**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS**

To be held Wednesday, July 31, 2002

This proxy statement and the enclosed proxy card are being furnished to our stockholders in connection with the solicitation of proxies by the Board of Directors of Electric City Corp., a Delaware corporation ("Electric City" or the "Company"), for use at our Annual Meeting of Stockholders to be held at the Comfort Inn, 2550 Landmeier Road, Elk Grove Village, Illinois 60007 at 10:00 a.m. local time, on Wednesday, July 31, 2002, and any adjournments thereof. This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about July 3, 2002.

Solicitation

The cost of this proxy solicitation will be borne by Electric City. We may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at our expense. Those banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by us for their reasonable out-of-pocket expenses of solicitation. We do not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest. In addition to soliciting proxies by mail, Electric City and its directors, officers and regular employees may also solicit proxies personally, by telephone or by other appropriate means. No additional compensation will be paid to directors, officers or other regular employees for such services.

Record Date and Outstanding Shares

Our Board of Directors fixed the close of business on June 14, 2002 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of the close of business on the record date, we had 31,196,378 shares of Common Stock and 2,216,168 shares of Preferred Stock with voting rights as to certain matters outstanding. Each outstanding share of Common Stock on such date will be entitled to one vote on each matter to be voted on at the Annual Meeting, and each outstanding share of Preferred Stock will be entitled to ten votes on each matter, other than the election of directors, to be voted at the Annual Meeting.

Required Vote

The affirmative vote of a plurality of the shares of Common Stock voted in person or by proxy at the Annual Meeting is required to elect the nominees to the Board of Directors. Stockholders will not be allowed to cumulate their votes in the election of directors. The affirmative vote of a majority of the total votes of the outstanding shares of Common Stock and the shares of Preferred Stock voted in person or by proxy at the Annual Meeting is required to ratify the appointment of BDO Seidman, LLP as the independent auditors of our financial statements for the year ending December 31, 2002. The affirmative vote of a majority of the total votes of the outstanding shares of our Common Stock and Preferred Stock is required to approve the proposal to amend our Certificate of Incorporation to increase our authorized shares of capital stock and our authorized shares of Common Stock.

Quorum; Abstentions And Broker Non-Votes

The required quorum for transaction of business at the Annual Meeting will be a majority of the total votes of the shares of Common Stock and Preferred Stock issued and outstanding as of the record date. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the Annual Meeting. Neither abstentions nor broker non-votes will have any effect on the vote for the election of directors. Because the affirmative vote of the holders

of a majority of the total votes of the outstanding shares of our Common Stock and Preferred Stock will be required to approve the proposal to amend our Certificate of Incorporation to increase our authorized shares of capital stock and our authorized shares of Common Stock, abstentions and broker non-votes will have the same effect as votes "against" that proposal.

We will consider abstentions present and entitled to vote with respect to the proposal to appoint our independent auditors, and, therefore, abstentions will have the same effect as votes "against" this proposal. We will not consider broker non-votes present and entitled to vote with respect to the proposal to appoint our independent auditors, and, therefore, broker non-votes will have no effect on the voting on this proposal.

Voting of Proxies; Revocability of Proxies

Our Board of Directors selected Jeffrey R. Mistarz and Greg M. Rice, the persons named as proxies on the proxy card accompanying this proxy statement, to serve as proxies. Mr. Mistarz is our chief financial officer and treasurer, and Mr. Rice is our general counsel and secretary. The shares of Common Stock represented by each executed and returned proxy will be voted in accordance with the directions indicated thereon, or if no direction is indicated, the proxy will be voted in accordance with the recommendations of the Board of Directors contained in this proxy statement. Members of the Company's management intend to vote their shares in favor of each of the proposals.

You can revoke a proxy you have given at any time before the shares it represents are voted by giving our secretary either (1) an instrument revoking the proxy or (2) a duly executed proxy bearing a later date. Additionally, you may change or revoke a previously executed proxy by voting in person at the Annual Meeting. However, your attendance at the Annual Meeting will not, by itself, revoke your proxy.

Annual Report to Stockholders

We are simultaneously furnishing to you with this proxy statement our Annual Report to Stockholders for the fiscal year ended December 31, 2001, which contains financial and other information pertaining to us.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting, six nominees to the Board of Directors will be elected to hold office for a one year term ending at our 2003 Annual Meeting of stockholders or until their respective successors are duly elected and qualified. All nominees listed below are currently members of our Board of Directors and have consented to being named in this proxy statement and to serve as directors, if elected. If at the time of the Annual Meeting any nominee becomes unavailable or declines to serve as a director for any reason, the persons named in the proxy will vote for the substitute nominee(s) as the Board of Directors recommends, or vote to allow the vacancy created by the nominee who is unable or declines to serve to remain open until filled by the Board of Directors, as the Board of Directors recommends. The Board of Directors has no reason to believe that any nominee will be unable or decline to serve if elected to office.

