DIANA SHIPPING INC. ANNOUNCES TIME CHARTER CONTRACT FOR MV DIONE AND ACCEPTS OFFER LETTER FOR CREDIT FACILITY OF US\$200 MILLION FROM ROYAL BANK OF SCOTLAND PLC

ATHENS, GREECE, November 27, 2006 - Diana Shipping Inc. (NYSE: DSX), a global shipping company specializing in the transportation of dry bulk cargoes, today announced that it has entered into a time charter contract with Pacific Carriers Limited, Singapore for one of its Panamax dry bulk carriers, the Dione, for a minimum eleven (11) to about thirteen (13) month period. The gross charter hire rate will be US\$28,500 per day and the new charter is expected to commence on or about December 7, 2006. The Dione is a 75,172 dwt Panamax dry bulk carrier built 2001 and is currently employed at US\$17,000 per day.

This employment is expected to generate approximately US\$9.5 million of gross revenues for Diana Shipping for the minimum period of the charter.

The Company also announced that it has accepted an offer letter from Royal Bank of Scotland for a 364-day credit facility of up to US\$200 million, which will be made available to the Company upon full utilization of the existing Revolving Credit Facility of US\$300 million.

Diana Shipping Chairman and Chief Executive Officer, Simeon Palios, commented: "We are pleased to announce a new time charter contract for the Dione and our co-operation with a first class charterer such as Pacific Carriers Limited. The new contract enhances Diana's earnings visibility and dividend paying ability for 2007.

"We are also pleased to announce the further strengthening of our long standing relationship with Royal Bank of Scotland through the acceptance of an offer letter for a new loan facility which would support Diana's growth potential should a suitable opportunity present itself in the medium term."

Cautionary Statement Regarding Forward-Looking Statement

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts.

The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words "believe," "except," "anticipate," "intends," "estimate," "forecast," "project," "plan," "potential," "will," "may," "should," "expect" "pending and similar expressions identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management's examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including fluctuations in charter rates and vessel values, changes in demand for dry bulk shipping capacity, changes in our operating expenses, including bunker prices, drydocking and insurance costs, the market for our vessels, availability of financing and refinancing, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, vessels breakdowns and instances of off-hires and other factors. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
