Stock Option Plan Committee. The membership during the last fiscal year and the function of each committee are described below.

Audit Committee

The Audit Committee's basic role is to assist the board in fulfilling its fiduciary responsibility pertaining to our accounting policies and reporting practices. Among other duties, the Audit Committee is to be the board's principal agent in assuring the independence of our outside auditor, the integrity of management, and the adequacy of disclosures to stockholders. The board has determined that all members of the Audit Committee are "independent" under the applicable rules of the American Stock Exchange and that Joseph R. Mannes, chairman of the Audit Committee in 2004 and 2005, and T. Field Lange, committee member, both qualify as an "audit committee financial expert" as defined by the SEC. The board of directors has adopted a written charter for the Audit Committee, which is available on our website at www.leatherfactory.com. The committee met five times during 2005. The Audit Committee has not made a recommendation to the board regarding the retention or non-retention of Weaver & Tidwell, LLP as independent outside auditor for 2006. The committee historically meets in the fall to discuss the selection of auditors for the current year. The Report of the Audit Committee for the fiscal year ended December 31, 2005 appears below.

Our Audit Committee selected Weaver & Tidwell, LLP to serve as our independent public accountant for the year ended December 31, 2005. A representative of Weaver & Tidwell is expected to attend our annual meeting. The representative will have the opportunity to make a statement at the meeting and respond to appropriate questions from you, our stockholders. Our Audit Committee has not named the independent public accounting firm that will serve as outside auditor for 2006.

Audit Fees. Weaver & Tidwell performed the audits of our 2004 and 2005 financial statements, as well as the reviews of our Forms 10-Q for the same periods. The amounts shown below are the aggregate amounts paid to Weaver & Tidwell during 2004 and 2005 for services in the categories indicated.

Types of Fees	2004	2005

Audit-related fees	2,425	4,745
Tax fees	-	-
All other fees	-	-
Total	\$58,215	\$63,445

The audit-related fees paid in 2004 related to a Form S-3 that we filed in July 2004. The audit-related fees paid in 2005 related to Sarbanes-Oxley Section 404 work. In accordance with the charter of our Audit Committee as in effect at the relevant times and the rules of the SEC, the Audit Committee approved all of the fees indicated above before the services were provided.

Compensation Committee

The Compensation Committee is responsible for recommending to the board of directors the compensation program of the executive officers. The basic philosophy of the executive compensation program is to link the compensation of its executive officers to their contribution toward increases in the size of the operations and income of the company and accordingly, increases in stockholder value. None of the members were a party to any material transaction with us during the past year. In addition, none of our executive officers served as a member of the compensation or similar committee or board of directors of any other entity of which an executive officer served on our Compensation Committee or our board of directors. The Report of the Compensation Committee for 2005 appears below.

The Compensation Committee of our board of directors is responsible for oversight of our executive compensation program. The committee submits all issues concerning executive compensation to the full board of directors for approval. This committee does not review or approve stock option grants.

The following table includes information concerning annual and other compensation for all executive services for the years ended December 31, 2005, 2004 and 2003 paid to our executive officers.

Nominating Committee

We have a nominating committee consisting of five directors, all of whom are "independent" under the American Stock Exchange rules. The committee met one time during 2005.

The board of directors has adopted a written charter for the Nominating Committee, which is available on our website at www.leatherfactory.com. This charter provides that the Nominating Committee is responsible for identifying individuals qualified to become directors consistent with criteria established by the board of directors. Although the board of directors has not yet established these criteria, the charter also provides that the Nominating Committee shall take into account such additional factors as it deems appropriate in evaluating candidates. These factors may include strength of character, mature judgment, career specialization, relevant technical skills, diversity and the extent to which a candidate would fill a present need on the committee. In addition, the charter states that the committee will consider stockholder recommendations of director nominees, as well as nominations by our senior officers. The committee plans to evaluate all director nominees in a like manner without regard as to who recommended the nomination. Traditionally, we have not engaged third parties to identify or evaluate potential directors or to assist in that process. In addition, the Nominating Committee makes a review and evaluation at least annually of the board of directors and the committee's own performance. Further, the committee recommends persons to serve on the committee as members, as well as the possible removal of any incumbent committee members.