The number of directors has been set at 12 by resolution of the Board. On September 7, 2001, we closed on an issuance of our Series A Convertible Preferred Stock ("Series A Preferred Stock") with five investors that included Newcourt Capital USA, Inc., Duke Capital Partners, LLC, Morgan Stanley Dean Witter Equity Funding, Inc., Originators Investment Plan, L.P. and EP Power Finance, L.L.C. (the "Investors"). With respect to this issuance, we entered into a Stockholders Agreement with the Investors that provided (among other things) the Investors the right to elect up to (i) four directors for so long as at least 800,000 shares of Series A Preferred Stock remained issued and outstanding, (ii) three directors for so long as at least 600,000 but less than 800,000 shares of Series A Preferred Stock remained issued and outstanding, (iii) two directors for so long as at least 400,000 but less than 600,000 shares of Series A Preferred Stock remained issued and outstanding and (iv) one director for so long as at least 200,000 but less than 400,000 shares of Series A Preferred Stock remained issued and outstanding.

On November 29, 2001, we closed on an additional issuance of Series A Preferred Stock with Leaf Mountain Company, LLC ("Leaf Mountain") and amended the Stockholders Agreement to include Leaf Mountain's participation in the Stockholders Agreement. Leaf Mountain does not have a right to designate a director for election, but its shares of Series A Preferred Stock are included in the calculation of outstanding shares of Series A Preferred Stock in determining the number of directors the Investors can elect.

Edgar Filing: ELECTRIC CITY CORP - Form PRE 14A

On June 4, 2002, we closed on an issuance of Series C Convertible Preferred Stock with Mr. Richard Kiphart, an individual, and amended the Stockholders Agreement to include Mr. Kiphart's participation in the Stockholders Agreement. Mr. Kiphart does not have a right to designate a director for election, but his shares of Series C Preferred Stock are included with the Series A Preferred Stock in determining the number of directors the Investors can elect.

On June 14, 2002, the Investors and Leaf Mountain held 2,016,168 shares of Series A Preferred Stock and Mr. Kiphart held 200,000 shares of Series C Preferred Stock. Accordingly, the Investors are entitled to elect up to four directors (out of 12) to our board. Except for the election of directors nominated by our board of directors for election, the Investors, Leaf Mountain and Mr. Kiphart are entitled to vote with the holders of our common stock on an as-converted basis on all matters which our holders of common stock are entitled to vote.

Specifically, the Audit Committee has discussed with BDO Seidman, LLP matters required to be discussed by Statements on Auditing Standards (SAS) 61 (Codification of Statements on Auditing Standards, AU Section 380).

Edgar Filing: ELECTRIC CITY CORP - Form PRE 14A

The Audit Committee received from BDO Seidman, LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with BDO Seidman, LLP the issue of its independence from the Company.

As of December 31, 2001, the Company had not adopted, nor made any awards, under a long-term incentive plan.

Stock Options and Incentive Compensation

During the Company's annual meeting of shareholders held on August 30, 2001, our shareholders approved the adoption of the 2001 Stock Incentive Plan (the "Plan"), which provides that up to 800,000 shares of the Company's common stock, par value \$0.0001 ("Common Stock") may be delivered under the Plan to certain employees of the Company or any of its subsidiaries. In addition, the Plan provides for an additional 500,000 shares of Common Stock to be reserved on January 1 of each succeeding year, beginning January 1, 2002. The awards to be granted under the Plan may be incentive stock options eligible for favored treatment under Section 422 of the Internal Revenue code of 1986, as amended from time to time, or non-qualified options that are not eligible for such treatment or stock of the Company, which may be subject to contingencies or restrictions. Approximately 38 employees, officers and directors of the Company are currently eligible to participate in the Plan.

As of June 14, 2002, there were 1,300,000 shares of Common Stock reserved under the Plan. There were no grants or issuances of the Company's common stock under the Plan during 2001.

Compensation of Directors

All non-employee directors, excluding founder-directors (the "Eligible Directors") receive grants of stock options pursuant to the Directors' Stock Option Plan. Upon appointment to the board of directors, each Eligible Director is granted options to purchase 75,000 shares of the Company's common stock at an exercise price that is equal to the closing price of the Company's common stock on the grant date. These options vest one-third on the grant date and one-third on January 1 of each of the two succeeding years. In addition, if an Eligible Director is serving as director on his or her annual anniversary date of appointment, such director is granted options to purchase 25,000 shares of the Company's common stock on that grant date. These options vest one-third on the grant date and one-third on each of the two succeeding anniversary dates.

