This Amendment No. 21 amends and supplements items 2, 4 and 5 of the Statement on Schedule 13D of Landesbank Berlin AG (LB), a wholly owned subsidiary of Landesbank Berlin Holding AG (the "Parent"), which is in turn controlled by Erwerbsgesellschaft der S-Finanzgruppe mbH & Co. KG, a German limited partnership (the Partnership), with respect to the shares of Common Stock, par value \$.01 per share (the "Common Stock"), of the Aberdeen Australia Equity Fund, Inc. (the "Fund"). Statements that are not modified in this amendment are not amended and remain as previously reported.

Item 2. Identity and Background

The general partner of the Partnership is Regionalverbandsgesellschaft mbH, a German limited liability company (RVG) owned by several German regional savings bank associations. The amendment to Annex C attached hereto sets forth the name, address and principal occupation of each of the Executive Directors of RVG. Based on the information about such Executive Directors that is available to the Parent and LB pursuant to German law, neither the Parent nor LB is aware of any information to the effect that any such person has during the last five years been a party to any criminal or civil proceeding. All of the individuals listed on Annex C are citizens of the Federal Republic of Germany.

The amendment to Annex B attached hereto sets forth the name, address and principal occupation of each director and executive officer of LB. Based on the information about the persons listed on Annex B that is available to the Parent and LB pursuant to German labor law (including a police certificate of no criminal record), neither the Parent nor LB is aware of any information to the effect that any such person has during the last five years been party to any such criminal or civil proceeding. All of the individuals listed on Annex B are citizens of the Federal Republic of Germany.

Item 4. Purpose of Transaction

As previously reported, the Fund's Board of Directors authorized the preparation and filing by the Fund of a registration statement (the Registration Statement), at LB's expense, to register LB's remaining shares of Common Stock for sale in a public offering pursuant to the registration provisions of the Securities Act of 1933 (the Securities Act). The Registration Statement was declared effective on September 14, 2007, and since that date LB has, as it stated its intention to do in Amendment No. 20 to this Statement on Schedule 13D, periodically engaged in at-the-market sales of shares of Common Stock pursuant to the plan of distribution set forth in the Registration Statement. LB's sales of Common Stock during the last 60 days are set forth in Item 5(c) below.

In addition to sales pursuant to the Registration Statement, LB reserves the right to make additional sales of its shares of Common Stock pursuant to rule 144 under the Securities Act, subject to the rule's filing requirements and limitations on the permitted volume of sales and the manner in which shares may be sold. Depending on market conditions, LB also reserves the right not to engage in sales of shares of Common Stock.

Item 5. Interest in Securities of the Issuer

(a) According to the Fund's definitive proxy statement filed on February 19, 2008, there were 19,184,686 shares of Common Stock outstanding at February 8, 2008. The percentage set forth in this Item 5(a) is derived using such number. LB has sole power to vote and dispose of 2,396,309 shares of Common Stock, which constitute approximately 12.5% of the outstanding shares of Common Stock.

(c) During the last sixty days, LB has effected the following sales of shares of Common Stock in at-the-market transactions on the American Stock Exchange pursuant to the Registration Statement:

Date	Number of Shares	Price (net of commissions)
01/03/2008	26,200	17.3776

01/09/2008	500	16.3
