The maximum number of shares which may be sold upon exercise of options granted under the Plans are subject to adjustment in accordance with certain anti-dilution and other provisions of the Plans. Accordingly, pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement covers, in addition to the number of shares stated above, an indeterminate number of shares which may be subject to grant or otherwise issuable after the operation of any such anti-dilution and other provisions.

- (3) Pursuant to Rule 457, the Registrant prepaid the registration fee for 586,977 shares under the Plans when it registered up to 14,725,000 shares of Common Stock pursuant to Registration Statement on Form S-4 (File Number 333-61480) initially filed on May 23, 2001. Therefore, \$2,912 is offset against the total currently due filing fee of \$12,766.

EXPLANATORY NOTE

Vertex Pharmaceuticals Incorporated (the "Registrant") hereby files this Registration Statement on Form S-8 relating to its Common Stock, par value \$0.01 per share, which may be sold upon the exercise of options granted: (i) under the Aurora Biosciences Corporation ("Aurora") 1996 Stock Plan, (ii) under the Aurora Employee Stock Purchase Plan, (iii) under the 1993 Stock Option Plan of PanVera Corporation and (iv) under the Stock Option Agreements between Quorum Sciences, Inc. and certain of its employees (collectively the "Plans").

Pursuant to the merger (the "Merger") provided for in the Agreement and Plan of Merger, dated as of April 29, 2001, among the Registrant, Aurora and Ahab Acquisition Sub, Inc. ("Ahab Sub"), a wholly owned subsidiary of the Registrant, Ahab Sub was merged into Aurora and Aurora became a wholly owned subsidiary of the Registrant effective July 18, 2001. Upon consummation of the Merger, the Registrant assumed the obligations of Aurora under the Plans and each option is governed by the same terms and conditions that governed the applicable option immediately prior to the Merger except that:

- o each such option is exercisable for the number of shares of the Registrant's common stock equal to the number of shares of Aurora common stock issuable upon exercise of the option multiplied by 0.62, rounded down to the nearest whole share;
- o the per share exercise price for the shares of the Registrant's common stock issuable upon the exercise of the assumed option is equal to the exercise price per share of the Aurora option divided by 0.62, rounded up to the nearest whole cent; and
- o each outstanding restricted share of Aurora common stock was converted into the number of restricted shares of the Registrant's Common Stock that is equal to the product of 0.62 multiplied by the shares of Aurora common stock subject to the

Edgar Filing: VERTEX PHARMACEUTICALS INC / MA - Form S-8

award.

This Registration Statement relates to the Common Stock of the Registrant issuable upon exercise of the options or which may be sold pursuant to the Plans as follows:

- o 2,616,985 shares subject to the Aurora 1996 Stock Plan.
- o 310,062 shares subject to the Aurora Employee Stock Purchase Plan.
- o 137,947 shares subject to the 1993 Stock Option Plan of PanVera Corporation.
- o 2,700 shares subject to the Stock Option Agreements between Quorum Sciences, Inc. and certain of its employees.

In accordance with the instructional Note to Part I of Form S-8 as promulgated by the Securities and Exchange Commission, the information specified by Part I of Form S-8 has been omitted from this Registration Statement on Form S-8 for offers of Common Stock pursuant to the Aurora 1996 Stock Plan, the Aurora Employee Stock Purchase Plan, the 1993 Stock Option Plan of PanVera Corporation, and the Stock Option Agreements between Quorum Sciences, Inc. and certain of its employees.

ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Part D of Article 6 of the Restated Articles of Organization of the Registrant provides that no director of the Registrant shall be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. Such paragraph provides further, however, that, to the extent provided by applicable law, it will not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for distributions made in violation of the Registrant's Restated Articles of Organization or which are made when the Registrant is insolvent or which renders it insolvent, (iv) for loans made to officers or directors of the Registrant which are not repaid if the director has voted for such loans and they have not been approved or ratified as loans reasonably expected to benefit the Registrant, by a majority of directors who are not recipients of such loans or the holders of a majority of voting shares, which holders are not recipients of

Edgar Filing: VERTEX PHARMACEUTICALS INC / MA - Form S-8

such loans, and (v) for any transactions from which the director derived an improper personal benefit.