Directors who are also employees of the Company receive no additional compensation for their services as directors. Directors who are not employees of the Company (excluding founder-directors) are eligible to be awarded stock options. All non-employee directors are reimbursed for travel expenses and other out-of-pocket costs incurred in connection with their attendance at board and committee meetings.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On May 24, 1999, we purchased from Mr. Marino most of the assets of Marino Electric for a purchase price of \$3,888,000, consisting of \$1,792,000 in cash and 1,600,000 shares of our common stock. The purchase price of \$3,880,000 exceeded the fair value of the assets acquired by approximately \$3,363,000. Under the terms of the purchase agreement, we were obligated to pay the cash portion of the purchase price upon the closing of our private issuances of common stock that commenced in July 1999. In May 2000, Mr. Marino waived this requirement and instead received a payment of \$820,000 in cash and a subordinated secured term note for the principal amount of \$972,000 at an interest rate of 10% per annum, payable in equal installments over 24 months and requiring principal and interest payments of \$44,928 per month. This note was fully paid and retired during May 2002.

On April 1, 2000, we entered into a state representative agreement with Electric City of Illinois and on June 1, 2000, we entered into a state representative agreement with Electric City of Indiana. James Stumpe, one of our directors until his resignation in August 2001, is a member of Electric City of Illinois and, until October 15, 2001, was a member of Electric City of Indiana. The agreements grant to Electric City of Illinois and Electric City of Indiana distribution territories within the States of Illinois and Indiana, respectively. The members of our board other than Mr. Stumpe approved the terms of the transactions and believed the terms to be substantially similar to those of our other distributor or state representative agreements and as favorable to us as if negotiated with an unaffiliated third party. As of December 31, 2000 and 2001, the balance of our accounts receivable from Electric City of Illinois, LLC was \$229,757 and \$107,297, respectively, and sales to Electric City of Illinois were \$334,000 and \$157,000 for 2000 and 2001, respectively. As of December 31, 2000 and 2001, the balance of our accounts receivable from Electric City of Indiana was \$63,925 and \$65,077, respectively, and sales to Electric City of Indiana were \$105,000 and \$113,000 for 2000 and 2001, respectively.

On January 5, 2000, we entered into a distributor agreement with Electric City of Southern California L.L.C., of which Mr. Marino is a member, which provides for an initial term of 10 years. The agreement grants to Electric City of Southern California a distribution territory that extends from Monterrey to Fresno to the northern edge of Death Valley, south to the southern border of California. This agreement provides for terms that are substantially similar to those of our other distributor agreements and as favorable to us as it negotiated with an unaffiliated third party. As of December 31, 2000 and 2001, our accounts receivable from Electric City of Southern California was \$300,000 and \$438,675, respectively, and sales to Electric City of Southern California were \$362,000 and \$590,000 for 2000 and 2001, respectively.

Effective December 4, 2000, we entered into an agreement with Mr. Marino in which we agreed to grant to Mr. Marino distributorship rights of our EnergySaver product in Northern California, Nevada and Arizona and to enter into distributor agreements with Mr. Marino with respect to each of these distribution territories for an initial term of 10 years and on terms substantially similar to those of our other distributor and state representative agreements. With respect to the Southern California distribution territory, we agreed to permit Electric City of Southern California to transfer to Mr. Marino its current distributor agreement described above.

In October 2000, we entered into an agreement with KMC Telecom (for which Roscoe Young, one of our former directors, is President and Chief Operating Officer) to sell and install our TP3 switchgear product at three KMC Telecom facilities. The sale and installation amount for the three sites totaled \$773,802, of which \$435,551 was recognized in 2000 and \$338,951 was recognized in 2001. The aggregate amount was reflective of prices that would be charged to an unrelated third party. Installation of the TP3 switchgear began in November 2000 and was completed in June 2001.

Edgar Filing: ELECTRIC CITY CORP - Form PRE 14A

Each of Augustine Fund, L.P., which converted all of its outstanding shares of our Series B Convertible Preferred Stock during June 2001 into shares of our common stock, and Messrs. Conant,

21

Konstant, Marino, McEneely and Stelter (each, a "Restricted Stockholder") (each, a "Restricted Stockholder") has entered into separate trading agreements with us that are effective for a term of three years beginning on October 17, 2000. The trading agreements restrict each Restricted Stockholder's transfer of our common stock as follows:

sales in any one trading day by such Restricted Stockholder shall not exceed the greater of 10,000 shares or 10% of the average trading volume of our stock during the 10 prior trading days;

public trades by such restricted stockholders in an opening transaction, during the last half hour of any trading day and at any time outside of regular trading hours shall be prohibited; and

up to four times within any 12-month period, we may prohibit any Restricted Stockholder from trading the common stock for an entire trading day.

