GENERAL

Item 1. General information

- (a) MicroStrategy Incorporated (the "Applicant") is a corporation.
- (b) The Applicant is organized under the laws of the State of Delaware.

Item 2. Securities Act exemption applicable

The Applicant relies upon Section 3(a)(10) of the Securities Act of 1933, as amended (the "Act"), as the basis for its claim that registration of the indenture securities under the Act is not required.

From March through May 2000, twenty-five class action complaints were filed in federal courts in various jurisdictions alleging that the Applicant and certain of the Applicant's officers and directors violated Section 10(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Rule 10b-5 promulgated thereunder, and Section 20(a) and Section 20A of the Exchange Act. The Applicant's outside auditor, PricewaterhouseCoopers LLP, was also named in two of the suits. The complaints contained varying allegations, including that the Applicant made materially false and misleading statements with respect to its 1999, 1998 and 1997 financial results in its filings with the Securities and Exchange Commission ("SEC"), analysts' reports, press releases and media reports. In June 2000, these putative class action lawsuits were consolidated in the United States District Court for the Eastern District of Virginia. On July 7, 2000, the lead plaintiffs filed an amended class action complaint naming us, certain of our officers and directors, and PricewaterhouseCoopers LLP as defendants. The amended class action complaint alleges claims under Section 10(b), Section 20(a) and Section 20A of the Exchange Act. The amended class action complaint does not specify the amount of damages sought.

On October 23, 2000, the Applicant, its officers and directors named as defendants, and plaintiffs' counsel entered into a settlement agreement in the consolidated class action. Under the settlement agreement, class members will receive: (1) five-year unsecured subordinated promissory notes (the "Notes") issued by the Applicant having an aggregate principal amount of \$80.5 million and bearing interest at 7.5% per year and which are convertible by the Applicant at any time prior to the expiration of the five-year term of the Notes into a number of shares of class A common stock equal to the principal amount of the Notes, including accrued but unpaid interest, being converted divided by 80% of the dollar volume-weighted average trading price of the class A common stock over a ten-day period preceding delivery of a conversion notice; (2) 2,777,778 shares of the Applicant's class A common stock; and (3) warrants to purchase 1.9 million shares of class A common stock at an exercise price of \$40 per share, with the warrants expiring five years from the date they are issued, each of which is subject to adjustment for fractional interests.

On January 19, 2001, the district court authorized notice of the

Edgar Filing: MICROSTRATEGY INC - Form T-3/A

proposed settlement to be sent to all putative class members. The notice informed class members of their rights including their rights to object to the proposed settlement and pursue their claims separately. On April 2, 2001, the district court approved the

2

settlement and the period from which an appeal could have been taken has expired. On March 12, 2002, the district court authorized the Applicant to enter into an amendment to the Indenture relating to the Notes. The settlement is subject to various closing conditions. The closing is scheduled for completion on June 24, 2002.

INDENTURE SECURITIES

Item 8. Analysis of Indenture Provisions

(A) Events of Default; Withholding of Notice

Under the terms of the Indenture among the Applicant and American Stock Transfer & Trust Company (the "Trustee") dated as of January 11, 2001, as amended by the First Amendment to Indenture dated as of June 18, 2002. (the "Indenture"), an "Event of Default" will have occurred with respect to the Notes if: (a) the Applicant defaults in the payment of interest on any Note when the same becomes due and payable; (b) the Applicant defaults in the payment of the principal of any Note when the same becomes due and payable at maturity, upon redemption or mandatory conversion, or otherwise; (c) the Applicant fails to observe or perform certain covenants and agreements set forth in the Indenture relating to the conduct of the business and certain ongoing obligations under the Indenture; (d) the Applicant fails to observe or perform any other covenant or agreement contained in the Indenture or the Notes, required by it to be performed and the failure continues for a period of 60 days after notice from the Trustee to the Applicant or from the Holders of at least thirty-five percent (35%) in principal amount of the then outstanding Notes to the Applicant and the Trustee stating that such notice is a "Notice of Default"; (e) the Applicant, pursuant to or within the meaning of any bankruptcy law: (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case in which it is the debtor; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; (iv) makes a general assignment for the benefit of its creditors; or (v) generally is unable to pay its debts as the same become due; (f) a court of competent jurisdiction enters an order or decree under any bankruptcy law that: (i) is for relief against the Applicant in an involuntary case which order remains unstayed or unwithdrawn for 60 days; (ii) appoints a custodian of the Applicant or for all or substantially all

