**Item 5. Other Events**

Following Liberate Technologies' recent announcement that it would delay the filing of its 10-Q for the period ended August 31, 2002, the company announced on October 22, 2002 that it had received on that day a Nasdaq Staff Determination indicating that it does not comply with the timely filing requirements for continued listing set forth in Marketplace Rule 4310(c)(14), and that its securities are therefore subject to delisting from the Nasdaq National Market. As the next step in the process, Liberate will be requesting a hearing before a Nasdaq Listing Qualifications Panel to review the Staff Determination. There can be no assurance that the Panel will grant Liberate's request for continued listing. Pending the results of this hearing, Liberate's stock ticker symbol became LBRTE starting as of Thursday, October 24, 2002, reflecting the Nasdaq convention for companies making delayed public filings.

Liberate's press release dated October 22, 2002 regarding these events is attached as Exhibit 99.1 hereto and incorporated by reference herein.
