Item 2.02 – Results of Operations and Financial Condition

On April 29, 2009, the Registrant issued a news release to announce its financial results for the three months ended March 31, 2009. The news release is attached hereto as Exhibit 99.1. The news release includes disclosure of net interest income on a tax-equivalent basis, which is a performance measure used by management in operating its business, which management believes provides investors with a more accurate picture of net interest income and net interest margins for comparative purposes.

Item 5.02 – Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 28, 2009, the Registrant’s Compensation Committee elected to suspend the Registrant’s annual incentive bonus plan due to declining financial performance. Each of the Registrant’s named executive officers is a participant in this plan. The Compensation Committee will review the future financial performance of the Registrant in future quarters and will reinstate the plan when deemed appropriate.