Article V of the Registrant's By-laws provides that the Registrant shall indemnify each of its directors and officers (including persons who serve at the Registrant's request as a director, officer or trustee of another organization in which the Registrant has any interest, direct or indirect, as a stockholder, creditor or otherwise or who serve at the Registrant's request in any capacity with respect to any employee benefit plan) against all liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties and counsel fees reasonably incurred by such director or officer in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which such director or officer may be involved or with which such person may be threatened, while in office or thereafter, by reason of such person's being or having been such a director, officer or trustee, except with respect to any matter as to which such director or officer shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that such director's or officer's action was in the best interest of the Registrant or, to the extent that such matter relates to service with respect to an employee benefit plan, in the best interest of the participants or beneficiaries of such employee benefit plan.

As to any matter disposed of by a compromise payment by any such person, pursuant to a consent decree or otherwise, Article V of the Registrant's By-laws provides that no indemnification shall be provided to such person for such payment or for any other expenses unless such compromise has been approved as in the best interest of the Registrant, after notice that it involves such indemnification (i) by a disinterested majority of the directors then in office, (ii) by a majority of the disinterested directors then in office, provided there has been obtained an opinion in writing of independent legal counsel to the effect

II-2

that such director or officer appears to have acted in good faith in the reasonable belief that such person's action was in the best interest of the Registrant, or (iii) by the holders of a majority of the outstanding stock at the time entitled to vote for directors, voting as a single class, exclusive of any stock owned by any interested director or officer.

Article V of the Registrant's By-laws provides that expenses, including counsel fees, reasonably incurred by any director or officer in connection with the defense or disposition of any such action, suit or other proceeding may be paid from time to time by the Registrant at the discretion of a majority of the disinterested directors then in office, in advance of the final disposition thereof, upon receipt of an undertaking by such director or officer to repay the Registrant the amounts so paid if it is ultimately determined that indemnification for such expenses is not authorized under Article V of the By-laws, which undertaking may be accepted by the Registrant without reference to the financial ability of such director or officer to make repayment.

Article V of the Registrant's By-laws gives the Board of Directors of the Registrant the power to authorize the purchase and maintenance of insurance, in such amounts as the Board of Directors may from time to time deem appropriate, on behalf of any person who is or was a director, officer or agent of the Registrant, or who is or was serving at the request of the Registrant as a director, officer or agent of another organization in which the Registrant has any interest, direct or indirect, as a shareholder, creditor or otherwise, or with respect to any employee benefit plan, against any liability incurred by such person in any such capacity, or arising out of such person's status as such

Edgar Filing: VERTEX PHARMACEUTICALS INC / MA - Form S-8

agent, whether or not such person is entitled to indemnification by the Registrant pursuant to Article V or otherwise and whether or not the Registrant would have the power to indemnify the person against such liability.

Section 13(b)(1 1/2) of the Massachusetts Business Corporation Law, Chapter 156B of the General Laws of Massachusetts (the "MBCL") authorizes the provisions, described above, contained in Part D of Article 6 of the Restated Articles of Organization of the Registrant.

Section 67 of the MBCL authorizes the provisions, described above, contained in Article V of the By-laws of the Registrant.

Section 65 of the MBCL provides that performance by a director, officer or incorporator of such person's duties in good faith and in a manner such person reasonably believes to be in the best interest of the corporation, and with such care as an ordinary prudent person in a like position would use under similar circumstances, shall be a complete defense to any claim asserted against such director, officer or incorporator, except as otherwise expressly provided by statute, by reason of such person's being or having been a director, officer or incorporator of the corporation.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate

Edgar Filing: VERTEX PHARMACEUTICALS INC / MA - Form S-8

offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
