Item 2.06 Material Impairment

On December 3, 2009, Eastman Chemical Company decided to discontinue its Beaumont, Texas industrial gasification project. The text of the company's release announcing this decision, including the facts and circumstances leading to the decision, is filed as Exhibit 99.01 to this Form 8-K and is incorporated herein by this reference. As previously reported, at September 30, 2009 approximately \$230 million of the company's assets were land, capitalized front-end engineering and design, methanol and ammonia assets, intangible assets, and goodwill related to the Beaumont, Texas gasification project. As a result of the decision to discontinue the project, the company will in the fourth quarter 2009 recognize a pre-tax non-cash charge for the impairment of these assets estimated to be between \$150 million-\$180 million.