Stockholders may nominate director nominees for consideration by writing to our corporate secretary at 3847 East Loop 820 South, Fort Worth, Texas 76119. Any such nomination must include:

- As to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or as otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor regulation thereto (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and
- The nominating stockholder's name and address, as they appear on our books, and the class and number of our shares beneficially owned by him.

In order to be considered by the Nominating Committee with respect to nominees for the 2007 Annual Meeting of Stockholders, prospective nominee recommendations must be received by the corporate secretary no later than 30 days and no earlier than 60 days before such meeting.

1995 Stock Option Plan Committee

The 1995 Stock Option Plan Committee reviews and approves the granting of incentive stock options to key personnel under the 1995 Stock Option Plan. The committee did not meet during 2005 as no stock option grants were awarded.

1995 Director Stock Option Plan Committee

The 1995 Director Stock Option Plan Committee reviews and approves granting of stock options to the non-employee directors pursuant to the 1995 Director Non-Qualified Stock Option Plan. The committee met one time during 2005 to approve stock option grants totaling 8,000 shares.

Report of the Audit Committee

As members of the Audit Committee, we oversee the company's financial reporting process on behalf of our board of directors. Management is responsible for the preparation, presentation, and integrity of our financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations.

During 2005, we analyzed the service provided by and associated costs of our external auditing firm. As a result, we recommended and the board approved the appointment of Weaver & Tidwell, LLP as independent auditors for the year ended December 31, 2005. Our auditors are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2005 with our management and has discussed with Weaver & Tidwell, LLP the matters required to be discussed by Statement on Auditing Standards Board Standard No. 61, as amended, "*Communication with Audit Committees*." In addition, Weaver & Tidwell, LLP has provided the audit committee with the written disclosures and the letter required by Independence Standards Board Standards No. 1, "*Independence Discussions with Audit Committees*," and the audit committee has discussed with Weaver & Tidwell, LLP their independence from Tandy Leather Factory, Inc. and our management.

Based on these reviews and discussions, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Report of the Compensation Committee

In 2005, our Compensation Committee consisted of non-employee directors. None of these directors participate in the compensation programs described in this report. The Compensation Committee is responsible for reviewing and making recommendations to our board of directors regarding the compensation of our executive officers. Our board of directors has final approval of executive officer compensation. We review the performance of each executive officer on at least an annual basis.

Compensation for our executive officers consists of the following components:

- Annual base salary;
- Annual incentive bonus;
- Long-term compensation in the form of stock option grants;
- Company contributions to our ESOP.

Annual corporate performance is a key factor in determining the amount of annual discretionary bonuses awarded. Other forms of compensation are not directly tied to our annual performance.

Base salary. During 2005, we sought to establish base salaries of our executive officers at levels that, in the judgment of the committee members and the board of directors, were sufficiently competitive to retain qualified executive officers. These salary levels were determined based on prior experience and compared to salaries for comparable positions in other companies. Base salaries are generally increased annually assuming our financial performance is satisfactory.

Bonuses. Historically, we award discretionary bonuses to our executive officers as well as certain other employees. We determine these bonuses on a subjective basis, considering prior bonus amounts awarded, business prospects for the upcoming year, and the improvement in our net income for the year in question. The Compensation Committee determines the bonuses awarded to the executive officers, while the executive officers determine bonuses awarded to non-officer employees. For the fiscal year ended December 31, 2005, bonuses were awarded to the executive officers based on our overall growth and the improvement in our operating results in fiscal 2005 compared to fiscal 2004.

Stock options. Ms. Greene is the only executive officer who is eligible for stock option grants as our stock option plan specifically prohibits grants of stock options to Mr. Thompson, Mr. Morgan and Ms. Morgan. No options were granted to Ms. Greene during 2005.

Employees' Stock Ownership Plan. Our ESOP was established to provide long-term incentive compensation for our employees. The executive officers participate in the ESOP in the same manner as all other plan participants. We make annual cash contributions to a trust for the benefit of eligible employees and the trust in turn invests in shares of our common stock. An unaffiliated bank is trustee of the trust.

During 2005, our chief executive officer's base salary rate was \$168,000, the same as for 2004 and 2003. This base salary was, in the opinion of the committee and the board of directors, consistent with salaries for comparable positions within our industry. In addition, the Compensation Committee awarded an incentive bonus of \$70,000 to our chief executive officer for 2005.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Sections 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of our common stock to file reports regarding their ownerships and changes in ownership of our securities with the Securities and Exchange Commission.
