## **Section 1. Registrant's Business and Operations**

### **Item 1.01. Entry into a Material Definitive Agreement.**

On November 26, 2007, Forward Air Corporation (the "Company") entered into an Asset Purchase Agreement (the "Agreement") with Black Hawk Freight Services, Inc. ("Black Hawk") and each of the stockholders of Black Hawk. Pursuant to the terms of the Agreement, the Company will acquire substantially all of Black Hawk's assets for approximately \$35 million and will assume certain liabilities. Black Hawk provides line haul, local cartage, roller bed and pool distribution services. The transaction is subject to customary closing conditions and is expected to close in the fourth quarter of 2007, but there can be no assurances that the conditions to closing will be satisfied or waived or that the closing will occur as expected. The acquisition will be financed with a mix of cash on hand and borrowings under the Company's existing revolving credit facility.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the Agreement. The Agreement has been included to provide investors and shareholders with information regarding its terms. It is not intended to provide any factual information about the Company or Black Hawk. The representations, warranties and covenants contained in the Agreement are made only for purposes of that agreement and as of the specific dates set forth therein, are solely for the benefit of the parties thereto, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries of the Agreement, and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company or Black Hawk or any of their respective subsidiaries or affiliates. A copy of the Agreement is attached to this Current Report on Form 8-K as Exhibit 2.1 and is incorporated herein by reference.