We have agreed to give each Restricted Stockholder a right of first refusal to sell his common stock to any third party that contacts us with a desire to purchase 100,000 or more shares of our common stock. This right will be allocated equally among each of the Restricted Stockholders who elect to participate in the sale. However, this right of first refusal will not preclude us from raising additional capital should such need arise.

During August 2001, Messrs. Conant, Konstant, Marino, McEneely and Stelter agreed to amendments of the terms of their trading agreements to provide that sales in any one trading day cannot exceed 5% of the average trading volume of our Common Stock on such day and such sales will not exceed 15% of such individual's holdings in any three-month period. In addition, if the Company and a managing underwriter request a market stand-off pursuant to a qualified public offering, each individual agrees not to sell, make any short sale of, grant any option for the purchase of, or otherwise dispose of any of their holdings (other than those included in the registration) without the consent of the underwriter. The market stand-off period will not exceed 180 days.

During 2001, our subsidiary, Switchboard Apparatus, Inc. paid \$328,323 to Harbrook Tool and Manufacturing Company ("Harbrook") for manufacturing and installing safety devices to distribution panels made by various manufacturers. For the period from September 2000 (effective with our purchase of Switchboard Apparatus) through December 31, 2000, we paid \$68,385 for the safety devices. A minority owner of Harbrook is Mr. Terry Hoppensteadt, who is a brother of Dale Hoppensteadt, the president of Switchboard Apparatus. We believe the amounts paid for such work are consistent with that which would be paid to an unrelated third party.

One of our wholly-owned subsidiaries, Switchboard Apparatus, Inc., leases its manufacturing facilities in Broadview, Illinois from owners which include Dale Hoppensteadt, the current president of Switchboard Apparatus. During 2001, we paid \$111,000 in lease payments. The lease was assumed with the purchase of Switchboard Apparatus, Inc. and expires in April 2004.

Our other wholly-owned subsidiary, Great Lakes Controlled Energy Corp. ("Great Lakes"), leases its office and warehouse facility in Elk Grove Village, Illinois from Eugene Borucki and Denis Enberg, the former owners of Great Lakes who are currently officers of our Company. During 2001, we paid \$70,000 in lease payments. The lease commenced with the purchase of Great Lakes in June 2001 and expires in June 2004.

On May 1, 2002, we entered into an agreement with Delano Group Securities, LLC ("Delano"), the President of which is Mr. David Asplund, who was nominated to our board of directors during June 2002 and is standing for election at our Annual Meeting. The agreement provided that Delano would receive a placement fee equal to 4% of the gross proceeds for any equity private placement in which Delano acted as placement agent. On June 4, 2002, we closed on a private placement issuance of Series C Convertible Preferred Stock with Mr. Richard Kiphart for which we received \$2,000,000 of gross proceeds. The placement agent fee paid to Delano was \$80,000.

PROPOSAL 2

RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors has appointed BDO Seidman, LLP, independent public accountants, as auditors of our financial statements for the year ending December 31, 2002, and to perform other audit and accounting activities as may be requested from time to time by management or the Board of Directors. BDO Seidman, LLP has acted as our auditors since August 1998.

The Board of Directors has directed that the appointment of BDO Seidman, LLP as our auditors be submitted to the stockholders for ratification. If a majority of the shares of Common Stock voted at the Annual Meeting, in person or by proxy, are not voted in favor of the ratification of the appointment of BDO Seidman, LLP, the Board of Directors will interpret that as an instruction to seek other auditors.

It is expected that representatives of BDO Seidman, LLP, our independent public accountants, will be present at the meeting and will be available to respond to questions. Representatives of BDO Seidman, LLP will be given an opportunity to make a statement if they desire to do so.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS INDEPENDENT AUDITORS OF OUR FINANCIAL STATEMENTS FOR THE YEAR ENDING DECEMBER 31, 2002.