9

of its property which order is not stayed or withdrawn within 60 days; and (iii) orders the liquidation of the Applicant, and the order or decree remains unstayed and in effect for 60 days; or (g) there exists under any Senior Debt (as defined in the Indenture), or any agreement pursuant to which any Senior Debt is issued, any default which (i) remains uncured after the expiration of any applicable notice or cure period and (ii) has caused such Senior Debt to become due and payable.

If a Default (as defined in the Indenture) or Event of Default occurs and

Edgar Filing: MICROSTRATEGY INC - Form T-3/A

is continuing and if it is known to the Trustee, the Trustee will mail to each person in whose name a Note is registered (each such person is a "Holder") a notice of the Default or Event of Default within 30 days after the Trustee becomes aware of such Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers (as defined in the Indenture) in good faith determines that withholding the notice is in the interests of Holders.

(B) Authentication and Delivery of Notes; Application of Proceeds

The Notes will be issued to the initial recipients specified in the Stipulation of Settlement in the form of certificated Notes in definitive, fully registered form without interest coupons in the form set forth in the Indenture. Each Note will be registered in the name of the appropriate initial recipient or its nominee, duly executed by the Applicant and authenticated by the manual or facsimile signature of an authorized officer of the Trustee.

The aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture is limited to Eighty Million Five Hundred Thousand Dollars and No Cents (\$80,500,000.00), except that, pursuant to the Stipulation of Settlement, such amount may be increased, at the Applicant's option, to account for the issuance of Notes in lieu of fractional shares of class A common stock or warrants to purchase fractional shares of class A common stock, and except for replacement notes authenticated and delivered in exchange for, or in lieu of, other Notes previously authenticated and delivered under this Indenture. The Notes are being issued as part of the settlement of the consolidated class action lawsuit against the Applicant, and, therefore, there will be no proceeds to the Applicant from the issuance of the Notes.

(C) Release or Release and Substitution of any Property Subject to the Lien of the Indenture

The Notes are unsecured, and, therefore, no property of the Applicant is subject to lien under the Indenture.

(D) Satisfaction and Discharge of the Indenture

The Applicant's obligations under the Indenture will cease (except that certain indemnification obligations to the Trustee under the Indenture will survive) when all outstanding authenticated and issued Notes have been delivered to the Trustee for cancellation and the Applicant has paid all sums payable thereunder. In the event that any payment made under the

10

Indenture is avoided under any bankruptcy or reorganization law following termination of the Indenture, the Indenture will be revived as if the challenged amount had never been paid.

(E) Evidence Required to be Furnished by the Obligor Upon the Indenture Securities to the Trustee as to Compliance With the Conditions and Covenants Provided for in the Indenture

The Applicant will deliver to the Trustee, within 90 days after the end of each fiscal year of the Applicant, an Officers' Certificate stating that a review of the activities of the Applicant and its Subsidiaries (as defined in the Indenture) during the preceding fiscal year has been made under the supervision of the signing officers with a view to determining whether the Applicant has kept, observed, performed and fulfilled its obligations under, and

Edgar Filing: MICROSTRATEGY INC - Form T-3/A

complied with the covenants and conditions contained in, the Indenture. The Officers' Certificate must also state, as to each officer signing the certificate, that to the best of his knowledge the Applicant has kept, observed, performed and fulfilled each and every covenant, and complied with the covenants and conditions contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions hereof (or, if a Default or Event of Default has occurred, describing all Defaults or Events of Default of which he may have knowledge) and that to the best of his knowledge no event has occurred and remains in existence by reason of which payments on account of the principal or of interest, if any, on the Notes are prohibited. One of the officers signing the Officers' Certificate must be either the Applicant's principal executive officer, principal financial officer or principal accounting officer. In addition, the Applicant will, so long as any of the Notes are outstanding, deliver to the Trustee upon becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default.

Item 9. Other Obligors

None.
