State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report or portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

One of the Registrant's subsidiaries, Sames, S.A., is based in France. Due to delays in obtaining and compiling the financial information, data and other information from this subsidiary necessary to consolidate and finalize the Registrant's fiscal 2000 financial statements, the fiscal year end December 31, 2000 annual audit of Sames Corporation by KPMG LLP is not yet complete, and will not be complete by the required filing date of its Form 10-K report. The Registrant intends to file its completed Form 10-K report for the fiscal year ending December 31, 2000 within the fifteen (15) day period provided by Rule 12b-25 under the Securities Exchange Act of 1934.

PART IV - OTHER INFORMATION

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the Registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant anticipates that its Form 10-K report for the fiscal year ended December 31, 2000 will show a loss from continuing operations for the year ended December 31, 2000 of \$5.7 million and a net loss of \$8.7 million, compared to income from continuing operations of \$3.1 million and a net loss of \$1.8 million for the fiscal year ended November 30, 1999. The anticipated losses are primarily the result of: (1) a decrease in sales; (2) cost overruns and substantially reduced margins on a number of large

automotive paint shop installations and other adjustments, including those for reserves for retirement costs at the Registrant's French subsidiary; (3) non-recurring charges related to a reduction in staff at the Registrant's French subsidiary; (4) a one-time charge to reduce the balance sheet carrying value of deferred tax assets initially recorded in prior years; (5) a loss from discontinued operations; and (6) a decline in the average exchange value of the French franc versus the U.S. dollar.

SAMES CORPORATION has caused this notification to be signed on its behalf by the undersigned thereunto duly authorized.