23

PROPOSAL 3

PROPOSAL TO AMEND OUR CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED CAPITAL STOCK AND AUTHORIZED COMMON STOCK

The Board of Directors has unanimously approved, subject to stockholder approval, an amendment to our Certificate of Incorporation to increase our authorized number of shares of capital stock from 90,000,000 to 125,000,000 and our authorized number of shares of Common Stock from 85,000,000 to 120,000,000. No changes will be made to the number of authorized shares of our preferred stock, which is 5,000,000. If approved, the first sentence of Article 4 of our Certificate of Incorporation would be amended in its entirety to read as follows:

"4. *Authorized Capital Stock.* The total number of shares of stock which the Corporation shall have authority to issue is 125,000,000, consisting of 120,000,000 shares of Common Stock, with a par value of \$.0001 per share, and 5,000,000 shares of Preferred Stock, with a par value of \$.01 per share (hereinafter, the "Capital Stock")."

As of June 14, 2002, we had (1) 31,196,378 shares of Common Stock issued and outstanding, (2) 20,161,680 shares of Common Stock reserved for conversion of Series A Convertible Preferred Stock (including shares of Series A Convertible Preferred Stock issued to date as payment for dividends), (3) 2,000,000 shares of Common Stock reserved for conversion of Series C Convertible Preferred Stock, (4) 9,607,971 shares of Common Stock reserved for issuance upon the exercise of outstanding options, and (5) 12,872,955 shares of Common Stock reserved for issuance upon the exercise of outstanding warrants.

As of June 14, 2002, we had (1) 2,016,168 shares of Preferred Stock outstanding (which shares of preferred stock are convertible into 20,161,680 shares of Common Stock, which shares of Common Stock are included in the preceding paragraph), (2) 475,000 shares of Series A Convertible Preferred Stock reserved for issuance upon the exercise of outstanding warrants (which shares of preferred stock are convertible into 4,750,000 shares of Common Stock (which are included in the preceding paragraph) and (3) 50,000 shares of Series C Convertible Preferred Stock reserved for issuance upon the exercise of outstanding warrants (which shares of preferred stock are included in the preceding paragraph).

Purpose and Reasons for the Amendment

The purpose of the proposed amendment to our Certificate of Incorporation is to increase the number of authorized shares of Common Stock to 120,000,000 shares, and thus to increase our authorized capital stock to 125,000,000 shares, principally to provide sufficient authorized Common Stock for general corporate purposes, including issuances pursuant to stock incentive plans for employees, officers and directors,

possible future acquisitions and possible future equity financings.

Principal Effects of the Amendment

The additional shares of Common Stock to be authorized by adoption of the amendment would have rights identical to the currently outstanding Common Stock. Adoption of the proposed amendment and issuance of the Common Stock would not affect the rights of the holders of our currently outstanding Common Stock, except for effects incidental to increasing the number of shares of the Common Stock outstanding, such as dilution of the earnings per share and voting rights of current holders of Common Stock. If the amendment is adopted, it will become effective upon filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware.

Shares of our Common Stock, including the additional shares that will be authorized if the proposed amendment is adopted, may be issued, subject to certain exceptions, by the Board of

24

Directors at such times, in such amounts and upon such terms as the Board of Directors may determine without further approval of the stockholders.

The additional shares of Common Stock that would become available for issuance if the proposed amendment is adopted could also be used by the Company to oppose a hostile takeover attempt or delay or prevent changes in control or management of the Company. For example, without further stockholder approval, the Board of Directors could adopt a "poison pill" that would, under some circumstances related to an acquisition of shares not approved by the Board of Directors, give some holders the right to acquire additional shares of Common Stock at a low price, or the Board could strategically sell shares of Common Stock in a private transaction to purchasers who would oppose a takeover or favor the current Board of Directors. Although this proposal to increase the authorized Common Stock has been prompted by our desire to make available additional shares of Common Stock for issuances pursuant to stock incentive plans for employees, officers and directors, possible future acquisitions and possible future equity financings and not by the threat of any hostile takeover attempt (nor is the Board of Directors currently aware of any such attempts directed at us), nevertheless, stockholders should be aware that approval of this proposal could facilitate future efforts by us to deter or prevent changes in control of the Company, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices.

Vote Required

The affirmative vote of the holders of a majority of the outstanding shares of our Common Stock will be required to approve this proposal to amend our Certificate of Incorporation. As a result, abstentions and broker non-votes will have the same effect as votes "against" the proposal.

THE BOARD OF DIRECTORS BELIEVES THAT THE PROPOSED AMENDMENT TO THE CERTIFICATE OF INCORPORATION IS IN THE BEST INTERESTS OF OUR STOCKHOLDERS, AND, THEREFORE, RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO AMEND THE CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED CAPITAL STOCK AND AUTHORIZED COMMON STOCK.

25
