On October 7, 2010, the board of directors of Tandy Leather Factory, Inc. (the “Company”) approved and adopted a second amendment to the Company’s 2007 Director Non-Qualified Stock Option Plan (the “Plan”). The Plan was adopted by the board of directors of the Company on March 22, 2007. The stockholders of the Company ratified the Plan on May 22, 2007. The Plan was initially amended by the board of directors on May 3, 2010. The Plan authorizes the Company to grant to outside directors of the Company options to purchase up to 100,000 shares of the Company’s common stock, par value \$0.0024 per share (“Common Stock”).

The second amendment to the Plan sets forth a new stock option grant schedule as follows: (i) on October 8, 2010, a stock option for 10,200 shares of Common Stock shall be granted to each individual who has served as an outside director of the Company or any subsidiary of the Company for at least six months as of that date; (ii) on May 28, 2010, a stock option for 3,000 shares of Common Stock shall be granted to each individual who is serving as an outside director of the Company or any subsidiary of the Company on that date; (iii) on March 22 of each calendar year thereafter, a stock option for 3,000 shares of Common Stock shall be granted to each individual who is serving as an outside director of the Company or any subsidiary of the Company on that date; and (iv) if an individual first becomes an outside director of the Company or any subsidiary of the Company within six months after March 22 of a year, such individual shall be granted a stock option for 3,000 shares of Common Stock immediately upon becoming an outside director.

On May 28, 2010, a stock option for 3,000 shares of Common Stock was granted to each individual who was serving as an outside director of the Company on such date pursuant to the Plan. On August 10, 2010, a stock option for 3,000 shares of Common Stock was granted to one individual who became an outside director on that date pursuant to the Plan. Except for these grants, no stock options had been granted under the Plan as of October 7, 2010.
